State Convention

The 2015 Indiana Lions State Convention in Columbus was truly one to remember. Lions of District 25A had several reasons to celebrate and many special moments of recognition.

Thursday evening was special in that Leo Makayla Smith provided entertainment as she sang several songs at the opening program. She was also joined by International President Preston as they sang a duet.

The Saturday Awards Luncheon was highlighted by Rolling Prairie Lion Gus Hernandez receiving a Melvin Jones from International President Joe Preston. Many thanks to the Lions of Rolling Prairie for honoring Gus at the luncheon.

Presidential Medal Awards were presented at the Saturday Night Banquet to PDG Margaret Verkuilen of Griffith and Lion Ken Baker of Door Village. These are Lions who have given many years of service in so many ways and are ranked 1st & 2nd in our district for sponsoring new Lions.

Immediate Past District Governor Connie Roe of Winamac was honored with a certificate for our district showing a positive growth in membership during her year as governor. She was also recognized along with all of last years' Governor's with jewel pin awards for completing all tasks in a timely fashion.

Our Hospitality room was once again leading the state in good food and drink as well as decorations celebrating the upcoming International Convention in Hawaii. Many thanks to Lions Pat & Jody Greer for their hard work.

We would like to invite all lions to our final District Meeting on June 7 at Lakes of the Four Seasons. This will be a cook out where we will be grilling steaks & salmon. It will be an informal atmosphere to celebrate the closing of another year and anticipation of new leadership in the District as well as clubs for the coming year. A flyer with detailed information is on it's way. Hope to see you all there!

I come back from the State Convention full of enthusiasm! There were many fellow Lions there from Evansville to Fort Wayne and other far corners of Indiana. I couldn't remember everyone's name—those name badges are very handy!

I did very much enjoy one session on our upcoming Centennial in 2017. Lions International is making this a three year event to keep the momentum going. One part of the celebration is the Centennial Service Challenge to encourage Lions around the world to serve 100 million people by June 2018.

From LCI President Joe Preston "Lions can take part in the Centennial Service Challenge by supporting the Global Service Action Campaigns throughout the year: Engaging Our Youth, Sharing the Vision, Relieving the Hunger, and Protecting Our Environment. To achieve the goal, Lions will need to help 25 million people in each campaign. The challenge is big. It's ambitious. And it speaks to the heart of being a Lion."

It sounds daunting, but it is very simple to participate. All you have to do is make sure your club submits activities reports through the LCI website. If your activity falls within the Campaigns listed above, just click that option in the Service Challenge box. Many of you are already doing these activities—make sure you get credit and help meet the goal!! There will be district and club recognition for those who participate.

Go to <http://lions100.lionsclubs.org/EN/programs/centennial-service-challenge/index.php> to see the progress!!

My Dear Fellow Lions

Many years ago Helen Keller challenged Lions "...Will you not help me hasten the day when there shall be no preventable blindness; no little deaf, blind child untaught; no blind man or woman unaided? I appeal to you Lions, you who have your sight, your hearing, you who are strong and brave and kind. Will you not constitute yourselves Knights of the Blind in this crusade against darkness? I thank you." Lions answered emphatically, "Yes!"

The Indiana Lions for the Indiana School for the Blind and Visually Impaired State Project will again sponsor a work day at ISBVI in Indianapolis on Saturday, May 30, 2015. The huge campus of the ISBVI consists of 31 buildings located on 63 acres; and our work day provides the Lions of Indiana an excellent opportunity to put our "We Serve" motto into action as we contribute to campus beautification and improvement.

The jobs for the day have not yet been completely decided upon. The morning work session will consist of outside jobs and the afternoon work session will be inside jobs. Lunch will be provided by the school.

The schedule for the day will be:

9:00 am: Registration and donuts
10:00 – Noon: Morning work Session
Noon – 1:00 pm: Lunch
1:00 – 3:00: Afternoon work session
