Cabinet Meeting

KidSight Training was held October 22nd at Trinity Church in Boyertown. The hands-on training provided participants the opportunity to learn: the use of the Welch Allyn Spot Camera, paperwork requirements, and the transportation and set up of the KidSight Trailer.

KidSight is an initial screening program for eye problems in preschool children conducted by Lions Clubs of Berks and Chester Counties. They are currently providing screening at: Preschools, Day Care Centers, Lions Club Functions, and support the Vision Resource Center of Berks County screening program.

A Message from District Governor Chrissy Smaltz

Happy November fellow Lions,

I am looking forward to hearing about all the projects that different clubs are doing so far this year. I would really like to see clubs pairing together for a project this year. If you need ideas for a group project please reach out so that other clubs can share their ideas.

I am happy to share with everyone that we have a very special guest coming long distance to be a speaker at our District Convention this coming April. Please send any events that your club has been doing or any upcoming events to Lion Mike to put in Lion Eyes because I have been requested to send a copy of our Lion Eyes to our guest speaker, so please make sure to send it in. The new e-mail for Lion Eyes is lioneyes14p@gmail.com just in case you haven't gotten the email with the change in it.

I would like to personally thank all of the clubs that I have already visited for the warm welcome to your club, I have really enjoyed hearing all the different projects you are working on and also all the upcoming projects, thank you for sharing them with me. You have all had great ideas to share. Again thank you.

Respectably submitted,

DG Chrissy Smaltz

WEST GOSHEN LIONS ANNUAL FRUIT SALE

Hello fellow Lions. Our annual fruit sale is now officially open for business. The website order link has been activated and can be accessed at <http://freshfruitorder.org/WestGoshenLions>.

It is also linked with our West Goshen Lions Club website (wegolions.org) in the Club Projects Section.

In spite of inflation, we have held our prices. Same as last year. Additionally, we are adding 3 types of cheesecakes as an addition to our fruit and produce selections. Very tasty selection, as evidenced by our sampling at our September 24th meeting. Another value-added component to our program.

Both online and paper form sales will end on Sunday November 20th at 5pm. The fruit will be delivered Tuesday morning, December 6th to the same location as last year: ABC Paper & Chemical Co. - 510 E. Barnard St. - West Chester PA; across the street from the West Chester Senior Center. We need to have the fruit picked up and out of the warehouse by 5pm Thursday December 8th.

Two documents are included in Lion Eyes: 1) our order form and pricing; and 2) a color brochure referencing the items being sold and delivered to the warehouse for pickup. Additionally, there are items available as Holiday Gifts that can be shipped via UPS to friends and family anywhere in the country. Go directly to the website for those purchases.

Regards, Lion Tony.

TOGETHER WE CAN ADVANCED LIONS LEADERSHIP INSTITUTE

Lion ZC Mike Hepner attended the Advanced Lions Leadership Institute held in Los Angeles, California—October 7th thru 9th. While at the Institute Lion Mike learned: Leadership Fundamentals, Conflict Resolution, Project Management, and Delegation Skills. He was presented with Service Journey Resources and learned more about LCIF. The final day was spent exploring how to: Develop Extraordinary Teams, Develop the Lion Leaders of Tomorrow, and how to Promote Lions Image. He had the opportunity to meet fellow Lions from around the world and learned just as much from them as he did from the Institute. He hopes to use his training to better serve the District and the Community as a whole.

TOGETHER WE CAN AVON GROVE

Left to Right: Peter and Wendy Ingham (Parents) Patrick Ingham, Avon Grove Lions Secretary Lion Dave Priebe and High School Principal Matthew Messick.

Patrick Ingham is a senior at Avon Grove Charter School and the October Senior Student of the Month for the Avon Grove Lions. For 11 years, Patrick has been an active member of Boy Scouts, and is currently an Eagle Scout and former leader of West Grove's Troop 18. Through scouting, he has had the opportunity to partake in many different acts of service. For his Eagle Scout project, Patrick went back to his elementary school (Avon Grove Charter's Early Learning Center) and used his passion for geography to gather volunteers and paint a large map of the United States at their recess yard. Patrick has also done a lot of conservation related work, including removing invasive species and working to spread awareness about storm drain pollution. In addition, Patrick spent much of his summer in 2019 volunteering at the scout camp John H. Ware III, where he worked with Cub Scouts aged 5-10 teaching them various scout skills. Patrick is also now a full staff member in their nature lodge. After high school, Patrick plans to attend a 4-year college to study Environmental Science and possibly Geography.

TOGETHER WE CAN AVON GROVE

Left to Right: Bob and Christina Manolescu (Parents) Eden Manolescu, Avon Grove Lions Secretary Lion Dave Priebe, Kelsey Bastien Leo Advisor and Asst. Principal Ashley Penn.

Eden Manolescu has been named the Lions Club Student of the Month for October. She is the daughter of Christina and Bob Manolescu of Lincoln University. Eden is active in school with Cancer Society, Leo Club, NHS, Performing Arts, Sewing Club, Theater (currently performing as the Queen of Hearts), Treble Choir and Tri-M. Eden has performed in Community Theater with the Waterglass Arts, most currently in a production of Descendants. Eden's list of awards includes NHS, Tri-M, local winner of the "Voice of Democracy" essay contest and she has achieved Distinguished Honors throughout high school. Eden plans to major in Journalism and Communications with a minor in Theater. Teachers she has been most influenced by are Mr. Pizzini, Mrs. Reynolds and Mrs. Wilcox.

TOGETHER WE CAN AVON GROVE

The Avon Grove High School Leo Club helped at the Penn Township Fall Festival. They helped with the games and handing out prizes. Submitted by District Leo Representative Lion Barry Marteny.

TOGETHER WE CAN BLANDON

Pictured below is the Blandon Lions 1948 Chevy Pickup Truck that was just restored. The truck is used in many of our events and local parades. It was restored by one of our Blandon Lions - Larry Ziegler of Ziegler Autobody in Temple, PA. As you can see, the truck looks great and ready for many more years of service.

TOGETHER WE CAN MOHNTON-CUMRU

Witnessed by 15,000+ spectators, the hour long Mohnton-Cumru Halloween Parade was an extraordinary success.

Top Left— What else to lead off the Great Pumpkin Parade than a Great Pumpkin.

Top Right— District Governor Chrissy Smaltz continues the long standing tradition of the DG participating in our parade.

Bottom Photos— The Reading High School Marching Band and the Buccaneer Alumni Band were two of the bands helping make the parade a success.

TOGETHER WE CAN SHILLINGTON

Shillington Lions held a Fall cleanup of our adopted section of the highway. The adopted highway is a main thoroughfare in the Borough of Shillington, amounting to nearly 1.5 miles. The highway is particularly prominent as it encompasses one of the Governor Mifflin Elementary Schools, Shillington Town Hall, and a shopping center. Shillington Lions gathered together on a Sunday morning to clean trash, debris, and more from the side of the road and surrounding areas. The adopt-a-road project was initiated last Earth Day and is now a twice-a-year event for the club.

TOGETHER WE CAN

SHARTLESVILLE

Shartlesville Lions Club

Newsletter for November 2022

Our Meeting Schedule

We will have two meetings in November, the 7th and the 21st. Join us at the Blue Mt. Restaurant. On the 7th, PDG Dave Hunsberger will fill us in on what LCIF is doing during these troubled times in our world.

October meetings were attended by 16 and 11 respectively. Sixteen is an acceptable number; 11 is a bit small. Please remember to join the group.

Bingo Ends for the Year

Lion Barbara Gardner should be applauded for her guidance of the group which handled the Bingo project. We did well and, therefore, were able to disburse funds to those in need as we will continue doing through the rest of the Lions Year (It ends on June 30.)

Food Pantry Donations

Our latest collection of non-perishable foods was delivered to the food pantry on Friday, October 21. We had 28 items which came in a splendid variety of foods.

TOGETHER WE CAN SHARTLESVILLE

Club support for District Governor's Project

The club voted to donate \$500 in support of DG Smaltz's project, that being support for the upgrading of the playground at Beacon Lodge Camp.

(The Frystown Lions Club is again selling Terri Lynn products. If you are interested in any of them see either Adele or Bob. They are one pound packages.)

Pecan halves -- \$14.

Deluxe mixed nuts -- \$13.

Whole cashews -- \$12.

Pistachios -- \$12.

Sweet & salty trail mix -- \$11.

Milk chocolate coated raisins -- \$10.

Milk chocolate coated peanuts -- \$10.

TOGETHER WE CAN FRYSTOWN

Frystown Lions Club November 2022

Club Meeting in Fredricksburg

We will meet again at Esther's Diner for our monthly in November. The date is November 17, at 1 p.m. We will be looking ahead to see how our previous plans are working out.

Terri Lynn Products

Lady Marion has already sold a number of the products. By the 17th we will have a clearer picture of how well sales are going this year. Already a small order has been placed and we would almost expect a larger order to have been placed by the 17th.

Fall Community Bazaar Weekend

Lions Adele and Bob will be "womanning" or manning at table for selling the Terri Lynn products at Salem Lutheran on November 5. On that same day Lions Betty and Dennis will probably be sitting at a table in the lobby of Esther's Diner. Let's hope that sets the tone for a successful fall selling campaign.

TOGETHER WE CAN FRYSTOWN

The Dictionary Project

The third graders of all three schools have received their dictionaries. The students of all seemed quite pleased to be receiving them.

On the Lighter Side

Here are some facts about the 1500's.

In those old days, they cooked in the kitchen with a big kettle that always hung over the fire. Every day they lit the fire and added things to the pot. They ate mostly vegetables and did not get much meat. They would eat the stew for dinner, leaving leftovers in the pot to get cold overnight and then start over the next day.

Sometimes stew had food in it that had been there for quite a while. Hence the rhyme:

"Peas porridge hot, peas porridge cold, peas porridge in the pot nine days old."

Sometimes they could obtain pork, which made them feel quite special. When visitors came over, they would hang up their bacon to show off. It was a sign of wealth that a man could, "bring home the bacon."

They would cut off a little to share with guests and would all sit around and chew the fat.

Those with money had plates made of pewter. Food with high acid content caused some of the lead to leach onto the food, causing lead poisoning death. This happened most often with tomatoes, so for the next 400 years or so, tomatoes were considered poisonous.

Bread was divided according to status. Workers got the burnt bottom of the loaf, the family got the middle, and guests got the top, or the upper crust.

THE SHILLINGTON MANE

Our Board met over Zoom and covered a couple of items. Here are some highlights:

Board meetings will now be in person, and everyone is invited regardless if you are on the board or not.

During our visit with District Governor Chrissy Smaltz, our club donated \$500 toward her project of rehabbing Beacon Lodge's playground. She also passed out chevrons for years of service to Lion Klee, Lion T. Kaley, Lion Smith, and Lion Bixler.

On October 23, members of the Shillington Lions participated in a roadway clean-up from Borough Hall to Dairy Queen. Thanks to all who helped the environment.
