## Lions, Lioness and Leos of 5M11

Summertime has finally arrived. I hope all is going well with your club and club activities for the coming summer months. As you read this, I will be attending the 97th Lions International Convention in Toronto meeting Lion members from all over the world. The highlight of the convention for me will be my installation as District Governor on July 8th at the convention. I am looking forward to the last three days of DGE training, scheduled for July 1,2 & 3, in Toronto. I want to thank all of you in 5M11 for your trust that you have given me, and I will try not

to let you down.

Upon my return from Toronto I will be working with our District Officers to plan out the coming year. Our District Governors Team consists of (1st VDG Gerald Fontaine, 2nd VDG, Mike Janssen, GLT Coordinator, Joanne Swanson, GMT Coordinator Doug Wiens, Cabinet Secretary Jenifer Spielman, District Treasurer John Wollenzein, and all the Zone Chairs.) The Governors Team is in the process of setting up the dates and locations of District Cabinet Meetings for the coming year. I will also be busy with club visits, meetings and club events. Please let me know of any of your club events going on this summer, I would be interested in attending.

If any new officers or returning new club officers are having difficulty with club reports and were unable to attend the recent Officer Training sessions, please ask any member of your Governors team for assistance. These reports need to be submitted in a timely manner for the information to be meaningful to your Governors Team to help Lions Clubs of 5M11. Your LCI website has a wealth of information and has a large selection of tutorials to help you in your club office position. Please take a look at the LCI website if you have not done so already.

I am looking forward to having fun and meaningful discussions with all the clubs in 5M11 during my scheduled visits this coming year. I wish all Lions, Lioness and Leos of District 5M11 an enjoyable, fun time and successful year in serving our communities in 2014-2015. I would like to thank Governor Doug for all the work and excellent leadership he has provided our District this past year.

# Lions Club of Winnipeg update

June 5th turned out to be a warm and sunny day – perfect for our annual Rose Day tag day. We did exceedingly well, and when all of the receipts are in we should have raised over \$2500.00. The money we raise through our annual Rose Day is used to promote and help the youth of our community.

June 19th was the Annual General Meeting of the Lions Housing Board. There the Lions Club of Winnipeg elect the men and women who are responsible for the overall operation of our Lions Housing Buildings – being Lions Manor and Personal Care Centre, Lions Place, and Lions View.

June 26th, we held our annual Awards Day – which was originally scheduled to be on June 12th, but was postponed to June 26th, and what an Awards Day it was!!! 20 of our members received perfect attendance pins – and when you consider that we meet every week throughout the year, that is a remarkable accomplishment.

Chevrons were presented to the following Lions for their longevity – 10 years for Lion Dan Burton, 15 years for Lion Don Brown; 30 years for Lions George Kalaitzakis, 45 years for P D G Lion John Sinclair, 60 years for Lion Crawford Dawson, and 65 years for Lion Richard Huston.

Lions award of excellence went to Lion Nessie Stewart, second from left, from Awards Chair Hannon Bell, second from right.

Two certificates of Excellence were presented – the first to Lion Marcelle Le Blanc for her continued excellence with special decorations for any and all of our special occasions, and to Lion Agnes (Nessie) Stewart – she was recording secretary for the Board of Directors for more than 3 years, she spent at least two more years as a member of the Awards committee, and she helped at every event and in every way that she possibly could.

Lion "Bud" Wilk, right, receiving the Salesman of the Year Award, from Lion President Ernest Jones.

A HOPE medal was presented to Lion John Bock for his untiring efforts with the youth of our community through his efforts with a special camp for disadvantaged youngster called Camp Manitou.

In our 93 year history, there has never been a woman Lion of the Year until this year – when Lion Dorothy Wilk was given that honour. She exemplifies what Lionism is all about – heading the Awards committee for 3 years, being a member of the Executive Board for 3 years, and now for the last year as recording secretary, spending many hours working in the clothing room of a local mission shelter, making sure to visit sick and or/shut in Lions on a regular basis, and always being among the first to volunteer when there is something to be done!

As well, a special award was given to Lion Doug Blaylock for his continuing commitment to the cadet program that we

have sponsored for many years. He spends many of his Thursday nights with them watching over their development and mentoring them. There are between 100 and 120 young men and women in the program every year. The award he received was the A. Ernest Jones Award.

The highlight of the day was the presentation of a MELVIN JONES to Lion Richard Pinchin from I P D G Dave Hollyoake. He cited the many executive positions, the work that Richard did in the district and his involvement in all things Lion. It was well deserved.

Our new Executive take office on July 1st, 2014. They are Past President Ernest Jones, President Richard Marrin, Director P D G John Sinclair, Director P D G Ross Johnston, Al Whitson, Secretary-Treasurer Richard Pinchin, and recording secretary Dorothy Wilk.

# Lions Clubs International

Dear Lion,

Our servicemen and women sacrifice so much for our country. On Memorial Day, we come together as a nation to remember and honor those who lost their lives while serving.

U.S. veterans serve our country with pride and distinction, and their contributions continue long after their military service ends. The ***Involve a U.S. Veteran*** program recognizes the contributions of veterans and their value to our communities and local Lions clubs. The program waives the charter or entrance fee for any qualifying veteran who joins a new or existing Lions club between July 1<sup>st</sup>, 2013 and June 30<sup>th</sup>, 2015. This special pilot program is offered only in the United States.

Eligible veterans include retired U.S. military personnel or honorably-discharged members of the Air Force, Army, Coast Guard Services, Marines, National Guard, Navy or Reserves. Those currently serving in the National Guard or Reserves are also eligible. Lions Clubs International will provide an entrance fee waiver of \$25 (\$30 for charter members) to the first 5,000 qualified U.S. veterans that join a local Lions club.

Hundreds of U.S. veterans have taken advantage of this special program, including Robert Aguilar, Jr., a former marine who recently became a Lion in California. [Read more about Robert's story.](#)

As service members leave the military and come home, let's provide them with an opportunity to get involved in their communities and serve as Lions. Visit the [Involve a U.S. Veteran](#) Web page to learn more about the program.

Sincerely,

**Scott Drumheller**  
**Executive Administrator & Secretary**  
**Lions Clubs International**

## Flag Etiquette

Traditionally, members of the nation's veterans' service organizations have rendered the hand salute during the national anthem and at events involving the national flag only while wearing their organization's official head-gear.

The National Defense Authorization Act of 2008 contained an amendment to allow un-uniformed service members, military retirees, and veterans to render a hand salute during the hoisting, lowering, or passing of the U.S. flag. **This does not include the Pledge of Allegiance.**

A later amendment further authorized hand-salutes during the national anthem by veterans and out-of-uniform military personnel. This was included in the Defense Authorization Act of 2009, which President Bush signed on Oct. 14, 2008. All other persons present should face the flag and stand at attention with their right hand over the heart.

# Madden Message

Dear Lions,

This past year has been an amazing one. As Chairperson of Lions Clubs International Foundation, I had the honor of visiting some of your LCIF grant projects around the world. And, I saw that you are changing many lives. The world is a better place because of your efforts to make a difference. I would like to share with you some accomplishments in each of LCIF's service areas, written below.

Without you, there would be more children at risk for bullying in schools; more people would lose their vision due to diseases like trachoma; more children would die each year from measles; and there would be less support for people in need following disasters. Together, we can continue meeting needs around the world.

Thank you for your support of our Foundation.

Sincerely,

Wayne A. Madden

Chairperson, Lions Clubs International Foundation

# Partnering to End Measles

At last year's convention, LCIF partnered with the GAVI Alliance and committed to raising US\$30 million for measles vaccinations by our 100th anniversary in 2017. During the month of April, Lions had some exciting measles activities.

World Immunization Week this year was a big success around the world. And in just April, Lions raised US\$1.3 million for measles vaccinations with support from Abhey and Past District Governor and Board Appointee Aruna Oswal. Lions were on the ground in local communities, educating people about measles, supporting vaccination campaigns and spreading awareness.

# Saving Sight and Preventing Blindness

Lions and LCIF are committed to saving sight and preventing blindness where needed most. In China, blinding trachoma has affected eye health for many people. Through LCIF SightFirst grants, our Foundation is supporting the effort towards elimination of trachoma as a public health concern by 2016.

The fight against trachoma and other eye diseases expands around the world. In May 2014, Lions Clubs International leadership and the Lions of Georgia (USA) joined former U.S. President and Lion Jimmy Carter in a signing ceremony to commemorate an expansion of the Lions-Carter Center SightFirst Initiative addressing the major causes of preventable blindness in Ethiopia, Uganda, Mali and Niger. This partnership also helped celebrate the elimination of river blindness in Colombia last year, a major milestone

## 27th Annual Lions International Peace Poster Contest

# Peace, Love and Understanding

Sponsor a Lions International Peace Poster Contest and join clubs worldwide in sharing children's visions of peace with your community.

### How the Contest Works

Only a Lions club can sponsor the contest in a local school or organized youth group. The contest is open to students 11-13 on November 15, 2014. Participating students are asked to create posters visually depicting the contest theme, "Peace, Love and Understanding."

One winner for each contest sponsored by a club is chosen to advance to the district governor for judging. On the district level, one winner is selected to go on to the multiple district competition and from there one winner is forwarded to International Headquarters for the final judging. Entries are judged at all levels on originality, artistic merit and portrayal of theme.

During the final judging, 23 merit award winners and one grand prize winner are chosen to represent the many entries submitted from around the world.

### Awards

Artists of posters advancing to the final international judging are recognized as follows:

- **International Grand Prize Winner** receives a trip to an award ceremony where he/she will receive a cash award of US\$5,000 (or local equivalent) and an engraved plaque. Two family members (one being the winner's parent or legal guardian) and the sponsoring Lions club president or a club member (as designated by the club president) will accompany the winner to the award ceremony.
- **23 Merit Award Winners** each receive a cash award of US\$500 (or local equivalent) and a certificate of achievement.

# Have you ever been asked what Lions do?

**Lions Clubs International is the world's largest service club organization.** We have 1.39 million members in more than 46,000 clubs worldwide.

**Lions are everywhere.** We're men and women who are active in community projects in over 200 countries and geographic areas.

**Lions have a dynamic history.** Founded in 1917, we are best known for fighting blindness – it's part of our history as well as our work today. But we also perform volunteer work for many different kinds of community projects – including caring for the environment, feeding the hungry and aiding seniors and the disabled.

## Local Community Projects

**Lions are active.** Our motto is "We Serve." Lions are part of a global service network, doing whatever is necessary to help our local communities.

**Lions give sight.** By conducting vision screenings, equipping hospitals and clinics, distributing medicine and raising awareness of eye disease, Lions work toward their mission of providing vision for all. We have extended our commitment to sight conservation through countless local community projects and through our international Sight First Program, which works to eradicate blindness.

**Lions serve youth.** Our community projects often support local children and schools through scholarships, recreation and mentoring. Internationally, we offer many programs, including the Peace Poster Contest, Youth Camps and Exchange and Lions Quest. And our Leo Program provides personal development through youth volunteer opportunities. There are approximately 144,000 Leos and 5,700 Leo clubs in more than 140 countries worldwide.

**Lions award grants.** Since 1968, the Lions Clubs International Foundation has awarded more than US\$700 million in grants to support Lions humanitarian community projects around the world. Together, our Foundation and Lions are helping communities following natural disasters by providing for immediate needs such as food, water, clothing and medical supplies – and aiding in long-term reconstruction.
