A moment of relaxation on a Sunday afternoon at the Boyertown Vehicle Museum at the Passing of the Banner – 1VDG Art and 2VDG Gary and I enjoyed the company of Lions from several of our Clubs as Spring Township Lions Club received the Governor’s Home Club Banner from Immediate PDG David and members of the Bandon Lions Club.

But now our thoughts must turn to the challenges of a new Lions Year beginning for most of us – once this last official weekend of summer is over the majority of us begin to meet again and move into another year of Service and Activities while a number of you I know have been faced with a few difficulties with – wait for it - MyLion!

While there have been many challenges and frustrations with MyLion, **it will improve** and 1VDG Art and 2VDG Gary and I are busily at work setting training schedules to suit every Club’s timetable – if you cannot attend a group session our team is committed to providing one on one sessions to ensure you are able to share your successes with our Global Lions Community on MyLion. Between now and the next Cabinet meeting of Saturday November 9th 2019 we are committed to having held those group or one on one sessions and to have each of you up and running and successfully sharing your Service.

Since the International Convention there have also been a few changes just coming into play – so perhaps the fact that most of you do not really meet during the summer months is to our advantage?

The first major change was to our Global Action Team. Past International President KJ Habanananda was appointed as our new International GAT Coordinator and immediately challenged us (as the new District GAT) to help our Clubs communicate, communicate and communicate – the addition of Region and Zone Chairs to the GAT gives us a bigger team to work with you as we ask “What can we do for you?” Our first step has to be revised Officer/Zone Chair Training so we are prepared for our visits to you and be able to provide you with the most recent resources and updates available – from the new Club and Community Needs Assessment; Service Project Planners; Global Causes Planners; Fundraising Guides all the way to Developing Local Partnerships successfully.

The New Voices Initiative introduced by Immediate Past President Yngvadottir is also continuing and its goal for 2019 – 2020 is to give every Leo and Lion a Voice.....the program is being expanded to include Leos, Young Lions and Diverse populations, as well as still encouraging gender parity. In the next week or so we will welcome new Multiple District New Voices Coordinators to our team – but in the meantime I would encourage you to check out the New Voices microsite on lionsclubs.org and also to keep an eye on this space as more updates become available for me to share with you all.

Of course I will also be sharing them as I begin my visits with you too – One of our Team Goals is to have more involvement as a District Community and we are actively preparing new opportunities we can all embrace – an LCI funded Humanitarian Project in late Fall or at Christmas – Spring will see a Lions funded Elder Abuse Symposium – ideas already brought to the District by Clubs who perhaps are not able to get the resources to fund a large scale project or enough hands to manage it and there are others in the pipeline sobe ready to ask me what I or any of our team might be able to help you with.

Enjoy this last weekend summer hurrah – PDG Steve and I will - at the Taste of Hamburg-er Festival in Hamburg! BUT then let's make this a year to be remembered for "Who we Are and What we Do" - LIONS
In Friendship and Service DG Marilyn

From the 1st Vice District Governor Art Pecht

This past month has been a very busy one on a personal level, from vacation time to taking care of the grandkids, to a little Lions work.

On the club level we held our annually steak night which included shrimp, corn on cob and fresh peach pie.

On the district level I attended the passing of the banner to our district governor's home club of Spring Township Lions. The event was excellent with great fellowship and food. It was held at the Boyertown Car Museum. Great job by the Blandon Lions club and Spring Township Lions club.

I also attended Leader Dog training facility in Rochester MI. We were there with the 1st VDGs from around the country. Our money that is donated to them is well spent. I am the Leader dog representative for the district.

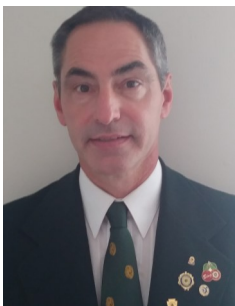

I would like to come to your club and put on a program. Please feel free to contact me.

2nd Vice District Governor Gary Hilbert

In 1966, *The happenings* had a hit song called "See You In September". I'm not sure if they had Lions Clubs on their minds but it sure seems appropriate. For most of our clubs in District 14P, September is when we begin our regular meeting schedule and put our fundraisers and service projects into action.

Remember to report ALL your activity on the new MyLion for everyone to see.

If you're not familiar with this feature, please contact your District 14P GAT team and we will do our best to assist you. Keep in mind , MyLion is new to us also.

Just a note of thanks to Honey Brook, West Goshen and Frystown Lions for your gracious hospitality during Lion Paula and my recent visit to your clubs. I plan to continue my visits as the schedule allows.

Contact me @ 610-468-4788 or email glh40@comcast.net. Thanks for all your service and I'll "See You In September"

2VDG Gary Hilbert

Global Action Team,

Hello 14P Presidents, Secretaries, and Cabinet Members!

I'm writing to all of you to touch base as I know most of your Lion Years begin to pick up at the close of summer.

For those of you new to the position, welcome and congratulations! My name is Madison- I am the Global Service Team chair for District 14P. I will be in touch via email a few times throughout the year with service opportunities, ideas, notes, and more. Please note- as presidents/secretaries/cabinet members- it is not necessarily your responsibility to implement the items I share with you via email. However- I write to all of you with hopes that you will pass the message(s) along to your club members, specifically those that would be responsible for particular initiatives shared in each message.

Remember- a new idea might be overwhelming to you, but could make a different member thrive! But- if you're the liaison and they never hear about it, you could be missing out on a great opportunity for your club and community!

A few things I wanted to share to start this year off right-

Please note- while I encourage all of you to regularly and consistently report your service, I am not a MyLion expert- but share questions if you have them and I will be happy to forward you along to someone that can hopefully better help!

Another quick note- if your club has a designated Service Chairperson (as I recommend you do) please share their contact information with me so I may add them to my email group!

In closing, I just wanted to share with all of you my personal 2019 GST goals. I am challenging all of your clubs to do the following this year:

1. Continue to regularly report service activities year-round, each month
2. Support the ongoing state partnership with Four Diamonds
3. Participate in district-wide service activities as they present themselves (hint: keep an eye on emails and *Lion Eyes*)
4. Add at least ONE new hands-on service activity this year that your club hasn't tried before
5. Ask for help when you need it- let me know how your clubs service journey is going and where you need support.

My role is to support you! Use it!

Aim to have a service chairperson at your club- someone that will be the advocate and manager of service in your club.

I can't wait to hear all of the great things your clubs do this year and am looking forward to serving together!

Best,

Madison Kaley

Lions Clubs International Foundation

The last weekend of August, I was in Boston, MA for a weekend training of District and Multiple District LCIF coordinators in the eastern part of our country. PIP Joe Preston lead the training as our Constitutional Area 1 (US and Caribbean Islands) chairman for the LCIF campaign 100, which has a goal of raising 300 million dollars in three years for LCIF. The purpose of this campaign is to serve 200 million people per year in a couple years and to expand our service to our new global CAUSES.

LCIF began in 1968 and is now in existence for over 50 years. Since the beginning, LCIF has given over 1 billion dollars in grants in order to help Lions Clubs serve people around the world. Our foundation gave out 34.5 million dollars in grants last year.

Here in District 14P, we donated \$22,193.65 to LCIF last year. This was a \$21,404.85 decrease from the 43,598.50 that we donated in 2017 to 2018. Our District 14P goal as presented to me in Boston is \$56,281. We need the support of all of our Lions and Lions Clubs if we are to meet this goal.

Our Constitutional Area 1 raised \$27,327,091 and received \$24,760,417 in grants. So over 90% of what we raised came back in grants to CA1. Here in Pennsylvania, we received \$300,000 through 15 grants since 2015.

LCIF has an exciting new program in which eligible clubs and districts can apply for a grant of up to 15% of their contributions to LCIF to be used for a humanitarian project of their choosing. This is called the District Club Grant program.

I am looking forward to visiting our District 14P Lions Clubs to talk with you about LCIF. I have scheduled about 10 visits so far and am looking to schedule more.

At this point, about half of our District 14P Lions Clubs have appointed club LCIF coordinators. For the other clubs, LCI considers last year's club president to be the LCIF club coordinator. However, if there is another Lion in your club who would be more interested in working with me on LCIF, please appoint them and let me know.

Best wishes for your Lions Club as we go into autumn and I ask for your support of LCIF.

IPDG David Hunsberger

(Continued from Page 7)

- Tabled the appointment of a representative from District 14-L to serve on the International Convention Committee.
- Re-appointed PDG Terry "Lefty" Pistentis and Lions James Lyons and Stephen Mrozek to the Investment Committee.
- Tabled the appointment of a KidSight Coordinator.
- Approved the appointment of PDG Pete Van Zant as 2024 State Convention Host Committee Chairperson.
- Approved the firm of Martin M. Sacks & Associates for the 2018-2019 yearly audit.

Compiled by Lion Bob McComas, MD-14 State Administrator

Dear Club Leaders,

We're pleased to announce an exciting change to the Campaign 100 Model Club program. Effective in July 2019, the Model Club per-member average (PMA) is US\$500. This means more clubs can confidently commit to becoming Campaign 100: LCIF Empowering Service Model Clubs, ultimately empowering service to your community and Lions' efforts globally to help those who need us most.

To each club that committed to being a Model Club at the US\$750 level, we offer our sincerest thanks. Your extraordinary dedication is truly inspiring and exemplifies the tremendous power of Lions collectively striving toward a common goal. For your leadership, you'll forever be known as a VISIONARY Model Club.

Through the remainder of our campaign, Model Club levels and associated PMAs are:

Model Club – US\$500

VISIONARY Model Club – US\$750

200% Model Club – US\$1,000

300% Model Club – US\$1,500

400% Model Club – US\$2,000

500% Model Club – US\$2,500

600% Model Club – US\$3,000

PREMIER Model Club – US\$3,500+

We're excited and energized by this enhanced Model Club strategy, which was recently shared with Campaign 100 International Committee members, area leaders, and multiple district and district coordinators. If you have questions, please reach out to your area leader, your regional development manager, or to campaign100@lionsclubs.org. We also highly encourage you to visit and bookmark the Model Club Frequently Asked Questions page and to share it with your club members.

As always, we thank you for your participation and enthusiasm. Your club's donations to LCIF are critical to our campaign's success. More importantly, they help ensure you have resources needed to deliver hope and healing to hundreds of millions of people worldwide now and for generations to come.

In gratitude,

Dr. Jitsuhiro Yamada Past International President

Chairperson, Campaign 100

A New Age for the Sight Impaired

Have you heard? Better yet, have you seen? Amazing new technology is now available that will enable those with low-vision and many legally blind individuals the ability to see their world in a whole new light. Those with most severe cases of being legally blind can't see colors or even make out more than the form of someone sitting close to them.

Sage Vision, the Pennsylvania dealer of assistive technology, carries a number of devices from the top low vision vendors in the country. The goal of Sage Vision is to help patients learn how to perform everyday tasks with their devices, fostering hope that their lives will return to a new normal and thrive in their independence.

As reported by Lion PDG Paul Moyer of Schuylkill County, Sage Vision and the members of the Schuylkill Haven Lion's Club joined forces to give "the gift of sight" to a well deserving member of the Schuylkill Haven community. Charlette Golphin suffers from retinitis pigmentosa and has been legally blind her whole life. After speaking with Charlette and understanding her needs and condition, Paul Moyer and Sage coordinated a demonstration of the NuEyes e2 device. It is an electronic device that is a combination camera and computer that relays a message to the brain. The device looks more like goggles or as one person said, the glasses worn in Star Trek. Regardless of looks, these spinoffs of the Department of Defense technology just might be the answer for many with sight problems. Another plus is that there is no surgical procedure. Sage Vision is a great resource to explore the various vision aids that are available which can help those with all types of low vision conditions.

The cost, of course, is a major consideration. Prices on assistive technology vary depending on the type of technology being used. They can range from \$200 to \$6000 depending on which device fits the needs of each individual person. The Schuylkill Haven Lions Club worked with the Northeast Pennsylvania Lions Service Foundation to cover the cost of Charlette's device.

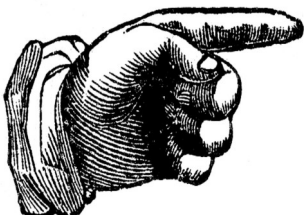

Sage Vision is available to help the members of the low vision community as well as their families. They offer tools and support so that the products can be integrated into someone's life as easily as possible.

More information about this amazing gift and other low vision products may be found on the computer website sagevisiontech.com or by calling Sage Vision at 800-210-8008. Sage is dedicated to working collaboratively with Lions clubs across PA to help bring the gift of sight to a person in need in your community!

Information on the NuEyes products may be found at <https://nueyes.com/>.

LEADER DOGS FOR THE BLIND

LEADER DOG NEWS FOR LIONS – July 2019

Leader Dog and Lions: Celebrating our 80 Year Partnership

In 1938, Lions Charles A. Nutting, Donald P. Schurr and S.A. Dodge (*pictured above*) established a guide dog school for people who are blind.

On October 8, 1939, the first class of the official Lions Leader Dog Foundation graduated. The cost to graduate a client/dog team was \$600.

Leader Dog's global ties to the Lions strengthened in 1953 when S.A. Dodge served as president of Lions International, bringing Leader Dog to the Lions at the highest level. Melvin Jones gave Leader Dog his personal endorsement in 1958.

In April 2013, LION Magazine listed Leader Dog as one of the "10 Brilliant Breakthroughs in Service."

Lions throughout the world continue to support Leader Dog financially, refer people who need assistance and serve on the Board of Trustees. Lions are puppy raisers, volunteers, breeding hosts and more. Many Leader Dog recipients become Lions after experiencing Lions support and mission firsthand.

Today, the Lions' mission, "We serve," perfectly complements the Leader Dog mission of empowering people who are blind or visually impaired with lifelong skills for safe and independent daily travel.

A Leader Dog partner since 1939.

Letters to Leader Dog

Hello! I just finished training at the Leader Dog campus and I am so grateful for your organization.

I came to Leader Dog a broken person—I left an independent person again!

You have some of the best instructors, staff, puppy raisers and veterinarians I have ever encountered. I owe you... not just for the courage to go again without my sight, but for giving my life back to me with this beautiful dog, Bailey.

I will recommend you to all in need of Orientation & Mobility Training or a guide dog. I have no complaints. It was an eye-opening and beautiful experience.

Who knows what me and Bailey will get into but I do know the adventures ahead will be awesome!

Thank you,
Jonelle B.
