# DG Deb Rasset

Hello Lions,

WOW! August is over already.

I can't believe that we're already through the first two months out of the year. It has been a very busy two months. Our first cabinet meeting went very well, but the district picnic that followed was not well attended. We hope that this gets better with time. We all enjoyed great food and fellowship. I have visited 9 clubs in the past two months, met a lot of members and answered a few questions.

Please reach out to me If your club has not set up a visit yet. I look forward to meeting and working with all the clubs this year.

This month I want to express my feelings on how important volunteering our time for the needs of our communities is. Volunteering for service to those in need is crucial because it embodies the spirit of community and compassion that binds society together. When individuals step up to help others they contribute to collective well being and foster a culture of mutual support. This act of giving not only addresses immediate needs but also builds a foundation for long term positive change. By volunteering, people can bridge gaps in resources and support systems ensuring that even the most vulnerable members of society receive the help they need to thrive. Moreover volunteering provides a profound sense of fulfillment and purpose. Engaging in service activities allows individuals to connect with their values and passions. Offering a meaningful way to invest their time and skills. This personal enrichment often leads to increased empathy and a deeper understanding of diverse experiences and perspectives. As volunteers witness the impact of their efforts, they gain a greater appreciation for the challenges faced by others and the importance of collaborative solutions.

Finally, volunteering fosters a stronger and more resilient community. When people come together to address shared challenges they create bonds of solidarity and trust. This sense of unity can enhance social cohesion and create a more inclusive environment where everyone feels valued. By working collectively to uplift those in need, volunteers help build a foundation of support that benefits the entire community creating a ripple effect of kindness and generosity that extends beyond the immediate act of service. So with that thought in our minds let's continue to serve those in need. And reach out to others in our communities and offer them the chance to help us in our quest to fulfill more of those needs.

Thank you for all that you do!

Keep "Pollinating Service"  
DG Deb

# 1VDG Tom Haag

Hi.

My name is Thomas Haag. I am the 1st Vice District Governor elect for 5M3. I believe I am a stranger to most of you so let me start at the beginning. I was born and raised on the family farm south of Pipestone and graduated high school from Pipestone. I then went to several different colleges changing my degree from electronics engineering to Criminal Justice. I eventually graduated from St. Cloud State with a Criminal Justice Degree. I started my career in law enforcement in January 1992 in the village of Akeley Mn as the Chief of police. In 1994 I was offered a position in the city of Park Rapids as a patrolman. I was living a few miles out of town in the village of Nevis. While in Nevis I was approached by a friend asking if I would like to join the local Lions club which had just chartered, I did. That was almost 18 years ago.

In 2014 I was offered the position of Criminal Investigator for the Pipestone County Sheriff. I along with my friend Stacy and two of her sons we moved to rural Pipestone that summer. Stacy and I both enjoyed going to the Mexican Island of Cozumel in the winter so in 2016 we got married on a beach there. A few years later we bought a house in Cozumel and try to spend a month there every winter. In spring of 2021 I turned 55 with 30 years in law enforcement. Between the news and watching Minneapolis burn I filed for retirement and spent my last week as a peace officer on a beach in the Caribbean.

Once we had settled in Pipestone, we joined the Lions shortly after they chartered. While we struggled to grow our club Covid hit. Club size and finances stagnated with no opportunities for fundraisers and nothing to attract new members. Things are looking up now. Mid-August we did a burger feed and added almost \$1200 to our account.

I see good things on the horizon for our club and Lions in general.

Sincerely,  
Pipestone Lion, VDG 5M3,  
Thomas Haag

Hello, **2VDG Greg Janachovsky**

What a great day to be a Lion. I am Greg Janachovsky, 5M3 2nd Vice District Governor, Lucan Lions Club.

I will begin by telling you about my self. My parents are Robert and Phyllis Janachovsky (jana-kow-ski) of Lucan, MN. I grew up on a small dairy/crop farming operation. The family farm became a century farm in 2000 and I am the fifth generation to farm and live on the farm. Born in May, 1960, the youngest of 4 children. I graduated from Walnut Grove High School and attended St. Cloud State University. Graduated from SCSU with a Bachelor of Science Degree in Industrial Arts Education. Did substitute teaching in area schools after graduation. Started crop farming the family farm, after my dad had a farm accident. Started working part-time in 1993 for Redwood County Farm Service Agent (FSA), Redwood Falls, MN. Became a full-time employee with FSA in August 1998. In November, 2003, I became a Farm Loan Official (FLO) with the Stearns County FSA Office in Waite Park, MN. Continued my FLO employment in Polk County, Crookston, MN, McLeod County in Glencoe, MN, Blue Earth County in Mankato, MN. In December 2010, I transferred to Cherry FSA Office in Valentine, NE. In May, 2020, I retired from the Knox County FSA Office in Bloomfield, NE. After retiring, I moved back to MN and am living on the farm where I grew up. My parents are both deceased. I have one brother, Gene, who lives in Lucan, MN and is handicapped and retired. I have two sisters. Jayne, retired and married to Dale Kazemba and live near Sioux Valley, MN. They have two children, Danyelle and Derek. Daughter, Danyelle, is married to Mitch Masters and live in rural Windom, MN, they have one son, Luca. Son, Derek and Amanda live in Sioux Fall, SD. My other sister, Joy lived in Spirit Lake, IA and passed away in February, 2017.

I joined the Lucan Lions club in May, 1992. I have been president, board director, secretary, zone chairman, and 2nd vice district governor. I managed and played Men's Fast-Pitch Softball for Lucan. I also enjoy reading, playing pool, darts, pickleball, and watching amateur baseball.

Hopefully, I will see all of you at the many district events and club fundraisers. What a great day to be a Lion.

Thanks,  
2VDG Greg

# Natural disaster knows no borders.

There's no telling when or where a disaster might strike. You can make sure that Lions and Leos will always be there when needed.

[LIONSCLUBS.ORG/DONATE](https://LIONSCLUBS.ORG/DONATE)

Devastating natural disasters have recently struck across the globe, including:

- Destructive typhoons and hurricanes in Australia, Jamaica, Philippines and the United States
- Catastrophic flooding in Bangladesh, Brazil, Chile, Colombia, Indonesia, India, Kenya, Korea, Mali, Nepal and Sri Lanka
- Ravaging wildfires in Canada, Nepal and the United States

When humanitarian crises of this magnitude strike, we, as Lions, are ready to help. Right beside us is Lions Clubs International Foundation (LCIF), our global foundation. Since July 1, 2024, LCIF has awarded nearly 40 disaster relief grants totaling more than US\$400,000, including a Major Catastrophe Grant of US\$100,000 for the floods in Kerala, India.

Your donation to LCIF's Disaster Relief Fund helps ensure LCIF responds quickly and supports Lions efforts to provide help and hope where it is needed most.

# LEADING THE WAY

Leader Dogs for the Blind - Lions Newsletter

## New Doors Have Opened

### A GUIDE DOG STORY - KASSON W., NEW YORK

"I'm 37, I just lost my sight in 2020 just before the pandemic because I was attacked on the subway. I went from seeing to not, just in a day. I'm a people person, I'm a Leo, I used to bartend and I'm the life of the party. I have a close-knit family and I'm a protector. It's been a roller coaster since I lost my eyesight. During the beginning when it was also the start of the pandemic, I thought I would be able to see again, but the eye doctor told me I wouldn't be able to see again. At first, I didn't know there was life after being blind. I have a close-knit family and they tried to do everything for me, and I couldn't handle that. I needed to get past them doing everything which led me to feeling helpless. Then a new season began. It was rough in the beginning; I'm still getting through it... I'm still processing it, but sometimes I think maybe it was blessing because I'm doing things and experiencing things I normally wouldn't do. I feel like new doors have opened for me, everything feels right. I'm going with it and I'm not fighting against it. Leader Dogs for the Blind found me the best dog. I came to get Odyssey because I wanted to be heard. I motivate and inspire a lot of people and now I'm thinking about speaking and helping others."

## The Road to Confidence

AN ORIENTATION & MOBILITY STORY - CAREY J., ILLINOIS

"This program has intensified my freedom and confidence. I needed to know to not be scared, and I'm not anymore. I have turned back since, and I have walked more in my town since returning from Leader Dogs for the Blind than I did when I was a child with vision. I've walked more routes, I've even gone to the store for other people, and I walk with confidence. I have never felt so free."

Greetings from the Global Service Desk

Summer is wrapping up; fairs are happening, and school will be starting soon. Lions Clubs have been busy with everything Lions of 5M3 do. A lot of county fairs are going on, State Fair is coming up and looking for volunteers to help man the booth for hearing, diabetes, vision.

If you haven't worked the State fair, it a great time working with Lions members and meeting new members.

The tree service project is up and running and is off to a great start. 5M3 had ordered 500 silver maple trees and they were delivered on April 23. Thirty-three Clubs participated in the tree project, and everyone enjoyed planting the trees and watching them grow. Sherburn Lions have planted their trees in the two city parks. It looks like maybe the rabbits had a good time and chewed the tops of trees and will have to be planted over.

Tracy Lions project "TUCK THEM IN is going very well and they have delivered about 88 beds to people and kids that need a bed. Sherburn Lions have delivered eleven beds to families in need. It is very rewarding to give a bed to a child that has been sleeping on the floor and see the reaction of the child.

The next service project some lions clubs are working on is installing handicap ramps for people to get in and out of their houses easily. Jackson Lions have put in over 100 ramps in are local area and they are well received. Sherburn Lions have started installing ramps also and been very fun project to do. Sherburn have install 4 ramps and it's fun to see the homeowners have a safe way to get around.

LCI came just came out with their new LION PORTAL which they say will be easier to work with. I guess time will tell when everyone starts to use it. Service Reporting has been really slow, and we have 9 Lions club reporting. It will be slow for a while, and it will get better we hope. Just keep trying.

Here are the clubs that are reporting.

**TEAM SHEEHAN CHARITABLE FOUNDATION**

Together Everyone Achieves More

**MD5M**  
Minnesota, Manitoba and Northwest Ontario

Lions Brian and Lori Sheehan served as Inaugural President and First Lady from 2022 - 2023.

Outgoing International Presidents usually receive a sizeable gift in appreciation of their year of service.

Lions Brian and Lori asked not to receive a gift, but instead wanted to find a way to give back to the clubs in MD5M.

A gift that will enable Lions clubs, small or large, to follow their dreams of service.

Thus, the TEAM Sheehan Charitable Foundation was formed.

**MISSION STATEMENT**  
The mission of the TEAM Sheehan Charitable Foundation (501c3) is to empower MD5M Lions clubs to provide greater service by boosting their ability to complete community projects with matching grants.

**WHY**  
To support Multiple District 5M clubs with matching 50/50 Fund Grants for up to \$3,000 initially.  
This will help fill gaps where an LCF grant is too large or otherwise not appropriate.  
Smaller Lions Club Projects will be funded.

**WHEN**  
Grants to be awarded beginning July 1, 2024.  
Pins awarded for individual donations of \$100.  
Medals awarded for donations of \$1000.

**WHAT**  
Incorporated in Minnesota on March 17, 2022.  
Internal Revenue Code Section 501(c)(3) granted on June 23, 2022.  
Board of Directors is made up of 13 Directors, one from each district 13 Directors, one from each district Lions Club.

## THE LOUISVILLE PACESETTER

Louisville 2024  
September 2-5, 2024

The Largest News & Information for the 2024 USA/Canada Lions Leadership Forum

JULY 2024

### FORUM LOOKING TO BE THE BEST YET

STEVE SHEER, GENERAL FORUM CHAIR

The horses are out on the track taking their final warmups as we are now just two months from the start of the Forum in Louisville. The Forum Executive committee will be in Louisville the end of this month to make sure everything is in place.

We had reported this past month from all committee members, and we are looking forward to a store stocked with several new items, also should have no trouble finding some new Lions apparel to take back home with you. The last report indicated we would have an additional vendor in the store this year. Exhibitor applications keep coming in and it appears we will have many vendors for you to visit with offering various Lions Club services. We appreciate the support of our vendors and sponsors who help to make the Forum a great success.

Also, we offer a special thank you to our friends of the Forum for their contributions to the event. You will be able to recognize these individuals at the Forum as they will have a ribbon attached to their name badges identifying them.

The seminars committee is finalizing their list, the Stables Walk is ready to step off and we are looking for a large collection of warm winter clothing for our service project.

We also look forward to the Saturday afternoon luncheon, where we will all have the opportunity to hear from our 2024-25 Lions Clubs International President Fabrizio Oliveira from Brazil. International President Oliveira will share his vision as the leader of the greatest service organization in the world. Every Lion can have an impact!

I am sure we will also get an update from LCI and hear the great things that are going on at Lions Clubs International.

You also want to mark your calendars to attend the Mission 1.5 Seminar that is scheduled to take place on Thursday, Sept. 5 at 2:30 p.m. in Hall C. The information to be shared is of vital importance to all the Lions of the United States and Canada.

**Remember, the last price increase goes into effect Aug. 1 - to \$365 for Lions and \$175 for Lions. Register at [members.lionsclubforum.org](http://members.lionsclubforum.org).**

Well, I have to get back to the track to make sure everything is in order, and we stay on target to SET THE PACE.

President Fabrizio Oliveira
