Lions of District 25A, I want to thank the Lowell Lions Club for hosting our second District/Cabinet Meeting on Sunday October 26. Boss Lion Leon Morrow and the eight other Lowell Club Members were terrific hosts providing a great meal and meeting location at the Cedar Creek Health Campus. Forty Lions representing sixteen clubs were present for our meeting.

With October being Breast Cancer Awareness Month, it only seemed appropriate that we have Lion Dottie Flack visit our meeting, with a presentation about our oldest state project, Cancer Control. We are so proud that District A "Set the Pace", leading the Multiple District in contributions this past year. Lion Dottie, once again shared stories of survival and gave information about what services are available for Lions and non-Lions who need help. She is our greatest resource, if you know someone who is in need of a second opinion, give Dottie a call or send her an e-mail and I assure you she will get back to you quickly with an answer.

We are excited that our membership is at a plus eight, as of this date for the year. GMT Chairman Doug Schmeltz and Region Chair Al Konieczka gave a presentation on membership growth that Lion Al developed a couple years ago. They offered a comprehensive hand out for those in attendance and are more than willing to assist clubs who want help in organizing a membership drive or "meet & greet" meeting. Lion Jeanne DeLasCasas reported that the Lakes of Four Seasons Club purchased ASKI pins from International for members to wear. This is a great and inexpensive way to approach new prospective members as they ask you about the pin you are wearing. They have inducted 24+ members in the past year with their son being the 70th. Club member.

Lions Doug & Angie Schmeltz reported on their fund raising trip to upper Michigan for Fishing-For-Life. They presented a check for \$1800+ to the Fishing for Life fund. Lion Ken Anderson from Portage gave a comprehensive report on Speech & Hearing and other committee reports were presented in writing as requested. Zone Projects are in the formative stages as we are still putting together committees. Although some zones are well on their way, others are still talking about and deciding what will work best in their particular area. Club Presidents or representatives of all sixteen clubs gave brief oral reports on activities.

District Governor Lion Glenn and First Lady Lion Karen have visited 23 clubs in the District so far. The greatest part of being Governor is visiting and meeting all the wonderful Lions in our District. I'm so humbled by what is happening in every little town & all communities. Even in the smallest clubs, we are doing great things and helping & serving those who are less fortunate. I am more convinced than ever that we are entering a new era of service in this country. There are a lot of people who want to help us and all we need to do is get out there and ask them to join the World's Largest Service Organization. Let us in District 25A continue to "SET THE PACE"!

Yours in Lionism,

District Governor

My Journey as a Lion

It seems strange that it is already November and the Holidays are fast upon us. It also seems unreal that our Lion's year is 1/3 complete. I still have a lot to learn about being a District Governor in just 20 months!! Sometimes it seems daunting, but I am still committed.

Sometimes in the "busyness" of my life, I wonder "Why am I doing this?". But then I go to a meeting of my club, or attend a District meeting, or drive to Indianapolis for training, or to Fort Wayne for a Council Meeting. Then I know why – it is my fellow Lions. I hear their stories about Lionism and I am inspired. I know that all the work we do as Lions has a tremendous affect on the world around us. And we all benefit in the process by following the words of Melvin Jones: "You can't get very far until you start doing something for somebody else."

I am also committed to improving my Salesmanship. We all need to be "Selling" Lionism! Think of all the people who you know that "Give" already and would make perfect Lions. Or the others who may be bogged down in their own lives—help them to learn that in doing something for someone else, they will move forward. So we need to develop our "Sales" pitches, to advertise what we do. I will strive to not be the quiet person in the background, but to let people know who Lions are and what we do. I will "Ask One" and then another and another. . .

Yours in Lionism,
2nd VDG

Not News to Us

At the USA/Canada Forum in Puerto Rico this past September, Lions Clubs International unveiled a new initiative called "Lions KidSight USA." This nationwide program is designed to vision screen children 6 months through 6 years of age. The goal: to get every club involved in vision screening.

So what does this program mean for the Lions of Indiana? Well other than promoting an awareness of the need for Lions to get involved with the screening of preschool age children, Lions KidSight USA is nothing different from what the Lions of Indiana have been doing since 2003.

With the support of the Lions of Indiana and the Indiana Lions Eye Bank Inc., the Operation KidSight staff and volunteers have screened over 115,000 children in Indiana since 2003.

As great as this sounds though, there are a total of 440,000 children in Indiana between the ages of 6 months and 6 years as this article is being written.

Last year, Operation KidSight screened 17,091 children with 1,168 of those children being referred for a complete eye examination with an eye care professional. We must, we can, and we are doing better this year.

Now here is the best part...there is no cost to your club or the families of the children that we screen. To start screening, all you need to do is contact Lion Janice Chapman by visiting the Operation KidSight website at

<http://www.indianalionseyebank.org/operationkidsight.html>

or by contacting any of the Indiana Lions Eye Bank Inc. trustees within the District. While visiting the website you will find information about our program, consent forms, brochures, media releases and announcements, as well as ways that you can help.

The main thing that an Operation KidSight screening is trying to detect is "lazy eye". This is not as much a vision issue, but rather a communication issue between the eyes and the brain. A lazy eye can be a completely normal eye, but the eye and brain are not working together. Eventually the brain may simply shut off images being sent from the lazy eye. Treatment of this condition is as easy as patching the good eye and forcing the child to use and retrain the lazy eye to respond to the impulses of the brain.

How do I know? Well my 6 year old daughter is an Operation KidSight child. Through patching, her eyesight has so far been corrected from being 20/85 to 20/55. Will we get to 20/20? Well probably not, but we have prevented her from becoming blind in her left eye. For that, our family says "Thank you Lions!" You've served and we will continue to serve together.

ZVDG J. Ross Drapalik, Chairman
Indiana Lions Eye Bank, Inc.

"Our vision is your eyesight."

MID WINTER CONFERENCE

SILENT AUCTION

Again this year there will be a silent auction at the Indiana Lions Mid Winter Conference on January 10, 2015 at Plainfield Middle School in Plainfield. Each Indiana Lions District is asked to donate at least 3 items worth \$20 or more for the auction.

Last year every district made an outstanding effort to make the auction a great success and nearly \$1000 was raised for Youth Programs. If you have items to donate for the auction please contact Patty Cooke who will organize our district's participation.

Valparaiso 85th Anniversary

Those who attended the Party had a very enjoyable evening. Not only was the food terrific and the fellowship wonderful, but we got to hear about the tremendous efforts of the Valparaiso Lions in their community.

Three members were awarded a WP Woods— Paul Zulich, Jeff Zulich, and Jim Cline. Then their five lifetime members were recognized for their efforts throughout their many years as Lions.

Below: Life time members PDG Bob Morgan, Robert Mahoney, Ed Buttlar (Age 96), Club President Jeff Zulich at podium, John Tomczak, and seated Ed Hanson (Age 91).

LaCrosse Lions

On November 9th, the LaCrosse Lions held their 56th Annual Charter Night Celebration. It was well attended by club members and others in the district. There was a

very interesting presentation by the local historian on the history of LaCrosse. This club is very active in their community — Candy Day, Fish Fry for Firemen, Halloween Party for kids and will handing out food baskets soon. To left, President Craig Aigner.

District Meeting in Lowell

The District Meeting in Lowell was well attended—and the food was terrific (especially the desserts). Lion-Doug presented his wife, Angie, with a Guiding Lion award. Way to go Lion Angie!. Lion Glenn presented PDG Connie Roe with a Letter of Appreciation from PIP Barry Palmer for bringing in over 25 new women Lions. Truly, Women Rule!

Monthly Reports

The Monthly Membership report (MMR) provides essential information to district officers. All secretary's and presidents should make sure their reporting is done by the last day of the month. If there is no change in membership, it is a quick click on "no change".

2VDG of 25C, Lion Ross Drapalik, has challenged his fellow 2nd VDG's to work on getting more clubs to enter timely MMRs. To that end, I will be sending out a reminder on the 25th day of the month to all club secretaries and presidents. We cannot let the 25C challenge go unanswered!

Another successful dinner event was hosted by the **South Haven Lions Club**. Many thanks go to the members of the American Legion Post 502 for extending their courtesy in allowing us the use of the hall for the benefit of the South Haven community and for everyone who volunteered and supported our efforts in raising funds for our "Less Fortunate Family Christmas Program.

PDG Keith Hall and others at the South Haven Italian Buffet.

Vision Screening Training

The training was well attended! The trainer, PDG Jack Salsbery of 25F, has a great deal of experience with screenings. He explained how to conduct a screening exam for both pre-school and school age children. The difference between the purposes of the Kidsight camera (i.e. detection of eye abnormalities—mainly lazy eye) and the Acuity testing devices (i.e. determining vision — 20/20, 20/30 etc) were explained. A copy of the training manual, a list of contacts, and the schedule for the upcoming screenings can be found on the district website.
