VERY IMPORTANT!!!

An Important Message from your GLT Team:

As the first half of this exciting Lion year approaches, it is important to review your club's roster ahead of the upcoming dues billing. By reviewing the club's roster, you are ensuring that it is up to date, and your club avoids being billed for inactive members. Log into the Lion Portal or your regional reporting system to update.

For questions on how to access the portal or make changes, visit the Lion Portal Resource webpage to review videos, FAQs and more. For additional assistance, contact us at lionssupport@lionsclubs.org.

*****Lions International has gone paperless. Log into the Lion Portal and navigate to My Club – Club Statements to check your club's balance, make payments and see outstanding balances. Reviewing and paying your club's balance regularly helps keep your club in good standing. For questions regarding your club's statement, please contact Membership Billing at membershipbilling@lionsclubs.org.**

Thank you for your continued leadership and dedication to strengthening your club and serving your community. We appreciate your efforts to keep your club's information current and your membership strong.

Please contact a Member of the GLT Team if you have further Questions!

Passing of the Pride

Have any of your club members passed away since our 2025 Convention? Please send a photo of the deceased along with the name, club and a paragraph about them to PDG Wayne Radloff.

We need this for the Friday evening Service of Remembrance at the 2026 Mid-Winter Convention.

FEB. 1ST DEADLINE!!

Wayne.radloff@yahoo.com

DG DENISE NELSON

Merry Christmas and Happy New Year to my Lions family!

It's hard to believe that half of the year is already behind us.

Our Mid-Winter Convention is coming up in February, and it truly is a wonderful event to attend. It reminds us why we became Lions in the first place. From the Friday memorial service, to the engaging speakers on Saturday, and ending with the Sunday morning church service and brunch, the companionship and fellowship of Lions is incredibly rewarding.

We also have an excellent lineup of speakers this year. We will hear updates from Can Do Canines on what's new with their programs, a hearing-related speaker, and a mental health presentation focused on recognizing when a loved one may be struggling. In addition, we'll learn how we as Lions are making an impact through KidSight screenings across our district.

Now that the December drop is complete, have you invited someone to join your club? Membership is vital to everything we do. More hands mean more service—the very foundation of Lionism.

Until next month... can you hear those Lions roar? 🦁

Denise

The raffle room at our mid-winter Lions Convention needs your help! Please think of something you can donate to our raffle. You may donate

several items if you wish!! Remember, raffle profits all go to support Lions' projects! If you have something you wish to donate and can't make the Convention, please call or text

507-227-7685 and we will find a way to get your gift to the convention!!

Great Speakers, Excellent Food, Awesome Fellowship with fellow District Lions and MD 5 Lions, and International Director. WANTED:

2nd Vice-District Governor for 5M3 2026/2027 Year and Cabinet positions and Foundation Chairs. Please contact me, 2VDG Darren Saner, DG Denise Nelson, or IPDG Deb Rasset. Still looking for each Lions Club to provide a member to be on the Global Action Team. Openings on all teams, Global Leadership Team, Global Membership Team, Global Extension Team, and Global Service Team. Please step up and help to improve our 5M3 District.

SERVICE REPORTING:

Please report your Lions service activities in the Lions Portal. If you need help contact David Jannsen or Deb Rasset. As a District, we should be able to be at 100% reporting for the year. Only need to report one activity per club, a fundraiser, a donation, a meeting or a service project.

5M3 NEEDS MEMBERS:

Please continue to ask potential new members to join your Lions Club. If you want to do a meet and greet event please contact me, Darren Saner, Denise Nelson or one of the GAT members. It may just be coffee and rolls at a local business, please also invite the foundation district chairs and DG Denise Nelson, 1VDG Greg Janachovsky and 2VDG Darren Saner. The Foundation District Chairs should be able to show case their foundation, providing information about the support the Lions provide. We all need to be asking people to join the LIONS.

UPDATE FROM THE LUCAN LIONS:

The Lucan Lions have purchased a pull-type, bumper hitch, storage trailer and are converting it to a storage cooler. Hopefully, it will be finished by spring 2026. The previous cooler that the Lions had was destroyed when it unhooked going down the road and into the ditch south of Lucan in June 2025.

LEAD TO SERVE, SERVE TO LEAD. HAVE A GREAT NEW YEAR.

Thank you for being a Lion.

Merry Christmas and Happy New Year!

Time is moving quickly. In another month final plans for the Mid-Winter Convention will take shape. Please attend, if only for a day. It's a great experience to see the full

range of Lionism and visit with members from other clubs.

December was a month of club meetings. Unfortunately, I was only able to attend one. Fortunately, it was because the final stages of building our house took place and we moved in on Dec. 20th!

Thank you again to our Lions family who helped in any way. From donations (and Christmas decorations), to words of encouragement and prayers, your support helped get us through the past thirteen months. Sometimes servants need to step back and receive instead of give. THANK YOU!

In the new year, I'll work with clubs on membership and continue to learn my future role as District Governor. Please consider stepping into the 2nd Vice District Governor position. You'll have a great team to work with. Denise and Greg and I will help with the transition.

SUSTAINABLE DEVELOPMENT GOALS

The United Nations Sustainable Development Goals (SDGs) provide a shared blueprint for peace and prosperity for people and the planet, now and into the future. The 17 goals are an urgent call for action by all countries — developed and developing — in a global partnership. Achievement of the SDGs also relies on the involvement of volunteer organizations who connect governmental strategies and initiatives with complementary, yet essential, community action.

HUNGER

END HUNGER, ACHIEVE FOOD SECURITY AND IMPROVED NUTRITION AND PROMOTE SUSTAINABLE AGRICULTURE

Approximately **2 billion people** globally do not have regular access to safe, nutritious and sufficient food (United Nations).

While it can vary, **food insecurity is higher among rural communities** while lower in urban areas, highlighting the need to support rural populations globally (Food and Agriculture Organization).

Densely populated areas experience food insecurity due to rises in urban poverty, inequality and other health risks associated with city living (World Food Program).

Rising food prices, regional conflict, environmental disasters and economic instability all **affect a person's ability to access food**, leading to a consistent rise in hunger (World Food Program).

Vulnerable populations, including those who are lower-income or underrepresented, are **most likely to be undernourished** (World Health Organization).

Eating with community members can **improve quality of life** and overall feeling of **hopefulness** (Oxford University).

Use the United Nations Food and Agriculture Organization's (FAO) **Hunger Map** to research the prevalence of undernourishment and food insecurity around the world and in your community, and explore what issues are most impactful for your club, district and multiple district.

Consider collaborating with local food organizations and businesses for support with your community feeding event. Use our **Developing Local Partnerships guide** to start planning.

Provide community members with meals during local or regional celebrations and significant holidays.

Watch and share the most recent **State of Food Security and Nutrition in the World** video created by FAO.

Serve meals at a soup kitchen, homeless shelter or feeding event organized by a local organization alleviating food insecurity.

Host a feeding event to provide relief in times of crisis, such as a natural disaster (earthquakes, floods, tsunamis, droughts), conflict, famine, emergency or other occurrences that displace people and communities.

Work with your club, district or multiple district to organize a recurring community feeding event that brings people together regularly to increase sustainability. Use our **Direct Food Service Project Planner** to get started.

Identify groups in your community that can benefit from feeding events and explore how your club can engage with them. Use our **Club and Community Needs Assessment** to get started.

Sponsor a community kitchen or cooking class where families can be involved in creating their own meals while learning useful cooking skills and gaining important nutrition education.

Plan a community feeding event to bring people together to address food insecurity on an international day of action, such as **World Food Day** on October 16. Share your impact with photos, videos and other assets on social media using the **#WorldFoodDay** hashtags.

EN 2/24

Greetings from the Global Service Desk

Welcome to the fine weather we are having and just like a normal winter that we used to have. Hope everyone has a nice Holiday season and has quality time together with everyone.

Lions clubs are busy with pancake fund raisers for Civic and Commerce. Our local Legion had sewer trouble and Sherburn Lions did two pancake benefits and raised about 7000 dollars. We rang the bell for the Salvation Army. It was kind of cold; we were right by the big entry door. There are a lot of service activities that can be done and local community members that are willing to help in any way they can. Here is interesting information on service reporting where we enjoy the work we do for people in our community:

Lions and Leos served 410 million people in the 2024-2025 Lion year. We can take pride in that achievement thanks to those who reported 1.5 million service activities around the world. For every club, service reporting benefits include enabling stronger club communications. Demonstrating your club's effectiveness. Providing insight to current and future club leaders. Clubs that report service also become eligible for awards and recognition, including the [Kindness Matters Service Award](#) and the [Excellence Awards](#). Districts and multiple districts benefit from service reporting, too. Service reports help district leaders learn how clubs meet community needs, inspire service innovation and promote service achievements that support membership growth.

Service reporting is 83% doing great and have 29 clubs this month again. We have the same five clubs not reporting and it would be nice to get to the 100% reporting. Give us a call or e-mail and text; here is our information: DG Denise Nelson dlnelson0714@hotmail.com; David Janssen davidjanssen1947@hotmail.com. 5M3 has 5 clubs not reporting and they are Jeffers, Luverne, Madelia, Milroy, and Vesta. Let's see if 5 clubs can get some reporting by the time the next newsletter is delivered. Thanks everyone for helping with service reporting.

A candidate may be sponsored by any Lion, Lioness, Lions Club, Lioness Club, Zone, or District.

There shall be a nomination fee of \$150.00 per each candidate nominated. The nomination fee shall be returned to those sponsors whose candidates are not elected for induction into the MD5M Hall of Fame. The nomination fee for those selected for induction shall be sent to MD5M and shall be used to offset the cost of the award process, plaques and pin.

Nominations, including the nomination fee, must be received by the District Governor at least 30 days prior to the District's Midwinter Convention.

Each individual District shall annually hold an election at their Midwinter Convention to determine the candidate(s), if any, to be inducted into the Hall of Fame for that Lion Year. Each sponsor shall have an opportunity to give a brief presentation on the merits and biographical information of their nominee prior to the election. Those elected to be inducted into the MD5M Hall of Fame shall not be publicly announced until their induction at the MD5M Multiple District Convention.

All nominations shall use the standard form, no others shall be accepted. The nomination fee must be received at the time the application is received, otherwise the nomination shall not be considered.

All successful candidates shall be inducted into the MD5M Hall of Fame at the next MD5M Multiple District Convention. The sponsor(s) and the respective District Governor shall ensure that the honoree or a suitable representative shall be in attendance at the MD5M Multiple District Convention Saturday Luncheon when the honorees are inducted.

A brief biography of each inductee shall be announced to those in attendance during the induction ceremony at the annual MD5M Multiple District Convention.

Practical Strategies to Recruit New Members and Retain Existing Members

Recruitment Strategies

1. **Leverage the Leo-to-Lion Pathway**
 - Many young people already serve through **Leo Clubs**. Invite graduating Leos to transition into Lions with discounted membership fees.
 - SMART Goal: "Our club will host at least **two joint Leo-Lion service projects** in the next year to build relationships and invite graduating Leos to join."
2. **Promote Mission 1.5**
 - Use LCI's global initiative to frame membership growth as part of a worldwide movement.
 - SMART Goal: "Each member will commit to bringing at least **one guest to a service project** within the next 6 months."
3. **Showcase Impact Through Digital Media**
 - Younger generations want to see **tangible results**. Share short videos, photos, and testimonials of projects on Instagram, TikTok, and Facebook.
 - SMART Goal: "Create and maintain a **club Instagram account** with at least one service-related post per week."
4. **Invite, Don't Just Advertise**
 - Personal invitation is far more effective than flyers. Ask members to identify friends, colleagues, and family who have a heart for service.
 - SMART Goal: "At every meeting, Lions will write down one person they could invite to the next service project."
5. **Offer Flexible Membership Options**
 - Highlight **Family, Student, and Young Adult membership programs** which reduce fees and allow flexibility.

Retention Strategies

1. **Mentorship & Belonging**
 - Pair every new member with a mentor (through the **Lions Mentoring Program**) to ensure they are guided, connected, and growing.
 - SMART Goal: "Each new member will be paired with a mentor within their **first 30 days of joining**."
2. **Meaningful Service, Not Just Meetings**
 - Younger members want to serve, not sit in endless meetings. Make service projects the heart of your activities.
 - SMART Goal: "Ensure at least **one hands-on service activity per month** that all ages can join."
3. **Leadership Opportunities Early**
 - Give new Lions real responsibilities—leading a small project, chairing a committee, or speaking at a meeting.
 - SMART Goal: "Every new member will **lead or co-lead one project within their first year**."
4. **Recognize & Celebrate**
 - Use social media, club newsletters, and awards to highlight younger members' contributions. Recognition fuels commitment.
 - SMART Goal: "Post a '**Lion of the Month**' spotlight on social media, rotating among members, including new and younger ones."
5. **Build Social Connection**
 - Make sure clubs are also about friendship and fun. Younger Lions often join for service but stay because of relationships.
 - SMART Goal: "Host at least **four social events a year** (e.g., BBQs, family nights, or service + social outings)."

Recruitment brings in new energy, but retention builds lifelong Lions. By combining mentorship, service opportunities, recognition, and social connection, your club can grow younger while preserving its legacy.

Where there's a need, there's a Lion – when our membership grows, our communities grow. Our service strengthens. Our future brightens. The Global Membership Approach provides a process and resources for districts to achieve this growth.

\$\$ Parade of Green \$\$

Parade of Green is an annual event done at every Mid-Winter Convention in our Multiple. It is the annual donations collection from clubs to the charities that Lions support throughout the year. It is very important that each club give to help keep them operational. We are almost halfway through our Lions year (July 1– June 30). If you haven't given already, this is your reminder to contribute. **If you have already given to a charity before the Mid-Winter Convention, your Treasurer can put a note in that charity's Parade of Green Bucket that states your club name and the amount that was already sent in this year. 5M3 and the charity say "THANK YOU!"**
