# DG Doug's Report

August has gone by quickly. Threshing is well under way and on the north side of the border it is a great crop.

Early August I visited the Warroad Lions who were doing their annual garbage can feed. They steam cabbage, carrots, potatoes, rutabaga and several types of sausage in a garbage can for several hours. It was very good. I arrived a couple of hours prior to the start and President Dave treated me to a couple of hours on the water. During the visit I had the opportunity to present to present past president Jeff with a Club Excellence award and also presented a membership key.

My club hosted a beer garden at the Hanover Ag Fair with proceeds going to STARS. We had a good turnout for the first year of doing this and raised \$4000. We also had a visit from STARS on the Saturday and found a couple of new members for our club.

My travels this month also took me to Flom Farm fest where we enjoyed the mud bog and mud dash for cash and a great pancake breakfast Sunday morning. I also took in Barnesville's Potato Days, where the Barnesville Lions were doing a Bingo in the VFW and the Moorhead Lions had a face painting tent. It was great seeing these clubs with their various fund raising projects and meeting everyone.

September starts with Riverside Lions 2nd annual corn roast in St Pierre-Jolys on the 5th. We have zone chair training and CEP training on the 7th in Thief River Falls. STARS CEO Island rescue challenge on the 12th. Crookston's 75th anniversary on the 14th. US/Canada forum in Overland Park Kansas from the 19th- 21 of September, if anybody is looking for a ride I have room.

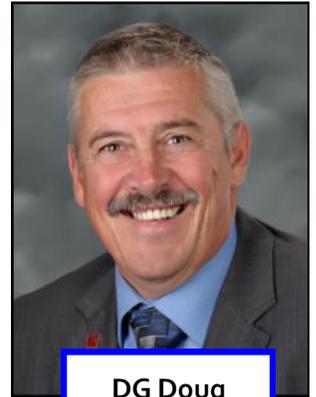

We have been having trouble with the DG visitation request from the web site. They are coming in blank, so for now just send me an email [doug@prudentialriverbend.ca](mailto:doug@prudentialriverbend.ca) with the request.

How are we making out with our membership drive? Have you reached out and invited someone to join your club? I look forward to meeting all of you

Our Cabinet meetings are November 23 and May 10 at the Bethany Lutheran Church in Red Lake Falls and January 24 in Mahnomen. I invite you to come sit in on a cabinet meeting.

# 1st Vice DG Dennis's report

**1st VDG  
Dennis Olsen**

I hope all of you had a great summer. I think summer has gone fast. Maybe that's what happens as we get older, we think summers just speed by.

Some of our clubs in Zone 1 & 2 had some good activities during the summer. The Flom Lions were busy with Farm Fest this past weekend with their food stand and their pancake breakfast. The Barnesville Lions were busy at Potato Days with activities promoting the Lions. The Hawley Lions and Moorhead Lions each had a float in the Potato Days parade. These activities provided great exposure to the public about the Lions. It was great to see Governor Doug at these events. The Hawley Lions also conducted a Kids tractor pull at the Clay County Fair with over 100 participants in the tractor pull. I hope all of your clubs had at least one activity during the summer months.

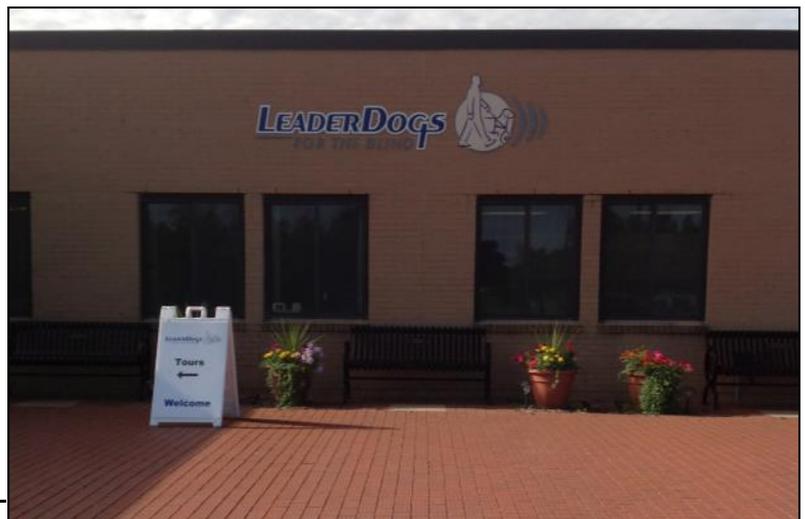

Recently, I had the opportunity to visit the Leader Dog Headquarters in Rochester Hills, Michigan and spend a day at the headquarters attending various sessions put on by the Leader Dog Headquarters staff. The first part of the day long seminar was a tour of the facilities and campus. We were shown the Leader Dog kennels, the breeding area, birthing area, training areas and Vet department of their facilities. We also had hands on experience by being blindfolded and being led by a Leader Dog. We were informed of Leader Dog commands as our leader dog guided us around the campus. That was quite an experience being blindfolded and walking not knowing where one was going and depending on the Leader Dog. The seminar also included speakers who were blind and spoke of their experiences with their leader dog. Many of the blind presenters were excellent and their experiences with their dogs were invaluable to them. The staff at the Leader Dog headquarters spoke to us about the extreme importance of the Lions and how all the funds donated were so important for the existence of the Leader Dog Program. We were bused to downtown Rochester, Michigan to view their training of Leader Dogs at their downtown facility on the busy streets of a city.

My eyes were opened about the leader dog program. I discovered how valuable the Leader Dog Program is to blind individuals. The Leader Dog Program is always looking for private individuals to raise Leader Dog puppies for the program. Leader Dog will provide the puppy and training. If you love dogs, this might be an opportunity for you. If you are in the Detroit, Michigan area sometime, please stop by the Leader Dog Headquarters and they will give you a tour of the facilities.

I am looking forward to this coming year and to visit some of your clubs and see the activities and achievements of your clubs.

**Have a good year.**

The smaller of the two is what the dogs are kept in during their four month training following their 12-13 months in a puppy raiser's home. The larger of the two will house the dogs once the kennel upgrades are completed. Actually, there will be two dogs housed in the larger cages which will help to lower the stress in the future leader dogs. Leader Dogs for the Blind will be doing a fund raiser to assist with the renovation costs next year which will coincide with their 75th anniversary.

## Lake Bronson Lions activities

Lake Bronson Lions Club will be working on the following projects about the time you are reading this newsletter:

First we will cleaning out a storage building the City of Lake Bronson owns. They let us store items there we use at the annual Woodcarvers Festival and other events the club carries out during the year. Also, our club plans to build some storage racks which better suits our needs in the building.

Our second project involves painting the interior of the community center. This is were most of our meetings take place. If you see volunteers later with banged up fingers and paint in their hair you know that those individuals were busy adhering to the motto "We Serve".

Lastly, we would like to report that the Annual Woodcarvers Festival in Lake Bronson State Park was a huge success. The "Friends of the Park Organization" puts in a great deal of time and effort as the major sponsor of the event. The Lions Club works in a supportive role and provides part of the entertainment for the Festival. We suspect that come next August, our Club will be part of the event again.

## Lions Club of Winnipeg Activities

August has been quiet but we did have a work party cleaning up weeds and debris in front of Lions Place - a group of us spent about an hour working and then the entire Lions Club had a barbecue lunch.

We are well on track to have our **100 Hole Golf marathon on September 9th at Larters Golf and Country Club**. We are looking forward to helping the Lions Eye Bank of Manitoba and the new Children's Hearing Screening program in Winnipeg which is where our funds from this event are promised.

We also have a couple of Lions who are recently incapacitated, and we have a group who are going out to bring them the Lion Message and make sure we keep in touch with them so that they don't feel abandoned by us.

Lion President Ernie

## Red Lake Falls Lions activities

On August 25th, the Red Lake Falls Lions served the Hillcrest Nursing home picnic as well as helped with the grilling.

August 30th saw the baked potato and brat feed at the local high school football game.

Our **annual corn feed will be September 4th at the Riverside Park from 5 to 7 p.m.** The meal will consist of locally grown corn—all you can eat—with burgers, brats, coffee and water. Adults are \$6 and under 12 are \$2

# 26th Annual Lions International Peace Poster Contest

## Our World, Our Future

# Order your Kit By OCT 1

Sponsor a Lions International Peace Poster Contest and join clubs worldwide in sharing children's visions of peace with your community.

### How the Contest Works

Only a Lions club can sponsor the contest in a local school or organized youth group. The contest is open to students 11-13 on November 15, 2013. Participating students are asked to create posters visually depicting the contest theme, "Our World, Our Future."

One winner for each contest sponsored by a club is chosen to advance to the district governor for judging. On the district level, one winner is selected to go on to the multiple district competition and from there one winner is forwarded to International Headquarters for the final judging. Entries are judged at all levels on originality, artistic merit and portrayal of theme.

During the final judging, 23 merit award winners and one grand prize winner are chosen to represent the many entries submitted from around the world.

### Awards

Artists of posters advancing to the final international judging are recognized as follows:

- **International Grand Prize Winner** receives a trip to the award ceremony at Lions Day with the United Nations (subject to change). At the ceremony he/she will receive a cash award of US\$5,000 (or local equivalent) and an engraved plaque. Two family members (one being the winner's parent or legal guardian) and the sponsoring Lions club president or a club member (as designated by the club president) will accompany the winner to the award ceremony. The award ceremony is scheduled for March 2014.
- **23 Merit Award Winners** each receive a cash award of US\$500 (or local equivalent) and a certificate of achievement.

# Moorhead Lions Summer Projects

Recently the Moorhead Lions discovered there was a need to help upgrade the sandbox play area at the local shelter, Churches United, here in Moorhead. The old edging timbers were rotted and falling apart, the sandbox area was filled with a wood chip type filler that was old and discolored from the outdoor elements. Only the immediate area right around a swing set and slide area were the actual play area, the rest being lawn. The whole play area is fenced in, so mowing the small area was not an easy task. When we decided to take on this project, we all felt that with the many children at the shelter, there needed to be more play area in a real sandbox style.

Measurements were taken and materials purchased to make the whole 20' x 40' area into a large sandbox. Nine members and some of their families met there at 6:00 pm with shovels and brooms in hand. Three yards of sand had been delivered earlier that day. New posting materials for the edges had to be moved from a trailer to the sandbox area. Part of the fencing had to be taken out so that we would have access to the area. Out came the old filler and timbers. Then the ground was leveled a bit and black landscaping material laid down. Now that was not an easy task.

Next came laying down the new timbers and measuring twice and cutting once, the outer edging was put in place, a little at a time. A crew took care of that while others starting bringing in the new sand. Now this all sounds easy, except that the 3 yards of sand were on one side of the building and the play area was about 80 feet down on the other side. We rented a small mover, but that person was also busy helping with the timbers, so one of us went and got a small yard type wheelbarrow from home. We started shoveling and moving sand with that in between the other loads. Steve Anderson from Churches United came out and helped with moving the sand with the wheel barrow, which was truly appreciated. Meanwhile the others were busily moving the sand around in the new area, laying more black material, and assembling the outer edging timbers. Darkness was coming fast, but we were determined to finish the project that night. Almost to the dot, at 10:04 pm all the timbers laid, sand evened out, fencing put back in place and a whole bunch of sandbox toys donated by one of the member... we all stood there with a big grin on our faces, knowing we had followed the Lions motto.... "We Serve".

Sponsor Lion Ken Bauer is shown with new member, Lion Steve "Doc" Dockter, standing in front of the Wagner Park Shower Building. Even though Lion Doc has only been a member for a few short months, he has been very active by working at the annual Lions Sportsmen Stag, selling tickets for the summer raffle, and riding to accompany Lions Mark and Deb Mansell on their motorcycle trip touching the lower 48 states. Lion Doc has already exemplified the Lions motto of, "We Serve."

Lion Ken Just is shown presenting a check in the amount of \$15,000 to Rich Carney, grand prize winner of the Barnesville Lions Summer Raffle. Richard could have taken a \$20,000 gift certificate towards an automobile at Nelson Auto in Fergus Falls, MN, but chose the cash option instead. In addition to the grand prize, there were twenty additional winners receiving \$100 checks. The raffle was a resounding success, with the Barnesville Lions Club have a net profit of \$16,250 on this fundraiser. This money will be used for service in our country and throughout the world, exemplifying the Lions motto of, "We Serve."

# E-clubhouse

## E-CLUBHOUSE, YOUR CLUBS PERSONAL WEBSITE "DOES YOUR CLUB HAVE ONE ?"

DG Doug asked if I could help with any club who would like to get their own website. By having your own website your club will be able to be on the World Wide Web and promote your clubs activities to anyone who sees it. It is one of many great PR tools you can use to promote Lions in your community and area. Several clubs have their own website and use it very well, I will assist any club who asks me to help them.

Before you contact me (preferably) by email you will have to have a few details on your club, below is what you need for the application. If you want me to send this in for you I can or you can go online to [www.lionsclubs.org](http://www.lionsclubs.org) and follow the links to e-clubhouse ( <http://www.e-clubhouse.org/index.php> ) and click on the link "Getting Started" . It is really quite simple to get started, your biggest challenge will be to find someone in your club to keep it updated. You should update at least once every two months or after each event. Although it suggests that some information is "required" and some is not, I would request you fill in every line so all information appears on your web site.

One of the nice things about this is that you can impute all your club meeting dates and times as well as any special events and "Feature" them on your web site. You can also upload pictures of any of your events to add impact.

Each e-Clubhouse features:

- **Club Home Page:** Feature a photo of your club members participating in a project or club activity and provide a brief history of your club.
- **Calendar of Events:** Use the calendar to keep everyone informed of important dates.
- **Club Projects:** Provide information on your projects and let your community know how they can support your projects.
- **Photo Gallery:** Showcase your club's activities by posting photos of recent projects.
- **Contact Page:** Post key contact information for people in your community to call so they can learn more about your club and get involved.
- Up to five additional pages for your club's special functions or news.

If you want to see a club website please visit my own's club site at <http://www.e-clubhouse.org/sites/charleswoodtuxedomb/index.php>

## e-Clubhouse Application

- **New Members:** To get started on your club website, submit an application to LionNet\* today. When we approve your application, you'll receive an email with login information you can use to begin work on your club's website.

*\* Please allow up to two business days for our volunteers to review and process your application.*

# Lions & pigs

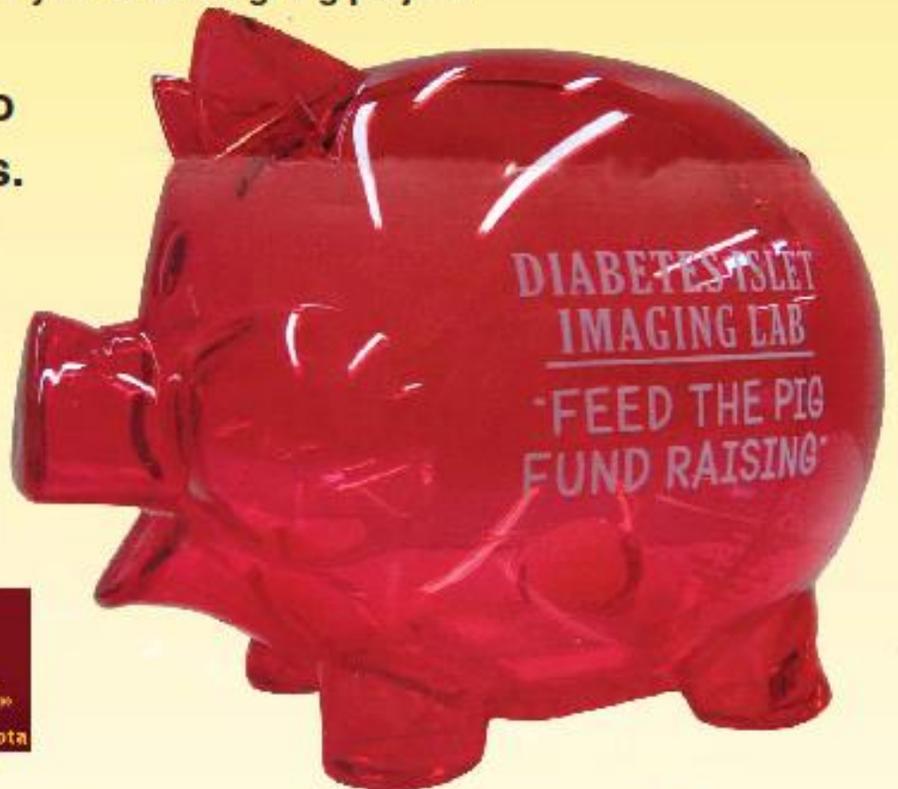

## CONTINUE TO CHANGE THE WORLD

The Minnesota Lions Diabetes Foundation, Inc is raising \$250,000 to help fund the research and development of islet imaging equipment and procedures at the University of Minnesota to help more people be cured of diabetes.

Our "Feed the Pig" and your club's commitment to pay \$3<sup>00</sup> per member, per year is an on-going project!

We are so close to a cure for diabetes.

Keep stuffing your pig with all the green "bread" that you can.

For more information, contact your Minnesota Lions Diabetes Foundation, Inc. district trustee or the Fund Raising Chair, Carla Lagerstedt, at 320-796-2322.

Send your diabetes fund donations to:  
Greg Langbehn, Treas. • 7699 Ct. St. S. • Cottage Grove, MN 55016

Please list your 5M District Number on your check, along with "diabetes" on the notation line.

# Newsletter Looking for Content Help

Greetings Fellow Lions, Lioness and Leos of 5M-11!

Zone Chairs and Club Officers please make sure your members are receiving the monthly newsletters. Club Officers, if need be please print at least one copy to pass around at your meeting. I pack a lot of information into each newsletter. I am looking for your help in gathering content for the newsletters. Things I am looking to include: any Melvin Jones Awards; any Helen Keller awards; any new member(s), their sponsor and club; any club event, fundraiser or project upcoming so other Lions know about it in advance; a recap of events, zone meetings or other committee meetings of importance; and anything you think is newsworthy for the Newsletter. If you put an article in your local paper, send it to the newsletter as well. Files that can be accepted include Word, Excel, PowerPoint, PDFs and jpegs (photos). Any photos should include a write up or caption with each one. Please send the information to myself **by the 25th of each month unless stated otherwise.**
