Haiti Eye Mission Barnesville

Lion Ken Bauer, left and Lion Mike Quiggle, right, are shown presenting a Leader Dogs for the Blind Founders Tribute Plaque to Dr. Lance Bergstrom at the 2nd annual fund-raiser to assist in the expenses for Dr. Bergstrom's trip to Haiti each year. The inscription reads, "In honor of Dr. Lance Bergstrom for his continued dedication to the Haiti Eye Mission--Barnesville,

MN, Lions 2018" The total amount the Barnesville Lions donated to this cause was \$500.00. Even though the funds raised are very helpful toward trip expenses, Dr. Bergstrom, a member of the Fargo, ND, Lions, must still pay out of pocket expenses. Dr. Bergstrom's continual services to assist those less fortunate exemplifies the Lions Motto, "We Serve."

Gudrun Yngvadottir, from Gardabaer, Iceland, was elected to serve as international president of Lions Clubs International at the association's 101st International Convention, held in Las Vegas, Nevada, USA, June 29 through July 3, 2018. International President Yngvadottir is a biomedical scientist and has worked in research, education and management. Since 1990 she has worked at the University of Iceland as Vice Director at the Institute of Continuing Education.

A member of the Gardabaejar Eik Lions Club since 1992, President Yngvadottir has held many offices within the association, including district governor council chairperson. She has dedicated her service

to children and youth, membership and leadership development, health and wellness, including vision and diabetes, environmental projects and Lions Clubs International Foundation (LCIF).

President Yngvadottir served as international director 2010-2012 on the Leadership Committee, as chairperson the second year; 2011-2013 on the Women's Task Force; 2012-2013 she was a board appointee on the District and Club Service Committee; and 2013-2014 on LCIF Governance Ad Hoc Committee.

In recognition of her service, she has received numerous awards including the Kjarans Medal, the highest award of Icelandic Lions; the Lions Crystal, the highest award of Norwegian Lions; several Membership and Extension Awards; eleven International President's Awards; and the Ambassador of Good Will Award, the highest Lions Clubs International award. She is also a Progressive Melvin Jones Fellow.

In addition to her Lions activities, President Yngvadottir is active in numerous professional and community organizations, including the Icelandic Association of Biomedical Scientists and has been its representative for cooperation between Scandinavian and European scientists.

President Yngvadottir and her husband, Dr. Jon Bjarni Thorsteinsson, a past international director and a Progressive Melvin Jones Fellow, have one son, one daughter and six grandchildren.

Lion Matt Bailey is shown attaching a Lions pin to the Barnesville Lions newest member, Lion Archie Haus. Matt was Archie's sponsor and they are childhood friends from their growing up days in the Battle Lake area. Lion President Jon Pauna who conducted the induction ceremony is shown on the far right. Turning Tables

The West St. Paul Lions holds all of their fund-raising BBQ's at their local IGA, including their "fill a truck" for diabetes event held in July. They also sell grocery scramble and Grey cup tickets at this location. When it came to the clubs attention the IGA's table was falling apart and very heavy. They decided they would show their appreciation for always being so helpful and donate a new table for the store.

Lion Terra, of the West St. Paul Lions Club, presenting a new table to Kathy, West St. Paul's favorite IGA manager.

Attention 5M11 Lions:

We belong to an amazing organization that services from the dedication of its membership.

If we don't recruit new members, we could cease to exist within the next 20 years. When we ask ourselves, "why did we join the Lions International" it is for many different reasons, but the common thread between every member is "We Serve". The Lions do amazing work in our communities and work for many charities everyday and this *does* make a difference. We have moral obligations to offer a membership in the Lions Organization to every potential Lion. Our LCI Focus for this year is to grow our membership. I would like to thank every Lion member in the district for your support and dedication to this LCI initiative.

We are already into the first month of this Lion year and recruitment should be top of mind for every member. You need to make your Lion Club successful by adding new and younger members. We cannot and will not give up on recruitment. Let's do our best to ask everyone we meet to be a Lion member in our existing club or a new chartered Lions Club.

Every member should have the President's Award as a goal and should strive to reach this impressive achievement. Recruitment is the key to the services of achieving this Lions goal. Holding induction as often as required this will help to be successful in the recruitment process. If you know of a young family with a busy lifestyle raising a family or a job that requires travel the new on-line membership is a perfect fit for them and their family to enjoy the privileges of our membership.

With the on-line membership, the members are entitled to many benefits, allowing them to attend meetings, and participate at all Lion events. Take advantage of this fantastic new program by signing up your on-line members today.

One of our 5M11 Clubs has initiated an Incentive Plan for New Membership: For every potential new member who comes to a meeting or volunteers at an event – the inviting member will receive a ballot for a \$100 Gift Card for a restaurant of their choice AND a waiver on next year's membership dues. Use this idea or one of your own but do what you must to grow your clubs and our 5m11 roster! If you have any questions – please contact me as soon as possible.

Who's Leading Who

Lion Ken Bauer, left, is shown receiving a \$500.00 check for Leader

Dogs for the Blind from Lion Jim Molde, President of the Bemidji Lions Club. Lion Ken has done a number of Leader Dog Presentations for the Club and they are excellent supporters of this very worthwhile 501(c)3. Leader Dog's mission is to expertly train dogs to lead visually impaired individuals so that they may have more independent lives. Even though the cost for each dog is approximately \$40,000 each leader dog recipient pays nothing. A stunning 15,000 Leader Dogs have been given away since the organizations inception in 1939.

Potato Days Raffle Grand Prize Winner

Lion Brad Cook from the Barnesville Lions presented a check in the amount of \$15,000. to Brock Doug Franke, Grand Prize Winner in the Lions annual Potato Days Raffle. Brock decided to take the cash rather than the \$20,000 gift card to either Nelson Auto or Frontier Sports in Fergus Falls. In addition to the grand prize, twenty (20) individuals won \$100 cash prizes. Because of excellent community support, all 700 tickets were sold once again, and 100 cents of every dollar raised will be given to worthy causes, the majority of those causes right in the Barnesville area.
