Three members of the Shillington Lions Club delivered dictionaries to each of the Governor Mifflin School District elementary schools. One dictionary for every single 3rd grader to have, cherish, and keep as their own!

The Club loves to celebrate learning and hopes all of their Mifflin 3rd graders enjoy having their own dictionary.

A Message from District Governor Chrissy Smaltz

Happy fall fellow Lions,

It has been a great year so far. I have been busy visiting Lions clubs in the District and I have to say that I am absolutely amazed on how everyone shows so much support for their communities. Thank you for allowing me to be part of your service, I have people ask me why I am a Lion and my simple answer to them is, I enjoy helping other people, that is what makes me happy. As everyone already knows Kentucky has been hit with a disaster and we as Lions are stepping up once again to help our neighbors. This is the true meaning of " Together we can ". Please let's keep our Lions and families in Kentucky and Florida in our prayers as they try to rebuild their lives. My DG project is to help with the children's playground at Beacon Lodge, please let's support them.

Thank you,

DG *Chrissy Smaltz*

The Shillington Lions club provided funding to the Shillington Police Department for a firearm simulation training system. The Shillington Lions club funded \$13,300 for the system, with 50% of the funds provided by a grant through the Lions of Pennsylvania Foundation.

The DART Firearm Simulation Training System offers advanced simulation trainings including both stationary silhouettes and live decision-making scenarios. It also offers unique features such as programming layouts and de-escalation trainings.

Some other benefits of the system are the virtual design that means live ammunition is not required for training, and the portability of the system allowing for training to happen anywhere.

TOGETHER WE CAN SHILLINGTON

Shillington Lions Club provided free KidSight screenings at the local Business Association's annual Car Cruise and Family Fun Day.

Newsletter for October 2022

Our Meeting Schedule

We meet on October 3 at the usual time at the Blue Mountain Restaurant. Our special guest will be DG Chrissy Smaltz. Most of us have not had the opportunity to meet DG Smaltz. Remember, if you have been collecting used postage stamps, aluminum soda can tabs, and/or eyeglasses that will be a good time to bring them to a meeting for her to take with her.

Our second meeting of the month, a business meeting, will be on Monday, October 17.

Bingo Is In the Home Stretch

Our final two events for the year are on the following two dates:

Sat. Oct. 1, 1 p.m.

Sat. Oct. 8, 1 p.m.

We have had a very successful run this year and the Bingo gang is owed much thanks.

Gun Bingo

We had our second Gun Bingo and did well. While not as good an event as last year, we did realize a few thousand dollars in profit.

LCIF

As was reported in last month's newsletter PDG David Hunsberger has again accepted the LCIF district leadership role. He will be visiting our club on Monday, November 7 to fill us in on the present day work of LCIF.

TOGETHER WE CAN FRYSTOWN

Frystown Lions Club

October 2022

Any soda can tabs, cancelled postage stamps, or old eyeglasses should be brought to that meeting to be sent along with the district governor.

Terri Lynn Products

The Terri Lynn candy/nut order should be here by that time.

The Dictionary Project

All the dictionaries have been inscribed and are ready to go. A date or dates will have to be set for delivery to the third grade classes of three Christian schools.

New Member

Roswitha Ibrahim was inducted into membership on by PDG Bob Argot on September 22.

Fall Community Bazaar

The annual bazaar will take place on November 5. We will have to make specific plans.

TOGETHER WE CAN FRYSTOWN

New Member

Roswitha Ibrahim has accepted an invitation to join our club. We hope to have her induction on September 22 when the district governor will be present to do the honors.

On the Lighter Side (a bit heartwarming)

A college student interviewed his grandmother for part of a research paper he was working on for his Psychology class. When he asked her to define success in her own words, she said; "Success is when you look back at your life and the memories make you smile."

One day, after his 72-hour shift at the fire station, a woman ran up to a man at the Grocery Store and gave him a hug. When he tensed up, she realized he didn't recognize her. She let go with tears of joy in her eyes and the most sincere smile and said; "On 9-11-2001, you carried me out of the World Trade Center."
