Back to School...

The Parkesburg Lions Club presented two scholarships to Octorara High School seniors on June 18th. Kaden Salada received the Parkesburg Lions Community Service Award for \$1250.00 and Elle Lofgren received the Parkesburg Lions Leadership Initiative Award for \$750.00. Kaden is pictured with his parents, Danielle & Kevin Salada and his grandmother, District 14-P, PDG Nancy Gauthier of Parkesburg Lions Club.

Elle Lofgren is with her parents Michelle & Odie Lofgren and grandmother Emily Strong. Her grandfather, the late Lion John Strong, was past treasurer for Parkesburg Lions Club.

Lions present were Lion President Jane Rice, Lion Secretary Robin McKenna, Lion Mark Beideman and PDG Nancy Gauthier.

Congratulations to both recipients!

A Message from District Governor Art Pecht

How is your fund raising going? Oh, it is not. I would suggest all clubs to please consider selling calendars. The Bing Miller foundation is in charge of this program. The Bing Miller foundation runs this program and does not charge a fee. Any money they receive is from calendars that the members of the foundation have sold. It is based on the PA lottery evening drawing of Pick 3. If the calendar matches that number, they win. The prize amounts are printed on the calendar, and the least you can win is \$35. I

have had many people get checks, and they did not know they even won. Also, they do not have to live in PA.

These calendars make great gifts, and as we approach Christmas, they are perfect for the "hard to buy for" person in your life. Yes you will be paid in late January or February of 2022. How much? That is determined by how much money is left in after all expenses are paid. They then divide the total number of sold calendars into what is left. That is what your club receives per calendar. In the past, the pay out is usually between \$11-\$13. But one year we got almost \$14.

Please consider selling them this year. This is a win-win for all that participate in. If you have any questions, please feel free to call me or PDG Walt Labs at 610-413-3500 or email him at waltlabs1@hotmail.com

A Message From 1st VDG Gary Hilbert

In spite of Covid-19 restrictions, my Lions calendar continues to fill up with training sessions and events. I just received my first email from LCI about our DGE seminar in February 2021. This seminar takes place in St. Charles, Ill. Over the next few months, I will be working with PID Ardie Klemish of Iowa . She will be my group leader preparing us to be the next District Governor class.

At the District level, our Executive team continues to host virtual meetings. The business of District 14P must carry on if we are going to grow and sustain our future leaders.

In Boyertown, my hometown club has been meeting monthly since May. Our dedicated members are working tirelessly to serve our community with fundraisers and service projects. See us on the District 14P FACEBOOK group. Even a virus pandemic has not stopped us. I'm so proud of the Boyertown Lions club.

I hope you and your clubs are finding ways to serve in these unprecedented times. There are many ideas on lionsclubs.org on how to serve safely. <https://www.lionsclubs.org/en/serving-safely> If Lions are to stay relevant....we must be visible and active. I urge you to report ALL service projects ASAP on MyLion. You will find a tutorial slide presentation in this issue of Lion Eyes. Contact me or DG Art and we will be happy to assist.

I hope my stories will motivate you to continue your service journey. A sleeping Lion snores. It's time to wake up and ROARRRRRR!

Serving Together,

VDG Gary

CLUB BANNERS WELCOME

As we start this new Lions year, I hope that I can get back to meeting with our District 14P Lions Clubs.

The one thing that I would request at this point, is that you make sure that you have a member of your Lions Club appointed as a club coordinator for LCIF. According to the mylci reports, I see only 12 of our 39 clubs that have a club coordinator named. In this case, Lions Clubs International considers the Immediate Past President as the coordinator and sends information to them. I would like to have a Lion in each club who is interested in LCIF and with whom I can work to promote LCIF in your club.

According to the LCIF website, September is childhood cancer month. Globally, more than 300,000 children are diagnosed with childhood cancer each year. This averages out to one every 2 minutes.

Globally, about 37% of these children with cancer survive. However, this survival rate varies widely by region. The World Health Organization has set a goal of a 60% survival rate by the year 2030.

LCIF is actively working on strengthening medical and social services in order to help increase the life expectancy of children with cancer and also to enhance the quality of life for patients and families.

Topton Lions Club President, Kathleen Fritch, is our District 14P childhood cancer coordinator this year.

According to the LCIF "wheel of global causes", a donation of \$100 could help purchase equipment to aid 8 childhood cancer patients. Please consider making a donation of any amount to LCIF.

Thank You,

PDG David Hunsberger

District 14P LCIF Coordinator

Important Takeaways from "Paws to Refresh" PA State Council of Lions Newsletter

CBL amendments to be voted upon at special election in November

The special election scheduled to be held November 7 as part of the second 2020-2021 Council of Governors' meeting at the DoubleTree by Hilton Pittsburgh-Meadow Lands in Washington, Pa., are proceeding as planned.

The special election will be held to vote on two proposed amendments to the MD-14 Constitution & By Laws originally scheduled as part of the 2020 state convention in Erie.

The wording of the ballot questions, as well as Special Election Delegate forms, will be emailed to current members of the Council of Governors as well as their district newsletter editors for inclusion in districts' September, October and November newsletters.

Delegate forms for Past District Governors will also be emailed to PDGs for whom the State Office has a valid email address.

The proposed amendments to the CBL pertain to the selection of the State Council Chairperson and the re-distribution of state per capita dues.

Copies of the ballot questions and Delegate forms are included in this issue of *Paws*.

ID Edwards' term expanded by one year

In the wake of the COVID-19 pandemic and the cancellation of the 2020 LCI Convention in Singapore, the Executive Board of Lions Clubs International froze all officer positions for one year. That translates to MD-14 having a "seat at the table" for one more year as Harris Township (District 14-G) Lion Larry L. Edwards will serve an additional year as an International Director.

ID Edwards was elected to a two-year term at the 2019 LCI Convention in Milan and was scheduled to leave office at the conclusion of the 2021 convention in Montreal. He will now serve through the completion of the 2022 convention in New Delhi, India.

Liquor not permitted in basket raffles

REMINDER: A popular staple in basket raffles is a "no-no."

After researching the matter with the Executive Director of the PA House of Representatives' Liquor

Committee and the PA Liquor Control Board, MD-14 legal counsel Lion Ashley Grimm reported that "liquor is not permitted to be in

a basket for purposes of a raffle. This also includes silent auctions.

"This equates to selling liquor without a license," Lion Grimm said. "A wine and spirits gift card is permitted to be included in a raffle basket, though."

Lion Grimm's research supported the opinion expressed by Lawrence County Treasurer Richard Rapone in a recent *New Castle News* story that had prompted MD-14 State Council Chair Bill Morgan to contact Lion Grimm.

As part of the *News* story, Capt. Jamie Jones of the LCB Enforcement Bureau said including any type of alcoholic beverage – be it a six pack of beer, a bottle of wine, a bottle of whiskey or the like – is a violation of the Pennsylvania Liquor Code, Title 47, and is an unclassified misdemeanor offense. The fine upon conviction is \$500, levied to the organization sponsoring the fundraiser and not the donor of the basket.

In the *News* story, Rapone pointed out, under the state's small games of chance law, it is illegal to host basket raffles at fundraising dinners used to benefit someone who is sick.

Important Takeaways from "Paws to Refresh" (continued)

FAQ's: Frequently Asked Questions

Per capita dues

Lions Clubs International:

New Members pay a charter fee of \$35 or must submit the proper certification form waiver. International dues total \$43 annually and will be billed on a semi-annual basis. International dues for newly chartered clubs will be prorated for the months remaining in the semi-annual period ending either June 30 or December 31.

Family Members: The first family member (head of household) pays full international dues (\$43), and up to four additional family members pay only half the international dues (\$21.50). All family members pay the one-time charter fee of \$35. The Family Membership Program is open to family members who are (1) eligible for Lions membership, (2) currently in or joining the same club, and (3) living in the same household and related by birth, marriage or other legal relationship. Common household family members include parents, children, spouses, aunts and uncles, cousins, grandparents, in-laws and legal dependents.

Students between the age of majority and through age 30 pay no charter fee and half international dues. Students over age 30 and joining a Campus Lions club pay a \$10 charter fee and full international dues. New campus clubs, and clubs with a majority of students, must prepay one year international dues at the student member rate.

Graduating Leos: All graduating Leos receive a charter fee waiver. Graduating Leos, through the age of 30 who have been a Leo for at least a year and a day, pay half international dues.

Young adults, through the age of 30, receive a charter fee waiver and pay half international dues when joining a Leo Lions club.

Transfer members pay a US\$20 charter fee and must have left their former club in good standing and transfer to the new club within 12 months.

As of June 30, 2018, LCI will not issue international dues credits for membership drops after the release of the semi-annual billings on July 1 and January 1.

State per capita dues are collected to provide revenue to defray the administrative expenses

of the Multiple District and each sub-District and a Multiple District Convention Fund, annual per capita dues of \$16.00 per member per year are collected. These dues are collected in two semi-annual payments based upon a club's membership total as shown by LCI as of July 1 and January 1 of each fiscal year.

As is the case with LCI for international dues, state per capita dues are not pro-rated for members added or dropped from club membership rolls after July 1 and before December 30 and/or after January 1 and before June 30.

State per capita dues collected are used, distributed and credited as follows (/member/year):

- **State Convention Administrative Fund:** \$0.45
- **International Convention Fund:** \$0.85
- **Promotional Fund:** \$0.35
- **District Governors International Conv. Fund:** \$0.35
- **Sub-District Administrative Fund:** \$2.50
- **Public Relations/Communications Fund:** \$1.50
- **All State Band:** \$1.50

September is Childhood Cancer Month

Good Morning,

It is time to start planning for Lions International Global Cause of Childhood Cancer. September is Childhood Cancer Month. As you know we are partnered with Four Diamonds from the Penn State Hershey Medical Center's Children's Hospital. We also support many other Childhood Cancer groups.

I am asking you to begin planning what your club and district's will be doing in September to promote awareness of, education for and physical and monetary help in the cause of eliminating Childhood Cancer.

When you have made you plans, I am asking you to do the following 3 things:

1. Put your project into MyLion as a Future Activity. This is so Lions everywhere can see what you are doing.
2. Send me a short message describing your project and the contact information for the project.
3. Please let MD 14 Childhood Cancer Chairperson, PDG Keldeen Stambaugh, know what your plans are as well.

I do not know if you have heard yet but the in person "Thon" at Penn State University has been cancelled this school year because of the pandemic. "Thon" is the major fundraiser for Four Diamonds. Last year "Thon" raised nearly 12 million dollars for Four Diamonds during the weekend. While they are doing a virtual event, no one knows whether it will be as successful as a normal event. We must step up our efforts to try to offset shortfalls as best as we can. One thing every Lion can do is make a recurring monthly donation to Four Diamonds. A \$5 monthly donation from every Pennsylvania Lion would bring in \$1,058,160 to our campaign #PALionsFTK. That would be 1 million more that we donated last year.

Each year over 16,000 children are diagnosed with a form of cancer. Four Diamonds funds over 90 researchers who are looking for safer treatments and cures for cancer. Did you know that one of the first chemo drugs was a derivative of mustard gas? Mustard gas was used as a weapon in World War 1 and killed thousands on both sides. Please be proactive and generous so that no parent need ever hear the words "YOUR CHILD HAS CANCER."

Yours in service,
PDG Tom Gregg
MD 14 GST GST Coordinator

114 SR 103 SOUTH, MOUNT UNION PA 17066

(P) 814-542-2511 (F) 814-542-7437

www.beaconlodge.org office@beaconlodge.org

To the Lions of District 14-P

Greetings from PA Lions Beacon Lodge Camp! I would like to start off with a sincere Thank You for the support Beacon Lodge has received from the 14-P Clubs and individual Lions. When the call goes out, we know that 14-P will answer.

One such call was for funding to replace our outdated phone system and telephone cable infrastructure. Beacon Lodge has 43 buildings, most of which are spread out across 20 acres. Parts of the safety protocols here require quick access to a telephone in the case of an emergency. That means most of our buildings must have a telephone available.

When we began gathering information on what modern phone systems feature, we found that most include the ability to act as the backbone for a robust WIFI system as well. Including WIFI in our offerings to Campers had previously seemed like an unattainable dream, but now we had a way to make it happen. The only obstacle now was that only DSL internet service was available in our area...

Seeking other internet service providers resulted in discussions with Comcast, who could make a build-out available that would dramatically improve the speed and reliability of our internet connection. Negotiations resulted in Comcast agreeing to cover 25% of the cost as well.

Everything was arranged, funding was secured, and the project began with a two month long construction of our on-site system. Fiber optic cables, VOIP telephones, and many WIFI antennas brought Beacon Lodge's telephony infrastructure into the 21st century.

The build-out, which included over 4 miles of distribution cable to reach the closest access point, took much longer. Various reasons were given for the long wait, and Beacon Lodge owes a debt of gratitude to the office of PA State Representative Rich Irvin of the 81st District for intervening and helping to push this project across the finish line.

I am happy to announce that the final installation of our new internet connection was completed on August 13, 2020. Speed tests confirmed that what was a 1.9 mbps trickle (sometimes took 30+ seconds to load an email) was replaced by a 350 mbps pipeline!

The benefits will be numerous, both for our campers and for the business end of our operations: Beacon Lodge has missed out on several off season rentals because we could not offer WIFI. Some of our diabetic campers have insulin pumps that can connect to WIFI and provide real-time information to their doctors, enabling them to get better calibrated care. One of my favorite benefits is that campers with a smart phone (which is most of them) can face time with their parents, families, caregivers, and friends. What a great way to provide peace of mind, or to share their experiences here with their support networks at home.

Thank you 14-P, for helping to make this project possible!

through diversity

Honey Brook

On August 12th, IPP and current secretary Len Crowther of the Honey Brook Lions Club presented a check in the amount of \$500.00 to Ken Ross, the Board Chairman of The Honey Brook Food Pantry. This organization is serving over 450 local families and about 1,700 individuals, and they set up twice a month to distribute food. Ken reports that due to the current Covid situation, they had a 48% increase during the first 6 weeks of the "closed economy" and that there has been an 82% increase in newly registered families. During the past quarter alone they served 127 new people. Like most clubs, our fund-raising activities were somewhat curtailed the last Lions year, but we were still able to make significant contributions to many local organizations as well as several Lions organizations because of the dedicated, hard work of our Lion members.

***Please submit your Club News, Event Information, Photos, and Service Projects
by the 26th of each month to be featured in next month's Lion Eyes!***

Where Are They Now?

A Monthly Update of Past District Governors

PDG 1987-1988

Barry Hinkle

WE SERVE was my motto when I became District Governor in 1987, and it still holds true today!! I was first introduced to Lions International by Lion Warner Pyles (who was 80 years old) while we were living in Darlington, Maryland. I joined the Darlington, MD. Lions Club (District 22-A) in 1964. I served in all offices

of the club and became Deputy District Governor (on my way to becoming Governor in Maryland) when my job transferred me to Pennsylvania in 1976. Along with my wife, Brenda, three daughters, and a dog we moved to Malvern where I was invited to become a member of the Frazer Lions Club by Lion Lincoln Cockerham. I again had the privilege to serve in all offices of the club. When the Frazer Club disbanded, I transferred to the Paoli-Berwyn-Malvern Lions club under the guidance of PID James E. "Bing" Miller. I became active on the District level serving as Zone Chairman under PDG Gerry Ehst. Little did I know, this would be the beginning of my journey to becoming District Governor of MD 14-P. What a great way to meet new friends, have the opportunity to travel, and explore new adventures. STEP OUTSIDE YOUR BOX!!! With the encouragement of PID "Bing", fellow Lions, and my family, I assumed the responsibility of District Governor in 1987 where I was elected at the International Convention in Taipai, Taiwan. What an experience to see the streets lined with people from all over the world to watch the International Parade. As Governor, I was very proud that I was able to establish five (5) new Leo Clubs in our district, and received the Lions International President's Award for my efforts. Once again, under the leadership of PID "Bing" I was elected to the Board of Trustees of the Lions Eye Bank of Delaware Valley. I served proudly as its Chairman, and have been a member of the Board since 1988. I am currently a member of the "Bing" Miller Charitable Foundation Board, a Board Member of the Royer Greaves School for Blind in Paoli, and served as Past secretary of the Lions of Pennsylvania Foundation. Unfortunately, health issues have restricted many of my activities today but I still LOVE THE LIONS!! Lion Brenda and I will continue to serve as much as possible. I truly believe Lions International is the greatest service club organization in the world. I would encourage everyone to look beyond their local clubs and experience Lionism at the District level as well. IT'S GREAT TO BE A LION! WE SERVE!!

ALL PRESOLD DINNERS

GUARANTEED TILL 3PM

Shillington Lions Club ANNUAL FANTASY FOOTBALL FUNDRAISER

PRIZE: Determined by number of entries. This pool is a fundraiser for the Shillington Lions Club. Proceeds are used to support Lions missions. More information found at www.shillingtonlions.org Last year, the top four teams won money and the leader after eight weeks. The top prize was \$230. Amounts to be determined later depending on the number of entries.

ENTRY FEE: \$10 per entry (number of entries is unlimited). Fee must be paid at time of entry. The fee covers the entire season (17 weeks).

POOL FORMAT: Each week, pick one offensive player (Quarterback, running back, wide receiver, or a tight end). Every week, you will then need to pick a different player and no player can be used twice. The top teams with the most points after 17 weeks will win prize money. In case of a tie between players, then the pool will continue into the playoffs until a winner is determined.

PICKS : Picks can be submitted up until 5 minutes of game time. If you forget to pick, you can pick a Monday night game player. Failing to make a pick or picking a player twice will result in a zero. You may change a player as long as it is before that players game starts.

Send picks to shillingtonlionsffball@gmail.com

Continued Shillington Lions ANNUAL FANTASY FOOTBALL FUNDRAISER

POINTS:

Points are based on the following scoring system:

4 points for every throwing touchdown,

1 point for every 50 yards passing

6 points for every rushing or receiving touchdown,

1 point for every 10 yards rushing/receiving

2 points for every rushing, receiving or throwing of
a 2 point conversion

No points for any punt, kickoff return or fake field
goal score.

COVID CLAUSE

If the season is cancelled before the first week of play, all
money will be refunded

If the season is cancelled before eight weeks are played,
The leader will win a portion of the proceeds and the
remaining winners will be drawn randomly from all
remaining entries.

If the season is paused and then restarted, the pool will
continue as played until the season is finished or
cancelled. For the pool to be valid, there needs to be at
least eight weeks played. If the season is delayed and
restarted and there is not eight weeks played, then a
portion of the payout will be to the winner and random
drawing of the remaining entries. If eight weeks are
played and the season cancelled, then proceeds will be
paid out to the top teams.

*Half of the entries will go to the Shillington Lions, and the
remainder will be paid out to participants.

**Gift of Sight
 Charity Golf Classic**
 26th Annual Tournament

Tuesday

October 27, 2020

Woodcrest Country Club
 300 East Evesham Road
 Cherry Hill, NJ 08003

Dear Friends,

The need to raise Gratts Tissue Funds in assisting the communities that Lions Eye Bank of Delaware Valley serves is now needed more than ever!

Proceeds from our 26th Annual Gift of Sight Charity Golf Classic go to the people of DE, NJ, & Southeastern PA who need us to help them afford a cornea transplant or vision assistance.

Ulan Fred Frisch, POG Golf Committee Chairman

During the COVID-19 pandemic our commitment remained steadfast. We never stopped providing aid to those who confronted financial barriers on their path to care and we will continue supporting those who need our help! Additionally, with your financial gifts, our joint efforts provide on-going hope and access to vision that so many of us take for granted.

We look forward to you joining us for a fun-filled day of fellowship & golf! Your tour, some, advertising, donation, or participation at Woodcrest Country Club means so much to those in need. The day brings you chances to take home great prizes from our silent and raffle auctions. We welcome non-golfers to join for dinner and to participate in the auctions.

Funds are only raised through sponsorships and 'day of and on-course' fun activities. Please consider being a sponsor or making a donation of your choice.

We and those we serve thank you for your patronage.

We welcome your participation!

Schedule of Events

SUPPORT THE
GIFT OF SIGHT
www.lebdv.org

Founded by Lions in 1957, Lions Eye Bank of Delaware Valley (LEBDV) is committed to enhancing a person's quality of life by restoring or improving vision through corneal transplantation, medical research and education.

With the need for over 40,000 U.S. corneas transplants annually, please register to give others a second chance and become an eye, organ and tissue donor today. Visit www.LEBDV.org to learn how.

Through the generosity of donors and first families, LEBDV each year recovers, preserves, processes and distributes more than 1,200 corneal tissue donations. Since its inception, over 40,000 corneal transplant surgeries were coordinated by LEBDV.

Lions Eye Bank of Delaware Valley is the region's recognized leader in the procurement and processing of the highest quality ocular tissue.
