## The Monthly District 23B Governor's Update

**August 2023**

### **District Governor's Corner DG Peter Nevers**

I am honored to be the District Governor of 23B for the Lions Year 2023-2024. It is an honor I am proud to accept.

The District is here to serve each and every Lion within 23B and I will do my best to serve you as best as possible in your endeavors to succeed.

My main goal is to increase strong, knowledgeable members that share our common interest in upholding our motto "WE SERVE". With larger and stronger membership we will accomplish all of our goals - and much more.

For those who do not know me, I would like to provide a brief history of my service in Lions over the last 44 years. I have served in most every position on the club and district level (to many to list) and have enjoyed them all. Putting the club and district first has always made the job easier and more pleasant. I intend to continue doing that. You may continue to call on me when the need arises.

I wish you all the success you deserve during our year "TOGETHER WE CAN".

DG Peter

#### **Member Orientation**

Past Council Chair (PCC) Ev Lyons (President, Bristol Lions Club/District LCIF Co-Chair) will host a virtual Lions International orientation for new, and not so new, members of Lions to learn more facts about our awesome association. This virtual event will be held via Zoom on Friday, August 11, at 6:00 PM. Here is your opportunity to learn the latest updates on our association, understand how our association has evolved over the past 106 years to become the world's largest service organization, and most importantly, you will be able to safely receive answers to any burning questions you have always wanted to ask about Lions clubs, our District, our Multiple District, our Constitutional Area and/or Lions International. There is no cost to attend and everyone is invited, so please share this information widely. The session will be recorded for future usage. Here is the Zoom meeting information:
