

THE BUZZ

("B" in the KNOW!)
March 7, 2016

Just waiting around the corner March 11th and 12th District 21-B Convention!

**KEEP
CALM
IT'S ALMOST
TIME FOR
CONVENTION!**

Make sure you are a part of it. We'll start off with registration on Friday at noon with the opening session at 1 p.m. First off we'll meet our International Director Linda Tincer and her husband, Lion Vern and hear from ID Linda for a little bit as a teaser as she'll be our luncheon speaker on Saturday at noon – you won't want to miss that. Then we'll have reports from our projects and committees and hear about the great Lions work they've been doing all year. Hang around for the MD21 Council meeting from 3 p.m. to 5 p.m. Lots of Lions work to be done at the meeting.

Friday night we're planning a great Lions Reunion of clubs. Come hear some history from club members and best of all come dressed in period clothing of the decade your club was chartered. I've included a listing of what was fashionable in each decade – there will be prizes, fun, reminiscing, and memories made. Don't miss this event – complete with comfort food – come for a comfy, cozy evening with your fellow Lions.

Saturday will be packed full of information sharing with (of course) a pep rally of epic proportions! Then on to the cabinet meeting, convention, lunch, voting, and a session or two before closing with a rousing celebration for the incoming 2016-2017 elected officers! We'll close by 4:30 and if you're not staying in Tucson for the evening – this will be early enough to get you home by o'dark hundred!

Bring along a new member, a prospective member, or a member who hasn't come to a convention in a long time and renew or make some new Lions friends. RC Sandy Shiff has promised a great time for all – let's hold him to it so you have to be there to see for yourself – come BE the fun!

Don't forget that the dress code for all 21-B Cabinet Meetings for 2015-2016 is Hawaiian shirts. In honor of your district governor becoming governor in Honolulu – we will wear our Hawaiian shirts at all cabinet meetings for this Lions year. **NO JACKETS ALLOWED** – only at Council Meetings! Oh, don't forget when we call for club attendance – have your CHEER ready to share or get fined. If you can't do a cheer, then a huge ALOHA will do!

OUR GUEST FOR THE CONVENTION

LINDA L. TINCHER, INTERNATIONAL DIRECTOR

Linda L. Tinchler from Riley, Indiana, USA, was elected to serve a two-year term as a director of Lions Clubs International at the association's 97th International Convention held in Toronto, Canada, July 4 through 8, 2014.

Director Tinchler is retired from the Indiana State Police Department, Communications Division. She went on to work 24 years as a campaign manager for an Indiana State Representative.

A member of the Riley Township Lions Club since 1989, she has held many offices within the association, including district governor, zone chairperson, district GLT coordinator, district youth outreach chairperson, council chairperson and certified guiding Lion. Director Tinchler has also been the district 25 E1 newsletter editor for 10 years.

In recognition of her service to the association, she has received numerous awards, including Lion of the Year, 100% District Governor, six Extension Awards, Senior Master Key Award, a Leadership Award and four International President's Awards. She is also a Melvin Jones Fellow.

In addition to her Lions activities, Director Tinchler is active in numerous professional and community organizations, including the Indiana State Troopers Youth Services, League of Women Voters, State Assembly Women's Club and the Mt. Pleasant United Methodist Church.

With her husband Vern, also a Lion and Melvin Jones Fellow, Director Tinchler has a step-daughter, two step-sons and five grandchildren.

Meet your candidates for 2016 – 2017 – up close and personal.....

Bobbie Ravenkamp Currently District 21-B GMT 2VDG Candidate for 2016 – 2017

Telling my story – Labels and identity and wearing that gold pin with the silver L. What does it mean to me to be a Lion? And, why do I choose to identify as a Lion? It's more than the vest, pins and club shirts. I'm proud to tell others that I'm a member of the world's largest service organization.

To me, Lions Clubs International represents a global organization with a well-known reputation and impact for helping others through service without the dogma associated with often single-focused agendas of political, religious or fraternal entities. I joined with other like-minded people where we pay dues to work and have a good time.

There isn't one particular moment when I felt I 'became' a Lion but a series of small events where, as a volunteer, I could help and know that meeting needs, one act of service, one person at a time, is part of my need to use my skills to benefit others. I know that the scope and depth of our service to people in need is challenged only by our imagination. The phrase for the Centennial "where there's a need, there's a Lion", is lived each day by Lions all over the world.

Since childhood I observed Lions Club members as a sincere, friendly group of community doers - people who help others but always project a sense of humility about being able to help. My enthusiasm and conviction grew as I've moved into different leadership positions and learned more about the variety of service options that clubs choose to perform. It was an easy decision to accept positions in district leadership where I can help our clubs continue to thrive in service to our communities. I recognize that there are some people who choose only a temporary membership and others who have a casual, limited relationship and like to belong to a group of doers and fixers.

It's a deliberate choice for me to devote more time and energy. We need all of us to do what we can, when we can, and while we can.

Bob Hutton Currently District 21-B 2VDG 1VDG Candidate for 2016 - 2017

I was a Detachment Sergeant in a rural community. I was expected to be a member of a service club due to my position. I was asked by a lion to join the Lions. I did not know at the time what Lions represented and or what Lions goals and objectives. At first I attended meetings and worked projects. I enjoyed being able to help others and freely gave my time towards bettering the community.

In a short time, I was asked to be on the board, which led to the presidency and secretary. Through my years being a Lion, I have seen many changes, women becoming members was one of the best changes for the betterment of Lions.

With my involvement with the Lions this helps me to branch out as a leader in numerous nonprofit organizations. I developed great relationships with community leaders and made strives to better the community through community projects.

My strengths as a Lion is being able to recognize and implement fundraisers and service projects. The last several years, our club's literacy, estate sales/flea market and flag program was developed under my suggestion. I believe to lead by example and not to say we tried that before and failed. Also during my year as president our club started to recognize lions during their birthday month with a special birthday cake.

One project my former club had was to string Christmas lights across the state highway with the help of the PUD. On more than one occasion, string of lights would fall onto the roadway and the sound of breaking lights would be like a machine gun. We had a Lion, whose job was to take photos of us working projects. My club never saw any of the pictures. We as fellow Lions believe our photographer did not have any film in his camera. These types of experiences working projects are never forgotten and bring back fond memories years later.

I have been a Lion in both a rural and metro setting. I know my experience and exposure has prepared me to serve the Lions of 21-B. Serving the community is very rewarding and I am proud to be called a Lion.

Jim Whelan

Currently District 21-B 1VDG

DG Candidate for 2016 - 2017

I became aware of Lionism in 1978 when I married Mary. Mary's father chartered a club in Livonia, Michigan, moved to Tucson, and became a member of the Tucson Sunrise Lions Club. Mary and others then started a Lioness club and began attending MD21 and district conventions with myself tagging along. One day at a convention at the San Marcos in 1990 I was asked to join Lions (remember the "just ask" phrase), and I said yes. So began my other career as a Lion. I soon became involved in club projects and wanted more so I started getting on different district committee positions.

In 2007, I transferred from the Tucson Wilmot to the South Tucson Lions Club as I wanted serve in the community very close to where I grew up. It has been very rewarding, for example, when the club takes grade school children on a shopping spree at Christmas time. It never fails when you first pick up the child they are a bit hesitant, but by the time you finish shopping, having breakfast, and meeting Santa Claus you are their very best friend. This is only one of many times that being a "LION" is one of the most rewarding things that I can remember. When I retired in 2013, again I was asked to serve by running for VDG. Again I said yes. I am looking forward to my year as governor and taking on the challenges that will always occur. The 2016-2017 Lions year is very special as it takes us into 100 years of existence and sets the stage for the next 100.

Service Coordinator**

IS YOUR CLUB A STILL A WELL KEPT SECRET? LET'S FIX THAT!

As your club serves, how does it get the word out? Is your community aware of your service? Are other Lions Clubs being motivated by your energy and learning from your example? When you fund raise, are you maximizing the number of potential supporters and money? How can we increase your club's visibility to assist you in Serving your Community?

How about forming a Public Relations Committee within your club and develop a plan to share your story with your clients, supporters, fellow Lions and your community? Here are some things to consider.

When your PR Committee discusses how to advertise your club, your service and your fund raising, they might think about the specific market segments that your club wants to reach. These different segments may require a different message and a different vehicle to communicate that message. A paper newsletter or email might be adequate for your club's Lions, posters could work for your church or community center, but you may want to access the newspaper/radio/TV to reach a larger audience. Social media, websites, blogs and email lists can reach large audiences for very low costs, especially if you are seeking to reach working people. Does your club have an internet presence? Why not check out the many clubs and projects in the District that have Facebook pages and E-Clubhouse websites that can serve as examples of what is possible.

If you want to get the word out to your fellow 21-B Lions, make sure that you use our official communications vehicles, the Canyon State Lion, the 21-B Facebook Page, and our own 21-B Newsletter, The Buzz. They are easy to use and can all be done from your home with your personal computer.

Where can you find help? Your fellow Lions are here to help. Ask your Zone Chair for ideas that other clubs have successfully used. Ask your District Officers and Chairs such as Public Relations, Information Technology and Social Media for assistance and ideas. We are all here to assist you. Do not forget the LCI website, it is filled with ideas and suggestions.

Your District 21-B and MD-21 conventions are right around the corner and are perfect places to gather information, share notes and spread the word of your club's service. There will be presentations on how other clubs do things, you will be sitting next to Lions at lunch and dinner who can share their experiences. And lastly, you will find all of your District Lions there ready to answer your questions and arrange to work with you to achieve your goals. Let us assist you in Serving.

DISTRICT 21-B ENERGIZER BUNNY

Lion Gary Gjerstad

Greetings,

I've been in Lions going on my 42nd year; & I believe I witnessed a first. A month where both of our Lions meetings were postponed. This happened on February 2 & February 16, respectively.

In the case of February 2, it was weather related. We had a blizzard happening. The weather was not fit for anyone to get out. In the case of February 16, The postponement was due in part, to some members being in & enjoying warmer weather. The Britt girls' basketball team was in sectional play; so when there's an athletic event going on, I think the community shuts down in support of these athletes. The girls lost that game. The boys began sectional play last Thursday night, with a convincing 83-23 victory over Conference foe North Iowa. They play tomorrow night. The game is in Britt, & there's no doubt, the Energizer Bunny will be there.

The high school pep band won't be playing at the game. I have a guaranteed seat however. I get to sit at a table with a fellow who broadcasts Britt West Hancock basketball games on a local FM station. He's news director for KLOW in Forrest City, Iowa. He & I have gotten to enjoy a special relationship as friends. Something that has become a tradition, as long as I've known him, is that after the game, he interviews me, in his post-game show, to get my perspective on "What I see" at these games. Last Thursday night, I told him that sitting up on stage as I do, I get an excellent view of what's happening on the court. We both had a great laugh over that one; as for those who don't know, I've been totally blind since birth.

This past weekend, was one of those you simply can't put a price tag on. I spent it with my Nephew

& his family in Cedar Falls. The time went fast; but there was no question that it was quality time at its very best.

When I think of highlights, attending the University of Northern Iowa Panthers basketball game with Illinois State last Saturday afternoon, would most certainly be one. The Panthers won by 9 points, which made it all the better. Add to this, walking down some 62 steps to get to the court. To sit where the players were; along with getting a picture taken with the player of the game, how cool is that?

The good times didn't stop there, however. Being with my nephew on the shooting range was absolutely incredible. To actually handle a 357 magnum, was so awesome! & to feel the power of that gun as I shot, (Wow!) is the only reaction I have. I didn't think of it Lion Barbara until you wrote your comments on Face Book; but Lion Tom & I did raise some eyebrows in tombstone; when we posed as gun slingers. That too, was an incredible experience. Good thing I had his back side covered.

The thrill of the experience yesterday, no words can adequately describe. Just enjoying a beautiful day; & enjoying time with my Nephew; whom I've been close to through the years. Connection. That is what this experience was about.

Your Energizer Bunny, Lion Gary

The Board of Directors representing your Lions Camp Tatiyee would like to announce openings in each district to the Camp Tatiyee Board of Directors:

District 21A: 2 seats (each has 3 year term) (there is also one vacant seat open)

District 21B: 2 seats (each has 3 year term)

District 21C: 2 seats (each has 3 year term) (there are also two vacant seats open)

We would like to encourage those Lions with a passion about their camp to seek a position. Experience in the following areas help, but are not mandatory: Administration, education, public affairs, rehabilitation, the medical field, marketing, law, real estate, engineering, contracting, philanthropy, human relations.

We ask the club to seriously consider their recommendations, as these candidates may become representatives for the Lions of Arizona. Please make sure the people who are seeking your recommendation are in fact the people you feel comfortable with in taking care of your state projects interests. Some questions to ask yourselves are: Does this individual have the best interest of Lions at heart? Are they open-minded? Can they work successfully as part of a team effort? Will they get involved in the actual work? What is their motivation for becoming involved with Lions Camp Tatiyee? We ask that you take these things into consideration before making your nomination to provide your camp with those Lions who will truly be committed to the best interest of your Lions Camp.

Camp Tatiyee's mission is to enrich lives of individuals with special needs by providing a life improving experience to promote their emotional health, independence, self esteem and confidence, all free-of-charge.

Lion Nan Rutkowski, Secretary
Lions Camp Tatiyee

LIONS CAMP TATIYEE DIRECTOR RESPONSIBILITIES

The Camp Tatiyee Board of Directors provides the legal and final approval for the Operations Budget, the composition and makeup of the Board of Directors, and all other Board actions that effect Multiple District 21 and Lions International.

The primary responsibilities of a Director for Lions Camp Tatiyee are fund raising and communication with Lions Clubs and the community. A Director shall receive no financial benefit from serving and will identify if there are areas of a conflict of interest. To assure an active and effective member, a Director for Lions Camp Tatiyee must fulfill the following qualifications and responsibilities.

QUALIFICATIONS:

- Be a member of an Arizona Lions Club in good standing
- Be elected at the Multiple District 21 Convention OR appointed by the Camp Executive Board to fill a vacancy.

RESPONSIBILITIES:

- ✓ Be responsible for at least one Board fund-raising project annually and for a Strategic Project as assigned.
- ✓ Attend and participate in Camp fund-raising events and identify/pursue community opportunities for promoting Camp.
- ✓ Actively participate in identifying and pursuing sponsors for Camp.
- ✓ Personally visit and develop a relationship with Lions Clubs as assigned.
- ✓ Attend all scheduled meetings of the Board (75% minimum required).
- ✓ Make an on-site visit to Camp and attend/complete a Board training seminar.
- ✓ Review financials and minutes and provide feedback.
- ✓ Abide by the bylaws and rules of the Board, MD21 and Lions Club International.
- ✓ Be informed about the Mission, Vision and Values of Camp.
- ✓ Help to identify potential Board members as needed.
- ✓ Annually complete a self-evaluation of year's activities and Board participation and give to the Board President on request.
- ✓ Other duties as agreed.
