THANK YOU

Eagle Glenmoore Lions

Time goes by and some of our Lions are growing older. This year, our club has seen three of our Lions decrease in their activity with us and we would like to acknowledge their devotion to Lionism throughout the years. The first is PDG Charlie Lobb – Charlie is now over ninety years old and started with the Eagle Lions Club before they merged with Glenmoore Lions Club. His vibrant personality is known to most Lions in District 14-P, even before he became District Governor. The activities he helped originate and support in the Eagle area will long be remembered, like the work at Hickory Park and the many picnics at the Lobb home. When he went after membership, who can forget his "hat program"? And he was right, Lions wear many hats but when we come together what strength we wield, and how much volunteer service do we provide for the community.

Next came Lion Tom Baynard, and we even had his identical twin brother Bill as one of our members. Lion Tom shared his many years of

chief of police work with us and prompted our club to start a Lions Alert group. He also brought Lions Alert information to District 14-P and these groups worked in their communities with the emergency responders. Now he is older, and it is time for our younger Lions to follow his path of good work for the community.

Finally, we have Lion Don Greenleaf. Lion Don started in the Downingtown Lions Club many years ago when he worked for the Downingtown district. He was instrumental in creating a major fund raiser, a golf tournament for that club. Eventually the Downingtown Lions Club disbanded and Lion Don transferred to the Lionville Lions Club where he prompted that club to sponsor the same golf tournament. Then, the Lionville Lions Club in Lionville disbanded and he came to the Eagle Glenmoore Lions Club where he again got the golf tournament to continue. This golf tournament has been Lion Don's focus for over twenty years and has raised thousands of dollars for local charities.

So, we want to take a moment to recognize the devotion to service that our three Lions have demonstrated and trust that their examples may lead many more Lions to the exemplary leadership and creativity that PDG Charlie, Lion Tom and Lion Don have given to our club and community.

A Message from District Governor Art Pecht

How is everyone doing out there? I know we have had a lot of snow this month, and I am glad we are able to get it out of our system. Hopefully in March we will start to see the beginning of SPRING. Please remember to set your clocks froward on March 14.

I would like to encourage everyone to be safe and start to serve our communities. I am sure everyone has been out to various stores and you were able to feel safe. You must do the same for your clubs and communities. You must think outside the box

to come up with ways to start serving.

I know some club's do not have a place to meet. With the nice weather coming, public areas are open to all. You might have to have your meetings a little different, but think of ways to meet as opposed to not meeting.

I am looking forward to have our District Convention on April 10. We have a great speaker lined up in PDG Deb Burkholder. We are having lunch served safely and will not be doing any training there. That's right no training, this will take place in smaller groups of four or five clubs meeting at a central location. We hope this will make our club officers be better trained.

In the coming month's, all clubs will be having elections. Once you do, please go to MY LCI find your club and put the newly elected officers in. Please make sure the personal information is correct because this will be used for next year's directory. If you have a problem please contact any district officer for help, that is why we are here for you.

The last thing I would like to remind you, is that CC Marylin, 1st VDG Gary and I have shave the stash tickets for sale. The money raised goes to LCIF and you have a chance to win a Melvin Jones fellow for only \$25.

A Message From 1st VDG Gary Hilbert

Fellow Lions,

Despite the view from your window, we are "Marching" into spring. The changing of the season tells me it is time for a serious discussion. 2 of our 5 Lions global causes are childhood cancer and diabetes. I know these areas are very sensitive to many of you. As your DGE, I'm looking for someone to fill these very important positions on our District Cabinet for the 2021-2022 Lions year. Have you or someone close to you been affected emotionally or physically by either childhood cancer or diabetes?

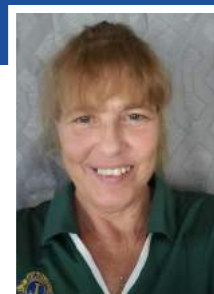

It's club Officer election time. Please submit your 2021-2022 Club Officers (when they are elected) to LCI via the MyLCI feature. This will be a big help when PDG Marilyn Wagner (District Administrator) compiles information for our next District 14P Directory. Look for the release of our 2021-2022 Directory in July.

If this is something that might interest you, let's talk about it. Here is my contact info.

I know some of the Leo Clubs are not meeting so if you are please think about participating in a Leo Presentation.

We would like to put together a 10-15 minute Leo presentation for the District Convention. It would highlight some of the service projects the Leos have done this year. It was also suggested that maybe we could have some Leos record a short video about what it means to them to be a Leo and what they have gained from the experience.

If you or any of your Leo's have any pictures or videos of service projects, please send them to me and I will work on a presentation. Also if they would like to record a video, send it to me. Please have all information to me by the end of February.

BE A PART OF THE BIGGEST SERVICE COMMUNITY- JOIN LIONS CLUB

Shillington

On Saturday February 6th, Shillington Lions Club joined Blankets of Hope for their annual Chili Fundraiser! Shillington Lions Club supported Blankets of Hope by collecting pre-sales leading up to the event, and by volunteering at one of the chili locations during the event.

Shillington Lions Club's site sold out of chili by 1:30 pm and this site, including pre-sales, sold almost \$2,500 in total. That was three times the amount they did at this site last year! A special thanks goes to the Spring Township Lions who bought \$1000 worth of chili and donated trays to a variety of

community organizations including Opportunity House, Mary's Shelter, and local fire and police stations.

At the event Shillington Lions also sold bags and brooms, collected donations, and even bought some remaining chili for the Shillington Fire Company.

Overall, the event was a success and a great way for Shillington Lions to support a local nonprofit organization, Blankets of Hope. Blankets of Hope supplies new fleece blankets and twin beds throughout our community.

This event was a great reminder that even through the world has changed, helping others has not.

Coatesville

In support of District Governor Art Pecht's service project, the Coatesville Area Lions Club began to investigate the charitable non-profit organization, Any Soldier, Inc. It was slightly overwhelming; so many guidelines, so many suggestions and so many soldiers requesting support.

We finally settled on a female soldier, Catherine, stationed in Kuwait and off went our first flat rate package filled with a variety of snack foods. Also, included was a note of encouragement and an offer to fill the next box with whatever she and her troops needed.

We received a sincere thank you e-mail and request for moisturizing personal care products. So the second box was filled with Neutrogena Hydro Boost and Argon Oil products.

Again, a thank you and request for Body Tech Protein Powder and snacks. So, our last two packages were filled with 4lbs. of protein powder, gummy bears, sour patch kids, slim jims and various other snacks.

What started out as an overwhelming task, turned out to be truly a rewarding project for the Coatesville Area Lions Club as we wished our soldier a safe return home.

A Monthly Update of Past District Governors

PDG 2004-2005

Frances O. Griffin

I am a senior Lion now, but when I joined, women had just begun to be allowed to join Lions International. The opportunity to join came by when I least expected it. A neighbor was visiting from the church when they were asking for donations, and he asked if I had ever considered becoming a Lion. That was over thirty years ago and what a life changing experience it has been. I was widowed at the time with older children and working full time at the VA in Coatesville after having been transferred from the VA in Lyons NJ. They were preparing to build a new nursing home when the WWII veterans were aging and needing medical assistance. My background is in nursing, administration and gerontology. My original nursing background, Muhlenberg Hospital School of Nursing in Plainfield NJ, then a BSN from Seton Hall University in NJ and an MS from St. Joseph's University in Philadelphia.

The goals of Lionism are those that help the needs of people in the community, as well as around the world. One of the first projects our local Glenmoore Club had was providing an electric wheelchair for a resident, and one of our Lions was able to get a matching grant to help us. As you know, the Glenmoore Lions club merged with the Eagle Lions Club, I was the last president at Glenmoore and PDG Charlie Lobb was the last president of Eagle Lions Club. I gradually moved up in the district to Zone Chairperson, Region Chairperson, VDG and District Governor in 2004.

It was a challenging time to be rising in Lionism – not all clubs liked the idea of women Lions. Also, I was single and driving many places at night that I had never heard of, or seen. And directions... “when you get to the gas station, turn right”. I was looking for a Wawa station and it was a tiny Mom & Pop place. Then, going on to being a District Governor as a single person and dealing with all PA district governors. As luck would have it, in 2004 there were five of us single PA DG's at the international convention and we stuck together; I was the lone female but never felt alone, the funny memories I have from that group. (Ask me about the hot tub incident) Back at home and in the district, I devoted time towards diabetes and trying to make others aware of the incidence and preventive measures to be taken. Your genes have a lot to do with the incidence, but if you try to eat healthier you can lessen the progress. I too have diabetes, type II, and three of my sons received that gene – one of them dying from a heart attack, a complication of diabetes.

Here are two interesting facts about me: 1.) My grandfather was a Lion – When I was District Governor, I wrote to his old club and they sent me a copy of their original charter which he had signed. (One of my Lion's treasures). 2.) I am a DUCWV (daughter of a Union Civil War Veteran – actually a great granddaughter). I am now a life member of Lions International as well as the American Legion Auxiliary.

I went back to the VA as a volunteer after working there forty years ago, now they have built a state-of-the art Hospice Unit where I was able to help and visit with a few of the WWII veterans who are still with us. Due to the pandemic, volunteers have been halted for a while, but I still volunteer as a “Compassionate Friend” who is assigned veterans who are homebound just to talk with, brighten their day and note if they need any help from the VA. Without volunteers, like Lions, what would those in need do?

Shillington Lions Club NCAA March Madness Fundraiser

Entry Fee: \$50.00 a block

Set Up: A grid of 10x10 blocks will be created with random numbers (0-9) assigned down the side (Winner) and across the top (Loser). The numbers assigned will be associated with the last number of both the winning and losing number of each tournament game. Each paid entry will then be randomly assigned a box. Once the box is complete, the winning and losing numbers will be assigned.

Based on the winning & losing number of each game will determine the winner. Example: if the game ends 98-92, the block associated with Winner 8, Loser 2 will be the winner. See example grid.

The entry fee covers the ENTIRE 63 GAMES of the tournament and entries can win multiple times. Does not include play-in games. You're not out of contention in this pool if there are upsets!

Interested? Forward a check payable to Shillington Lions Club Foundation in the amount of \$50 and your team name and email.

Final score is 98-92. The cross section of 8 and 2 would be the winning block. Each NCAA tournament game is a possible winner. With 63 chances to win, you can win multiple times!

Round 5: Each game pays \$300 (2 games)

Notes:

The first 100 entries received will participate. If over 100 blocks are sold, another grid will be added. Once all spots are sold, a copy of the grid will be sent to each participant. When the tournament is over, payment will be sent to the address on the received check.

Please forward this pool to people who may be interested, split an entry with a friend, or purchase multiple blocks on your own!

Highlights!

Thanks for helping us serve!

In 1948, Lion Carl Shoemaker helped found Vacations for the Blind, a summer camp designed for adults with vision impairment. Since then, the name was changed to PA Lions Beacon Lodge Camp. The program has also changed to include children and adults with a wide range of disabilities. By providing a sponsorship or joining us at the Country Club, you will be helping us continue our mission of providing a summer camp experience to our statewide community of Special Needs Children and Adults.

LCICon2021
103RD LIONS CLUBS INTERNATIONAL CONVENTION

VIRTUAL

Due to the continuing concerns about the coronavirus (COVID-19) pandemic, the board of directors voted to transition the 2021 Montreal Lions Clubs International Convention to a virtual event that will be delivered totally online. This decision was made with the health and safety of our Lions, staff and vendors in mind as limiting international travel and large gatherings is key to global containment strategies.

Here are some important details about the 2021 convention we would like to share with you now:

- Our 2021 convention will be a virtual event that's open to all Lions and Leos around the world.
- Registration is now open. The registration fee will be US\$50 until March 31, then US\$75 beginning April 1. The registration fee for Leos will be US\$30 regardless of date. Convention is currently scheduled for June 25-29.
- Executive officer and international director elections will be conducted electronically, and voting procedures will be forthcoming.
- Convention updates and details will be posted here at lcon.lionsclubs.org as they become available.

This global health pandemic has forced us all to make decisions and changes that place health and safety first. However, we are optimistic that with each new day there is hope, and as Lions, we continue to find new ways to stay connected, safely serve our communities and continue our global mission of service.

For those not meeting at all, this might be a way to help your club get back to meeting again! (Maintain physical distancing, wear a mask)
