Handing Over the Gavel

At 5M3 2022 Mid-Winter's end, DG Gordon handed the gavel to PDG Don Kuehl, who will take over as District Governor in July.

District Governor ~Gordon Mulder~

From the desk of 5M3 DG Gordon Mulder: A look back, a look forward.

Looking back: Ground Hogs day – the evil rodent - winter to spring - predicting methods need improvement. Families being touched by Covid. That disease is extremely different to many people. From a little sniffle to a stay in the hospital. Personal opinion, I think vaccinations help in the long run.

Mid-winter planning is a always a process. Hopefully two steps ahead and only a little misstep, bump going backwards. I'm writing this before the convention, but you will be reading this afterward. We all hope the convention comes off without much disruptions. It should be good altogether.

Looking ahead: the planning is mostly done. Now the applying of the plan!

Dfeet hearing loss walk fund raiser to be held at the Arberetum by Chaska on June 4, 2022. Every club is encouraged to send a representation to the walk, or maybe have one put on by your own club in your own town.

Mike Sullivan with the eyeglass collection is looking for some help. Please get in line to help Mike. There will be eyeglass collection at the Mid-winter convention in Marshall

LCIF is in the last 4 ½ months of Campaign 100. Campaign 100 is still going strong as the goal is not quite met yet. This morning the reported amount raised so far was \$251,499,907.77. So c'mon lions, we can do this. Personally and clubs are asked to contribute.

Parade of Green at the convention is a major fund raiser for many projects. You can give year round, just send your gifts to the district treasurer. Together we can help so many projects.

Lions Mid-Winter Convention is on my brain. Expecting a good turnout. Expecting to talk to old friends and make a few new ones. Expecting the speakers to be interesting. Expecting smooth sailing.

Different clubs are having a variety of fund raisers, from serving pancakes and waffles, to chicken dinners, to fly ins, to whatever... It is good for Lions to support other Lion projects.

It is a good day to be a Lion. Work with pride with the Lion Pride.

5M3 DG Gordon Mulder

Don't forget to invite DG Gordon for a visit to your club before July!

Brian Sheehan, Lions International first vice president, spoke with area Lions Club members on Sunday, during their midwinter convention in Marshall. Sheehan, a Bird Island resident, will be taking office as president of Lions Clubs International this summer. He'll be the first Lions International president from Minnesota in over a century.

As members of the Lions Club, area residents connect with communities

MARSHALL — There were plenty of reasons to like being part of a Lions club, area residents said Sunday. One important reason was a chance to be part of something bigger, they said.

Brian Sheehan, a Bird Island resident and the keynote speaker at a Lions brunch on Sunday, is getting to experience that aspect of the Lions firsthand. Sheehan is international first vice president for the Lions, and this summer he will be sworn

into office as president of Lions Clubs International.

"It's unbelievable," Sheehan said. "The last time we had a president from Minnesota was exactly 100 years ago last year."

Sheehan and other Lions members from southwest Minnesota gathered in Marshall over the weekend for the District 5M3 midwinter convention. It's a chance for Lions members to conduct district business, hear speakers and socialize, said Vickie Radloff, a member of the Marshall

Lions 5M3 District Governor Gordon Mulder, at right, officially passed the gavel to District Governor-elect Donald Kuehl at the end of the convention on Sunday. First Vice District Governor-elect Patty Peterson and Second Vice District Governor Elect Deb Rasset were also recognized on Sunday.

Lions Club.

On average, around 150 people attend the convention, she said. District 5M3 includes more than 30 Lions clubs in a 13-county area.

Lions clubs in District 5M3 served a total of more than 28,000 people in the past year, Lions leaders said. Region-wide, Lions members also raised a total of \$33,130 in donations for programs ranging from the Special Olympics to youth camps, and vision, hearing and diabetes foundations.

On Sunday, Sheehan and fellow Lion Bruce Beck, of Palisade, helped area clubs plan membership strategies. Sheehan encouraged clubs to take a "global membership approach" in growing club memberships and starting new Lions clubs.

"5M3 does a wonderful job" helping their local communities through service projects and fundraising, Sheehan said. It was one of his favorite things about being active in the Bird Island Lions.

"We do things that help our community out. That's the best," he said.

But area Lions clubs also have a con-

nection to the 1.4 million Lions members worldwide. Sheehan said his work with Lions Clubs International means he gets to travel and work with many of those people around the world.

"I really have to have a global concept of things," he said.

On a local level, the Marshall Lions Club has been active for 76 years, Radloff said. Club members take part in a number of ongoing service projects, including ditch cleanup, helping with children's vision screenings at Marshall schools, and collecting used eyeglasses that can be recycled to help people in low-income areas of the world. Around 1,500 to 2,000 pairs of glasses are collected each year in Marshall, she said.

Radloff and other Lions members said making a difference in their communities and building relationships were some of the best parts of being a Lion.

"It's a family," Radloff said.

The Marshall Lions Club meets at 6 p.m. on the second and fourth Tuesday of each month at Bello Cucina in Marshall.

Thirteenth Annual Minnesota Lions Diabetes Foundation Research Update March 19, 2022

Hosted by the University of Minnesota Foundation and Minnesota Lions Diabetes Foundation, Inc.

More than 29 million people in the United States are living with diabetes—a growing number that includes 340,000 people in Minnesota alone. Unfortunately, that number is on the rise.

Join us at the annual Minnesota Lions Diabetes Foundation Research Update to hear from University of Minnesota scientists, who are conducting leading-edge research aimed at both preventing and curing diabetes. Learn how these scientists, funded by the Minnesota Lions Diabetes Foundation, are making a direct impact in our community, state, and beyond.

Following the research presentations, guests will have the chance to interact with the scientists one on one, learn more about their research, and ask questions.

Minnesota Lions Diabetes Foundation

Greetings Fellow Lions,

The Minnesota Lions Diabetes Foundation invites and encourages all clubs in 5M to participate in a STRIDES for Diabetes Awareness event. This will be the foundation's major fundraiser for the year. All proceeds will be used to support the missions of the foundation, the major focus of which is funding research to cure diabetes. With your support we are getting closer to *life without diabetes*.

The STRIDES for Diabetes Awareness event will run from February - April. During these months, participants will be expected to log *15 miles of activity each month*. Any kind of physical activity you can track in miles will count toward this goal . . . walking, jogging, bicycling, lap swimming, etc. You can also encourage friends and family members to join you in this quest and do your activity as a team - each of you covering your 15 miles per month.

We will have two options for registration. The best option is to go to the Minnesota Lions Diabetes Foundation, Inc. website to register - www.mnlionsdiabetes.org. The second option will be to work with one of your district trustees to complete the process. The cost will be \$25 per participant, with an option to give an additional donation.

For an additional \$6.00 plus shipping you can purchase a Minnesota Lions Diabetes - STRIDES for Diabetes Awareness t-shirt. Clubs or individuals can also consider being a sponsor for the event. Those who do so will be recognized on the foundation website. The table below lists sponsorship level recognition:

Sponsorship Levels	Minimal Contribution Requirement
Platinum Sponsor Level	\$10,000
Gold Sponsor Level	\$5,000
Silver Sponsor Level	\$2,500
Bronze Sponsor Level	\$1,000

Included in this newsletter is our STRIDES for Diabetes flyer with additional information to share with your clubs regarding registration, dates, etc Don't hesitate to contact your MLDF co-trustees with any questions you may have.

Northern Pride Lions Forum

Dear MDSM Lions and friends,

Due to logistics associated with the ongoing COVID pandemic, the Northern Pride Lions Forum committee has made the difficult decision to cancel the 2022 Forum. We are in the process of scheduling a date for the 2024 Forum.

If you registered online for the Forum, a refund will be made through Eventbrite. If you sent a check and reservation via US mail, a refund check will be sent to you from the Forum treasurer. Information regarding cancelling hotel reservations will follow.

We regret any inconvenience or disappointment with the cancellation. We hope you will join us for the "Third Time's A Charm" Forum in 2024.

In service,

PCC Bob Jechorek
Chair, Northern Pride Lions Forum
