**FAMILY -  
STRONGER  
TOGETHER!**

## DISTRICT 5M3 GOVERNOR DENISE NELSON

Welcome to a New Lions Year!

Theme: Family — Stronger Together

I hope all club officers have had the opportunity to attend a training session or complete their online training through LCI to start the year off strong.

Our first Cabinet Meeting will be a potluck dinner on August 10th at the Vernon Park Shelter in Morgan. In case of inclement weather, we'll move to the Lions building.

New this year — we're inviting clubs to host cabinet meetings! This is a great opportunity to bring meetings to different corners of our district. Hosting clubs can choose to prepare a meal or reserve a location at a restaurant — the district will cover any related expenses. We're still looking for hosts for two meetings: November and May. If your club is interested, please contact me.

It's also time to schedule your District Governor visit — my calendar fills up fast!

At the end of June, I'll be attending the 1.5 Summit and I look forward to returning with ideas to help us grow our membership and strengthen our clubs.

Let's remember this year: we are a Lions family — and we are stronger together.

Wishing you a happy and safe Fourth of July!

In service,

Lion Denise Nelson  
District 5M3 Governor

### 1VDG GREG JANACHOVSKY

**WOW.** A new lions year begins with District Governor Denise Nelson. I can not believe a year has past and I have become the First Vice District Governor.

I look forward to working with DG Denise and the 5M3 Cabinet. I will miss working with Immediate Past District Governor Deb Rasset. But I still have your phone number and email, so I will still be contacting you for help and information. Thanks for being an **AWESOME** District Governor.

#### LOOKING FOR A FEW LIONS TO FILL CABINET

**POSITIONS & FOUNDATION CHAIR:** If you are interested in joining the 5M3 cabinet, please contact DG Denise Nelson, or Second Vice District Governor Daren Saner, Immediate Past District Governor Deb Rasset or myself. We are looking for 2 zone chairs, and a KidSight Foundation Director.

**THE SEASON OF LIONS FUNRAISERS:** Please support your neighboring Lions clubs' fundraisers. A wonderful way to socialize, visit with friends, family & neighbors, plus helping them raise money for local community projects. Please send your fundraisers information to Technology/WebMaster Lion Bob Schirlinger at [bschir@comcast.net](mailto:bschir@comcast.net) so it can be put on the 5M3 web site and also to Newsletter Editor Lisa Saner at [5M3lionsmn@gmail.com](mailto:5M3lionsmn@gmail.com). I am always looking for a place to eat, so I do not have to cook or do dishes.

Please continue to ask someone to be a Lion.

Thank you for being a Lion.

5M3 1VDG

Greg Janachovsky

### 2VDG DARREN SANER

Greetings Lions of 5M3!

I am Darren Saner, 2<sup>nd</sup> VDG for 25'-26' and also GMT for District 5M3. I look forward to getting to

know more of you through club visits and club events this year.

I have been a member of the Hadley Lions Club for 33 years and have held many positions in the Club and District levels. We have a great district with great leaders, and I am excited to work with DG Denise and 1<sup>st</sup> VDG Greg to grow and keep our district successful.

As GMT, I will be promoting membership and the best way to do that is ASK! Lions is a great service organization and has made a difference in our communities and around the world, so let's keep that going!

2<sup>nd</sup> VDG Darren

#### 5M3 DISTRICT CABINET CHAIRS

Have you come to realize that Lions is a bigger picture than just **YOUR** Lions Club? It extends well beyond the borders of your community. We are helping people all over the world but to do this we need your help! We have some Cabinet Chair positions that are in need of filling. If any of them peak your interest, contact DG Denise, 1VDG Greg or 2VDG Darren to find out the full details on what would be required of you.

### Greetings from the Global Service Desk

Summer was here last week with 85 degrees and there was no wind. Today we have forty-mile wind and no rain. So, what do you do? Mother Nature is still in charge.

Tracy Lions Club was honored with the Kindness Matters Service Award for its HELP TUCK THEM PROJECT which provided more than 200 beds and bedding for area children. What a great project that the Tracy Lions Club has started and is working hard at. CONGRATULATIONS on the bed building and everything that goes with this great service project that helps the local communities! Service reporting in 5M3 is at 97% percent this month, which is great again.

SERVICE REPORTING IS doing well. There are 34 clubs in 5M3 and I'm happy to report that all the clubs are reporting again this month. Thanks Everyone that help make this happen and didn't think we would have all the clubs reporting so soon. Lion's Portal usage is getting better, and everyone is more comfortable with it. I think the more we use it, the easier it gets. Keep up the great job of reporting!

## Prison Program continues to evolve

With about 250 dogs and puppies at any given time on their way to being certified Can Do Canines, our pool of dog hosts is critical.

Our Prison Program is one way to aid in this process. In 2024 alone, 224 inmate handlers helped raise and train our dogs.

Last year, we were excited to resume partnership with our first prison—Faribault Correctional Facility—bringing our count of prisons to eight at that time. Earlier this year, we added Fox Lake Correctional Institution to the mix.

However, recent government uncertainty has meant a temporary removal of dogs from our Duluth prison partner. This is one of two prisons where we typically wean litters from their mama. Chippewa Valley Correctional Facility is the other, and while we aren't currently able to wean litters there either, we are experimenting with a new "puppy early learning" model with these inmates. Puppies that are newly weaned spend at least a few weeks in their care.

Weaning has been temporarily added at our Whelping and Growth Center, where we are keeping newborn puppies in our direct care for a longer period of time.

As we wait to see how plans progress with our current prisons, we are in talks with one prison in Wisconsin and a few other Minnesota facilities about new partnerships.

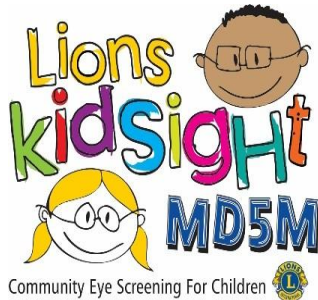

We are pleased to report that the new structure of Puppy Program staff for our various prisons is going well. While our Wisconsin Prison Coordinator, Mona, is responsible for weekly visits to multiple prisons in that state, other staff members visit a prison each week. Puppy Program staff members Josie, Meghan, and Tori lead programs at our Waseca, Rochester, and Stanley prisons, respectively, while Laura H., a Client Services Coordinator, handles duties in Faribault. We are grateful to currently have volunteer Erin Whitfield helping at Chippewa Valley. Not having a majority of prisons dependent on just one or two staff people alleviates potential challenges if a position transition occurs.

We look forward to announcing new partnerships and updates soon.

# SAVE THE DATE!

**Letter from  
the President to You  
International President  
Fabricio Oliveira**

Dear Lion,

As I come to the end of my presidential year, I want to thank you all for making your mark through your dedicated service. Every time you served your community and invited a new member to join our mission, you helped us continue our legacy as the world's greatest service organization.

While you celebrate your incredible accomplishments, now is also the perfect time to prepare your new officers for their roles and your clubs for the new year.

**Congratulations** once again on your achievements! I look forward to seeing how you continue making your mark as a Lion, every day, with every act of service.

At your service,

**Fabricio Oliveira**  
International President
