LIONS OF DISTRICT 25A

The e-mail from Cabinet Secretary Roy “Bo” Zimmerman was simple. “Hanna Lions need some help Saturday morning with their Chicken Barbeque.” When I arrived, they had things well in hand with Lion Dave Urschel barking out instructions, Leo’s and Lions moving about the pole barn and chicken halves well on their way to perfection. I got a cup of coffee and started “getting in the way” and of course asking questions. So how long have you been doing this project? Oh about 65 years. Wonder who came up with this idea? Bill, he’s right down there turning chicken halves on the grill. You have got to be kidding me!

Bill Gardner has been a Hanna Lion for over 65 years. And what I find everywhere I go is that every club has a lion who has spent 40, 50, 60 + Years serving their communities and never expected anything in the way of fanfare or special recognition. Now that is what Lionism is all about! Every club I’ve visited this month has such a Lion and it is so humbling to be able to shake their hands and just say “THANKS FOR SERVING”.

It was so neat to be able to hand out a 35 year chevron and letter from International President Joe Preston to Lion Larry Woods at Kouts two weeks ago. To present a Melvin Jones to Warren Benko in Highland last week, who just considers himself “a Lion”. James Schmidt has been in the Kouts Lions since 1963 and is currently secretary/treasurer after serving 53 years. ROLLING PRAIRIE HAS 4 LIONS WITH OVER 58 YEARS OF SERVICE. LIONS JIM BLINT, PAUL DEPOY AND BROTHERS FRED & JACK BUEHRER.

If you have such a Lion in your club, and I know you do, please do your best to get them to our Banner Night to carry the Banner of your club. These Lions deserve to be celebrated and put on a pedestal for our communities to see who they are. Lions need to come out of the shadows so people know who we are and what we’re doing!

Let us show other districts in Multiple District 25 why we “SET THE PACE”, IN A.

District Governor Glenn Swanson,

Maple City Lions Club

25A Pace Setter

LCIF is our Foundation. It is the financial arm of Lions Club International. All the grants you hear about go through LCIF. LCIF has given out more than 850 million dollars since it started. LCIF has pledged 30 million dollars towards the measles vaccine program and will receive matching funds from our Global partners for a total of 60 million dollars to help eliminate this dreaded disease. A measles vaccine only costs a dol-

lar. Measles is responsible for 330 deaths in children daily in third world countries. If your club would like to have a presentation on LCIF contact PDG Dennis Brown at (219) 508-9715 or VG Randy Greer at (219) 759-2865. Lions Clubs in our District are busy right now with fund raising projects, so they can make the money for their generous donations. This is an opportunity to visit other club's activities, meet new lions and get ideas to help your club.

VG Randy Greer

July 20, 2014

Lions of District 25A,

Back in June the District Governor's Elect met in Indianapolis for our Pre-Council Meeting. This is a meeting to assign committees and plan for the upcoming year in our multiple district.

As most of you are aware, Past International President Wayne Madden from Auburn, Indiana is the third president from our state in the history of Lions International. The first two being W.P. Woods and Ed Paine. He has been on the road for the past 4 years traveling the world as an ambassador spreading the word of Lionism. He is returning home this summer to resume his role in his local club.

It was brought to our attention by District Governor Steve Hannan from District F that a "welcome home party" is being planned for PIP Madden. He is asking each district to contribute \$500.00 dollars to cover the cost of this gathering and a gift. Since this is money we do not have budgeted, I'm asking each club in 25A to make a contribution that your club can afford. We will then contribute whatever we receive, up to \$500.00, to the party. If more than \$500.00 is collected we will put it towards our District Convention. Please send checks to Cabinet Secretary Roy "Bo" Zimmerman.

I understand that this may not be popular with all clubs but there may be a time when we need help from our brothers and sisters in other districts, so I'm asking that your club put it to a vote. If everyone gives a little we can easily reach this goal. Thanks for your support and remember, 25A "SETS THE PACE"!

You're District Governor,

Lion Glenn Swanson

BRIAN'S TRIKE RACE

October 5, 2014

In 1997 the young president of an Indianapolis Lions Club wanted his Lions Club to serve the Indiana School for the Blind and Visually Impaired (ISBVI) by donating the profits from a unique athletic event; a Trike Race. Thus, the first Trike Race at the ISBVI was originated.

Since that time, the Trike Race has been held annually by the Lions to raise money for items at the ISBVI. Some things have changed over the years, such as the name of the Trike Race. That young president (28 years old) died of an unforeseen congenital heart condition before the second Trike Race, thus the race was renamed in honor of Lion Brian Hiltunen and is now called Brian's Trike Race. The Lions of Indiana have recognized the merit of this event, and now support Brian's Trike Race by publicizing the race and encouraging clubs from all over Indiana to participate by providing racing teams and making donations.

Using adult-sized tricycles, up to 50 teams of four participants race around the circle-8 track at the ISBVI, raising money for equipment and services at the ISBVI. We have had teams from across the state, from a variety of age groups, both sighted and visually impaired.

Our main goal is to have a good time while raising funds for the ISBVI and to bring people to the Blind School to build awareness of the demands placed upon and accomplishments of the students of the ISBVI. We are proud of what these donations have helped to accomplish. By matching funds with other Indiana Lions Clubs, the Lions Clubs International Foundation and the Indiana Blind Children's Foundation, Brian's Trike Race funds have helped to purchase a playground and computers and assistive technology for the students at the ISBVI.

Awards are presented to winning teams and all participants are given free T-shirts to commemorate the Trike Race. Students will receive a certificate stating they earned 4 hours of volunteer service to their community—what a great opportunity to help others and have a lot of fun at the same time!

Please make a difference to the children at the Indiana School for the Blind and Visually Impaired. For more information about fielding a team, call me at 317-908-8884 or email lwtlions@gmail.com

Membership Safari

All who attended this seminar found it both entertaining and informative. Lion Buzz Melton's enthusiasm for this topic was contagious.

He told us to think "outside the box" to attract new members. We need to stop doing things as we did "B-4" if our membership is not growing.

We need to "Hunt" and not "Fish".

For each potential new member, we must ask what the new member has to offer the club—and more importantly—what we have to offer the new member.

A big thanks to Lion Buzz, MD-A GMT coordinator and PDG Tawny Hall, I-H! Also thank you to the Kouts Lions Club and Lions Doug Schmeltz, GMT and IPDG Connie Roe, GLT, for coordinating the event. The efforts of the chef (Lion Angie Schmeltz) and bakers (Lions Pat Greer and Connie Roe, plus Karen Swanson) were greatly appreciated.

An event well attended by out district and other Lions from throughout the state! Now we need to practice what we learned!!

Three scholarship recipients: David Riel, Katherine Glenn and Emily Pizzuto, each received a \$500.00 stipend.

Vision Statement

To be the global leader in community and humanitarian service.

Mission Statement
