Hanover Fire Halls Benefit From Lions Club Donation

Written by Shannon Dueck, for the Steinbach paper

The Grunthal Lions Club handed over some life saving equipment this week to the Hanover Fire Departments.

Club Member Doug Wiens says the last two years they raised money for STARS air ambulance but this year the decision was made to keep their money local. Wiens says they decided to ask Hanover Fire Chief Paul Wiebe if there was anything they needed. Wiebe responded by saying they were actually looking to fundraise for Automated External Defibrillators (AED).

"We brought it to a meeting and discussed it and thought that would be a great way to help locally," says Wiens. "As a Lions Club our motto is we serve and our position is we want to make our communities better places to live."

Wiebe says the AED's will stay on the fire trucks in Kleefeld, Grunthal and New Bothwell. He adds because they don't respond to medical calls, these units are actually intended to be used in event a firefighter ever goes down on the job. Wiebe says as a firefighter, you can go from a state of sleeping to fighting a fire in a very short period of time.

"The work we do a lot of times is very taxing on our firefighters physically," notes Wiebe. "It gets your heart rate up, when you're working on some of these calls. This will be part of our safety net."

Wiebe says there has never been a case where a Hanover firefighter has suffered a heart attack while on the job, but it does happen in other places and they take the health and safety of their firefighters very seriously. He says there will definitely be a training night to get the firefighters familiar, noting they will likely do it as part of their CPR training.

Wiebe notes his firefighters had previously identified the AED's as something they would like to fundraise for. He adds because they probably wouldn't have been included in their funding from the municipality, they would have needed to raise between \$1,800 and \$2,000 per unit. Because they are a Lions Club, the Grunthal Lions Club was able to purchase them for \$1,000 each.

"The Lions Club has been just a fantastic part of this community," notes Wiebe.

For the last number of years, firefighters in Hanover have assisted the Grunthal Lions Club in various roles at the annual Hanover Ag Fair.

DG Gerald's Report

Greetings Lions,

On Sept 2nd, I attended the 40th Anniversary and Corn Feed of the Red Lake Falls Lions Club. The weather was beautiful and the music by the local entertainers excellent. This was a great opportunity forme to mark this as an Official Governor's Visitation while also taking-in the historic Red Lake Falls Community and the beautiful Voyageur View park.

On Sept 16th, I flew out of Winnipeg for Grand Rapids, MI to attend the 39th Annual USA/ Canada Lions Leadership Forum. There were close to 2,000 Lions from across the USA and Canada attending this Forum. It was a very inspiring and motivating. I encourage the Lions Clubs of 5M 11 to assist, if they can, their members to attend this important learning and educational Leadership Forum.

Our International President, Dr. Jitsuhiro Yamada, addressed the Forum a couple of times outside of the Banquets to explain in more detail the Dignity, Harmony , Humanity motto that he had officially chosen for this year. Dr. Yamada also answered questions about the current Syrian Refugee Crisis going on in Europe. He stated that both LCI and LCIF are lending support to the refugees. They are closely working with agencies like "Save the Children" and others to bring relief. They are also speaking with our contacts at the United Nations to try to help resolve these issues. Dr. Yamada reminds all clubs who wish to make a donation to make the cheque payable to LCIF attention Syrian Refugee Account.

Club Visitation Requests are slowly coming in.
Please get yours in early.

I look forward to visiting with you and your club.

In Lionism, Lion Gérald Fontaine—DG 5M 11

The Red River Cart highlighted was used by our ancestors, freighters and traders on both sides of the border as they made use and utilized the Crow Wing Trail to travel and haul freight from St. Paul MN to Fort Garry, MB (Winnipeg). The 5M District is mostly made up of this area.

Worldwide Week of Service in Sight on October 4-10

This October 4-10, President Yamada invites you to join Lions around the world for a special service event to raise awareness about eye health, blindness and vision impairment. Vision screenings, provision of eyeglasses and assistive

devices, and eye health education are just a few ways your club can bring dignity to friends and neighbors who lack access to adequate eye care. In addition, your project will help us reach our Centennial Service Challenge goal of serving 100 million people. [Visit the Worldwide Week of Service in Sight page](#) for more information, and start planning your project today!

The American Diabetes Association, Minnesota Area is currently planning our two largest programs of the year: Camp Needlepoint/Daypoint and our Diabetes Expo. I personally want to invite the members of your club to visit one or both of these programs this year.

Our Diabetes Expo will be held on Saturday, October 10th from 9:00 AM to 3:00 PM at the Minneapolis Convention Center, Hall E.

It is billed as “everything you need to know about diabetes under one roof” including workshops, cooking demonstrations, fitness activities, free health screenings, an “Ask the Expert” area, and vendors

offering the latest diabetes products and services. Last year over 8,300 people attended and we’re expecting more this year. As a Lion, you and/or your club can get involved in several ways:

- We invite you to come to learn more about diabetes.
- We need many day-of-event volunteers for this activity. Lions Clubs may want to volunteer as a club. Many clubs helped last year; by wearing their vests they gained more recognition for Lions Clubs and what they do in the community. Volunteer for a few hours (time slots are 8:15 AM – 12:00 PM or 11:30 AM – 3:15 PM) or for the entire day. Please contact Molly Duerr at 763-593-5333, ext. 6652 or mduerr@diabetes.org if you or a club would like to volunteer.
- Several areas outside of the Twin Cities worked on organizing buses to and from the Expo for members of their community. Clubs from several communities in your district could set up a bus route with several stops to pick up people. Work with your local clinics, hospitals, churches, etc. to get the word out. If you are thinking about having a bus please contact Molly Duerr at 763-593-5333, ext. 6652 or mduerr@diabetes.org for more information. All people will have free admission to the Expo and there will be free bus parking at the Minneapolis Convention Center.

We appreciate the support we have received from Lions Clubs in the past and invite you now to see how your funding is helping people with diabetes.

The top half has a red background with the American Diabetes Association logo (a stylized 'A' with a triangle) and the text 'American Diabetes Association' in white. Below this, the word 'expo' is written in a large, white, lowercase font. A yellow diagonal banner in the top right corner says 'FREE EVENT' in red. Below the word 'expo', the text 'Learn how to be healthy, active and live well with diabetes!' is written in white. The middle section features a group photo of diverse people of various ages and ethnicities smiling. Below the photo, on a white background, is the event information: 'Minneapolis Convention Center', 'Saturday, October 10, 2015', '9:00 AM - 3:00 PM', and 'Minneapolis, MN'. At the bottom, there are logos for 'the Diabetes Education Program' (in blue) and 'novo nordisk' (with a blue lion logo). Barnesville and Warren Lions

With a newly purchased 55" TV in the background, Lion Lauren Rood proudly displays the new Bingo program that he wrote. The "Bingo Board" was in serious need of repair when Lion Lauren decided to write a Bingo Program that is now used on the new TV via his laptop computer. The program worked out very well and the club netted over \$400 during a 3 hour Bingo session held at the VFW during Barnesville Potato Days on August 29.

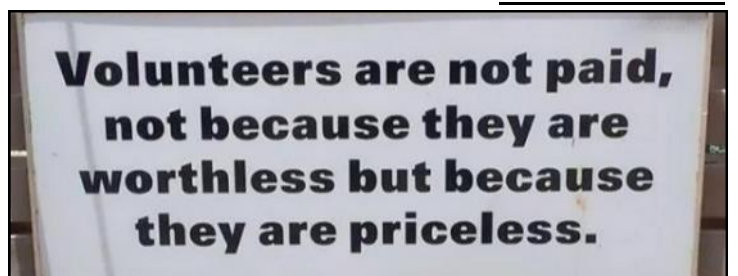

Duane Janssen, grand prize winner of the annual Lions raffle, is shown with a reproduction of the \$20,000 gift certificate he will receive to be redeemed at Nelson Auto of Fergus Falls. Left of Duane is Lion Brad Cook, who, together with Lion Ken Just (not shown), sold just shy of 50% of the raffle tickets. Lion President Mike Quiggle is shown on the far right. Once again, all tickets were sold prior to the drawing, and, as always, 100 cents of every dollar raised will be given away to various causes in the community and around the world. A big "Thank You," to all who purchased tickets.

Shown receiving his grand prize winning check in the amount of \$20,000 from Barnesville Lion Treasurer Jerry Feigum is Duane Janssen. Duane used his winnings toward the purchase of his new Ford pickup from Nelson Auto in Fergus Falls, MN. In addition to the grand prize, twenty other winners each received a \$100 check. The community once again made this a successful raffle since no tickets remained unsold. One hundred cents of every dollar raised by the Lions club in ventures such as this is donated to various causes locally and throughout the world, allowing the club to exemplify the Lions motto of, "We Serve."

Dilworth Loco Ladies / Red Lake Falls Lions

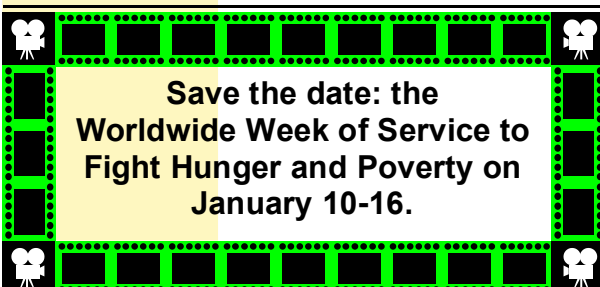

The Dilworth Loco Ladies Lions Club has volunteered for the Adopt a Highway program for a number of years. We enjoy a rewarding opportunity doing our part to help our environment and make the roads look beautiful and clean. It also saves the state and county lots of money (7 million+ statewide). A 2-mile section takes about 2-3 hours. MnDOT provides safety vests, signs, trash bags, training and safety information and bag retrieval.

We originally started with a section on Highway 75, but the closest to our community available was near Georgetown. So, now we have switched to County Highway 9 near the Dilworth Community Center North from Highway 10. We pick up litter in the fall and spring volunteering our labor and gaining a chance to enjoy the outdoors and get some exercise. We have found interesting items from silverware to tools as well as littered beer cans, miscellaneous garbage and road kill.

Fertile and Greenbush-Badger Lions

The Fertile Lions Club hosted their Annual Golf Club Dinner on Sept. 9, 2015. There were about 120 guys out there playing Golf earlier that evening. The right pictures are the members that helped serve, New members, Susan and George Ackre, President Paul Borslien, Lionel Sandness, Dorothy Roof, Mavis Werner, Ed Pavcek our Tail Twister, and Norma Erickson took the picture. They served, Prime Rib sandwiches, with fried onions and peppers, baked potatoes and a Macaroni Salad, and the members brought homemade goodies. The meal was prepared by our Club Member, Lion Mark Erickson, who owns the Restaurant where we have our meetings. Everyone got full, and we had a great time.

Lions Club of Winnipeg Update

The month of September looked like it was going to be a slow month with not much happening. What was to come was anything but. Here is a recap.

Monday, September 14th was our 7th annual 100 Hole Golf Tournament. 15 interested golfers decided to take on that challenge. We began at 6:30 a.m. With arrival at the course – Larters of St. Andrews Golf and Country Club. The golfers had breakfast, had their individual and group pictures taken and then went to their shotgun start. Each golfer received a dozen golf balls, and during the day had delivered to them hot coffee, water to quench their thirst, chocolate bars for a sweet tooth, chips for that salty taste, and anything else like colas they wanted.

During the day, there were two gift cards for merchandise at a golf store for the closest to the hole on a part 3, prizes of golf balls for the lowest round, and best overall score and also for the most honest golfer. Our statistician kept track of such things as eagles, pars, and birdies which he related to the golfers at the closing awards dinner. He also mentioned that during the 5 rounds each golfer made, there was a total of 146 balls lost.

It was a wonderful warm day for the golfers, and the best part of the day and event was the winner – and that would be THE LIONS HEARING FOUNDATION – all of the proceeds are dedicated there. When know just how much the tournament made, I will tell you.

The second event on the calendar was a visit to a 'PEP' rally at our local high school –Gordon Bell. They had asked us about helping with their fund-raising campaign to put lights on their athletic field. We agreed to help and we presented them with a cheque for \$5,000.00 to help. As well, they are having a super walk early in October and we agreed to do what we could to help them with that fund-raising.

A third event also took place. We have been approached by a group of men and women from South Sudan who would like to **start a new Lions Club** and they are looking for us to sponsor them. We have had a couple of exploratory meetings and it appears that this will go ahead. More information will be available as we get closer to their charter night. WHIOPPEE!!!

Global Leadership Team Report/Updates

START YOUR CLUB PLAN

In August our International President, Dr. Jitsuhiro Yamada, encouraged our Lions clubs to accomplish even more in our communities by developing a plan for club success. He reminded us that by defining our goals and steps needed to achieve them, we will be able to create a plan that will keep our clubs on track for success this year and beyond.

An effective plan can help attract new members to our clubs so we can expand our service. It can help ensure that our service projects meet the needs of our communities and the interests of our members. The plan can help identify and develop future club leaders, and keep members engaged and excited about the future direction of our clubs.

Does your club have a plan?

1. Have you surveyed your membership in the past two/three years to find out how happy they are with the status quo of your club's climate, management, service projects, and direction?
2. Have you asked community members how well your club is serving current needs in your community recently?
3. Can you state three goals your club has this year to make it a stronger club?

If you cannot answer yes to the above questions you club may need to start developing a plan to stay on track for success.

To start developing your club plan today, here are two great resources to get you started:

[Blueprint for a Stronger Club](#) – The Blueprint helps you assess your club, establish goals and identify the steps to achieve them. Submit your Blueprint goals to receive a special certificate for your club.

[Club Quality Initiative \(CEP\)](#) – Take your planning to the next level with this fun, interactive workshop that can help your club achieve new levels of success for years to come. Choose from two versions: CEP Pro and CEP Lite.

Materials for both programs can be found at www.lionsclubs.org by typing the names into the search box in the upper right hand corner of the home page. You can also get help or information by contacting me.

Leadership Division Webinars Continue to Expand Global Audience

"I believe this webinar will help me in my capacity as a Membership Chairperson and in my life." – Lion Sharon W. Axelberg, District 31-H

Lion Sharon is referring to the *Minding Your Members: Building Strong Teams* webinar presented by the Leadership Division in March of 2015. In *Minding Your Members*, Lions considered the leadership competencies that foster strong teams including empathy, conflict management, change making and bond building.

Minding Your Members was one of ten topics offered via leadership webinar this year. Content for each webinar is developed in conjunction with Lions at all levels. Topics are selected based on input from Lions around the world. In the case of *Minding Your Members*, Zone Chairpersons and Global Leadership Team members were asked for examples of positive and challenging Lions teams situations. Case studies based on this input were incorporated into the content for all participants to consider.

Relevant webinar topics presented using practical examples is one reason that participation in leadership webinars has dramatically increased this year. To date, the average webinar attendance has doubled that of last year, with approximately 450 Lions for each topic.

Another reason for the popularity of these webinars may be that online learning is an idea whose time has come. The nature of learning is changing as institutions and learners adjust to online classrooms and courses that reach across time and distance. As a global organization, we are keeping pace! From specific officer training, to topics of broader appeal such as generational harmony, conflict resolution, project management and defining your next Lions dream, there is a leadership webinar that is sure to interest you!

Be sure to visit the online leadership webinars page at [LCI Leadership Development Webinars](#) for the 2015-2016 schedule. Discover what thousands of Lions already know - these webinars can enhance your knowledge, skills, and capacity to lead-- all in a fun, one-hour interactive session.

International News

October is Membership Month

What is your club doing to increase membership this month.

Will you plan an activity or will you invite prospective members? Please do something!

If you rest on past successes, before you know it, your club will be low on members and struggling to survive. I talked to a Lion the other day who has recruited several members to their club and they were disappointed that nearly all of their recruits had either moved or dropped due to family commitments. Has this happened to you? Do you wring your hands and claim that I tried and leave recruiting up to someone else? This is a problem with a lot of new members that are recruited. We need to involve the new member and get them involved in club activities. Don't overdo it, you can burn them out if you are not careful. Remember that younger members may have jobs that make them mobile. Here today and gone tomorrow. Do you ignore these types of members, surely not! This member can be a boost to your club while they are still a member. When they leave, help them transfer to a new club. Remember we win some and lose some, but we never give up. We can't serve if we never were members.

Join Us for Diabetes Awareness Month

Every November, Lions organize projects to raise awareness about the global diabetes epidemic and to recognize World Diabetes Day (November 14). Begin planning your diabetes service project today to ensure a successful event; a Strides activity, free diabetes screenings at a community center, or a healthy eating event at a local school are a few ideas to consider. For more ideas, see 25 Project Ideas for Diabetes Awareness and Action.

Lions Club: The Next Generation

Invite former Leos to become Lions! As Leos, young people learn to organize projects and motivate others to serve, developing valuable leadership skills and a lifelong commitment to service. You can renew that commitment and welcome fresh ideas to your club by inviting former Leos to join. Learn more about the Leo to Lion Transition and how these young volunteers can continue making a difference in your local, national and international community.

New Centennial Video: Knights of the Blind

The latest video in our Lions Centennial series is now available to view and download from the LCI website. Watch how Lions became known as Knights of the Blind, serving blind and visually impaired people around the world for the past 100 years. Lions Centennial videos include rare images and footage that offer a peek into the association's rich history of community service. Visit the Lions100 website for the entire Centennial series, and be sure to share the videos and your Centennial activities on social media using the hashtag #LIONS100.

On the Road to Centennial Success

Over a year into the Centennial Service Challenge, we're happy to report that we've reached the halfway mark in our goal to benefit 100 million people. But there are still millions of people who need the service and support of Lions like you! Want to get your club involved? This October 4–10, help us reach our Centennial goal by joining

the Worldwide Week of Service in Sight and hosting a service project promoting awareness of eye health, blindness and vision impairment. Visit the Worldwide Week of Service in Sight page to learn more!

Lions Clubs International
FOUNDATION

OUR FOUNDATION

Dear Lions,

On a recent trip to Peru, Brazil and Belize, I had the honor of seeing many Lions and Leos in action. And they are doing great work!

With help from a Lions Clubs International (LCIF) seed grant, Leos near Lima are spearheading an effort to provide safety, rehabilitation, job training and hope to young victims of human trafficking and their babies. Lions Quest, LCIF's social-emotional learning program for children, is active in 30 schools in Peru!

I visited an eye bank in Caxias do Sul, Brazil, that LCIF and Lions have supported for many years. When I visited an eye hospital in Passo Fundo, Brazil, some children even surprised me with a song.

I am so proud of all the great work Lions around the world are doing each and every day. Remember to share your clubs' great work so Lions know about the service you are providing in your community.

Sincerely,

Joe Preston
Chairperson, Lions Clubs International Foundation

A note from your PID...

TIMES, THEY ARE A CHANGIN'

Bob Dylan may not have said it first, but nonetheless it's true today, or at least after this year's International Convention. Five International Constitution and By-law Amendments were enacted:

- The position of International Third Vice President was re-instated effective with the 2016-17 Lions year which means both a 2nd and 3rd Vice President of LCI will be elected at the Fukuoka Convention.

Lion Mike

- The number of International Directors from the United States and its affiliates (which by Board action now includes the islands of the Caribbean Sea), Constitutional Area I, will be reduce from 14 to 11 over the next 3 years. Rather than electing 7 directors for 2 year terms each year, Constitutional Area I will now elect 6 in 2016-17; 6 in 2017-18 and 5 in 2018-19.

- The name of the "Leadership" Committee was changed to "Leadership Development" Committee to more accurately reflect its purpose.
- Effective July 1, 2016 requiring dues to be paid no later than the 15 days prior to a District or Multiple District convention for a delegate or the club of a candidate to be in "Good Standing " for the purpose of voting or running for office.
- No longer will a single affected district be able to block a Multiple district re-districting proposal; rather a re-districting proposal only requires passage by a majority of the delegates to a MD Convention,

BUT THERE'S MORE (But these election changes all become mandatory next year; so consider using them this year).

Because of persistent election problems occurring elsewhere, these provisions are a part of the Standard District Constitution and By-laws effective next year.

- Inclusion of a dispute Resolution procedure.
- An automatic update of District Constitution and By-laws is required when mandatory District CBL provisions are passed at an International Convention.
- District Governors are to appoint in writing a minimum of 60 days prior to a convention, a Nominating committee consisting of a minimum of 3 and a maximum of 5 members from different clubs, none of whom are on the Cabinet or hold an International Office, either by appointment or election. That committee shall review the qualifications of proposed candidates no later than 30 days before the convention.
- Use of DG and VDG Qualification Checklists is mandatory for the Nominating committee.
- Inclusion of the mandatory procedures for filling vacancies in the office of DG, 1st or 2nd VDG.
- A Convention call may be made by printed or electronic means and shall be given to all clubs no less than 60, rather than 30, days before the convention.
- The Cabinet may change the convention site no less than 30 days prior to the convention.
- The Convention Report must be sent to LCI within 15, rather than 60, days of the close of the convention.
- The Credentials Committee shall be chaired by the DG, with members including the cabinet secretary/treasurer and 2 other non-officers, both of whom are members of different clubs in good standing.
- The ballot forms proscribed by LCI must be used for both contested and uncontested elections are mandatory. When there are more than 2 candidates, a ballot and procedure for preferential voting are available.

I am happy to send a copy of the mandatory provisions of District Constitution and By-laws to anyone who wants one. Just drop me an email at: mmolenda@dmslb.com.

Thank you for your confidence and support during my 2 years as an International Director. Please give your same confidence and support to our endorsed International Director candidate, Bruce Beck at both your District Conventions and at the International Convention in Fukuoka.

Yours in Service, Lion Mike Molenda

Newsletter needs club assistance –New info

Greetings Fellow Lions, Lioness and Leos of 5M-11!

Zone Chairs and Club Officers please make sure your members are receiving the monthly newsletters. Club Officers, if need be, please print at least one copy to pass around at your meeting. I pack a lot of information into each newsletter.

Thank you to all the clubs that put forth submissions this past year 2014-2015 as well as the cabinet members that sent me items. 40 out of 72 of the clubs had submitted something. That's almost 75% of the clubs. This year, I want to see this number increase with the ultimate goal of getting every club to submit even ONE item., whether it be an awesome project, someone getting an awards or showing what you do in the community. We love to hear what you are doing and it may give other clubs ideas on what to do.

PLEASE HELP ME MEET THIS CHALLENGE FELLOW LIONS

Please send the information to me by the 25th of each month
unless stated otherwise.

Upcoming deadlines for the newsletter:
