EDITING A SERVICE ACTIVITY ALREADY SUBMITTED

- Both your Lions Club's President and Secretary can log in to submit and edit service activities.
- You can only edit a service activity that occurred in the current Lions fiscal year.
- You can edit a current fiscal year service activity as many times as you need to.

THIS is a sanitized version of the first screen you'll see after you log into MyLCI.

Notice that the club has already entered 2 service activities that qualified for the Centennial Service Challenge. A checkmark is shown under each campaign for which a qualifying activity is submitted

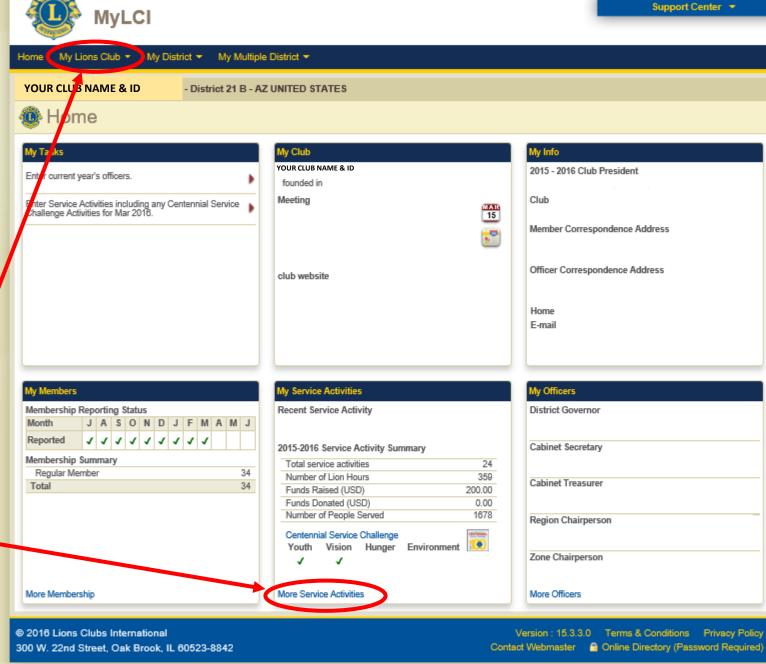

There are 2 ways to get to the activity screen......

Click "My Lions Club" tab; then on the "Service Activities" link in the drop down box that appears.

Click on the "More Service Activities" link

We want to edit this activity because it meets the criteria for the Centennial Service Challenge "Relieving the Hunger" campaign.

Notice that the radio button next to this campaign is *not* filled in.

Even though this activity meets the campaign criteria, we will not get credit for participating in the campaign unless the radio button is filled in.

WHY WASN'T THE RADIO BUTTON FILLED IN FOR OUR ACTIVITY?

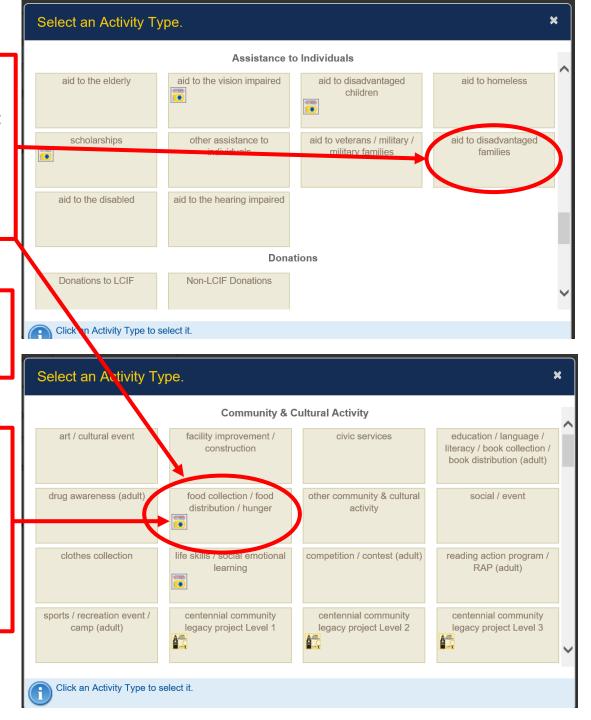

Our activity met the criteria for two different activity types:

- Aid to disadvantaged families
- Food collection / Food distribution / Hunger

Because we selected the "Aid to disadvantaged families" Activity Type, the CSC campaign radio button didn't automatically fill in.

100

Activity types LCI has preselected that count towards the Centennial Service Challenge have a special CSC logo next to them and will automatically fill in the appropriate CSC radio button on the Activity Screen.

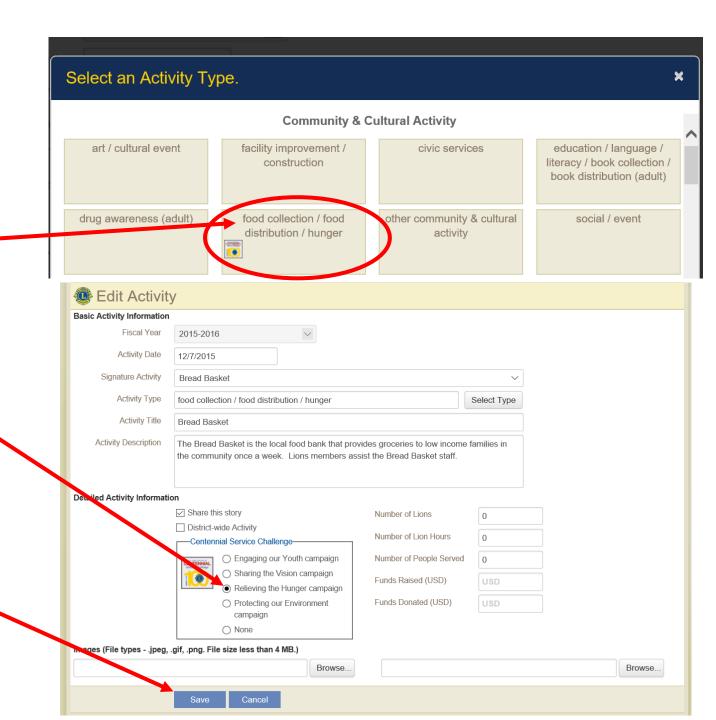

There are 2 ways to fix our activity.

1. You can change the Activity Type to "food collection/food distribution hunger".

(Notice that the CSC "Relieving the Hunger campaign" radio button is now filled in.)

Then just click on the Save button.

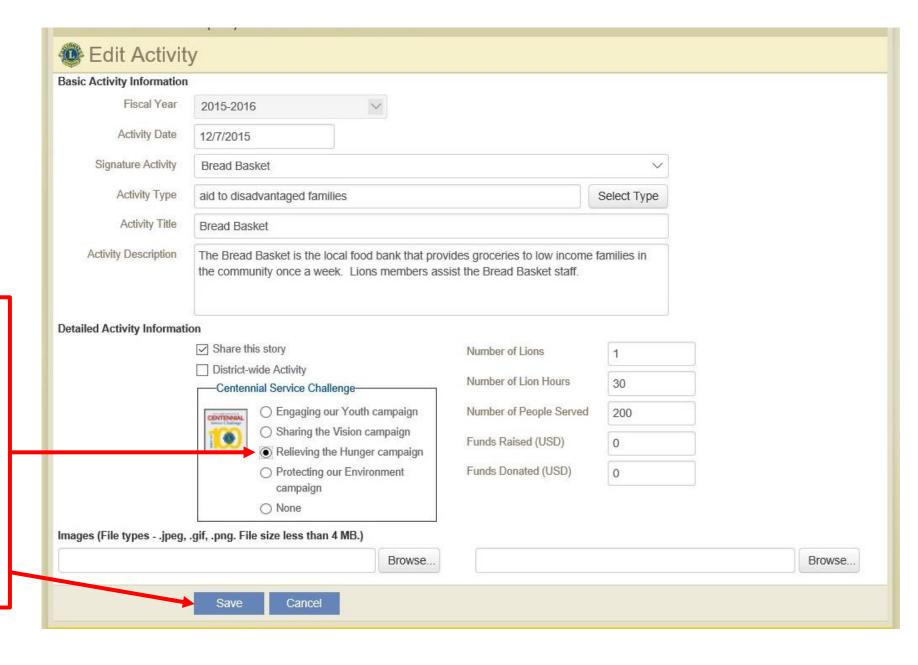

<u>OR</u>

OR

#2. You can leave the activity type as is and simply select the radio button next to the "Relieving the Hunger Campaign".

Then just click on the Save button.

THIS is a second look at our sanitized version of the first screen you see after logging into MyLCI.

Now that we edited our service activity, notice that the "My Service Activities" block now shows that the club has qualified for three Centennial Service Challenge campaigns.

A checkmark is shown under each campaign for which a qualifying activity is submitted.
