Lions Clubs International Centennial Silver Dollar Coin Designs Unveiled

WASHINGTON, D.C. - Designs for commemorative coins honoring the 100th anniversary of the founding of Lions Clubs International were unveiled today at the organization's 99th annual convention in Fukuoka, Japan.

Public Law 112-181-the Lions Clubs International Century of Service Commemorative Coin Act-authorizes the United States Mint to mint and issue \$1 silver coins with designs emblematic of the centennial of the Lions Clubs International.

The obverse (heads) design features a portrait of founder Melvin Jones paired with the Lions Clubs International logo. Inscriptions are "LIBERTY," "IN GOD WE TRUST," "MELVIN JONES," "FOUNDER," and "2017." The obverse was designed by United States Mint Artistic Infusion Program (AIP) Designer Joel Iskowitz and sculpted by United States Mint Sculptor-Engraver Joseph Menna.

The reverse (tails) design depicts a male and female lion with a lion cub superimposed over a globe. Inscriptions are "UNITED STATES OF AMERICA," "\$1," "E PLURIBUS UNUM," and "CELEBRATING 100 YEARS OF SERVICE." The reverse was designed by AIP Designer Patricia Lucas-Morris and sculpted by United States Mint Sculptor-Engraver Don Everhart.

Pricing for the Lions Club International Centennial Silver Dollar will include a \$10 surcharge for each coin, which the public law authorizes to be paid to the Lions Clubs International Foundation to further its programs for the blind and visually impaired in the United States and abroad; invest in adaptive technologies for the disabled; and invest in youth and those affected by a major disaster.

The United States Mint will announce the release date and additional pricing information prior to the coin's release in 2017.

DG Mike's Boiler Room Report

Hello fellow Lions and welcome to a new year of service , a special year of service going into our 100th anniversary.

Hello again fellow Lions, it has been an interesting time for me so far. I have attended my first Council of Governors meeting as your DG, received my first two DG visit requests, worked with the Centennial chairs on strategies for our centennial celebration, attending convention meetings and worked at filling the last of the Cabinet positions all while helping looking after my granddaughter, helping my friend haying, doing my woodwork and maintaining my household. But that is what we are, busy people, and as busy people we all know how to get things done, so no matter how busy you get know that you can do this. Know that you can do what you do for those that need our help, after all your a LION, a special person indeed. A person with compassion and conviction, a person that can get it all done!

**District Governor
Mike Janssen**

Lets remember all the important Lions dates on our calendars, our club meetings, our club events, the USA Canada Forum September 15 -17, the Northern Pride leadership Forum November 11, 12, and of course our Midwinter Convention which is going through some date adjustments right now , we will keep you informed of this as soon as we come to an agreement with the convention venue.

We have some new opportunities on our horizon: KidSight: We have an opportunity to screen children from 6 months to 6 years old for eye conditions that, if not dis-covered and treated, can lead to permanent vision loss. Consider how your club might participate in this exciting new project.

Your Legacy Project: All Lions clubs around the world are encouraged to complete a Legacy Project by June 30, 2018. With three levels of participation, there's an opportunity for every club to get involved. Your Legacy Project is an opportunity to showcase your project and club to the community. Please stay tuned for more information.

We have been challenged by our International President to climb those New Mountains, Let's make this an exciting year, A year to remember, a Centennial year, our once in a lifetime opportunity, Are you ready for it?

Yours in Service

District Governor Mike Janssen

USA/Canada Forum September 15 – 17, 2016

We are looking at getting a bus to take all interested Lions to the Forum in Omaha, Nebraska. We would leave at noon on September 14th arriving in Omaha that night between 9:00 – 10:00 pm. The forum starts the next day and this way everyone will be well rested for the festivities planned for the forum.

The cost of the bus will be \$95.00 a person and that includes departing from Frazee, MN or Fergus falls, MN (we will be including stops along the route to pick up Lions from other Districts) and dropping off at the Hotels listed by the forum committee and pick up on Sunday morning starting at 8:00 am arriving back in Frazee at approximately 5:00 – 6:00 on Sunday afternoon.

If you are interested in going to the forum and traveling by bus and enjoying the comradery of fellow Lions, please notify IPDG Jay as soon as possible so we can see if we can get enough interest so we can make this work. In order to secure a seat on the bus please send a \$25.00 deposit (non-refundable unless the bus is cancelled) to guarantee a spot on the bus. If we cannot get enough people signed up by September 1 we will have to cancel the bus.

If you have never been to a USA/Canada Forum this is a perfect opportunity for you to learn more about Lions and have a lot fun doing it. This is going to be one of the closest forums to us for a while, so take advantage of going and not having to drive.

We of course will have some fun and games on the way down.

Leadership
for **Service**

2016 USA-Canada Lions Leadership Forum Omaha, Nebraska Sept. 15-17, 2016 *Leadership ? Service ? It's what Lions do !*

“Leadership for Service”, the theme for the 2016 Forum, reflects our goal of equipping our Lions to meet the Centennial Service challenge in performing 100 million acts of service.

Saturday afternoon will have three large service projects that every attendee will be able to participate in. Corresponding seminars have been added, teaching the skills and organization needed to better prepare service projects at the Club and District level.

Opening night, Thursday brings master illusionist and motivational entertainer, Billy Riggs. On Friday, Lion Jay Blake brings his drag race car “Follow a Dream” to the Forum, along with his amazing story of overcoming a blinding accident to follow his racing dream.

Saturday we look forward to the inspiring words of our then International President, Chancellor Bob Corlew. We finish the evening with Retired General Dick Abel, who after a long career of military, private sector and public leadership will be talking about the leader within each of us.

International President Message

Dear Lions of the World,

Paris, France; Brussels, Belgium; Orlando, Florida, USA; Dallas, Texas, USA; Istanbul, Turkey; Dhaka, Bangladesh; Nice, France; racial tension in many parts of the world.

Why is it happening? When will it stop? How much is enough? These are questions all of us are asking ourselves, and no one is providing any answers.

As the global leader in humanitarian service, a central focus is on providing for those less fortunate through a variety of service programs at the international and local level. Over the past two years, as part of our centennial service challenge, we have served 100 million people around the world. We are proud of our selfless service to others.

But as much as service is our focus, it doesn't completely define who we are and what we stand for in the world community. One need only review excerpts from Lions Clubs International Purposes to gain a true understanding of our focus beyond service:

- To Create and foster a spirit of understanding among the peoples of the world.
- To Promote the principles of good government and good citizenship.

In my inaugural address delivered June 28 in Fukuoka, Japan, I spoke the following words:

"As we look at our future, there is another new large mountain which is arising for our world to conquer, and Lions International is the one to help the world climb this new mountain – and that is international relations. The Lions of the world are one family, focused on the goal of providing for others, and creating peace and understanding among the people of the world. We must strive to leave a legacy of world peace, world health, world safety, and world happiness."

In February 1945, Lions' founder Melvin Jones gathered with leaders of other national groups to meet with Secretary of the Treasury Henry Morgenthau, Jr., and Assistant Secretary of State for Public Affairs, Archibald MacLeish, to discuss forming a United Nations. In April of that year Lions headquarters asked clubs to hold a United Nations week to show support for the initiative.

In that spirit, and as we approach our 100th year of humanitarian service, I ask Lions around the world to hold a day of reflection during the week of July 25th. Set aside this day to reflect on how your club can work with local community leaders to nurture peace, lessen violence that has affected so many of our communities, and foster understanding among all peoples.

As we pause to reflect, please keep the victims and families of the recent tragedy in Nice, France in your thoughts and prayers.

Let us be the example of how people of different races, cultures, religions and diverse backgrounds can come together for a common cause.

Sincerely,

Chancellor Bob Corlew - Lions Clubs International

**International President
Chancellor Bob Corlew**

The Lions Club of West St. Paul held its' very successful fourth annual 'Grocery Scramble' on Sunday, 17 July 2016 at the Main Street IGA in Winnipeg, MB.

For the cost of a \$2.00 ticket, Doreen won \$500.00 in free groceries. The store Manager, Kathy, donated a \$25.00 gift card towards the purchase; therefore, \$525.00 was up for grabs (literally).

A bonus twist to a win-win situation – total cost through the till was \$795.00. Nan and her husband donated \$175.00 while Doreen donated \$100.00 with the proceeds of the non-perishable goods going to the North Point Douglas Women's Shelter.

A huge Lions thank you to Kathy and her staff at the Main Street IGA for without you this event could not have been possible. Thank you to Doreen and Nan for your donation to the shelter. A large Lions thank you to the members of the West St. Paul Lions Club for volunteering untold hours at IGA and for selling tickets.

Build Your Lion

Legacy!

Connect with your community by planning a **Centennial Community Legacy Project** during our Centennial Celebration. Legacy Projects are visible gifts to your community that commemorate our Centennial and create a lasting legacy of your service contributions.

Plan Your Legacy Project

All Lions clubs around the world are encouraged to complete a Legacy Project by June 30, 2018. With three levels of participation, there's an opportunity for every club to get involved.

Promote Your Legacy Project

Your Legacy Project is an opportunity to showcase your project and club to the community. These tips can help you maximize this great PR opportunity:

- **Dedication Ceremony** – Host a dedication or ribbon-cutting ceremony and invite your community and media to attend.
- **Social Media** – Share your project on social media and ask your community to share photos at the site of your Legacy Project. Use the hashtag #Lions100 on all your Centennial posts.
- **Local Media** – Send out a press release or ask a reporter to help tell your story.

Report Your Legacy Project

Be sure to report your Legacy Project using the MyLCI Service Activity Report, under the *Community and Culture* activity type. Clubs can earn a special banner patch, and select projects will be featured on the LCI website, social media and LION Magazine.

Start Planning Your Legacy Project Today!

Choose from the project ideas below or create your own to address specific needs in your community.

1 level

Raise Your Community Visibility

- Post new Lions signs
- Donate a park bench
- Dedicate a statue
- Sponsor a fountain in a local park

2 level

Provide a Community Gift

- Refurbish a park or playground
- Build a footbridge over a busy road
- Fund resources for the visually impaired
- Donate a vehicle to a community organization

3 level

Make a Community Impact

- Build a clinic
- Expand a library or school
- Develop a training center
- Equip an area hospital

All Legacy Projects should be identified with a sign or plaque indicating the project was donated by your Lions club.

Choose your project and start building your Lion Legacy today!

Visit Lions100.org to learn more.

Environmental Goals for Clubs & Districts

Welcome to the 100th year of Lions. To help celebrate our 100 years of service to mankind we would like to let everyone know what we as Lions are doing to help protect our environment.

This year especially we want to make an impact on what we do both in our daily lives and in our communities that we live in. To help reach the goal of 100 million people impacted by what we do we are asking each district and club to sponsor an environmental project.

Community Clean-up project:

A Lions community clean-up is a great way to improve the environment and work alongside Lions, Lioness, Leos and members of your community on a “hands-on” high-visibility service project.

- Removing debris from a roadway, waterway, nature trail, school or train station.
- Clearing debris away after a heavy rain or flood.
- Raking autumn leaves.
- Removing graffiti from public buildings, bridges or fences.
- Landscaping a public area.

Recycling:

Organize a recycling program by working with local recycling organizations.

- Eyeglasses.
- Hearing aids.
- Electronics (Batteries, Cell phone, computers).
- Books, magazines, telephone books.
- Plastics.
- Paint.
- Inkjet cartridges.
- Shoes.
- Clothing.
- Medical equipment such as wheelchairs and crutches.

Tree Planting:

Trees play an important role in sustaining a healthy environment. Every tree planted by a Lion is part of a large scale effort by members around the world to make a significant impact on the environment.

Guidelines for planning your project.

- Evaluate your community needs.
- Consult with local authorities to determine the appropriate tree species for your local area.
- Partner with local groups that can help leverage resources and expertise.
- Determine the best project for the community.
- Outline a plan and include procedures, material needs and expenses.
- Submit the plan and budget to the club or district for approval.
- Invite local media to observe the project.

How Caregivers can Minimize Development of Childhood Cavities

- 1) Wipe your baby's teeth daily with a clean washcloth.
- 2) Do not wet your baby's pacifier with your spit. Do not pre-taste or pre-chew their food.
- 3) When the first tooth appears, clean teeth with a soft toothbrush and a smear of fluoride tooth paste. Then, wipe the inside of the mouth with a wet cloth until your child is old enough to spit (age 6-7).
- 4) Except at mealtimes, only put un-sugared water in your child's bottle or sippy-cup. Never put a baby to bed with a bottle.
- 5) Bring your child to a dentist by the first birthday.
- 6) If your child does not have a regular dentist ask your child's doctor or nurse practitioner for fluoride varnish every three months and tips to keep your child's teeth healthy.
- 7) Learn how you can help your child avoid cavities by visiting the Minnesota Oral Health Project website minnesotaoralhealthproject.com and liking us on Facebook.

Cavities **can** be prevented.
