### Dear 25A Lions

First of all, I would like to thank all the Zone Chairs for getting the first round of zone meetings done. I want to **encourage** you all to continue to work together. I have had a lot of feedback and the members really appreciate being able to go outside their zone to experience what other clubs in the district are doing. I know there are a lot of meetings — club, zone and cabinet — but there's a reason for them. The more we can work together and share information on the resources that are out there, then the more we can serve our communities and help people. Club presidents, please **encourage** your members to participate in these meetings — they are great way to network, meet new people and get new ideas. So, if someone calls up and wants to RSVP for your club or zone meeting and they are outside your area, please **encourage** them to come visit. Who knows? You may learn something from them, too.

October is New Voices month for LCI. I **encourage** every Lion to please nominate someone in your club for this award by the end of the month. The New Voices categories are service, membership, leadership and marketing. If there is someone in your club that chairs your service projects, comes up with new ways to server or just is always there working in the background, nominate them. If there is someone in your club that does a great job signing up new members, helps with retaining member and/or just all around supports membership, nominate them. If there is someone in your club that takes on the leadership roles, helps train members for their positions and mentors, and **encourages** you to step into a leadership role, nominate them. If you have someone in your club that excels at marketing, whether it be Facebook or being able to advertise and come up with ideas for flyers or promotes Lions on TV or radio, nominate them. Even though the award is called New Voices it doesn't mean that it goes to a new member. New members are great but so are the veteran members. All Lions members are great and we all have ideas we want to share and this platform allows us to speak freely without judgement to brainstorm ideas to come up with ways to better our communities and to **encourage** one another to share our stories.

The first quarter is over and 25A Lions are off to a fantastic start. This is just my opinion, but we are the leaders of MD25. To the best of my knowledge we are leading in membership, all of our clubs are active in at least 1 service project, we have leaders that have stepped up to fill every district committee and position except for two (We need a zone Chair for 4B and 3A). Believe me, there are other districts that would love to be us. We also do a great job with marketing . So a huge shout out to Patty Cooke our newsletter editor, WKVI Radio for allowing me time every few months on the morning show and Kelly Kiel from Lacrosse for giving us exposure in the Regional Times Newspaper. And Thank you to all the Lions in 25A for your commitment and everything you do for Lionism.

God Bless and May the Lions be with you,

DG Mitchell D. Semans

## Lions of District 25A.

September has been a busy month for us all with club meetings and Zone meetings. I was fortunate to visit Crown Point Lions for their Awards evening and had the pleasure of awarding the Melvin Jones Award to their past secretary of 10 years Lion Kate Webster. I visited La Crosse Lions club where I inducted a new member Lion Brandon Keil. Visiting clubs and carrying out these duties inspire me to do my best for the clubs in our area.

Visiting clubs is also great to hear the projects that they are involved in and ideas that I can share with my own club and clubs within our District 25A.

My Lowell Lions Club had a visit from our D.G. and he was very inspiring with his talk about his commitment to the future of our District — his hopes on commitments to service projects and partnering with other entities within our community. As your 1<sup>st</sup> VDG, I will continue to support the D.G. in these views.

We Serve

## Mid-Winter Conference Announces Conference Schedule

Members of the MWC planning committee have been meeting regularly for the past several months in preparation for the 2020 event, planned for January 10-11 at the Crowne Plaza Hotel at the Indianapolis International Airport. Last year's MWC saw a dramatic change, in the seminars offered, the number of attendees, and the 'all under one roof' feature that the Crowne Plaza offered.

Additionally, an extensive evaluation survey last year resulted in an unprecedented 60% return rate, with many comments affirming the decision to return to the January dates as well as holding all events in one facility. The new seminar format, which eliminated the previous 2-hour workshops and 1-hour seminars was also seen as favorable, allowing more attendees to participate in more seminars.

This year we will also see a return of 16 seminar sessions, offered in four, 50-minutes time slots. A few of the seminars will be repeated twice. MWC committee members also poured through hundreds of individual comments in last year's evaluations, again resulting in additional changes made for this year's conference. In particular, the Friday evening keynote speaker has been replaced with the adoption of a special service project, a Million Meal Movement program. A separate article detailing this project has been distributed to district newsletter editors.

One of frequent comments from the surveys addressed the ten minute 'passing' period from one seminar to the next. This has been extended to 20 minutes. Many other details to enhance the enjoyment of the MWC were also addressed and should result in an even more enjoyable conference this coming January. Watch for registration information in the next several weeks as it will be distributed through district newsletters and the MWC Facebook page at Indiana Lions Mid-Winter Conference.

## Million Meal Movement service project scheduled at the 2020 MWC

In Indiana alone, 1 million people, including one if five children, don't know where they'll get their next meal. Attendees at this year's Friday night service project at the Mid-Winter Conference, scheduled for January 10 at the Crowne Plaza Hotel at the Indianapolis International airport, will have an opportunity help provide an answer for hungry Hoosiers.

The Million Mile Movement (MMM), an Indianapolis-based not-for-profit, has a two-fold vision to feed the hungry and teach the importance of volunteerism. Annually millions of meals are distributed to hungry families throughout Indiana by thousands of volunteers. At the Friday night event at the Crowne Plaza, Lions will work to package precisely measured meals that will be given to agencies in Indiana. In a two-hour period, thousands of meals will be packaged, consisting of high-energy meals with vitamins and minerals, dried vegetables, protein, and rice. The meals will be distributed to food banks along with written instructions for their use.

Since the MMM was founded in 2007, over 28 million meals were packaged and distributed. The program has been highly refined, and each volunteer at a typical food packaging event can prepare 200 meals in an hour. Each meal costs \$.27 to feed an individual. MWC event organizers are hoping to have more than 100 volunteers at the Friday night packing, resulting in more than 20,000 meals prepared.

Additionally, a seminar session on Saturday, January 11 will feature representatives from the Million Meal Movement who will detail how local Lions clubs can develop partnerships in their own communities. The MMM is an excellent new service project that involves volunteers to meet the needs of over 1 million children and adults throughout Indiana.

## High School Coach to highlight Saturday MWC Luncheon

Mike Kirschner, a 1979 Warren Central graduate, will provide a motivational talk at the Saturday noon luncheon at the 2020 Mid-Winter Conference. The conference will be held January 10-11 at the Crowne Plaza at the Indianapolis International Airport.

Kirschner was a two-year letterman in football and received his BS degree from Ball State University in May of 1983, his teaching license from the University of Indianapolis in December of 1989, and his master's degree from Olivet Nazarene University in May of 2006.

Coach Kirschner served as assistant football coach, girls' basketball coach, and softball coach at Warren Central High School from 1990-1996. From 1996-2000, he served as the head football coach, assistant girls' basketball coach and head boys' track coach at Cascade High School. In 2007 he joined the coaching staff at Ben Davis High School and won two football state championships. In Jan. 2018, he was ready for a change and joined the coaching staff at Mt Vernon High School in Fortville, Indiana.

Coach Kirschner is not just a great coach. He is all about life and living it the right way. He believes real coaches never stop teaching and that it is important to develop the complete athlete, physically, mentally and spiritually. He speaks to many organizations and gave one of his rousing motivational speeches on the floor of the IN House of Representatives when they honored the 2017 Ben Davis team.

His talk revolves around providing a caring setting and expands upon experiences he had with his players over the years and how their experience shapes their roles in leadership. Make you plans to attend the exceptional Mid-Winter Conference. Watch the Indiana Lions Mid-Winter Conference Facebook for additional information, including registration when it becomes available.

### Intl Pin Design

2021

**June 25 – 29, 2021: Montreal, Quebec:** Known as 'Canada's Cultural Capital', Quebec's largest city is like no other in North America! Behind Paris, Montreal is the 2nd largest French-speaking city in the world and truly a foodie's paradise. While the underground pedestrian network is impressive with over 2,000 shops covering 18 miles, the 9 miles of shops lining the famous Sainte-Catherine Street has been the pride of Montreal for over a century. Explore Montreal, Notre-Dame Basilica, Montreal Museum of Fine Arts and the Olympic Stadium are just a few sights. If nature is your escape, 343 acres of green space in Mount Royal Park offers the best views of this cosmopolitan city. Montreal has so much more to offer.

So encourage your clubs to put on their thinking cap on and start designing.

Pins **MUST** include:

## New Voices

A program launched in 2018-2019 to celebrate women's contributions and promote gender parity within Lions Clubs International. In 2019-2020 the program was expanded under International President Dr. Jung-Yui Choi to include young adults, including Leo Lions, and other underrepresented populations as diverse and sought after New Voices in the association. This initiative is about hearing the story of the unheard, and is a forum for sharing new ideas and learning from one another for the betterment of Lions Clubs International.

New Voices is a diverse group of individuals who are gaining recognition for their dynamic and innovative contributions in one of the four fields: Service, Membership, Leadership and Marketing.
