## President's Message Changing the World with International President Dr. Patti Hill

### Dear Lion,

When you became a Lion, you also became a leader. Lions and Leos lead their communities in service and bring people together to achieve greater outcomes than we can alone.

Every time you invite a new member, or we charter a new club, more people are helped, and more communities are served. We are making a tremendous impact all over the world thanks to your leadership.

So, let's continue to grow our impact and share your amazing projects on social media to encourage others to join you. Take an online course to enhance your skills and encourage others to do so, as well. Let's continue to be the leaders that our communities and world need us to be.

Yours in service,

**Dr. Patti Hill**  
International President

## District Governors

# DG~Patty Peterson

Hello Lions,

On April 13, DGE Deb, Lion Gary & I attended the "Paint the Town Green" Gala in Parkers Prairie. It was a fundraiser for LCIF. What a fun day!! IPIP Brian Sheehan was the keynote speaker. Lori Sheehan loves to do a Lions in Motion activity. Everyone who wanted to could participate in a walk around the area. All who donated were eligible for the drawing, which was a Melvin Jones Fellow award. Congratulations to the lucky winner—LION GARY!!! Lion Brian handed out over 100 Melvin Jones awards to Lions in MD5M, including one to DGE Deb. CONGRATULATIONS TO DGE DEB AND LION GARY!!!

We raised over \$57,000 for LCIF that day. They had records since the late 1980's on how much each district has donated to LCIF, how much in grants has been given to each district, and what the grants were used for. Every district has received grants for flood and/or tornado relief. It was disheartening to hear that 5M3 was at the bottom of the list for donations to LCIF, and also for grants received. Let's work on improving those numbers. There are numerous grants available for club and district projects.

We are making a difference!

DG Patty

# DGE~Deb Rasset

Hello again fellow Lions,

It has been another busy month. Club visits and an anniversary celebration. A few Zone meetings and a wonderful LCIF Gala. Finished off with the Multiple Convention in Winnipeg. What an amazing experience! Our Lions International President Dr. Patti Hill was a wonderful inspiration. She shared her stories and experiences with us. She offered us many words of encouragement. She spent her time with us well.

Our Lions year is quickly coming to an end. After conducting the SWOT analysis at the Zone Meetings, our district GAT team will be setting our goals for next year. I still have openings on the cabinet. If you are interested in being a part of our wonderful district cabinet, please let me know.

We still have time to reach our district goals for this Lions year. Please remember to report your clubs service. Strive to share your Lions stories with everyone. Ask your friends to join our Lions family. We appreciate everyone's efforts to help reach these goals.

Officer training is fast approaching. We will have training for Club President, Club Secretary/ Treasurer and Zone Chair. But all club members are invited. We will be sharing information for everyone. We would like all of our new officers trained. Whether it is at the training sessions we have planned or online. It is important to the operation of all Lions Clubs. Training dates are Sunday May 19th at the Marshall High School. And Sunday June 2nd in Wisdom at the BARC. The time of both are from 1:00 PM- 3:00 PM. I would like to see you all there.

Thank you for all you do!  
Make it a great day!  
DGE Deb

## Greetings from the Global Service Desk

Spring looks like it is back for good. Corn and beans are being planted and motorcycles are out of storage and on the road. Pancake breakfasts are very popular, and many benefits dinners are also taking place. Keep up the great work the Lion's Club do for the whole area.

The tree service project is ready to start. 5M3 has ordered 500 silver maple trees. They will be shipped to DG Patty the week of April 22. Zone chairs should make arrangements with DG Patty to pick up the trees. Zone chairs are also responsible to deliver them to the clubs in their zones. Each club is responsible for paying for 14 trees, at a cost of \$1 per tree (\$14), which is due to DG Patty. Tax and shipping are included in this price. Each club should work with their community to decide where to plant the trees. If a club wants more or less trees, they can talk to DG Patty about how many are left. Remember, the trees will need to be watered regularly. Take pictures of your clubs planting and watering them, get your community involved in this service project. Thanks for your help on this service project. ZONE CHAIRS NEEDED TO HELP ON THIS PROJECT. GOOD CHANCE TO MEET WITH YOUR CLUBS IN YOUR ZONE.

Tracy Lions project "TUCK THEM IN is going very well and they have delivered about 60 beds to people and kids that need a bed. Sherburn Lions are also making and delivering to families that need of real beds instead of sleeping on the floor. Sherburn Lions have delivered six beds to families and four more are wanted as this article is being written. Lions members are surprised by the demand and hope to help families that need the beds. GREAT JOB LIONS OF 5M3.

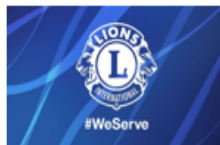

Service reporting will not be in this article this month. LCI came just came out with their new LION PORTAL which they say will be easier to work with. I guess time will tell when everyone starts to use it.

KEEP UP THE GOOD WORK THE LION'S OF 5M3 DO.

Thanks  
GST David J.

### Lions Clubs International – Marketing Awards matters!

Has your Lions club been heavily promoting your club projects and activities to recruit new club members? Were your promotional campaigns a success in increasing membership and bringing more people to your events? Did you know there is an award available for your club to win from Lions International based upon your marketing efforts?

The Lions International Marketing Award is a way to showcase your club's creativity through its marketing — and be recognized for your innovation. To be eligible for this award, clubs must plan and execute a marketing campaign to promote a membership drive, club service project with a recruitment focus, fundraising event with a recruitment focus, or an invitation for prospective members to reach out about your club via a social media campaign.

If your Lions' club marketing campaign award submission is a winner, your club will receive the following:

US\$2,000 cash award (or its equivalent) for winning clubs

Trophy presented to the club

One downloadable certificate per club to print per member

Four Complimentary LionsCon registrations

With an increased focus on membership recruitment, Lions International wants to see the marketing steps you took to promote your membership drive, service project or fundraiser along with the steps you took to recruit prospective members at your event. For example, while you might create flyers and share them on social media to attract more event attendees, you might also hand out brochures about your club, have attendees fill out membership interest forms or hand out cards with your club information and invite community members to your next club meeting.

Your link to the Lions International Marketing Award webpage is below:

<https://www.lionsclubs.org/en/resources-for-members/resource-center/club-marketing-communications-chairperson/marketing-award>

All the information your club will need to help plan your marketing campaign and to apply for the marketing award can be found on this webpage. Make sure to review everything thoroughly so your marketing plan qualifies under the award guidelines. Now is the time to start work on your club's 2024-2025 marketing plans.

All marketing campaigns being applied to this contest must be completed between July 1, 2024 and February 1, 2025. All applications for the Lions International Marketing Award must be submitted between July 1, 2024 and February 1, 2025.

Please contact me with your questions and please also speak with your district marketing team about how they can help your club will your marketing award campaign and application.

Yours in Lionism,

Lion Lyle Goff  
MD5M Marketing & Lions Information Chair

### Lions Clubs International – Social Media matters!

Lions can use social media to make a bigger impact:

- Connect with other community organizations, leaders, and the public to spread the word about your club.
- Show your local and global community how you serve.
- Engage current and potential members.
- Create a fundraiser to support LCIF.

Lions need to reach out to others by utilizing the social media channels that are used by their potential audience. Facebook, X (formerly Twitter), and Instagram are three of the most used social media sites. Don't overlook other sites such as YouTube, Threads, Tik Tok, and Linked In for reaching out to your community and beyond. If your Lions club isn't currently on one of these sites, you should become a subscriber. Your Lion's club is missing out on opportunities to promote your club.

The link below takes you to the LCI website page that features information on social media sites, plus videos and tools for utilizing these sites.

<https://www.lionsclubs.org/en/resources-for-members/social-media>

On this webpage you can find items you need to successfully market your club via social media. Put the Lions brand to work with ready-to-use graphics and customizable templates for your social media channels! — from photos and videos for digital communications to Lions emblems, service icons, Leo logos and more.

Some tips regarding your social media channel:

- Make sure that you keep your social media channels current. Nothing will turn off potential viewers of your sites more than an outdated website or social media channel.
- Make sure to keep your social media channels full of photos and videos. A website or social media channel filled with just text will deter people from exploring your site to learn more about your club and its activities.
- If you have multiple social media channels, make sure the content for upcoming activities or events is consistent on all sites.

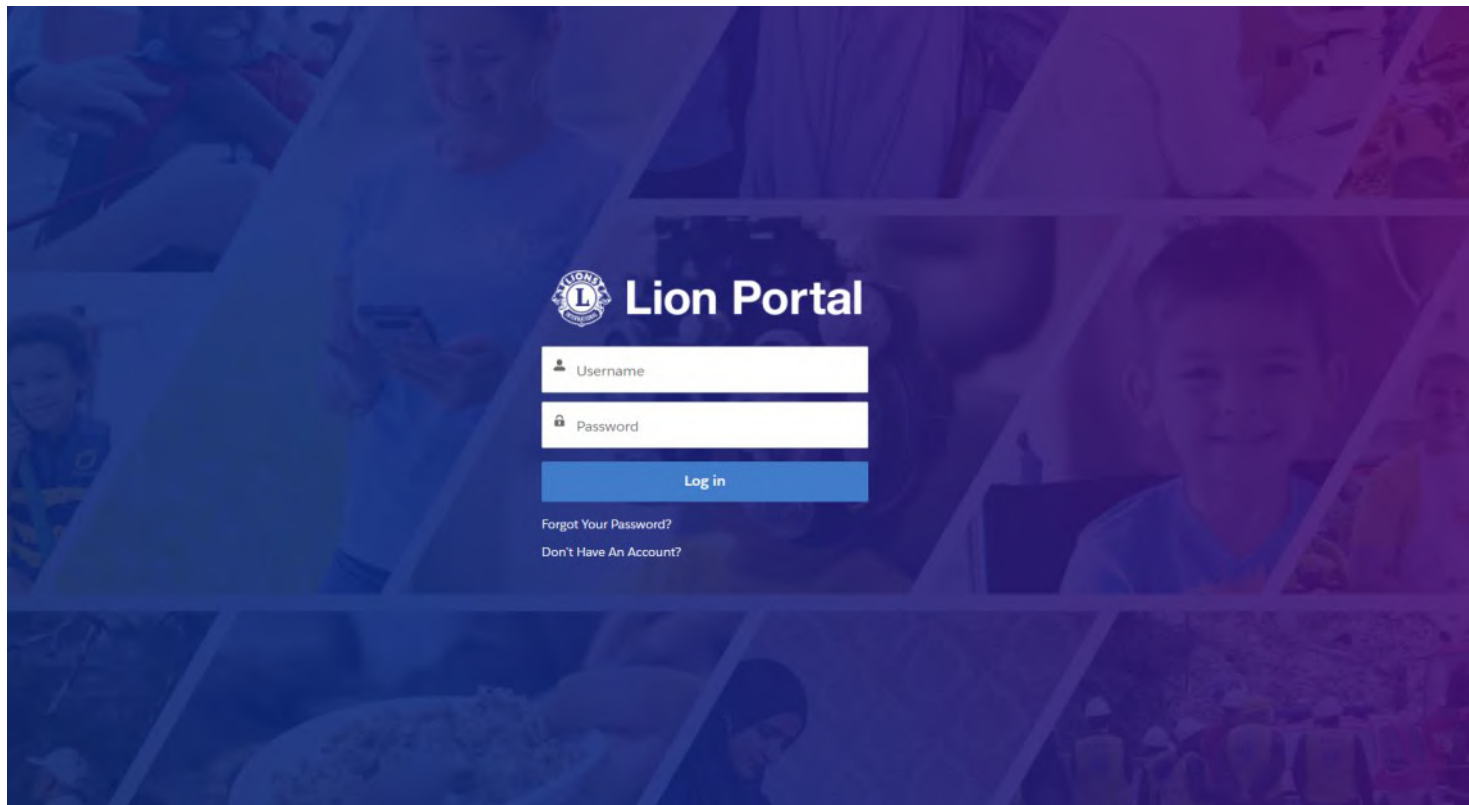

Social media should be a vital part of your Lions club and its marketing strategy. Get a digital presence today!
