DISTRICT GOVERNOR, MITCHELL SEMANS

Dear 25A Lions,

I hope everyone is staying warm and safe as we start the holiday season. As you all know these next two months are a busy time with food baskets, toy drives, and winter clothes donations. There are a lot of opportunities for every single club to serve their communities. Zone chair Lion Joy had a great Zone meeting and had a guest speaker from the salvation army which really emphasized the importance of partnering with other agencies. Let's work together with one another, not only within our own organization, but think outside the box and bring in other people that want to serve. LCI is doing the same thing and ask that we support the strategic plan in areas of Corporate Social Responsibility and Episodic Volunteerism. What is Episodic Volunteerism? Well, that are several non-lions that just want to help out for a specific project or specific day but are hesitant of becoming members. For instance, If a Lions Club is putting on a parade there maybe several members of the community that would like to volunteer that day to help with parking, security, or whatever the need is. As they volunteer, they pay a \$10 fee and sign a waiver so to speak for a one day membership so everyone is covered under the liability policy. This is something that LCI is working on. LCI is also working on several marketing ideas which include rebranding to Lions International with a tag line "Serving a world in need". They have also update their Mission Statement: To empower Lions Clubs, Volunteers and Partners to improve health and well-being, strengthen communities, and support those in need through humanitarian service and grants that impact lives globally and encourage peace and international understanding.

As you can see, even LCI goes through changes. It's time for our clubs and our district to think about how we can change for the better. The days of "that's how we've always done it" and "we've never done that before" are over. I have said this over and over this past year, now more than ever people need help and people want to help. Allow new members to reach out the communities in new and different ways, and give your members the opportunity to get involved and do something. People have to learn from their mistakes but they have to be given the opportunity to do something first before mistakes can be made. There are no mistakes that can't be fixed or forgiven. Let's try something new and different and if there is success share it so others can see how it was done. If it fails, then learn from it, fix it, and try it again. I hope to see most of you over the next few months as official visits are picking up. There are zone meetings to attend, and don't be afraid to visit a zone meeting outside of your zone or a club meeting outside of your club. In January we'll have another cabinet meeting on the 15th, information to follow. Also in January is the Mid Winter Conference on the 22nd. Our District 25A convention on March 19th followed by the State Convention end of April first part of May which is then followed by the International Convention in Montreal in June. One of the best ways to get your club to grow is to get involved and start attending these meetings. Yes, I know that sounds boring, but this is one of the ways you can hear and see what other Lions are doing. You get the opportunity to hear the successes and most importantly you get to hang out and get to know some great people. Stay warm, stay safe, and May the Lions be with You.

God Bless,
DG Mitchell Semans

2ND VDG, STEPHEN HELMKEN

Happy Thanks-LIONS-Giving!!

What? Don't you mean Happy Thanksgiving Lions?

Yes, and no. I mean what I said and in the way I said it. Now let me explain myself. But first let me start back a bit and work up to my explanation.

Many clubs have been doing many projects right now. They are busy serving breakfasts. They are busy serving dinners. And they are busy doing eyeglass screens, handing out dictionaries to 3rd graders or doing blood drives.

When not busy with these types of projects they are busy doing fundraisers, such as selling steaks, or assorted nuts, and delicious chocolates, or doing raffles of some kind. The clubs are trying to raise money to give back to State Projects and community organizations that they support.

I had the opportunity to go along with DG Mitchell Semans on a couple of his club visits. One of the clubs we visited was the Rensselaer Club. They are getting ready to hold their annual cheese sale. I hear this is really good cheese. I bought some and I can't wait to try it when it comes in. But the club was busy trying to figure out all the particulars that go along with a project of any kind.

I also had the pleasure of visiting the Hamlet Lions Club to present a Dr. Richard T. Miyamoto Fellowship to Boss Lion Wendy Semans. Since I am a Trustee for Speech & Hearing, Inc., this is one of the fun things we get to do. The Hamlet Club is getting their pancake breakfast organized. It will be held at Hensler's Christmas Tree Farm Thanksgiving weekend. You can imagine how busy they are right now.

My own club, Michiana, will have held their first blood drive by the time this newsletter comes out. Boss Lion Jenel Freeman has been the organizer of this along with Lion Dale Simmons. We have never held a blood drive, but we are excited for this to happen. The last couple of weeks Lions Sandra Hixon and Alice Helmken have been busy delivering dictionaries to the Michigan City School's 3rd graders. I'm told the kids get so excited when they receive their dictionary. We will also be ringing the bell for the Salvation Army's Red Kettle Drive again this year. But this year we are ringing in November and December. No, we don't get funds for doing this, but we get "warm hearts" for helping another organization with a major project of theirs.

So, can you see why I have Happy Thanks-LIONS-Giving at the top of this article? I am saying Happy Thanks for your Lions service of Giving to ALL at this special time of year. Thank you, Lions, for all you do, for everyone you serve, for all the mouths you feed and all the children you help to see and to learn. Thank you for your amazing service.

Lion Alice and I wish everyone a very Blessed and Happy Thanksgiving.

Serving from the Heart,

2nd VDG Stephen J. Helmken

When I brought up the idea of hosting a blood drive through my Lions club, one member asked me what would be the motive/objective ? I said our club doesn't necessary have to ask for money donation for everything. Not everyone has the money to give back or pay it forward. But donating your blood doesn't cost you. It saves lives. I know There is alot of people out there that wants to help in a way. I am very proud to say we have 20+ donors came in today!!! Huge thanks to our club to make this happen at The

Lions are needed!

The Salvation Army of Lake County is in need of Lions to volunteer as Bell Ringers to serve at locations and times most convenient for them. Red Kettle Season has begun and lasts until December 24. The "Virtual Red Kettle" allows you to create your own online Red Kettle and invite your friends and colleagues to join you in raising money to help neighbors in need. The money raised using Virtual Red Kettle or by Bell Ringers remains in the communities where the funds are raised, and is used to aid families and individuals in your community who struggle to remain in their homes, feed their children and pay rent and utilities bills. The Salvation Army of Lake County also provides assistance to the homeless, after-school and music education programs for children and youth, programs for seniors, disaster relief services, alcohol and drug addiction rehabilitation as well as Pathway to Hope, which is a program that helps to move families with children from poverty to economic independence. Visit www.RegisterToRing.com to sign up as an individual or group to be a Bell Ringer or to host your own Virtual Red Kettle.
