5M11 LIONS SPOTLIGHT

LION RUSS MCDOUGALL

HITTERDAL, MN LIONS CLUB

Lion Russ McDougall is a member of the Hitterdal, MN Lions Club. He is what you call a true Lion. Ever since he joined in 1975, Lion Russ has shown others what the statement “We Serve” is all about.

Lion Russ is a Charter Member of the Hitterdal Lions. He has served as club president and secretary. Lion Russ has brought several new Lions into the Club. If something needed to be done, Russ was always there to help or lead in a project.

Lion Russ has also been active on the District Level of Lions. He served on the MERLO (Membership, Extension, Retention, Leadership, Orientation) Team in the early 2000s alongside several District Governors. He was on the team with Lion Gordy Nichols and Lion Kim Peters. Lion Russ was the “Quiet One” of the group. As a team, they traveled to many club meetings and zone meetings to speak with Lions on Leadership and Retention. Orientation was a large part of the education, as well as making many new Lions aware of the full spectrum of Lions Clubs International. The MERLO Team was also responsible for organizing the Leadership and New Officer training for the District which was full of motivation and topics for all. Lion Russ, even though he was the Quiet One, took the lead of the MERLO Team and was very successful in getting Lionism roaring again in District 5M11.

Lion Russ was also a Director of the Minnesota Lions Vision Foundation. He served as director from 2013 to June 2019. While he was on the Board he served on the Legal and Finance Committees. A strong supporter of the Vision Foundation, Lion Russ made countless visits to 5M11 clubs and zone meetings during those six years. He and Ramona have contributed quilts and other items to the Silent Auction at Thanksgiving for Vision. With his ready smile and cheerful demeanor, Lion Russ makes friends wherever he goes. He is a wonderful ambassador for Lions and the Vision Foundation.

Lion Russ has also served as Zone 2 chair and the leader of many projects to help others of his community. Russ was the district’s Hall of Fame inductee in 2020. He’s always on the lookout for new members to join the club. He lives his life to serve his family, club, district and community.

LIONS SPOTLIGHT

Each month, a Lion from one of the district’s Lions clubs, will be featured in the newsletter. This is a great opportunity to recognize an “everyday” Lion from your club.

The featured Lion can be a charter member, a newly enlisted member, a member that is great at recruiting new members, a member that can be depended on to serve at every Lions sponsored community event. The local club members can choose who they want to be in the spotlight from their club.

When it is your club’s turn to feature someone, please submit a short story about the Lion and a picture of the person to the newsletter editors the first week of the month. Clubs will be notified in advance when it is their month to feature a Lion.

Greetings Fellow Lions, Lionesses and Leos

For the first time ever, our district's mid-winter convention consisted of a one-day virtual meeting on January 30. All things considered I think it went very well.

My thanks to International Director Bob Block and his wife Lion Brenda for taking the time to spend five hours of their day with us, virtually. Their words of encouragement, information, and support were certainly appreciated.

Thanks also to Lion Brooklyn Driver for sharing her heart-warming story with the meeting attendees. As a result of a KidSight screening and eye treatments and therapy she has her vision today. Brooklyn is so grateful of Lions and the programs they provide. She herself is a Lion today.

A special thank you to the approximately 100 Lions members who took time to be a part of the meeting. We received a lot of positive comments and comments of support for the way the meeting was held and conducted.

A big thank you to all the clubs that contributed to our district's Parade of Green. We will have the donation totals in next month's newsletter. And a final thank you to the bidders and buyers of the silent auction items that were auctioned. A total will be relayed later.

The club with the greatest percentage of membership in attendance was the West St. Paul Lions Club. They had 10 of their 19 members in attendance for 53%. The club will receive \$1000 to be forwarded to the foundation of their choice.

The latest "good news" within our district is the fact the Thief River Falls Noon Lioness Club is "bridging" to a Lions club. The transition is completed for the most part. The new club is starting with 26 members. The club now has 90 days to add additional members that would be considered charter members. A big thank you to Thief River Falls Lions Club President Lars Dyrud for all of his work and support with the process. He and Lion John Wollenzien will be the guiding Lions to the new club. A thank you also to Lioness club members, Bonnie Cota, Pam Cwikla, and Carrie Fricke for the part they have played in the process.

As the covid restrictions have been relaxed some, I do have some club visits, on the Minnesota side of the border, scheduled. If you are interested in having me make a club visit, or multiple clubs at one time, please complete the visitation request form that is included in this newsletter.

Keep the hope, the faith, and the desire to serve as we "Share The Vision."

Yours in Service,

Lion Kevin Reich

Philipp receives New Voices Certificate of Recognition

As part of the New Voices Initiative each District Governor is able to nominate and select four outstanding and innovative Lions and Leos from within the district.

These nominees are one from each New Voices category - Leadership, Marketing, Membership, and Service. District Governor Kevin Reich's nominee for marketing is Lion Crystelle Philipp of the Goodridge Lion Tamers. Philipp, a Lion for only five years, is serving her third consecutive year as club treasurer. In 2019 she sponsored six new Lions which makes up over 25% of the clubs membership. Philipp is pictured receiving her certificate from District Governor Reich. Congratulations Crystelle!

Reich Receives Melvin Jones Fellowship

Lion Kevin Reich, District Governor, Red Lake Falls Lions, was recently awarded a Melvin Jones Fellowship (MJF). The award is the highest award to be bestowed upon a Lion or any individual on behalf of Lions Clubs International Foundation. Pictured (L to R) Lion Jim Rystad, President, Red Lake Falls Lions Club, Lion Reich, Lion Allen Bertilrud, District Governor Elect, Red Lake Falls Lions Club.

Diabetes Canada: Hope Medal Presentation Feb 2020 - was presented to Lions Yvonne & Dennis Doerksen by President Barb Holyoake and Tammy Bach, Lions Foundation of MB & NW Ontario for their unwavering volunteering with Diabetes Canada for risk assessment clinics held in Winnipeg and rural Manitoba. They also received recognition from Diabetes Canada for Regional volunteer of the year. Lion Dennis is very active in picking up eyeglass for our eyeglass recycling program to other countries in conjunction with Lions Foundation of Manitoba & NW Ontario. Thank you for your service Lion's Yvonne & Dennis.

Winnipeg West Lions Club

Lion's Foundation of Manitoba & NW Ontario, with the help of local lion's members, has developed a Lion's float (2019) that has been used in various parades and functions prior to Covid -19.

This float came to life through the eyes of Lion Don Hardy, PDG Bill Myskiw, Lion Dennis Doerksen, Lion Dewey Roy and many other lions who helped decorate to make this possible. We all look forward

Seeing the float in future parades and Lion's activities once the pandemic is over.

Dilworth Loco Lions

The Dilworth Loco Lions started a project February 2020 deciding to make tied fleece blankets for the Infusion Centers for Children at the two Fargo hospitals. The members put in \$200 of their own funds. The Dilworth Lions club donated \$250 toward their project. The first 23 blankets went to the hospitals. COVID-19 slowed their progress. They completed the last 17 and donated them to Churches United, a homeless shelter in Moorhead.

Lion Grace, of the Dilworth Loco Lions, has made many masks and they also donated 45 of those along with blankets.

Winnipeg West Lions Club - Reading Action Program (RAP)

Lion Yvonne Doerksen RAP Coordinator

The Reading Action Program, launched in 2012 (Past President Wayne Madden), is a 10-year Lions commitment to focus on strengthening global literacy. The program calls for Lions to organize service projects and activities that underscore the importance of reading.

Winnipeg West Lions Club organized and have participated in the RAP program for 8 years in conjunction with the Sunnyside Daycare in our local community in Winnipeg. Two or three of our lions members volunteer their time to promote this program each month; by reading books applicable to their age levels, leaving the books behind for Daycare Library with our club label.

Over the years we have really enjoyed reading to the two different age groups and watching them as they grow. They begin with the Monkey group – ages 2 and 3 and then move up to the Crocodile group – age 4-5. We do a lot of interaction with them normally but during this COVID time we have not been able to see them. We are still dropping books off for the staff to read to each group. For seasonal occasions we often dress up, put on our Christmas hats; and the children get to see some volunteers from the community and learn a little about Lions. The interactions with the children during story time is very animated as they get into the stories!

Just walking through the playground to get to the door we are called to and waved at from all the kids who are enjoying the outdoors. It really puts a smile on everyone's face.

For the Christmas RAP reading we donated a book relating to a puppy being trained with Lions Foundation of Dog Guides - Veeto! Every year for Christmas we purchase a little something for the Kids. This year it was a Lion Stuffie (donated anonymously) with an orange and candy cane. These purchases are made with our Tail Twisting funds.

This year a very delighted young fellow, Angus, was overjoyed with his little Christmas bag and his parents sent a thank you video & have given permission to show him in person! In his video he exclaims how this little lion is for his bed and Thank you Lion's!

Message from Mom read: "Not sure if you have a way to share this - but Angus VERY excited about his lion. Their kindness and generosity is so very appreciated. What a wonderful group of people! "

LIONS SPONSORSHIP COULD YIELD A FREE HOSPITALITY BOOKLET

January 2021 winner of 2022 Mid-Winter Convention Hospitality Booklet: Lion Donna Rystad, Red Lake Falls Lions

Every Lion that sponsors a new Lion during the first six months of 2021, January through June, will have their name put into a drawing for one free 2022 mid-winter convention booklet, approximately a \$100 value. There will be a free booklet awarded each of the months for a total of six booklets.

Example: during the month of January there are ten new Lions members throughout the district. Each of the ten sponsor's names will be entered in the drawing for the month. The name drawn will be awarded a free hospitality booklet. If someone sponsors a Lion more than one month, their name can be in the drawing more than one month. Each sponsoring Lion will be limited to two free booklets. If a sponsoring Lion wins a second booklet, they can choose who to gift the additional booklet to. Maybe one of their newly sponsored Lions?

At the end of the six months, the club with the greatest number of new members will receive two free hospitality booklets. The booklets could be awarded to two of the club's new members?

This is a win-win for everyone. Our district wins with additional Lions members, the local club wins with additional volunteers to serve, and sponsors could win a hospitality booklet. A great way to get 2021 off to a great start.

Leader Dog Happenings:

- 1) **Back to Class: Providing In-Home Service-** With an increase in COVID cases nationwide, we made the decision to continue guide dog and Orientation & Mobility training through home delivery for the months of December and January. We are monitoring the status of the pandemic closely and will make the determination to resume on-campus training as soon as it is safe to do so. When we resume, we will continue to adhere to the strict safety protocols we followed in the fall including: social distancing, 2:1 ratio of client to guide dog mobility instructor (GDMI) versus the usual 4:1 ratio, and operating at 50% class capacity so we can use every other residence hall room.
- 2) **TOM Talks: Summer Experience for Teens** (camp for kids blind or visually impaired) went virtual this past year. It was so successful we will be rolling out TOM Talks. Based on the popular TED Talks podcasts, this will be Technology, Orientation and Mobility Talks. Designed for young adults who are blind or visually impaired, our focus will be on the next steps for independent travel, professional readiness, and networking. To accommodate busy schedules, this program is partially self-guided and partially live.
- 3) **Virtually Connected:** Please encourage clubs and districts to reach out to their Leader Dog chair/trustee or to the Lions Team at Leader Dog for a virtual presentation! We can share the Lions legacy with short virtual presentations to clubs and at district conventions. Give us a call or email and we can create a tailored program: LionsSupport@LeaderDog.org or call Lion Kathleen Breen at 888.777.5332 x2052.

*Leader Dog's fiscal year is from July 1 – June 30 (same as the Lions' fiscal year)

The Minnesota Lions Hearing Foundation expresses its gratitude to and honors individuals through the Lions Hearing Research Fellowship Award. A great deal of valuable research is carried out at the University of Minnesota in Minneapolis, Minnesota. These awards come from the donations of clubs through the 5M9 district projects. For every \$1000 cumulated (per club), an

award can be given to an individual, business or group who the club designates. The award may be given to a Lion, but does not have to be so.

The club decides and then sends in an application to the Minnesota Hearing Foundation treasurer, whose information is listed on the form. The form must include the club applying for the award, the name or names of the recipient(s) and the address of the recipient(s). The club will receive the plaque and can then decide when to give it to the award winner.

The plaque is a lovely tribute for service to others, especially in the field of hearing health. Over the next few months, we will be describing several of the research grants that have been given out this year. We are sure you will find some of them interesting and informative.

For more about the many services offered, visit our website: www.5mhf.org

Minnesota Lions
Hearing Foundation Award

MINNESOTA LIONS HEARING FOUNDATION, INC.

Early Identification By Newborn Hearing Screening

In 1999, the Lions Multiple District 5M Hearing Foundation established the first and only statewide screening program for the early detection of hearing problems in newborns.

With more than \$417,000 in contributions and a matching grant from the Lions Clubs International Foundation, WE created the Lions Newborn Hearing Screening Program.

This was an ambitious initiative designed to establish newborn screening, without state funding or mandate, in every birthing hospital in Minnesota. All newborns in Minnesota are now screened.

Thank you, Minnesota Lions!

Peter Murray Sinclair was born on September 28, 1932 in Warren, MN, the second child of Gertrude (Bloomfield) and Donald Sinclair.

Peter spent his entire life in the community of Stephen, MN, graduating from Stephen High School in 1950.

After graduation, Peter joined the U.S. Army and was stationed in Korea. Upon his honorable discharge from the service, he attended the University of Minnesota and the University of North Dakota, where he graduated with a degree in Business in May, 1958.

Peter met the love of his life, Delores Larson, at a dance in Fertile, MN; and were married in Barnesville, MN on June 9, 1957. Following graduation from the University of North Dakota, Peter and Delores returned to Stephen and in 1960 moved to the family farm east of town where they would raise their four daughters.

Peter was very active in the community. He was a charter member of the Stephen Lions Club and the Stephen Curling Club, belonged to the Masonic Lodge, the Riverside Golf Course, was a member of the First Lutheran Church, and served on the Stephen School Board, the American Crystal Board of Directors and on the board of the Farmer's Elevator in Stephen. Through all of these activities, Peter and Delores made many wonderful friends, including friends from all over the Midwest whom they met over the course of their 25+ years wintering in Bullhead City, AZ.

Peter was a life-long supporter of the Stephen Tigers, the Stephen-Argyle Storm, and the University of North Dakota, and truly, everything Stephen! He was a loyal fan to every Minnesota sports team, being a lover of all sports, he cultivated that love in his daughters.

Peter loved spending time with his family and was very happy when sons-in-law and grandsons started joining the group. Peter and his brother, Jim, were instrumental in establishing The Sinclair Cup, the annual family golf tournament where the Canadian and American relatives gather for a weekend of golf and companionship. Whether we were out golfing, fishing, curling, playing pinochle or cribbage – we always enjoyed our time together. Peter never lost his sense of humor and he may have shared a joke or two with you.

Peter moved into the Tamarac Senior Living facility in September, 2017 and then to Kittson Healthcare on January 3, 2019. Peter passed away peacefully at Kittson Healthcare, Hallock, MN on Saturday, January 2, 2021.

Left to mourn his passing are his daughters; Cynthia (Keith) Urbaniak, Kennedy, MN, Allison (Michael) Peyton, Grand Forks, ND, Jane (Douglas) Schindele, Stephen, MN, Heather (David) Betters, Rosemount, MN, as well as 10 grandchildren: Jacalyn (Nathan) Satterlund, Jason (Katie) Urbaniak, Andrew Urbaniak, Nicholas (Bree) Schindele, Jordan (Chelsea) Schindele, Evan (Autumn) Schindele, Ryan (Sophie) Peyton, Hannah, Olivia and Joy Betters; and 13 great-grandchildren. Peter is also survived by his brother, James (Sharon) Sinclair of Detroit Lakes and his brother-in-law, LeRoy Larson, Burnsville, MN, along with many beloved nieces and nephews.

Peter was preceded in death by his wife, Delores on June 3, 2011, his parents, Donald and Gertrude Sinclair, a sister, Iris Sinclair Myhre and her husband Earl Myhre.

The family would like to thank the Tamarac Senior Living Center, the Kittson Healthcare staff and the community of Stephen who cared for him and brought him many happy moments throughout his life.

Funeral services are scheduled for Saturday, January 9, 2021 at 2:00 P.M. in First Lutheran Church, Stephen. The service will be livestreamed on the First Lutheran Church Facebook page at <https://www.facebook.com/pg/First-Lutheran-Church-Stephen-MN-396266930506958>. A public visitation will be held at the church from 12 noon until 2:00 p.m. Committal services and Military Honors will be held at 2:45 in the Stephen City Cemetery and all are welcome to attend. CDC recommendations will be followed. Masks are required. Rev. Michael Schendel, presiding; Renee Jensen, organist. Casket bearers will be grandchildren. Honorary casket bearers, friends. CDC recommendations will be followed. Masks are required.

Condolences may be directed to the family in care of Cindy Urbaniak, P.O. Box 132, Kennedy, MN, 56733. The family will direct memorials in honor of Peter's favorite causes and community services in Stephen.
