WOW! WOW! WOW!

What an Awesome 107th LIONS INTERNATIONAL CONVENTION in Orlando, Florida, July 13-17, 2025. All Lions should attend an international convention at least once in their lifetime. Awesome speakers, great entertainment, vendors, and the International Parade of Nations. What an event, all the different nations and clothing, high school bands and even bag pipes. The parade route was less than a mile. Minnesota did have a speaker from Camp Sweet Life (diabetes) Tom Emmers and his two daughters spoke after legendary Olympian Michael Phelps. Tom Emmers spoke at our Lions Mid-Winter convention. An awesome experience was had. Next year's 108th LIONS INTERNATIONAL CONVENTION is in Hong Kong on July 3- 7, 2026. The convention will be in Minneapolis, Minnesota, June 29-July 3, 2029. The convention Committee is looking for volunteers to help with the convention. If you are willing to help, let me know and I will get you in contact with the committee.

SERVICE REPORTING: Don't forget to start your service reporting in the Lions portal. Let's get to 100 percent of clubs reporting by the 1st of January 2026. If you need help, contact the District Administrator Deb Rasset. See July 2026 newsletter for contact information.

LOOKING FOR A FEW LIONS TO FILL CABINET POSITIONS: If you are interested in joining the 5M3 cabinet, please contact DG Denise Nelson, or Second Vice District Governor Darren Saner, Immediate Past District Governor Deb Rasset or myself. We are looking for a zone 3 chair.

THE SEASON OF LIONS FUNRAISERS: Please support your neighboring Lions clubs fundraisers. A wonderful way to socialize, visit with friends, family & neighbors, plus helping them raise money for local community projects. Please send your fundraisers information to Technology/WebMaster Lion Bob Schirlinger at bschir@comcast.net so it can be put on the 5M3 web site and also to Newsletter Editor Lisa Saner at Lions5M3@hotmail.com. I am always looking for a place to eat, so I do not have to cook or do dishes. Please continue to ask someone to be a Lion.

Thank you for being a Lion.

2VDG DARREN SANER

Greetings Lions, have you asked someone to be a lion today?

As 5M3 GMT (Global Membership Team) chair, I will be pushing to meet our district goals for the Lions year 25-26. Our goal is to start a new club in 5M3 and also increase overall membership by 69 new members. Check out the GMT article in this newsletter to learn ways to increase membership in your clubs.

DG Denise and I attended the Mission 1.5 summit in Las Vegas in June where we were inspired and informed of ways to reach our goals for membership. Currently we are at about 1.34 million members worldwide and pushing for 1.5 million.

So, let's all do our part and ask someone to join lions today! Please feel free to contact me if you have questions or want help getting started on a membership drive.

2nd VDG, GMT

Darren Saner

August Monthly GMT Resources Global Membership Team (GMT)

Congratulations Multiple 5M:

Congratulations to all Districts in 5M! 5M finished the 2024-2025 Lions year at +175! Thank you for recruiting and retaining Lions in our Multiple. Let's keep the momentum going!

GOALS AND ACTION PLANS:

Each club is asked to set membership goals for Lions year 25-26. It is important for each club to set membership goals, develop an action plan for each of those goals, and communicate those goals to all members in the club. Membership growth is not solely the responsibility of the membership chair, rather a collective effort for all members in the club. Included again this month is the Membership Action Plan for your clubs to use. Use this as a guide to build an action plan for each of your membership goals. SHARE this plan with all members of your club. We are all doing our part to help meet the Mission 1.5 goals below.

Mission 1.5 Goals for 2025-2026:

District	New Club Target	New Member Target	Net Gain Target	Recruitment Award Target
5M 1	1	145	1	165

Resources:

- [Membership Satisfaction Guide](#): This includes a new member survey, a former member questionnaire, and a member satisfaction action plan.
- [Club Quality Initiative](#): Use this resource, along with the assessments that are included; to work through steps to help you discover new ways to improve the way your club operates and increase your support of Mission 1.5.

As always, a member of the District Global Membership Team is here to support you and willing to connect in person or virtually. Please reach out if you need any support. Thank you for all you do!

2025 LIONS INTERNATIONAL CONVENTION

STOP THE DROP!

**Keep Our Lions Strong –
Keep Our Members Engaged**

WHY IT MATTERS:

Every Lion counts. When members leave, we lose passion, hands, and heart for our service. Let's act now to **STOP the DROP!**

* 6 SIMPLE ACTIONS EVERY CLUB CAN TAKE!

-  **Connect Personally**
Reach out to absent members with a call, text, or visit. Show you care beyond the meetings.
 -  **Ask & Listen**
Survey your members: What do they love? What needs improving? Listen and act on their feedback.
 -  **Make Meetings Meaningful**
Keep meetings fun, inspiring, and efficient. Celebrate service, not just business.
 -  **Engage Everyone**
Assign small roles or tasks so every Lion feels needed. Involve members in planning projects they care about.
 -  **Recognize and Appreciate**
Celebrate milestones (years of service, birthday, *achievements*). Say "Thank You" often and sincerely.
 -  **Have More Fun!**
Plan social nights, service celebrations, and lighthearted competitions. Laugh, bond, and make memories together –
-  **REMEMBER:** Retention isn't just about staying – It's about belonging. Strong Clubs – Strong Service! Together, We Can Stop the Drop!

Why report service

By sharing our impact, Lions and Leos inform, inspire and grow our global legacy of service.

Strengthen storytelling

Details give stories power. Saying you fed 87 families is more powerful than saying you organized a food drive. Saying your club contributed 1,265 volunteer hours last year is more powerful than saying your club serves the community. When your club reports service, you collect the details needed to share powerful stories of your club's impact.

Photo by Leon Ottmar Feltz,
The LEO Book

Inform decisions

Documented club achievements reveal what's working and what's not. For example, what if your diabetes education program is growing in attendance, but your annual club fundraiser is shrinking? Reviewing past service reports helps your club make better decisions, including choosing service activities and setting realistic goals.

Inspire service

Your reported service projects can be viewed within your district and around the world. That means your club's creativity and impact can inspire Lions and Leos to embrace new causes and serve in new ways. Reports also help Lions International staff identify best practices to share globally.
