David Wineman from Sebewaing, Michigan, United States was elected to serve a two-year term as an international director of Lions International at the association's 106th International Convention in Melbourne, Australia, June 21 through June 25, 2024.

Director Wineman is the CEO of both Abadata Computer Corporation and Abadata Connect, Inc. with more than 45 years of experience in information technology. Among his many notable projects are the sponsoring of numerous school clubs and Boy Scouts of America troops, expansion of tourism and business through a partnership between the Sebewaing Chamber of Commerce and local village government, as well as Michigan state highway expansion.

Director Wineman joined the Sebewaing Lions Club, now known as the USA Lions Club, in 1994 and is still an active member.

He has held a number of offices within the association, including district governor, Guiding Lion, youth chairperson, region chairperson, vice council chairperson, area leader, zone chairperson and Lions of Michigan Foundation trustee, among many others.

In recognition of his service to the association, Director Wineman has received numerous awards including multiple International President's Certificates and International President's Medals as well as a Club Youth Chairperson Certificate of Appreciation. He has received many awards from the Lions of Michigan Foundation, including the Hellen Keller Fellowship, Outstanding Service Award and Ken Lautzenheiser Fellowship. Director Wineman is also a Progressive Melvin Jones Fellow.

In addition to his Lion activities, Director Wineman has served as a board member for the Lions of Michigan foundation, as well as the president and board member of Lions Bear Lake Camp. Additionally, he has served as mayor and trustee of Sebewaing, Michigan, and is a member of the Association of Computing Machinery, BICSI and CompTIA.

Director Wineman and his wife Lindy, who is also a Lion as well as a Progressive Melvin Jones Fellow, have five children and 12 grandchildren.

DG DENISE NELSON

Mid-Winter Convention is coming up fast! If you haven't registered yet, you're truly missing out on a wonderful experience filled with fellowship, learning, and Lion pride.

There are still a few clubs I haven't had the pleasure of visiting yet, so if your club is one of those, please contact me — I would love to schedule a visit!

We are also in need of a 2nd Vice District Governor for 5M3. If you have any interest, please contact me or any PDG. We truly need you to help lead our district forward.

Don't forget about our membership competition — the club with the most new members will receive \$250 toward their Administration Fund!

Join us for Squeeze the Stuffins on Friday February 20, 2026, at EverSpring Inn from 3:30–5:30. Ten dollars from every animal made will go to help childhood cancer. Your stuffed animal can be donated to childhood cancer patients or to the Tuck Them In Project. We are also collecting items for childhood cancer — be sure to check out the poster in this newsletter for details!

It's going to get very cold, so please take care of yourselves. And until next month...

can you hear those Lions roar? 🦁

Greetings Lions of 5M3,

Mid-Winter Convention is just around the corner, and I hope to see everyone there!

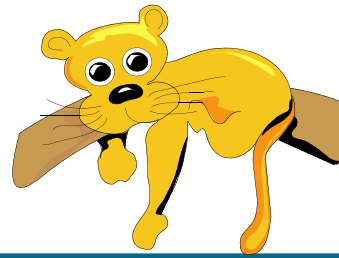

Attending convention is a great way to renew your Lions Spirit, meet new people from other clubs and hear stories of how our service helps others.

We are still looking for someone to step up as a 2nd VDG Candidate. I just want to say the training I have done has been very helpful and you won't be doing this journey on your own. We have so many helpful PDG's and knowledgeable people in our district and multiple district that are willing to answer questions and help where they can.

Please reach out to DG Denise, 1VDG Greg, 2VDG Darren, PDG Wayne or any PDG's if you are giving this some thought.
Thanks.

Keep working on membership and retention. Ask someone to be a Lion today!
Thank you all for your service.

As some of you know 5M3 has a Friendly Club Competition going on for this Lions year. (July 1, 2025 – June 30, 2026). The club with the most new members will receive \$250 from the District for your club's administration account. We are halfway through and we have a tie right now between Lakefield and Tyler Lions. Both have 2 new members with no drops.

Lions Clubs International is pushing Mission 1.5. The goal is to be 1.5 million members strong by 2027. We are currently 1.4 approx. so let's get out and find new members in 5M3! More hands mean more service and our motto is "We Serve"!

As Clubs, we always need to look for new members with new ideas who are willing to serve their communities. Get them involved with service activities to help them feel needed and accomplished. That will help retain them as members for a long time. Something else to try is New Member Orientation, so they'll learn what Lions do and the impact we have not only in our own communities, but throughout the world.

\$\$ Parade of Green \$\$

Parade of Green is an annual event done at every Mid-Winter Convention in our Multiple. It is the annual donations collection from clubs to the charities that Lions support throughout the year. It is very important that each club give to help keep them operational. We are almost halfway through our Lions year (July 1– June 30). If you haven't given already, this is your reminder to contribute. **If you have already given to a charity before the Mid-Winter Convention, your Treasurer can put a note in that charity's Parade of Green Bucket that states your club name and the amount that was already sent in this year. 5M3 and the charity say "THANK YOU!"**

GLT Report

Have you ever considered running for 2nd VDG for 5M3? If not, why not? We are looking for someone to step up to serve as our next 2VDG. If you are interested, please contact Wayne Radloff, DG Denise N. or 1VDG Greg J. I would be happy to tell you the requirements to qualify to run also what might help you be ready to step forward and take on the role. (Don't be afraid that you might be left unsupported.) We have quite a few Past District Governors available to help answer questions and provide any needed support.

Maybe you don't feel ready to step up to 2VDG but might be interested in serving on the District Cabinet. 1VDG Greg is actively working on filling out his cabinet for next year. He does have many of the positions filled but still has a few that he is trying to fill. Please contact him if you are interested and might want more information.

Have you accepted a position within your club yet. If not, why not consider stepping forward to serve as one of your club officers next year. Elections for the new officers are normally held in either March or April for the following year. It is a great opportunity to serve your club

Lions have many opportunities to advance your education and leadership ability. Along with the more formal training such as Emerging Lions Leadership Institute (ELLI) and the Regional Lions Leadership Institute (RLLI) each held annually, there are many online options through Learn on the Lions Portal. These are at no cost and you can choose from many programs. Time Management, Conflict Resolution and many other courses are offered. Maybe you haven't stepped up to head a committee because you don't feel comfortable. By taking on-line courses, they can help you. They are all self-paced and if you don't have time to finish a class in one sitting, it will remember where you left off so you can come right back to where you were rather than having to start all over again.

Many of the skills you pick up from the RLLI, ELLI or on-line classes will be able to help you not only with Lions but in your personal life and professional life.

Wayne Radloff

Greetings from the Global Service Desk

CONGRATULATIONS ON THE LION'S CLUBS THAT ARE REPORTING! WE ARE SHORT ONE CLUB AND IT IS LUVERNE. WE WILL MAKE IT NEXT MONTH. THANKS EVERYONE!

Welcome to the fine weather we are having, like a normal winter. There are a lot of service activities that can be done and local community members that are willing to help. Here is information on service reporting and it looks interesting. Enjoy the work we do for people in our community.

Lions and Leos served 410 million people in the 2024-2025 Lion year. We can take pride in that achievement thanks to those who reported 1.5 million service activities around the world. For every club, service reporting benefits include enabling stronger club communications. Demonstrating your club's effectiveness. Providing insight to current and future club leaders. Clubs that report service also become eligible for awards and recognition, including the [Kindness Matters Service Award](#) and the [Excellence Awards](#). Districts and multiple districts benefit from service reporting, too. Service reports help district leaders learn how clubs meet community needs, inspire service innovation and promote service achievements that support membership growth. Our service reporting is at 91% and is doing great with 33 clubs reporting this month. It would be nice to get to 100%. Give me call, e-mail or text me. Here is my information: David Janssen davidjanssen1947@hotmail.com Let's see if Luverne can report by the time the next newsletter is delivered. Thanks everyone for helping with service reporting. Don't forget about 5M3 Mid-Winter Convention, Feb. 20—22, 2026 Marshall.

Greetings fellow Lions of MD5M,

I wanted to update you on the KidSight program across the Multiple.

We have 25 dedicated Directors across our 12 Multiple Districts who are actively screening children in all venues from preschools and daycares to public and private schools. Although our primary focus has been children 6 months to 6 years where issues of amblyopia (lazy eye) can be more easily treated, we also find value in screening older children through their senior year in high school. |

In the second quarter of our Lions year, 10-1 to 12-31 of 2025, 44,467 children have been screened and 6,100 have been referred for professional care. These numbers may be greater; they represent the numbers provided to me. We are so excited to see the continued growth of this program. Your Club should be contacted by one of the Directors in your MD to present at a Club meeting, if you have not, I will provide a link to the Directors by MD and feel free to contact them to arrange a visit.

Our Foundation recently replaced 21 of our screening instruments that no longer have support from the manufacturer. This was done through funds from our Foundation and a matching grant from LCIF. Your generous support of the Foundation allows us to continue to promote KidSight and provide this valuable service to our children. Please continue to include the KidSight Foundation in your parade of green donations.

Thank you, Lions of MD5M for your continued support of KidSight and feel free to contact me with any questions regarding the program.

To find the KidSight Director in your MD, visit:

kidsightmd5m.org and look under the "Where we screen" section where the contact information for all Directors can be found.

In Service,

Lion Dr. Jim Molde
Chair, MD5M Lions KidSight Foundation

Practical Strategies to Recruit New Members and Retain Existing Members

Recruitment Strategies

1. **Leverage the Leo-to-Lion Pathway**
 - Many young people already serve through **Leo Clubs**. Invite graduating Leos to transition into Lions with discounted membership fees.
 - SMART Goal: "Our club will host at least **two joint Leo-Lion service projects** in the next year to build relationships and invite graduating Leos to join."
2. **Promote Mission 1.5**
 - Use LCI's global initiative to frame membership growth as part of a worldwide movement.
 - SMART Goal: "Each member will commit to bringing at least **one guest to a service project** within the next 6 months."
3. **Showcase Impact Through Digital Media**
 - Younger generations want to see **tangible results**. Share short videos, photos, and testimonials of projects on Instagram, TikTok, and Facebook.
 - SMART Goal: "Create and maintain a **club Instagram account** with at least one service-related post per week."
4. **Invite, Don't Just Advertise**
 - Personal invitation is far more effective than flyers. Ask members to identify friends, colleagues, and family who have a heart for service.
 - SMART Goal: "At every meeting, Lions will write down one person they could invite to the next service project."
5. **Offer Flexible Membership Options**
 - Highlight **Family, Student, and Young Adult membership programs** which reduce fees and allow flexibility.

Retention Strategies

1. **Mentorship & Belonging**
 - Pair every new member with a mentor (through the **Lions Mentoring Program**) to ensure they are guided, connected, and growing.
 - SMART Goal: "Each new member will be paired with a mentor within their **first 30 days of joining**."
2. **Meaningful Service, Not Just Meetings**
 - Younger members want to serve, not sit in endless meetings. Make service projects the heart of your activities.
 - SMART Goal: "Ensure at least **one hands-on service activity per month** that all ages can join."
3. **Leadership Opportunities Early**
 - Give new Lions real responsibilities—leading a small project, chairing a committee, or speaking at a meeting.
 - SMART Goal: "Every new member will **lead or co-lead one project within their first year**."
4. **Recognize & Celebrate**
 - Use social media, club newsletters, and awards to highlight younger members' contributions. Recognition fuels commitment.
 - SMART Goal: "Post a '**Lion of the Month**' **spotlight** on social media, rotating among members, including new and younger ones."
5. **Build Social Connection**
 - Make sure clubs are also about friendship and fun. Younger Lions often join for service but stay because of relationships.
 - SMART Goal: "Host at least **four social events a year** (e.g., BBQs, family nights, or service + social outings)."

Recruitment brings in new energy, but retention builds lifelong Lions. By combining mentorship, service opportunities, recognition, and social connection, your club can grow younger while preserving its legacy.

Where there's a need, there's a Lion – when our membership grows, our communities grow. Our service strengthens. Our future brightens. The Global Membership Approach provides a process and resources for districts to achieve this growth.

The Lions Club of New Ulm donated \$1,500 to the New Ulm Area Emergency Food Shelf. The New Ulm Lions also collected and donated 48 pounds of food at their January 8, 2026 general meeting.

The Lions Club International Week of Service was January 3rd through the 11th. Lions Clubs from all over the world participated in service projects to address hunger. This initiative invites Lions worldwide to address the critical issues of hunger. By making a monetary and food donation to the New Ulm Food Shelf, we were part of that week dedicated to making a difference in our community.
