And we Continue To Serve, Let's Change the World

Greetings, Lions and Leos,

As I draft this article for The Pride, PA Lions have just completed three of their four Council of Governors' meetings. I must say it was a good weekend with a change of venue. We decided to hold a lunch meeting with a speaker instead of the usual formal Saturday evening event. Many felt that it was a good chance to give those who stayed over the opportunity to meet with friends for dinner and catch up on Lions' activities in other districts. With the help of PDG Bob Roebuck, MD GSTC, I was able to have Cindy Kolarik, Founder and Executive Director of The Jared Box Project as the speaker. PDG Bob has set the Jared Box as our state project for the MD Convention to be held in May 2024. Cindy shared with all about the Jared Box, the story of Jared and how we Lions can help make the state project very successful. Individuals, clubs and districts can make donations to the Jared Box directly. Cindy will purchase the items for Lions to use in making the boxes at the convention. Donations made payable to "The Jared Box Project" can be sent to The Jared Box Project, 129 Fenwick Drive, Port Matilda, PA 16870. Indicate on the check or with a note that the donation is for the Lions May project. Another great reason to sign up early for the MD Convention May 17, 18 and 19 in Harrisburg, PA. I will be looking forward to seeing you there.

How is everyone doing with Mission 1.5? With several months to go in this Lions year, MD-14 has a wonderful opportunity to end the year on a positive member note. Clubs, start talking with those Lions who you fear will be dropping out in June. Find out now why they are not satisfied. Have you completed a SWOT (Strengths, Weaknesses, Opportunities and Threats Assessment) for your own club? Find out now how you and your club GAT team can turn around a challenging situation and make it positive. Remember there are helpers in your District and at the Multiple District level. Get help, if needed, to keep your club and membership intact.

Club officer nominations should be happening in March for an April election in your clubs. Be sure that the nominating committee is looking for solid candidates who will help move your club forward. Now is the time for that committee to talk with candidates. Be sure to look for good leaders. Think about succession management, take the online Lions learning course and put it to use for a better way to find your leaders early.

Spring comes with a time for outside service projects. Get the new (and old) members busy with the reason they became Lions. Lots of ways we can serve as Lions. Find a few and get started planning how you are going to move it ahead.

Until the next time we meet at a Lions event, let's make it the MD Convention, I wish you all the best and remember to keep serving.

From Council Chair Linda Zaneski,

Hello, MD-14 Lions from your State Council Chairperson,

As I make my way into the second half of my year as your State Council Chair, I continue to remain busy and make Lionism a very integral part of my life. My most favorite thing is traveling all over the state to join cabinet meetings and district functions. My goal this year is to attend at least one district event in all 17 districts and attend as many district conventions as I can.

Everywhere I go, I am so proud to hear about all the amazing service and projects being completed by the awesome Lions in PA. From global causes to community needs, these Lions are making a difference and helping to change the world!

I always post my travels and photos on my Social Media, so check it out! I highly encourage you to post frequently too. This exposure is a silent way of letting your "friends" know that Lions are out and about and making a difference. They may see something that they may like to help with. Service is a great way to bring in a new Lion by finding those with the passion to serve, like you!

Remember, my logo for the year shows what the clubs, districts and Multiple-District need to do to change the world. Strong Leadership will help attract new members who can do more service and that's what we do - SERVE! As those cogs on the gears turn at the club level, they move the District and Multiple District forward at a much faster pace. And thus... help change the world! Your enthusiasm and fellowship are the grease to make them turn even faster. So, let's all work hard on turning those gears in 2024!

I look forward to our State Convention in May and hope to see a record number of Lions attend. 😊

Qualities of Effective Leadership

The Global Leadership Team (GLT) articles in The Pride usually involve informing PA Lions which symposiums, retreats or institutes we have completed or planned for the future: a type of status report on how MD-14 GLT is succeeding and to promote our events to our Lions membership.

This multi-part article will be a little different. We are going to focus on aiding our MD-14 Lions membership in sensing which Lions in your club or district have the "Qualities of Effective Leadership." You should be able to recognize some of these leadership traits in the Lions leaders you serve alongside, perhaps in yourself or perhaps they're qualities you may realize you were lacking.

Let me begin, in no particular order, with the quality of "**Passion.**"

I personally feel it is the most important and underrated trait in any leader. I have not seen a successful leader, in any role, who did not have a degree of passion for their responsibilities. This enthusiasm holds the Lion and their team involved and enjoying the results of the service project or fundraiser to reach their goals.

The next trait I will focus on is being a "**Coach.**"

Many Lions have a mentor that they can claim "*I wouldn't be the Lion I am today without PDG Joe's guidance!*" This coach would be more experienced to lead and guide you in your journey into successful leadership. Effective leaders are always keeping their eyes open for a Lion who displays the hint of future leadership skills. Perhaps the Lion just needs a certain amount of guidance and advice. *A pat on the back is the best encouragement a leader can give any Lion.* A "Servant Leader" is a coach/mentor who does not look for recognition for themselves, but instead develops success stories for other Lions. It is a wonderful feeling when a Lion you have coached becomes successful in their service to Lions and their community.

Continued in future issues of the PRIDE.

Ways to Support PA Lions Beacon Lodge Camp

Beacon Lodge just celebrated 75 years of service to the citizens of Pennsylvania. Over those many years, we have served blind adults and children, and more recently, we have expanded to serve other special needs individuals. Project New Hope for disabled veterans has been in operation for only a few years but is becoming a huge success.

Unfortunately, over the past few years, we have been presented with significant challenges in funding. Our other challenges are staffing, inflation, and the overall cost to keep this camp operational at the level we expect. What we need from all Districts, Lions Clubs, Lions, and Leos is a challenge to increase our funding efforts to help keep this camp open. If we do not follow through with these efforts, Beacon Lodge will cease to be the camp we have grown to love and of which to be proud. **We need your help more now than ever!**

Below, you will find many ways you and your club can support the camp. Please use this list to ensure the PA Lions commitment to Beacon Lodge goes on for many years.

- District Governor's Projects
- 500 Club - \$5.00 per Lions member each year to help defray maintenance costs at the camp
- Beacon Lodge Challenge: \$100+ per club
- Designated/undesignated Camp Sponsorship \$950
- Counselor Sponsorship \$475
- Wish List: products & dollars
- Duck Race "PA Lions Appreciation Day": \$5.00 per duck
- Golf Tournament: Districts: \$1,000, Clubs \$100/hole or \$50/cart, Lions may contribute, businesses contribute
- Special Fund-Raising Projects: Districts & Clubs
- District Work Weekend
- Project New Hope
- Brick Walkway Memorial: clubs \$100 for deceased members
- Carl Shoemaker Fellowship: \$500
- Sponsor a Wounded Warrior & family campership - \$1,200
- Purchase a banner for \$100 to be hung at the camp during the 2024 camping season
- Facebook Birthday Challenge

This is the time of year that we ask for your support of the “**Beacon Lodge 500 Club**”. This is an opportunity for each Lion and Leo to make a personal contribution to help with maintenance and repairs of Pennsylvania Lions Beacon Lodge Camp.

The “500 Club” is based on a **\$5.00** donation per member per year.

The Lions and Leo Clubs in the state of Pennsylvania continue to embrace the Lions motto “**We Serve**”. We encourage all clubs to consider 100% participation in this important fundraiser.

- We ask that you:
1. Make checks payable to: Beacon Lodge 500 Club
 2. Mail checks to: PDG Tom Toland
PO Box 371

Enclosed you will also find a copy of the 2024 Beacon Lodge Wish List. After you collect your donations, contact your Region Chair, Zone Chair, PDG Tom Toland or PCC Brian McCarl.

Once again, we thank the Lions and Leo Clubs of District 14-N for your continued support of **PA Lions Beacon Lodge Camp**; helping make it one of the best special needs camps in America.

Hello, Lions Club Presidents!

With the Holiday season upon us, please take just a few minutes to help our PA Lions Beacon Lodge Camp with a special request. We are asking ALL Lions clubs in PA to customize the attached templated letter and then send it to any Veteran Service Organization (VSO) in your club's area. (American Legion, VFWs, etc....)

All you need to do is change the highlighted areas of the letter:

1. Add your name, address, and phone number
2. Add your VSO name and address
3. Add the date of your letter
4. Add your name at the bottom

then....

5. Print, sign in ink, and snail mail it ...OR... hand deliver it if you know the contacts personally. IF all PA Lions clubs do this, we can get veterans to participate in the camp and hopefully get some much-needed monies to help cover the camp operational expenses and repairs. Our PA Lions Beacon Lodge Camp needs us to do this. Please HELP. It would be a nice way to give back and show our Holiday Pride as a Lion. Thanks so much.

Re: PA Lions Beacon Lodge Camp

Dear (their name):

The recognition of the need for a camp for blind people in Pennsylvania was extensively discussed at a meeting of a group of blind people in Philadelphia on November 9, 1947. After several meetings, a corporation was formed in Mifflin County and approved by the Mifflin County Court in 1948 to establish "Vacations for the Blind" camp. In 1953, the name was changed to "Beacon Lodge Camp for the Blind" and in 1994 the name was changed to "PA Lions Beacon Lodge Camp" to reflect the support of the Camp that comes from the Pennsylvania Lions and to indicate that the Camp serves more than just the visually impaired.

PA Beacon Lodge Camp is situated on 583 beautiful acres in the natural woodlands along the Juniata River in Central Pennsylvania, near Mount Union. It is where children and adults with visual, hearing, mental, and physical disabilities gather from all over Pennsylvania and surrounding states for a relaxing and fun vacation.

The Camp is divided into the Adult Camp and the Children's Camp. Project New Hope, the Camp for Veterans and their families was established in 2014. Each Camp is run separately. Campers can participate in fishing, bowling, swimming, wall climbing, zip lining, archery, miniature golf and much more. The Camp emphasizes what the camper can do and not what they cannot do. The Camp, being a non-profit, depends on funding from the Lions of Pennsylvania and other sources for donations.

The **Project New Hope** program offered at the Beacon Lodge Camp is an opportunity for disabled Veterans regardless of branch of service or era in which a Veteran has served, ALL PA disabled Veterans and their immediate families are welcome.

As a Lion in Pennsylvania, I know first-hand the impact this Camp has had on children, adults, and Veterans each year, and I humbly ask for your organization's support in any of the following ways:

1. Help us recruit disabled Veterans and their immediate families to attend one of our five-day summer retreat camps at NO cost. (June 15-19 and August 3-7, 2024)
2. Help Project New Hope with Veteran campers' fees (approximately \$1200 for a family of four)
3. Help the Camp with their wish list of items (attached)
4. Help the Camp with financial assistance for some much-needed repairs

With the ongoing fundraising efforts of Lions across Pennsylvania, PA Beacon Lodge Camp needs your help to keep going. **I ask for your organization's support to assist the PA Beacon Lodge Camp in providing specialized recreation for our disabled Veterans. It is an honor to offer Project New Hope to the elite group of PA disabled men and women who have served our country!**

(Visit www.BeaconLodge.org for more information.)

Sincerely:

Hello, Lions and Leos,

Greetings from Central Pennsylvania and the 2024 State Convention host District 14-T. We have been meeting and planning for many months to provide you with a great convention experience. Enclosed are various items that you should review and share with your clubs, so they are aware of what has been planned for the 101st annual convention of Multiple District 14 – Pennsylvania, in May.

We have created a new convention newsletter this year to provide you with the full details of the convention all in one place. And we are looking forward to Multiple District 14 welcoming Lions Clubs International President Dr. Patti Hill to Pennsylvania and her theme this year, **Changing the World**.

While we have done much of the planning, the one thing we still need is you. Please take some time to review the newsletter, registration form, room reservation instructions, request for raffle baskets, and advertising contract. The new feature this year is the ability to register and pay online through the MD-14 Lions website **palions.org**.

*Please note the various deadlines for convention registration,
room reservations and program booklet advertisements.*

Stop by and see us in February in State College at the third State Council Meeting and watch for 2024 convention information on the state website, in The Pride publication and your District newsletters.

Convention Service Project

If you have attended a State Council Meeting this year you have heard about the **Jared Box Project** that we will be completing on Saturday morning of the convention. For more than 20 years, Jared Boxes have delivered countless smiles, laughter and hope to children in hospitals across the country. Jared Boxes are a terrific way for any organization to bring the gift of play through toys in a box to young patients as they navigate through their hospital experience. Please stop by Saturday morning to put together a Jared Box.

Tours

There are two guided tours scheduled for Friday morning. One will be with the **Hershey Trolley Works** at a **cost of \$18**. The trolley bus will pick you up at the convention hotel and take you to Hershey, PA for a 75-minute Hershey history tour. Highly knowledgeable and entertaining conductors will take you through the Hershey of today, then jump back all the way to a time before there was a town, or a chocolate factory, or even chocolate in America for that matter. You will then journey through the inspiring life of Milton Hershey, visiting the historical sites of town he created, and tasting the chocolate that made him famous. The tour will end with an exclusive, spectacular view of the Sweetest Place on Earth from the “Welcome to Hershey” Hill. **Make sure to sign up on the registration form or online.**

The second guided tour on Friday morning will be to **Vision Resources of Central PA (VROCP)**. **Vision Resources** is a 100-year-old community benefit organization with a mission to facilitate independence, enrich the quality of life, and empower individuals who are visually impaired or otherwise disabled through prevention, employment, and educational awareness programs. The agency serves Cumberland, Dauphin, Franklin, and Perry counties. **There is no cost for this guided tour.** A bus will pick you up at the convention hotel for a short drive over to VROCP for a tour of the agency. VROCP is unique for a non-profit agency. To support their services, between 80% and 85% of their income is generated by their VR Business Services division through carpet installation, housekeeping, pen production, printing, and PA Driver’s License services. You will leave saying, “I never knew they offered that.” **Although there is no cost, pre-registration is required.**

At the Third Council of Governors' Meeting held in State College in February, MD-14 Global Service Team Chairperson PDG Robert Robuck invited Cindy Kolarik to be our guest speaker at the International Luncheon on Saturday. Ms. Kolarik is the Founder and Executive Director of the Jared Box Project. She presented a PowerPoint presentation of how the Jared Box Project got started and how Lions from PA can help. Information about the Jared Box Project can be found in the last issue of the PRIDE (Issue #2, page 30) and in the State Convention packet. Packing Jared Boxes will be our service project at the State Convention in May.

The Jared Box Project

Greetings, fellow Lions and Leos,

The mission of the Jared Box Project is to entertain and put a smile on the faces of children in the hospital. The Jared Box Project was started in 2001. In Pennsylvania there are 122 hospitals that could be served.

The Jared Box Project is promoted and sustained by volunteers. It is a registered 501(c)(3) nonprofit organization.

The Jared Box Project can be provided to a boy or girl in the hospital with the following guidelines for their appropriate age:

<input type="checkbox"/> Boy	<input type="checkbox"/> Infant (0 - 12 months)
	<input type="checkbox"/> Toddler (1 - 3)
	<input type="checkbox"/> Preschool (3 - 5)
<input type="checkbox"/> Girl	<input type="checkbox"/> Elementary (5 - 8)
	<input type="checkbox"/> Tweens & Teens (8 and up)

The articles in the box would be age appropriate for the child.

Since the inception of this project over one million Jared Boxes have been distributed to more than 400 hospitals across the United States.

At this point we do not know what age the child in need these boxes will be intended for, this will be determined closer to the time of our Pennsylvania State Lions Convention here in Harrisburg at the Red Lion Inn.

This will be a state service project conducted by attendees at the State Convention.

Clubs wishing to make a contribution to this project, or individuals wishing to make a contribution to this project can do so at this time. If a Club is making a contribution to this project, please indicate the name of the Lions Club, and if an individual cares to make a contribution, please indicate that you are a member of a Lions club in Pennsylvania.

Please make checks payable to *The Jared Box Project* and mail the check to *The Jared Box Project, 129 Fenwick Drive, Port Matilda, PA 16870*.

It is my wish that all of us as Lions will support this very deserving project.

Pennsylvania Lions State Convention

May 17-18, 2024

Harrisburg, PA

Dear Band Directors, Lions, Former, and Future Pennsylvania Lions All-State Band Members:

The Lions of Pennsylvania have organized an All-State Band annually to accompany the Lions Delegation to their State and International conventions since 1982. This year, the Lions are organizing a band to perform for the 2024 State Convention to be held May 17-18, 2024 at the Red Lion Inn and Convention Center in Harrisburg, PA. **Dr. Russell McCutcheon**, Director of Bands at the Sunderman Conservatory of Music at Gettysburg College, will again serve as our Musical Director.

Selection is based on past participation in the Lions All-State Band, instrumentation needs, experience on your instrument (beginning with ninth grade, with older students usually selected first), and participation in other musical events including County, District, Region and All-State Bands. Students who are Leos, or whose parents are Lions or recommended by Lions Clubs will also garner consideration.

The state convention, provided at no cost to students, will involve one overnight stay. For your convenience, if enough students participate from certain parts of the state, the Lions will charter a bus to make several stops to bring students to and from the convention. At this time, we plan to have a bus from the Pittsburgh and Scranton areas, if needed.

Applications will be completed online at our website www.palionsband.org.

Students selected for the band will receive notification via e-mail in early April. Remember, the Pennsylvania Lions fund the entirety of the \$20,000 cost for the State Convention Band. Therefore, please check work, school, and other schedules to be sure that if you are accepted you will attend. We aim to provide this opportunity to as many students as possible.

Our uniform consists of a Pennsylvania Lions All-State Band Polo (provided) and white pants and shoes. **You need to bring white pants/trousers, white shoes, white socks, and a music stand with you to the state convention.** We look forward to working with you!

Sincerely,
The Pennsylvania Lions All-State Band Committee

Kutztown University's Visual Impairment Program Awarded \$30,000 from Kutztown Lions Club

by Kutztown University of Pennsylvania

Feb 16, 2024

Kutztown University received \$30,000 from the Kutztown Lions Club to support graduate students enrolled in the university's visual impairment program.

"The visual impairment program at KU is very grateful for the Lions Club's Support," said Dr. Nicole Johnson '05, professor of special education. "This gift will have far-reaching effects to help recruit teachers of the visually impaired, which is very needed."

Kutztown is the only state university in Pennsylvania to offer a program focused on preparing teachers of the visually impaired.

Graduate students can choose to pursue the visual impairment as a track within the [M.Ed. in Multicultural Education program](#). Through this concentration, teacher candidates who only want to teach students with visual impairments will achieve a thorough understanding of all required competencies for certification. Field experiences are provided in both elementary education and visual impairment settings.

Representatives from the Kutztown Lions Club visited KU's campus for a check presentation, spending time with members of the KU community in the university's Vision Lab.

The Lions Club International's mission is to empower Lions Clubs, volunteers, and partners to improve health and well-being, strengthen communities, support those in need through humanitarian services and grants that impact lives globally, and encourage peace and international understanding.

“The Kutztown Lion’s Club enriches the Kutztown community in a wide variety of ways, and we have a particular focus on supporting those in our community with visual impairment,” said Matthew Dietrich, president. “Now, we are supporting those who have made a professional commitment to serve this very important population.”

“The visual impairment program is one of Kutztown’s finest,” said Alex Ogeka, executive director of the KU Foundation. “The Lions Club’s generous support provides crucial funding to graduate students whose expertise will ultimately shape the lives of individuals with visual impairments, overall strengthening our community.”

The **Norwin Lions Club, 14-E, of North Huntingdon** held its ninth CubCake Wars fundraiser recently. This event began 12 years ago to raise money to feed food-insecure school children on weekends. Originally called a backpack program where backpacks filled with food were given to schoolchildren on Fridays, the club switched to gift cards during and after the pandemic. Between 55 and 70 children were fed in the 2023-2024 school year.

The fundraiser is called CubCake Wars which is a play on words with cupcakes and Lions cubs. Bakers bring 10-15 dozen cupcakes to the event and sell them for \$2-\$3 with all funds going to the Lions. This year there were 17 great bakers who made fancy cupcakes and nearly 500 people who bought them. Prizes are awarded for best tasting cupcake, best decorated table, most money raised and a people's choice award. The event raised about \$10,000.

Re: PA State Sales & Use Tax Exemption Form
Date: July 7, 2021

Pennsylvania State Sales and Use Tax Exemption form awarded to the PA State Council of Lions Clubs for use by clubs during fundraising projects. This form is valid through February 2026 and may be duplicated as needed but **SHOULD NOT BE POSTED ON CLUB OR DISTRICT** websites or social media where it would be accessible by the general public. We do not want to risk losing the exemption as the result of improper use of this form.

Courtesy of Multiple District 14 Legal Counsel Lion Ashley Grimm:

"The PA State Council of Lions Clubs is registered in Pennsylvania as an Institution of Purely Public Charity under The Institutions of Purely Public Charity Act, 10 P.S. § 371. et seq. As such, it, and its subsidiary clubs, qualify for an exemption from PA Sales tax. This means clubs are exempt from paying sales tax when they purchase goods or services. It does NOT mean they are exempt from remitting sales and use tax to Pennsylvania during fundraisers."

NO LIQUOR IN RAFFLES!

Liquor not permitted in basket raffles

Please be aware: A popular staple in basket raffles is a “no-no.”

After researching the matter with the Executive Director of the PA House of Representatives' Liquor Committee and the PA Liquor Control Board, MD-14 legal counsel Lion Ashley Grimm reported that “liquor is not permitted to be in a basket for purposes of a raffle. This also includes silent auctions.

“This equates to selling liquor without a license,” Lion Grimm said. “A wine and spirits gift card is permitted to be included in a raffle basket, though.”

Lion Grimm’s research supported the opinion expressed by Lawrence County Treasurer Richard Rapone in a recent New Castle News story that had prompted MD-14 State Council Chair Bill Morgan to contact Lion Grimm.

As part of the News story, Capt. Jamie Jones of the LCB Enforcement Bureau said including any type of alcoholic beverage – be it a six pack of beer, a bottle of wine, a bottle of whiskey or the like – is a violation of the Pennsylvania Liquor Code, Title 47, and is an unclassified misdemeanor offense. The fine upon conviction is \$500, levied to the organization sponsoring the fundraiser and not the donor of the basket.

In the News story, Rapone pointed out, under the state’s small games of chance law, it is illegal to host basket raffles at fundraising dinners used to benefit someone who is sick.
