## Amazing April

Have you checked out page 12 of the Lions International

Magazine this month? Our district's very own Whiting Lions has been selected as LCI Club of the Month for April! Amazing! Way to go Whiting Lions! I know there are a lot of clubs out there doing amazing things so let us be sure that all the wonderful things you are doing for your community and around the world are getting promoted and your secretaries are completing their activities on the LCI website. It is crucial to our future success to use all the tools at hand. With all the current ways to promote at our fingertips; Facebook, E-Clubhouse, Club Brochures, local media, etc. we should not have an excuse. And the best part—they are all free! Make a plan and pledge to help do away with the 'Best Kept Secret' title we seem to have. If you do not have someone in your club that can do these things, reach out to a neighboring club or your Region or Zone Chair for help. *We are Family!* (That was a song by Sister Sledge, right?)

In other news, the day of our district convention we did not have a qualified endorsed candidate for 2nd Vice District Governor but we do now. Congratulations Zone Chair Patty Cooke from the Schererville Lions Club for stepping forward to fill this leadership position! Since Lion Patty was not able to be on the election ballot at the convention, a special cabinet meeting is being held on April 6, 2014 to elect a 2nd Vice District Governor. We will be meeting at 11:30 am central time at the Kout's High School. While the immediate cabinet has been notified in writing in accordance with Lion Clubs International guidelines, you are more than welcome to join us. This also happens to be the day of Kout's Lions Club Pancake Breakfast. Bring your support for Lion Patty and your wallet as PDG Dennis says we get the advance sale price for the breakfast of \$7.00 but it is not free!

In other-other news, many of you now know that Past District Governor Bob Morgan from Valparaiso Lions Club is an endorsed candidate for International Convention Committee. He is requesting help at the State Convention this year to promote his candidacy by passing out promotional items and getting the good word out in his support. He is not running unopposed as Past District Governor Dan Wilcox is also a candidate. I certainly hope if you have not already, you are making plans to attend this outstanding and amazing gathering of Lions. And, we also have two Lions in our district that will be receiving Leadership Awards and one Lion that is receiving the Presidential Medal this year. These prestigious awards will be presented by International President Barry Palmer at the Saturday Night Allstate Banquet. Lions of district 25A let us ROAR and show our support for these outstanding Lions! Unfortunately I cannot tell you who they are as it is a surprise!

In other-other-other news, Now is the time to be thinking about the Club Excellence Award. This distinguished Lions Clubs International Award is given with honor to clubs that meet certain criteria. Check out the requirements that must be completed by June 30, 2014. The form must be signed by the District Governor (that's me) and forwarded to LCI by September 30, 2014. The link for the requirements and form is: <http://www.lionsclubs.org/EN/common/pdfs/da1.pdf>

Lions are amazing and...apparently grilled cheese. Did you know that April is National Grilled Cheese Month? Well, at the risk of sounding cheesy...I say, Lions are more amazing...We Are International Every Day!

*Have an Amazing April....DG Connie*

## Words from 1st VDGE Randy Greer

### Think Spring!

Let's think Spring. Hopefully the snow is gone for the most part. This Winter has been the worst in 35 years. Lions are resilient though and that didn't stop them from helping those in need in their communities.

Spring is the time for growth and new ideas. It would be great if clubs could try a new service project in their area. Have your club do a community needs assessment and find out how your club can serve your community better.

Spring is also, the time to find out which club has the best Pancakes. There is plenty of Pancake Breakfasts every weekend for the next two months. So take the family out and enjoy the company of Lions from other clubs. You'll be surprised at your next Pancake breakfast when other Lions show up at yours. This is a great way to meet Lions and show your support for their community.

Remember State Convention is April 24-27 in Columbus, Indiana. You can meet Lions from all over the state. The current International President Barry Palmer will be the guest speaker for the Saturday banquet. Our own Past International President Wayne Madden will be the guest speaker at the Melvin Jones Luncheon on Saturday. Hope to see you at the Convention.

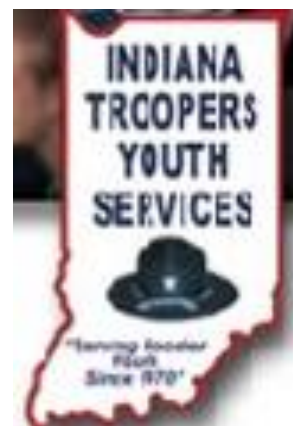

2<sup>nd</sup> VDG Randy Greer

# Whiting Lions

On March 30th the Whiting Lions prepared the apples, raffle drum ready and got the hall ready for their Famous Pancake Breakfast and served over 300!

This year's toppings were: strawberries, apples, whip cream, bananas and chocolate chips. The children enjoyed the Mickey Mouse chocolate chop pancakes the best but the adults were torn between the many flavor choices. Every year the Lions men stand behind the grill and get ready to flip their famous cakes. The students from Clark and Whiting National Honor Society Clubs come and spend their Sunday morning helping serving beverages and dishing out the sausage patties, while getting service hours. Thank you to all that came to help make this a success. Roar!

## Lions Clubs International

Lions are able to ask questions of the panelists and share success stories of their own. The goal is to provide an opportunity for Lions to learn and motivate each other. We encourage you to pass along this information to your club members and promote their participation.

Webinars are recorded and posted on the LCI [Web site](#). Below is the schedule of upcoming webinars. Space is limited so register today!
