District Governor's Message

Hello Lions of 25A! Looks like our Spring weather has finally arrived! It was a great weekend Muncie as we Continued the Celebration of our Centennial year. If you were unable to attend, you missed many great seminars, good food and outstanding fellowship. RC Dave Dickinson was presented with a Presidential Medal while CS Barbara Toosley was presented with a Presidential Leadership Medal. IPDG Patty Cooke was voted in as an International Convention Committee member, PDG Kevin Roe was awarded a Progressive Melvin Jones Fellow, and Lions Harold Haman and Carolyn Toosley were crowned Lion King and Queen at Friday night's sock hop. Our International President inspired us with words to grow our organization and make a difference through the Power of 1.5 million members, to celebrate LCIF's 50th anniversary by reaching \$50 million in donations, and increase the number served through the Power of Service. District A is doing just that! We are currently at a plus in membership, we have spent approximately 12,000 hours providing service to 24,282 people, a new Leo Club has been chartered, and we have contributed \$27,880 to LCIF. We are touching lives, and I am excited to see what our Lions will do in these last 2 months of this Lion year.

We are at that time of the year to prepare for our next year. All club officer elections should be complete. So, please make sure you get your new officers reported through the PU101 or on MyLCI by the May 15 deadline. Take the time to verify the address, email, and phone numbers are correct as this information is used to produce the District Directory. Name an LCIF Club Coordinator and a Global Service Club Coordinator. Lions Clubs International sends valuable information to these individuals to share with club members. While you complete your officer information, please take the time to attend officer training, set your attainable goals and budget for next year, and remember, you are a LEADER. Leadership starts with a willing heart, a positive attitude and a desire to make a difference. I have often said we are at a new beginning, the new century. This is a great time to evaluate whether our traditions are still working. Remember our heritage but create a new path which includes all ages. This new path just might find you membership growth from the younger generation. Be open to change. You are the difference that will keep Lionsim strong!

Until next time ~ Keep Touching Lives through Service. Now turn the page for some valuable information....

Yours in Friendship and Service,
Lion Robin Smith, District Governor

Hoosier Lion Newspaper Survey

The Hoosier Lion newspaper has been Indiana's (MD25) method for communicating with its members for more than 30 years. As the change to more digital formats is occurring, the Governors of MD -25 have determined that it is important to survey the Lions of Indiana to determine if changes in the newspaper should be done. Please take a few moments and let us know what you think. The link to access the survey is <https://surveyhero.com/c/5165Ofc>.

**WE ARE ON OUR WAY
TOGETHER**

The Lions of District 25A are embracing the concept of People helping People helping People. Because of your support and the leadership of DG Robin and the entire District Team, we will have more than 1300 Lions helping to meet the needs of our communities by the end of this month. We, working together and believing it is all about people, can reach the goal of having 1320 Lions on June 30, 2018.

To reach our goal, we need to continue to ask people to join, care for each other and be sure all our current Lions feel they are values and are making a difference. Keep asking others to join so they can start helping people.

All Lions that sponsor a new person will be entered into a drawing to win a crisp new \$50 bill. (Lion Doug Schmeltz won \$50 for signing the "Just Ask Pledge" sheet) Clubs that have more Lions on June 30, 2018 than they had on July 1, 2017 will be placed in a drawing to win \$100 for their administration fund. Any Lions dropped in July will be deducted from the ending June 30th total. Clubs must submit their June and July MMR's on time to Lions Club International. The drawing will be held at a cabinet meeting.

When a Lion stops paying dues, attending meetings or our projects, we need to contact them personally to simply ask "why". No one is saying not to drop someone, but before we do, we must make every effort to keep them from leaving. We need to care for each other with the same passion we that care for those we serve. Now is the time to start the conversation about why Lions are not active. We spend hundreds, thousands, and even tens of thousands of hours serving others with passion and care. How much time do we spend caring for each other with the same passion? Let us give an hour to meet with a person who may leave our den and find out why and what can be done to keep them. Take the time to shake every Lion's hand at your meetings. Or maybe the time to hug a person who did a good job, or pat them on the back and thank them. Let us laugh and smile and be up on our club and its programs.

Coming together is a beginning; keeping together is progress; working together is success.

**ISBVI FUNDRAISERS – TRIKE RACE AND DISC GOLF TOURNAMENT
APRIL 22 EVENT RESCHEDULED TO
SEPTEMBER 16, 2018**

Due to an unseasonably long spring, your ISBVI Trustees are rescheduling our annual fundraiser from this spring to mid-fall --- for better weather and to give you more time to practice!

We have received feedback from several prior participating schools that they would like to participate, but that a Fall date would better suit their current school schedules. Moving the event to the fall will also provide a more suitable date for students from the ISBVI to participate.

We have capacity for approximately 25 Trike teams and 25 Disc Golf teams so we hope your clubs will continue to promote these valuable events to support the mission of your State Project and the ISBVI's statewide outreach services to our blind and visually impaired students in all your districts.

If your club has already sent in registration forms for the trike race/disc golf originally scheduled for April 22, we would invite you to carry your sponsorships and team registrations forward to the fall event date. We will be contacting you for confirmation of carry-forward to the fall event.

If you have any questions in the meantime, contact Chair Pat Short (lionpatshort@aol.com) or Event Coordinator Lion Pat Henninger (iwtlions@gmail.com).

Thank you for your continued support of the ISBVI Lions State Project.

Only a Few Months Left to Be a Part of History!

This year is your club's last chance to earn Centennial Service Challenge and Legacy Project awards. There's no reason why every club can't do a Legacy Project—such as installing a park bench—or invite new Centennial members. Will your club achieve World Class or Premier Centennial Lions Club status? There's still time! You have until June 30, 2018 to complete your Centennial projects and July 15, 2018 to report them on MyLCI. Be a part of history and help us finish our Centennial celebration strong!

Diabetes Awareness Begins With You

Did you know that diabetes awareness and educational activities count as diabetes service projects? For example, your club can host a diabetes awareness seminar in your community. The diabetes resources page offers a wide variety of projects that you can do to help combat this global epidemic—and earn a Centennial diabetes patch. More than 23,000 diabetes activities have been reported so far in this Lion year. Your club can be part of the solution to this devastating disease, too.

Inspirational Book Spotlights 100 Years of Lions Service Stories

from the Heart, written by Past International Director (PID) Robert Littlefield, will help you gain a better understanding of what service has meant to Lions who have given back to make life better for those in need. According to PID Sangeeta Jatia, "Each story reinforces the fact that once you experience the power of serving another, you become a Lion for life." Stories from the Heart is now available for US\$23.99 through Club Supplies. US\$13.85 from the sale of each book will go directly to Lions Clubs International Foundation (LCIF) to support our global service. Pick up a copy for yourself or a fellow Lion, and share the inspiration!

Centennial Highlights:

Wrap Up the Centennial in Style! – Make plans now to join us for convention in our final Centennial year as Lions take the stage at the 101st Annual International Convention, June 29-July 3, 2018 in Las Vegas, Nevada. Join Lion and Leo leaders as they gather in the entertainment capital of the world to celebrate service, friendship and our once-in-a-lifetime Centennial!

New Presidential Videos Released – View the brand-new videos from Lion leaders in the Reflections from the residents series. The complete series will be posted by June 30, 2018—just in time for our Las Vegas convention.

LCIF Donations Count – Did you know that donations to Lions Clubs International Foundation (LCIF) count towards the Centennial Service Challenge? If your club wants to get to the next level patch, consider making a donation to LCIF, and help us provide even more service around the world.

Lions Clubs International

Dear Lion Leaders,

Starting on June 30, 2018, **dues credits for membership drops will not be issued** after the release of the semi-annual billings on July 1 and January 1.

In the past, Lions Clubs International has given clubs a grace period in January and July to adjust their club rosters and receive a credit for unreported membership drops. This practice has been a courtesy extended to clubs by Lions International despite rules governing the practice in Board Policy. The board of directors recently decided that enforcement of existing policy is necessary in order to be in compliance with Board Policy.

This will also provide greater alignment with district billing and create more accurate reporting that better reflects true membership growth. We realize that this will have an impact on some clubs, so we would like you to help them prepare for the upcoming billing cycle.

Here are a few best practices that can help you prepare your clubs for their July dues billing:

- **Remind** club officers to update their membership rosters using MyLCI or their regional reporting system.
