DISTRICT GOVERNOR, MITCHELL SEMANS

Greetings Lions

It has been a busy month as Lions are up and going and doing all sorts of things. I've made several official visits already and I'm very pleased with the progress you all are making. So far every official visit I've had I have inducted new members and the excitement is at an all time high. The new members are excited to get started and be a part of something positive, fun and beneficial to the community because We Serve!!! Service drives Membership, Membership drives Leadership, and Leadership drives Service. I'm so proud of 25A Lions and their willingness to try new things, do old things in a different way and especially our ability to adapt to the ever changing world we live in. We are truly all in this together and we are all on the same team. With excitement comes passion and Lions are the most passionate people I know. The dedication we have to our communities is second to none. Sometimes we get so involved in helping others and so passionate about our ideas that we forget about our fellow Lions. Sometimes we say things and the words don't come out right or it gets misinterpreted and feelings get hurt, we get mad or frustrated with one another. Saying I'm sorry is great but being able to forgive is even greater. I've done it myself several times, the last at a pre-council meeting. So we take a step back, take a breath and remember we are all on the same team, we are all here to help someone and that includes each other. One thing that I have experienced thru my journey as District Governor is that we meet people along the way and they become family. Growing up it was just my parents and brother and sister. We had other family but no one that lived close by so it was just like having a small family and I always wanted a big family with lots of things to do, well, now I've got it and I can say I'm truly blessed. The Lions family is more than just giving hugs at meetings and fundraisers, it's a level of caring, understanding and forgiveness. It's a support system like no other. I encourage each and everyone of you to really think about being a club president (which is the easiest job in a club), stepping up to a zone or region chair and possibly moving on to 2nd Vice District Governor. Ask questions, ask me or IPDG Will or any PDG and bring the idea up with you family and club, I think you will be amazed at the support you'll receive. If you are someone that likes doing the service projects, has ideas and has the passion for Lions, then we need you in Leadership. Again, Service drives Membership, Membership drives Leadership and Leadership drives Service. Keep the legacy going, your community needs you and your fellow Lions need you. God Bless and May the Lions be with you!!!

1ST VDG, NICK GONZALEZ

Hi there fellow Lions! I hope you all are having a wonderful summer so far. Be sure to stay hydrated as you enjoy some fun in the sun. Safety is key!

It was very nice to see many of you at District Governor Mitch's Banner Night. A shout out goes to the Hamlet Lions for all their hard work in planning out a fun evening. I would like to wish DG Mitch a successful year. I am looking forward to working with him and getting some pointers to help me next year.

Hopefully all clubs are comfortable meeting in person. I have been to a few Zoom meetings throughout the pandemic; however, I greatly enjoy face-to-face interaction. I will have that chance as August begins. I get the opportunity to install the Lake Station club's officers the first week of August. As I mentioned last year, I am an avid traveler. If your club is having a function this month, let me know. Not only will I have a fun drive, I'll get to meet some friendly Lions.

Thank you again for all the wonderful service you provide for your communities. You are definitely appreciated! I also highly encourage you to help out the Lions of Indiana by volunteering at the Indiana State Fair. There are plenty of opportunities available. It is a friendly, laid-back atmosphere and you will meet fellow Lions from around the State.

By the way, there are 7 months left before the District Convention. The Crown Point Lions will bring the megaphone; do you want them to keep it for another year? If not, start planning your chant!

Yours in Lionism,
1VDG Nick Gonzalez

Indiana Lions Foundation Needs Your Help at the Indiana State Fair

The Indiana State Fair project is the single largest fundraiser for the Indiana Lions Foundation. Once again, we are asking for your help to staff 3 gates at the Fair. We have more than 800 positions to fill, but only 300 are filled so far. Committee members are working diligently to recruit volunteers, but the time for recruitment is considerably shorter this year.

There are many changes at the Indiana State Fair this year.

- The schedule has been expanded from 3 weekends to 4, but the Fair will be closed Monday and Tuesday of each week. The Fair will open early on the first 2 Fridays, so a few positions will start at 5:30 a.m. on those days. There are also staggered start times for the morning and afternoon shifts every day. Please check the Foundation website for details. Gates will close at 8:00 p.m. daily, instead of 9:00 p.m. or 9:30 p.m., as in previous years.
- No more riding the shuttle from the 46th Street parking lot! We will enter through Gate 10 on 42nd Street at the northeast corner of the fairgrounds. Identify yourself as a Lions Foundation volunteer and you should not be asked to pay entry or parking fees. It will help to wear a Lions shirt or hat. As you enter the gate, you will see a large gray building on your right. Park as close to that building as possible.
- Our check-in area will be set up in a small free-standing building on the west side of the large gray building. The bank will be in a similar building nearby. Volunteers will be transported to their gates after they complete the check-in process.
- In addition to ticket sellers and tickets scanners, we will also provide kiosk monitors to monitor new self-service ticket kiosks. All ticket sellers and kiosk monitors will be in air-conditioned buildings. Ticket scanners will still be outside under tents. This year, the scanning devices will be mounted on tables, fairgoers will scan their own tickets, and our ticket scanners will simply approve entry after tickets are successfully scanned.

If you work a morning shift, you will receive 1 W.P. Woods credit for each shift worked, if you work an afternoon shift, you will receive 2 W.P. Woods credits for each shift worked, or you may choose to have \$10 donated to any of the 5 state projects or your club. W.P. Woods credits are worth \$50 each when you use credits to purchase a W.P. Woods Fellowship for yourself or someone else.

Contact any member of the Foundation's State Fair Committee for additional information.

Working the Fair is a wonderful experience, just listen to what Lion Joy has to say...

WOW! I am thrilled to be heading off to work the 2021 Indiana State Fair! I am now a veteran and can tell you that I have not experienced anything else like this in my decade with LIONS. The Foundation team is incredibly welcoming and appreciative of anyone coming to work a shift - It starts with a warm greeting and swag including a State Fair pin for my collection. Then, I will be assigned to a gate and position. After being chauffeured over - the team leader will go over everything I need to know and introduce me to my fellow team for the shift. For a meal break, I will again be chauffeured to any food stand I can imagine (They're ALL great!) and then back to finish my shift. This is an incredible opportunity to meet LIONS from across the state - learn new fundraising and membership growth ideas along with making lifelong friends. Come One Come All to the Indiana State Fair!

District 25A Lions you are awesome! The donations for LCIF were over \$22,900 dollars this year. Which is \$6,500 over the previous year and happened during a Pandemic. Individual Lions donated 60% of this total. We also had 65% of our clubs make a donation.

This year several clubs presented Melvin Jones Fellowship awards. There are many clubs that with a small donation to LCIF would be eligible to present a Melvin Jones Award.

Contact PDG Patty Cooke or PDG Randy Greer for more information about your club's amount in LCIF or to do an LCIF presentation to your club.

The Making of Panther Court

Teresa Bals-Elsholz, Secretary of the Hanna Lions Club

"Coach called; some members of the South Central basketball team keep getting sprained ankles while playing on the Hanna Lions Park basketball court. Can we do something about it?" reported Lion Jim. That was about two years ago. With that request, the small Hanna Lions Club of Hanna, Indiana, got to work.

The outdoor court sits atop the site of the former Hanna School, home of the Panthers, with much of the rubble below settling and creating the infamous "Hanna Hill" basketball surface. Debate ensued on whether an asphalt overlay or a new concrete slab should be done. A grant from the La Porte County Unity Foundation and donations to the Hanna Lions Park fund had the Hanna Lions ready to get to work. Quotes were gathered, and a decision was nearly made. And then the community stepped up to the free throw line!

A local community member and concrete company employee, Paul Good, offered to coordinate the effort, and his company, Smith Ready Mix, would donate concrete for a new court. A Hanna excavation company, Delta III, spent a day digging up asphalt, 20 inches in spots, and hauling off the old concrete and asphalt.

Delta III of Hanna smoothed the surface and spread a good layer of sand. Hanna's own Garner Construction with Lion Keith at the helm installed framing for the longer court. Smith Ready Mix deposited at least four truckloads of donated fresh concrete. Local volunteers, Glen Huhnke and Tim Rinkenberger and their volunteer team, finished the surface and cut small grooves across the new surface just as night was falling. Once the concrete had set, Garner Construction removed the framing.

Jeff Sample of Sample Transport Services trucked in a load of stone from US Aggregates in Francesville, IN. Kenneth Huhnke and volunteers spread the stone around the court edge for drainage and added dirt to blend with the grass. Brett Wolford from the Hanna Hub and Paul Good swept and power washed the surface. Hanna Lions put up new basketball nets. Foul and free throw lines will be painted by more volunteers.

Hanna Lions voted to name the rebuilt court "Panther Court" in honor of its school and community history. Still to come, fewer sprained ankles and more basketball players for the season and future generations, all from the town of Hanna with a small Lions Club and a big community heart.

Lion Dollars At Work

Our Crown Point Lions Club had the great pleasure of coming to the aide of a Crown Point Family along with Ed Paine Care & Helping Hands and the St. John Lions Club. The Burnett Family needed a lift for their family van. Nathan Burnett an amazing 13 year old who is wheel chair bound, but that certainly does not hold him down. He can operate the lift himself and get in and out of the lift completely on his own. Nathan has a wonderful supportive family; Ryan, father; Stephanie, mother; and little brother, Lucas.

Nathan also has an amazing smile as you can see!

South Haven Lions Club Summer Fun

The South Haven Lions Club hosted its annual Awards/Officer Installation Banquet. Our theme was The Roaring 20's. We added 2 new members, Lions' Virginia Phillips & Lee Lubbock. We also had 2 members receive Melvin Jones Awards, Lions' Ed Piontek & Betty Tennant, and one member received the Founders Award, Carolyn Laviolette, and Lion Gregg Buchmeier was named Lion of the Year!

Some of our members participated in the 4th of July parade. We handed out over 250 brochures and candy.

The South Haven Lions Club hosted a Bee Kind Women's Tea. We had around 25 ladies that attended. The ladies enjoyed some arts & crafts, refreshments, and a small presentation about membership. Great fellowship and fun was had by all. Kudos to Lions' Pat & Jody!

The strikers are back! The South Haven Lions Club has returned to the Porter County Fair. It's so nice to be able to interact with the community again. It's always nice to hear laughter and to see smiling faces. All proceeds will fund our Fall & Winter projects. Thank you to those that came out and supported our booth!

St Joseph Carmelite Home, East Chicago, IN 46312

On Sunday, May 16, the St Joseph Carmelite Home suffered a tragic fire that displaced over 2 dozen children and the staff who work with them from their primary residence building, cafeteria and other common areas.

The Indiana Harbor Lions Club and the East Chicago Evening Lions Club have made contributions from the Ed Paine Fund and most recently from the Diabetes Awareness Funds. This recent contribution consisted of \$2000.00 worth of Strack and Van Tils gift cards so the home can purchase needed food supplies to feed the children and staff. Jeff Strack provided a 10% discount which allowed for another \$200.00 contribution to be made.

The presentation was made Friday June 25, 2021.
