A STATEWIDE PROJECT – THE JARED BOX

Mark your calendars now – May 16-29, 2024, our State Convention. It will be held right here in Harrisburg at the Red Lion Hotel.

Each year a Service Project is included during the Convention. This year's Service Project will be packing Jared Boxes.

You ask: What is a Jared Box? A Jared Box is a plastic shoe-sized storage box filled with small gifts, toys, games, crayons, coloring books, and fun activities. Each box contains items selected for a specific age (from infant through teens) and gender. The boxes are given to children in the hospital to provide a special, fun diversion.

About The Jared Box Project

The project was started in 2001 by the children of Our Lady of Victory School in State College, Pennsylvania, to honor their classmate, Jared, who battled cancer with courage and faith. Jared was diagnosed with an incurable brainstem tumor in 1999. He carried a backpack full of toys and games to all appointments and questioned why the other children didn't bring toys to their exam rooms. Jared shared his toys and invited the other children to join him in a game of UNO. At just 5 years old, he demonstrated faith, wisdom, and compassion for others.

After Jared passed away, his classmates decided to honor him by creating Jared Boxes. The school children made 81 Jared Boxes for the children at Gelsinger Janet Weis Children's Hospital in Danville, Pennsylvania. Soon after that, other community groups started making Jared Boxes. They picked up where Jared left off and shared toys with the children in the hospital. This wave of kindness quickly took off and spread across the country.

Since 2001, more than 1,000,000 Jared Boxes have been delivered to over 500 hospitals across the United States. Boxes filled with the "gift of play" are given to young patients in emergency rooms, hospital rooms, surgical centers, and clinics. 121 hospitals in Pennsylvania are participating – Jared Boxes made at the Convention will be going to Pennsylvania hospitals.

Lions Clubs throughout our Multiple District will be asked to make a donation to provide the items to complete our Jared Boxes.

A Message from District Governor Gary Hillbert

April 2024 Lion Eyes

Happy Spring Lions,

If April showers bring May flowers. What do May flowers bring? Club elections and new Officers. (and you thought I was going to say 'pilgrims') Congratulations to all our elected club officers for the lion's year 2024-2025.

You are about to experience a brand-new lions portal scheduled to roll out April 12. Lions international has been working overtime to update the digital tools you use as a lion club member. To put it simply, they're taking the functionality you have today with MyLion, MyLCI, Insights and other tools and combining them into one cohesive and consistent experience.

There are training videos on YouTube and lionsclubs.org. Once our district leaders learn the new system, we will hold training sessions to assist you.

Lion Paula and I are looking forward to seeing you at convention April 13 in Morgantown. We are also looking forward to seeing may flowers.

DST CORDINATOR Doug Yingling

DST Coordinator – Thoughts in Support of Club Service

Hello Fellow Lions

I'd like to bring your attention to several points I'd like to share as District Service Coordinator:

- My main hope is that clubs will maintain a good mix of direct, hands-on service as part of your work. Let's promote membership opportunities to non-Lions during service projects.
- An issue arose regarding club bylaws. I will suggest that all clubs make an effort to add creation or update of bylaws to your agenda. Lions Club International website has created a template for clubs to use. I know we may not think of bylaws often. But especially if things may go awry, it a good tool to have. I saw this play out in my own nonprofit work experience.
- Secondly, the Lions "Standard Structure" chart includes a position of "Service Chairman". If this position is vacant in your club, I am recommending the club look to fill this position. There is a lot written about what responsibilities the service chair should have. In order that we don't get overwhelmed, in my view, the most important help to the club would be: establish service goals, incorporate opportunities for local youth and Leos to engage in all aspects of service activities, serve as club resource on current community needs, increase member satisfaction by encouraging participation and engagement in service projects. I also feel this position would be a great help to the Club President.
- A recent Lions International message suggested there is still time to plan something around Earth Day, April 22. Go to the "environment webpage" on LCI for service ideas.

Thanks for your service and I know there will be great spring service projects coming up!

COVENTRY LIONS

The Coventry Lions Club Challenges District 14-P Clubs to Help Fund the KidSight Program

The Coventry Lions Club this staged the Chester County Blue Barbeque in 2010. Members of our staff prepared the menu, and one of our members was well-connected with the Blue team in our area. The event proved so successful that we made it an annual event. In 2021, we used the bulk of the proceeds to purchase equipment to help kickstart the [District 14-P KidSight](#) program. The KidSight program uses Lions volunteers to screen preschool-age children for vision problems that, when detected early, can often be successfully treated. Over 91,000 children have been screened in District 14-P over the last 12 years, and about 2600 have been referred to eye care professionals.

Fast forward to 2023 - the Chester County Blue Barbeque continues to be a successful fundraiser, and the District 14-P KidSight testing equipment is aging and needs to be replaced. Therefore, the Coventry Lions Club is sponsoring 210,000 (twenty one hundred thousand) dollars of the other District club's dollar for dollar. We look forward to the other district clubs rising to the occasion and getting our plus the full benefit!!

Lions Cub Program

Did you know that Lions International has a program for elementary children

A great way to get children and grandchildren involved in serving.

More information is available from Lions International.

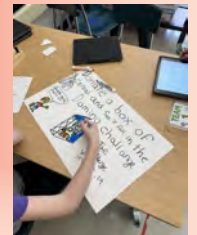

How the program works
Cubs are children aged 12 or younger who are interested in service and show commitment to a given Lions club. A Cub club can be formed when five or more Cubs are working together with a Lions club. A Cub club may be held responsible for certain tasks at a Lions-planned event, or may even plan their own events and hold their own fundraisers. If a Cub club forms, a Lion member should be designated as the contact to the club and reported in MyLIC.

Look what the Coventry sponsored Cubs are doing.

Thanks to the Coventry Lions Club for sponsoring the Cub programs. A very special thanks to Lion Terry Stouffer for being their Advisor.

North Coventry Lion Cubs

North Coventry Elementary is hosting a cereal box domino challenge! We are collecting as many boxes of cereal as possible and on Friday, April 5th, we will set up all the boxes around the school and watch them all fall like dominoes. After this is finished, the cereal boxes will be donated to community families in need. The Lion Cubs helped by creating promotional posters to hang around the school. Check out the pictures below. We're so excited for this event!

KUTZTOWN LIONS

Kutztown lion of the Month Smoke DeTurk

Smoke has been a member of the Lions Club for 44 years!!!! He is a past club president, treasurer, and Melvin Jones Award winner. He is extremely proud of the programs established by the Lions to help the community and to support vision programs. Some of Smoke's best memories are working at the Fair Stand and the fellowship that it creates. Always time for hard work, but time for jokes and humor.

Smoke had a great time in the Golf tournaments at Perry Golf Course. Maybe we should start them again! He remembers always having fun at the District and State Lions Conventions. Smoke diligently serves the community. Smoke's father-in-law was a lion, and his wife, Martha, was a Lioness. Does anyone remember having Smoke as a teacher? Congratulations Smoke. You definitely meet the motto of "We Serve".

LONGSWAMP LIONS

We welcome our newest member, Mike Fredericks to our club!! Mike lives in Topton and looks forward to helping us serve our Longswamp Township communities! Thanks for joining us Mike!

In 1948, Lion Carl Shoemaker helped found Vacations for the Blind, a summer camp designed for adults with vision impairment. Since then, the name was changed to PA Lions Beacon Lodge Camp. The program has also changed to include children and adults with a wide range of disabilities. By providing a sponsorship or joining us at the American Legion Country Club, you will be helping us continue our mission of providing a summer camp experience to our statewide community of Adults and Children living with Special Needs.

PENNSYLVANIA LIONS' APPRECIATION DAY CELEBRATING 76 CONTINUOUS YEARS OF CAMPING SUNDAY, JULY 21, 2024

Sunday, July 21, 2024, has been designated as "Pennsylvania Lions Appreciation Day." This is the day to recognize not only Immediate Past District Governors, District Liaisons, and all Lions and Leos for their outstanding support of the Beacon Lodge Program.

As a Lion or Leo, you are cordially invited to bring your families to Beacon Lodge to join the festivities. Festivities will begin at 9:00 AM. Lunch will be served from 11:30 AM to 12:30 PM. The cost is \$10.00 per person.

Pin Traders are invited to participate - contact Jason Radmann at lionjasonradmann@gmail.com if you wish to display pins.

Clubs planning to arrange for bus transportation are urged to give the camp ample notice so adequate parking arrangements can be made. Bring lawn chairs and or blankets for seating during the camper's talent show. Certified service animals are allowed to attend if you bring the certification paper from the training entity.

We hope you will be able to visit the camp on "Pennsylvania Lions Appreciation Day" to observe what your contributions have made possible. Every Lion in the Commonwealth of Pennsylvania should be very proud of their part in making the Beacon Lodge Camp possible.

Meeting Prayer from Lion Doug

As we commence this meeting, we pray that the true spirit of Lionism shall prevail and that decisions made this day will confirm the aims of our Objects and Ethics. We seek to represent fairly and well those who have given us this task. May our efforts be blessed with insight, guided by understanding and wisdom as we seek to serve with respect for all. May our personal faith give us strength to act honestly and well in all matters before us. We add prayers of healing for all those fighting illness to give them the hope and courage they need to face their battles, comfort them in their pain and bless them with healing and recovery. Bless this food now to the nourishment of our bodies and may we ever be mindful of others as we continue our Service Journey. Amen

LION KNOWLEDGE ANSWER.

1925: During the international convention in Cedar Point, Ohio, Helen Keller charges Lions with becoming "knights of the blind in the crusade against darkness."

Lions' Prayer

"Our Father, we thank Thee for the gifts of life and love and laughter, for soundness of body and sanity of mind; for keenness of conscience and strength of will; for the power of choice; and the privilege of service. Make us worthy of Thy bounty, and accept of our gratitude for this food, in the name of (Our Lord) Christ."
