IT'S TIME FOR CLUB ELECTIONS !!

The Lions Year runs from July 1 to June 30, but your new officer listing HAS TO BE SENT TO LCI BY MAY 1.

TO DO LIST:

- Hold your club elections –if you’ve cancelled meetings, please find a way to hold elections: e-mail, conference call, Skype, etc. This is very important!
- Secretary enter clubs PU-101’s into LCI—this is how officers get listed in new directory and receive needed information from LCI.
- List e-mail addresses for Officers in PU-101 so they receive newsletter.
- Have new officers attend Officer Training (dates to come)

District Governor ~Gordon Mulder~

From the desk of 5M3 DG Gordon Mulder:

A look back, a look forward.

A look back – I still get warm fuzzies thinking about our Mid – winter convention. Good speakers, good food, good drink, good friends, and a good, full slate of candidates to end and round out the business of 5M3. My doctor said to reduce the stress in my life, and having a full slate of candidates sure helped with that.

A few more district governor visits done and a few more are scheduled. I look at the visits as a two-way street. If you don't want or need me to come for a visit—your choice, don't call. But if your club would like a visit, then by all means—please call and we will make arrangements to get the district governor visit accomplished. 507-601-8359.

The Hearing Foundation is gearing up for their D-Feet Hearing Walk at the Arboretum, simultaneously with the Bemidji location. See article in the newsletter.

Membership, membership, membership! Gain, enhance, excite, retain! Those were my goals for the year. GMA – Global Membership Advantage (formerly known as NAMI) is a system that works. Not a magic pill, but a personalized plan for each club, by each club, willing to do the work, that has been proven to bring results.

If you always do what you've always done, you are going to get what you've always got. Different fruits need different roots! How many different ways to say the same thing. Change has to happen. Doing the same old thing, expecting different results—don't work. Membership – keep asking and keep asking. Try something new and different. Projects bring helpers, helpers become members .

Campaign 100 is still ongoing. 3 months left in this fund-raising campaign. Total raised so far is \$257,588,363.52! C'mon team. Rah, rah, rah! For those who have donated—thank you so much. For those who have not—there is still time to get on board, both club wise and personally. The worldwide goal is within reach.

Kidsight eye testing is still an ongoing work in progress. Schedule with the calendar or call Cindy LaBrie.

Multiple District 5 Winter Convention is set for the end of April in Mankato. Get registered. Good seminars and speakers are always expected. Check the MD5 website for further information.

It is a good day to be a Lion! Work with pride with the Lion Pride.

5M3 District Governor Gordon Mulder

Don't forget to invite DG Gordon for a visit to your club before July!

**HELP WANTED
Immediately!!**

5M3 needs two people to step up and serve on MN Lions Vision Foundation going forward.

DGE COMMENTS

Greetings Lions of 5M3. Thank-you for allowing me this opportunity to lead you as your new District Governor for 2022/2023. As you may be aware, I was appointed as the District Governor Elect at our Mid-Winter Convention in Marshall. It was a great convention to start with coming out of Covid. Excellent speakers, programs, and activities. My congratulations to Patty Peterson and Deb Rasset for stepping up and committing to a leadership role for our District. Patty is our 1VDGE and Deb is our 2VDGE. Part of Sunday morning's brunch was led by our incoming LCI President Brian Sheehan and PID Bruce Beck (this was worth the cost of the convention). We discussed 5M3's strengths, weaknesses, opportunities, and threats. Our biggest strength is our people/members plus our service projects. Some of our weaknesses are our age factor, need for better training, and apathy. Addressing our weaknesses are that people can get "too busy", and our leadership pipeline (pool of available leaders in our clubs) can get stagnant. So how do you attack those weaknesses? First, we need to stress education of our members in our clubs. Encourage members to attend RLLI (Regional Lions Leadership Institute), attend the club officer training sessions when scheduled. If finances are an issue, maybe clubs can step up and help with some of the expenses. If you're having problems getting people to step into club leadership positions, maybe it's because you are not mentoring them to accept the roles available to them at the club level. For 5M3 to be successful it needs to start at the club level. At the last COG meeting, all the current DG's in MD5M committed to have a positive membership growth for this year and next. Why? Because our new incoming LCI President is from MD5M, District 5M4, Bird Island Lions Club. It has been 102 years since we had a LCI President from Minnesota. To accomplish this, EVERYONE needs to be involved. We had a 5M3 leadership zoom meeting this past week. From this meeting and based on our SWOT analysis at the convention, we are asking for a 1-member growth from each club. Clubs are going to have to step up with recruitment but also with retention. Suggestion, maybe your club needs to do a club member survey to find out the health of your club. Educate your new members (maybe all your members). Sponsor a new member orientation night or better yet call it a "welcome to the family, the Lions family night. Do something different. Next, we are going to start at least one new club in our District. Try to reverse the trend of losing clubs. Then we are looking to "rebuild" clubs that are under 15 members. We realize that we will need help with these initiatives and plan on bringing in people from MD5M to help us reach our goals. We will communicate with you our outcomes and again encourage everyone to get involved. Lion Wayne Radloff and I have been selected to attend the Faculty Development Institute for training of instructors in MD5M. We will help you with whatever need you may have with training for your members or orientation programs. We can achieve our goals, but we need your buy in. Any questions, please let me know. Again, I look forward to this opportunity to serve as your District Governor next year.

DGE Donald E. Kuehl

From the Global Service Desk
To the Lion's Clubs of 5M3

The 5M3 Lions Convention is over and it looks like Lions are on the move. We have a new District Governor and First Vice and a Second Vice that have step forward for the Lions of 5M3. It is exciting to have those positions filled and we get on to other things that the Lions do so well. Let's work on service reporting and see if can improve it again.

We need to get more service reporting on the MYLION website. 5M3 has 15 clubs that did some reporting out of 36 clubs. There are 346 service activities, and 31,316 served in the 5M3 district. Let's improve the numbers by May 1. A phone call, e-mail, or maybe a visit to a club president or secretary to encourage or help them submit their service reports on MyLion would be a project to do today. We have only 15 Lions Clubs that have done any reporting on service activities.

I just got done reporting for the Sherburn Lion's and it went really well. Have the sheet that tells you how to do it step by step next to your computer and just follow these steps. Lion Denise Nelson is more than willing to help your Lions Club with their service reporting. Just get in touch with her. Denise phone number is (507) 227-1712. CONGRATULATIONS to these Lions Clubs!

Let's see if we can get number of clubs up to twenty of clubs reporting by the time the next newsletter comes out. The district has 15 clubs that are reporting, we improved by one club which is great.

The Clubs reporting are:		Funds raised	Service Activities
Canby Lion's	1800 people served	5,050	4
Comfrey Lion's	75 people served	400	1
Hadley Lion's	3619 people served	6,800	20
Jackson Lion's	80 people served		80
Jasper Lion's	862 people served		42
Luverne Lion's	1750 people served	2,115	11
Marshall Lion's	8363 people served	2,358	105
Morgan Lion's	3655 people served	2,200	21
New Ulm Lion's	2667 people served	9,217	35
Pipestone Lion's	137 people served		1
Redwood Lion's	700 people served	5,000	4
Sherburn Lion's	1335 people served	5,200	8
Springfield Area Lion's	1428 people served	771	4
St. James Lion's	431 people served	1,540	12
Tracy Lion's	2353 people served	3,341	36
Total served	31316	Total raised 82,799	Total activities 346

Our District has over half its clubs that haven't reported for over 2 years. Are we working on getting clubs to submit reports? If clubs don't know how to submit reports, here is a YouTube video that you can share with them that shows them how to submit reports.

https://www.youtube.com/watch?v=vPuqdwZoa_w

Thanks for your help on service reporting.
GST David J.

Thirteenth Annual Minnesota Lions Diabetes Foundation Research Update March 19, 2022

Hosted by the University of Minnesota Foundation and Minnesota Lions Diabetes Foundation, Inc.

More than 29 million people in the United States are living with diabetes—a growing number that includes 340,000 people in Minnesota alone. Unfortunately, that number is on the rise.

Join us at the annual Minnesota Lions Diabetes Foundation Research Update to hear from University of Minnesota scientists, who are conducting leading-edge research aimed at both preventing and curing diabetes. Learn how these scientists, funded by the Minnesota Lions Diabetes Foundation, are making a direct impact in our community, state, and beyond.

Following the research presentations, guests will have the chance to interact with the scientists one on one, learn more about their research, and ask questions.

Saturday, March 19, 2022

11 a.m. | Registration and social
12 p.m. | Lunch
1 p.m. | Program
2:30 p.m. | Meet and greet with scientists

St. Cloud River's Edge Convention Center Opportunities Suite

10 4th Ave S
St. Cloud, Minnesota 56301

Faculty Research Presentations:

- **David Bernlohr, Ph.D.**, New discoveries on the roll of cellular senescence in diabetes
- **Brian T. Fife, Ph.D.**, How regulating the body's immune response could stop the immune attack on the islet cells
- **Michael Garwood, Ph.D. and Paul Wang, M.D./Ph.D. candidate**, Technology to monitor oxygen availability for transplanted islet cells
- **Bernhard Hering, M.D.**, Updates from the Schulze Diabetes Institute

Please RSVP by **Tuesday, March 8** by contacting Larry Winner at lrrywnnr@gmail.com and a confirmation email will be sent prior to the event.

Please contact Larry Winner at lrrywnnr@gmail.com or 218-260-8110 with any questions.

UPCOMING EVENTS

Mayo Clinic Health System
Event Center Mankato, MN

Minnesota Hearing Foundation Newsletter for April 2022

The D-Foot Hearing Loss Walk is just around the corner. This year the date is set for June 4 2022 at the Minnesota Landscape Arboretum. There is also a second walk happening at Diamond Point Park in Bemidji that same day. This is being done to give more people a chance to participate in the event without having to travel so far. You can also plan our own club walk.

This is the biggest fund raiser for the Minnesota Hearing Foundation. Money raised is used for projects at the University of Minnesota such as the Children's Clinic project that we recently completed and for research projects at the University of Minnesota like the research on a cure for tinnitus (ringing in the ears) that is currently going on along with other research projects. All of these research projects and other improvements done at the University are important for all the people with hearing loss problems.

Don't forget to save those hearing aids, (and eye glasses). They are important for our affordable hearing aid program. If you know of someone who needs hearing aids and cannot afford to pay for them, contact your trustees Lions Al Struck and Steve Cattnach. Maybe the affordable hearing aid project can be used to get the hearing aids they need.

All the clubs were sent letters about the D-Foot Hearing Loss Walk and forms to fill out for registration. Please consider making an individual as well as a club donation. It is a fun day to take your family and also invite your friends to join you. Hope to see all of you at the D-Foot Hearing Loss Walk on June 4.

Your Hearing Foundation Trustees want to come and talk to your club about the Minnesota Lions Hearing Foundation. Please contact us to schedule a visit. 5M3 Hearing trustees are Lions Al Struck and Steve Cattnach.

REMINDER: Peace Poster Order Deadline is MAY 15TH, WITH THE DISTRICT PURCHASING THE KITS. If you haven't already done so, message Lion Deb Rasset to receive your club's kit at: debbrasset@gmail.com

The 2022-2023 peace poster contest theme is **Lead with Compassion.**

REMINDER:
Articles for newsletters are due the 20th of the month!

TEAM SHEEHAN SILENT AUCTION MD5M CONVENTION

We need your help to have a successful fundraiser for IVP Brian and Lion Lori as they prepare to be our International President.

Please consider donating a silent auction basket, a bottle of booze or other spirits for prizes for games of chance or work together to create a unique gift that will be raffled off at the Multiple Convention in Mankato from April 29-May 1, 2022.

Baskets can be dropped off at the Multiple Convention or arrangements can be made to have them picked up prior.

Please help us show others that IVP Brian and Lori hail from the best multiple district and we support them to the fullest.
Thank you.

For more information on how to donate please contact IPCC Brian Thies or Lion Rose (rose.thies@sibleyeast.org or 612.756.1316)
