Lions Clubs Mission 1.5 Summit: A Call to Attract New Members for Greater Service

The recent Lions Clubs Mission 1.5 Summit in Las Vegas was a resounding success, bringing together members from around the country to discuss the future of service and the importance of expanding our membership. Held in a spirit of camaraderie and shared purpose, the summit underscored the critical need to attract new members to better serve our communities.

A Gathering of Minds and Hearts

The Mission 1.5 Summit was more than just a meeting; it was a celebration of the Lions Clubs' enduring commitment to service. Attendees had the opportunity to engage in meaningful discussions, share success stories, and brainstorm innovative ways to address the challenges faced by our communities. The summit highlighted the diverse range of projects undertaken by Lions Clubs in this Country, from vision screenings and diabetes awareness campaigns to environmental conservation efforts and disaster relief initiatives.

The Need for New Members

One of the key takeaways from the summit was the urgent need to attract new members. As our communities grow and their needs evolve, so too must our capacity to serve. New members bring fresh perspectives, innovative ideas, and a renewed energy that is essential for the continued success of our projects. They also help to ensure the sustainability of our clubs, allowing us to expand our reach and impact.

Why Join Lions Clubs?

As we think about recruiting new members we need to reexamine why we joined. I believe each of us had a passion to serve. Perhaps we joined simply answering the clarion call to serve. Maybe we joined because we had a particular interest in one of our global causes like sight, or hearing or diabetes. Joining Lions Clubs offers individuals the chance to make a tangible difference in their communities. Members have the opportunity to develop leadership skills, build lasting friendships, and participate in a wide range of service activities. Whether it's organizing a local fundraiser, leading a health awareness campaign, or participating in international service projects, there are countless ways for members to get involved and contribute.

A Call to Action

As we look to the future, it is clear that the success of our mission depends on our ability to attract and retain dedicated members. We encourage everyone who is passionate about making a difference to consider joining Lions Clubs. Together, we can continue to build a brighter, healthier, and more compassionate world.

JULY 2025

1st Vice District Governor Jim Furlong, Governor Elect

Save the Date

Just a reminder that on Tuesday, August 12, at 8:30 am join us for a District 25-A volunteer Day at the State Fair. Thanks to the Blind Social Center they are going to bus 19 people down to the State Fair to volunteer for an afternoon shift at the State Fair. We mostly take tickets in a nice covered area with cool breezes as Hoosiers from all over the state visit their Fair. We will gather at the Lakes of the Four Seasons Lakehouse parking lot leaving at 8:30am and returning immediately after our afternoon shift ends; expecting to arrive at Lakes of the Four Seasons around 9:30pm. The volunteers help raise money for the Indiana Lions Foundation. Our district has received funding from the Foundation. Just recently both Lakes of the Four Seasons Lions and Whiting Lions received funding to subsidize a StoryWalk in our communities. These are about 20 pedestals that tell a children's story for ages 3-12. These pedestals are placed usually in a park and young people learn of an intriguing story and get exercise while doing it. The Indiana Lions Foundation is always willing to help our local communities with co-funding some of our Club projects in the community.

Please volunteer by signing up at www.indianalionsfoundationMD25.org and then send me a response at my email jimfurl179@aol.com. Then email me at jimfurl179@aol.com. Thanks everyone.

Note from the Cabinet Treasurer, Sally Davis

It has been a pleasure serving you as Cabinet Treasurer this past year. I look forward to another term serving under District Governor Elect, Jim Furlong.

In trying to simplify the process of clubs making donations to Lions projects and writing checks I have formulated a new plan. Instead of writing checks to each individual project you may now write one check to the district accompanied by the form that follows. Make your check to **“Lions District 25-A”** and list the amount donated to each project in the appropriate box. If there is a project that you wish to donate to that is not listed write it in one of the “Other” boxes. Total the amount and write one check for that amount. This should simplify the process, eliminate questions of “who do I write the check to?” and your check will be cashed immediately.

Contact me if you have any questions or concerns about this procedure.

Indiana Lions Foundation Matching Grants

The Indiana Lions Foundation's Matching Grants Benefit Many Lions Charitable Projects

The Indiana Lions Foundation completed its fiscal year with \$24,652 in matching grants awarded to twenty-five clubs and Camp Woodsmoke as well as a disaster assistance grant awarded to District E.

These grants resulted in many benefits to our fellow Hoosiers through the enabling of these clubs in pursuing many charitable projects through the use of their charitable funds supplemented by Foundation matching grants. As a results of this club/Foundation partnership:

1. Children 1) learned to appreciate reading through listening to stories in their public parks, 2) received their own book and 3) accessed new books placed in their library
2. Children learned how to fish
3. Children were screened for vision abnormalities and dyslexia in their schools
4. Children received beds to sleep in when they had no bed and were given food on weekends when no food was available in their home
5. Children were able to attend Camp Woodsmoke with a working infirmary
6. Communities benefited by 1) receiving information through the erection of informational signs 2) being able to use ADA compliant restroom facilities and 3) being able to use modern plumbing systems and kitchen facilities in their community centers
7. The uninsured were able to receive medical care in a free clinic with updated exam lighting.
8. Communities were enhanced with new tree plantings and entertained by Fourth of July fireworks displays
9. First responders benefited by being able to use a working beverage cooler in their firehouse and by being able to have 'blue bags' available to treat autistic victims and traumatized children.

Indiana Lions State Fair Project

Indiana Lions Foundation Indiana State Fair Project
It's not too early to start thinking about fun and fellowship with other Indiana Lions at the 2025 Indiana State Fair. This is the Foundation's single largest fundraiser. Proceeds support the operation of the Indiana Lions State Office Building and provide funds for the Foundation's new Community Service Grants. The Fair will be held in Indianapolis, August 1-17, 2025, and we will need volunteers to work at six gates during the Fair. Scan the QR code above to go to:

<https://indianalionsfoundationmd25.org/what-we-do/indiana-state-fair-volunteer/> Sign up to work for the Foundation at the 2025 Indiana State Fair. If you like our ferris wheel and carousel pins, you'll love

our new roller coaster pin. The proposed design is shown here. The only way to get one of these pins is to work for the Foundation at the Indiana State Fair. When you work for the Indiana Lions Foundation at the Indiana State Fair, you receive State Fair credits. Work an early morning shift and receive 1 credit; work a regular morning or afternoon shift and receive 2 credits. You may redeem 12 credits for a W.P. Woods Fellowship for yourself or another individual. This past July, the board of trustees of the Indiana Lions Foundation approved a proposal to allow State Fair volunteers to redeem State Fair credits for Community Service Grants to benefit Indiana Lions clubs, Indiana Lions districts, Indiana Lions state projects, or LCIF. For more information about Community Service Grants, visit the Indiana Lions Foundation website at <https://indianalionsfoundationmd25.org/>. Westville Lions Add Color to Summer Reading

Westville Lions Mike Schultz, Debi Ingram, and Lori Fagg joined Westville Public Library Director Bridget Kramer to help serve refreshments for the Westville Summer Reading program “Color The World” on Monday, June 16, 2025. (Now those are hats!)

The lions provided homemade cupcakes, Rice Krispie treats and served pizza individual chips and Oreo cookies provided by the library. 45 kids attended and enjoyed the refreshments and were entertained by Magician Matt Kalitia for over an hour, played outdoor games with their friends and picked up a summer reading log to fill out to turn in for prizes. If you missed the program, it's not too late to sign up. Please stop in and see Mrs. Kraemer or one of her assistants to get a summer reading log. Happy reading. 📖

News Around the District—Hobart Lions Club

The Hobart Lions Club recently made a sizable donation of excess handicap equipment to Mobility Ministries serving handicapped and amputees in Malawi Africa.

Bob & Arla Gabrielse from Wheatfield have been serving the ministry since 2011. Lions Clarence & Sally Davis along with Joe Larson selected 68 walkers, 35 pairs of crutches, 50 canes to fill the trailer that will transport items on the first leg of a long journey.

Lions from Lebanon IN have also contributed to the project. The main item produced is an “Action Trike” which is a 3 wheeled vehicle pedaled with hands for people with no legs. In the area of Malawi many residents suffer from cerebral malaria which paralyzes limbs. Others are victims of animal bites often by hippopotamuses or alligators. Scarce medical care for those wounded led to amputation.

Over the years modifications of the wooden carts have changed to metal and plastic with larger tires that are 20 pounds lighter and can be adapted to use by even a child. The carts help them to get around by themselves instead of being carried or hauled by a wheelbarrow.

Many volunteers have created 3,926 carts since its inception, no longer are woodworkers needed. New skills are being used to work with the new materials, many are recycled from bicycles. They also need volunteers to pack the containers bound for Malawi which is a very small country near Mozambique. Several other organizations besides Lions work together to provide other handicap equipment for residents.

Arla told the remarkable story of a 19-year-old girl who viewed her disability as no hindrance. She now attends a university with the goal of becoming a banker. Her positive attitude has inspired others to go for their dreams. Another product provided by the organization are birth kits. Over 1,000 bags of supplies have been put together. It consists of large garbage bags for the expectant mom to lay upon, a razor blade to cut the umbilical cord, and towels.

Along with every donation a bible is offered. It is written in the Chichewa language native to the area. Many of the children are now learning English and Math. This gives the individuals a sense of dignity as they become upwardly mobile in their community.

Each cart costs approximately \$400 which includes shipping expenses. 230 can fit into a container. The crutches, canes, and walkers will fill in vacant space in the huge boxes. It takes between three and one half to four- and one-half months for the equipment to reach their final destination. The journey takes the boxes by sea, train and over 1,000 miles by truck to reach the small country. No trouble has been reported with customs officials. There are many local churches that appreciate the combined efforts of those helping.

News Around the District— Valparaiso Lions Club

The Valparaiso Lions Club has a low vision charity: Valparaiso Lions Vision Care, Inc. which we founded in 1998. It's purpose is to provide devices to people who are visually impaired and reside in the seen counties of District25-A. We have helped over 100 individuals at the cost of \$150-200,00 in that time.

This year we are teaming with Currie Ford in Valparaiso to have a CAR RAFFLE. Tickets are \$100 and only 1000 will be sold. The winner gets either a brand-new Ford Bronco or \$40,000. The drawing will be on October 16 at Currie Motors in Valparaiso. There will be an early bird drawing on August 7 for \$1000. That winner will still have a chance for the car. The October drawing will have a second prize of \$1000 and a third prize of \$500.

I have attached our flyer for this project and would appreciate it if you could publish it in all the upcoming District newsletter between now and October.

The proceeds will go to our charity to help the visually impaired in District 25-A.

News Around the District—Door Village Lions Install New Officers

With a great potluck dinner and a short business meeting, the June Membership Meeting took place in the fellowship hall of the Door Village United Methodist Church on Joliet Road in beautiful downtown Door Village. Lion Bonnie Olson, outgoing club president, called the meeting to order and welcomed all to the Officer Installation Meeting. Salvation Army Receives Extra Donation to Food Bank

Every year for the past twenty or more years members of the Door Village Lions club have voted to donate all the proceeds of their Spring Lions Candy Day Sale to the La Porte Salvation Army Food Bank. And this year through the generous contributions of those patronizing the La Porte Post Office, was a record collection when all the containers of Lions Cindy Fischer, Sam Polito, Matt Fischer, Bonnie Olson, Nancy Weaver, Dennis Fischer, Gene Flickinger, Sue Kaiser, Karen Lindeman, David Renner and George Morley were tallied up with a total of nearly \$1,000. The club rounded it up to an even \$1,000, and Lions Bonnie Olson, Sue Kaiser and Cindy and Dennis Fischer got busy and purchased boxes and boxes of food to deliver to the Salvation Army. The delivery took place on Tuesday June 3 at 4:00pm when the \$1,000 worth of food items were carried into the delight of the staff that helped stack the many boxes in the storeroom.

News Around the District—East Chicago Leos

I am incredibly proud to share a summary of the impactful activities of the East Chicago Leo's Club over the last year. Our dedicated members collectively contributed an impressive 333 service hours to our East Chicago community.

Our year commenced in March 2024 with our members volunteering at the Lions International Convention. This provided a valuable opportunity for our Leos to connect with young leaders from across the state and engage in insightful meetings with Lions members.

In May, we successfully hosted our annual East Chicago Leo's Garage Sale, a vital fundraising event for our club. Following this, we celebrated the achievements of our graduating senior Leo's with a special party, acknowledging their significant contributions and leadership.

During the summer of 2024, our Leo's actively participated in the East Chicago Police Department's Youth Citizens Academy, demonstrating their strong commitment to civic engagement. August saw us dedicating our time to the East Chicago Police Department's National Night Out, an annual highlight that allows our Leos to interact positively with the community and local law enforcement.

Our club also prioritized environmental stewardship by assisting The Nature Conservancy in East Chicago with a native plants event, where we actively planted native flora throughout the city and helped beautify our local parks. Furthermore, the EC Leos supported our parent organization, the EC Evening Lions Club, by volunteering at their steak sale fundraiser.

Continuing our community involvement into the fall, our Leos contributed service hours to the Mexican Independence Day Parade by assisting with sunglass distribution, a fun and meaningful way to connect with the East Chicago community.

In October, our Leos volunteered at the Salvation Army in East Chicago, enthusiastically assisting with a clothing drive. We collected donations, organized the distribution area, and helped community members find needed clothing, a truly impactful experience for all involved.

In early 2025, our eyeglass collection efforts expanded to Marian Catholic High School in Chicago Heights, Illinois, and Forest Ridge Academy in Schererville, Indiana. Through these efforts, we collected nearly 50 pairs of eyeglasses this year and are eager to increase this number next year. Throughout the year, our Leos actively participated in numerous planning meetings to ensure the success of our initiatives and dedicated time to creating and filling out cards for Phil's Friends Cards, offering support to those in need.

Finally, in May 2025, our Leos spent the Memorial Day weekend volunteering by placing flags at the gravesites of our honorable veterans, a solemn and respectful tribute to their service.

With over 333 service hours completed by the East Chicago Leo's Club this year, I am filled with immense pride for the dedication and hard work of each and every member. It has been a privilege to lead such a committed and compassionate group.

The East Chicago Leo's Club is immensely grateful for Daniella Flores' significant contributions over the past two years. From the club's inception, Daniella has been an invaluable service member, dedicating over 73 hours to serving our community. Her commitment to our mission is clearly demonstrated through her leadership, having served as Acting President in 2024 and currently as Vice President in 2025.

News Around the District—Operation KidSight Data

Congratulations Lions all on a fantastic year!
And a special shoutout to all who participated in any way with
KidSight screenings in our state's schools and daycares.
Indiana Lions screened 15230 kids from August 2024 to June 2025.
I challenge all Lions in the month of July to integrate a screening into your schedule.
We are less than 300 kids served from exceeding 2023-2024s total.
Fairs, libraries, and other events are all ways to expose your community
to the Operation KidSight program and your club!
If you need a camera, please reach out to Karlene Roe with Operation KidSight.

In late July the VisionFirst (Eye Bank) board and Indiana Lions Operation KidSight
is inviting all Lions to attend a celebratory lunch to thank those involved with KidSight
for their dedication and heroic work. We will also be using this time
to update and check on cameras owned by KidSight
and get a better accounting of which clubs and districts have their own.
Specific time and date TBD, location will be the VisionFirst offices in Carmel.
Having finished a full year as coordinator, I couldn't be in more awe and happy
to work with such amazing Lions and this program.

I appreciate your patience & guidance and look forward to serving with you all for years to come.

Orlando Convention Event: Rock and Roar

Dear Lions/Leos of MD 25 -

My name is Teresa Pedroza, and I proudly serve with the **Oviedo-Winter Springs Lions Club in Florida**. I'm reaching out as the Local Coordinator for *Rock & Roar: A Dueling Piano Night for Sight*, a high-energy fundraising event taking place during the 2025 Lions International Convention in Orlando.

This exciting evening is a partnership with the Lions of Multiple District 111 – Germany. For the past seven International Conventions, they have teamed up with local Lions in each host city to raise funds for a Lions-supported cause. We are truly honored that, for 2025, they have selected Florida District 35-O's own **Project Right to Sight** as their beneficiary — a program providing free eye care and prescription glasses to underserved individuals across Central Florida.

We would be incredibly grateful for your help in sharing this event with clubs and members across **MD 25**. Whether by forwarding the flyer, including it in your district newsletter, or posting it on social media, your support will help ensure this fundraiser reaches Lions across the Southeast and beyond.
