Fellow Lions,

The Lions year is in full swing and I can't wait to visit your club to see first hand how your club is serving your community.

The 27-C1 District Convention is not that far away. On Friday, October 19, 2018 and Saturday, October 20, 2018 at Mountain Edge Banquet Facility the Convention Committee is bringing you an exciting and informative Convention.

On Friday afternoon from 2 pm to 5 pm Prevent Blindness will have Vision Screening Certification. For Dinner there will be a Fish and Chicken Buffet followed by the Famous Live Auction where we raise money for the Wisconsin Lions Foundation. If you have an item for the Auction please contact Bill Mueller at 715-675-3489 or [mueller675@yahoo.com](mailto:mueller675@yahoo.com).

Saturday morning we will hear from all the projects we as Lions support and honor all the Lions that have left us too early at the Necrology Service. If you have a member that passed away since last year's District Convention, please get their name and photo, if possible to PDG Diane Wasniewski at 715-693-6457 or [wasniewskide@gmail.com](mailto:wasniewskide@gmail.com). We're also asking that you contact members of the deceased family to attend our Necrology Service and light a candle on behalf of their loved one. I have included a schedule of events so that you can plan accordingly.

At the Convention Luncheon we will get fired up by PID Robert Libin with a talk on Leadership. We will also hear from the Wisconsin Gaming Commission and a fellow Lion from the district will tell her story on Diabetes. Our keynote speaker at the Closing Banquet will be Susan Perry with her story of Abuse and Redemption. She authored the book, "From Beneath the Tarp," which relates her own experience as a victim and her journey to become a healthy survivor of this social injustice.

Don't forget that first-timers get their meals half price.
