**FREE ADS FOR CLUBS
FOR THE MID-YEAR! -
FREE ELECTRONIC
ADVERTISING FOR
CLUBS!!!**

We're trying something new – clubs will NOT pay to submit an ad for the Mid-Year Conference. There will be a program book but it will be made up of business ads. Please check out the ad form at the end of The BUZZ! and get businesses that you know to advertise for the Mid-Year.

This way we can keep the ads for the clubs FREE – saving your club's hard earned administrative money. We can only do this if you help us get business ads.

FREE Electronic Ads for the clubs! Each club can submit two ads – if you are supporting someone running for an office, recognizing a member, or advertising an upcoming event for your club – make an ad and then email the ads to Lion Brian Woloshin at lionbrianw@gmail.com Send each ad in jpg or pdf format. Lion Brian will put together an electronic presentation that will run continuously throughout the day but not during the leadership sessions.

When: September 28-30, 2015 (10 a.m.–5 p.m. on September 28th; 9:00 – 5:00 pm September 29th and 30th)

Where: Pima County Health Department, 3950 S Country Club Rd, Tucson, AZ 85714 (Room 1104)

What is DEEP?

Diabetes Empowerment Education Program (DEEP) is a licensed diabetes self-management education (DSME) curriculum developed by the University of Illinois, Chicago. DEEP was developed to provide communities with tools to better manage diabetes and is based on principles of empowerment and adult education. The purpose of this event is to train people to impart diabetes education to members of their community. Those who complete the three-day training will receive certification to conduct DSME classes in their community.

The DEEP curriculum is based on national diabetes care and DSME guidelines and recommendations. DEEP training stresses the development of skills and knowledge related to diabetes by using interactive group activities and adult-education methods. DEEP is designed as a six-week curriculum covering topics that include diabetes risk factors, complications, nutrition, physical activity, use of the glucose meter and medications, building partnerships with a diabetes healthcare team, psychosocial effects of illness, problem-solving strategies, and how to access community diabetes resources.

Who should attend a DEEP Train-the-Trainer training?

Staff members who work with people who have diabetes and conduct or plan to conduct DSME classes should attend.

Who will conduct the training?

The training will be conducted by DEEP Lead Trainers from HSAG. The training will be conducted in English, but the curriculum is also available in Spanish.

What is the cost?

There is no cost for the three-day training, but trainees must pay their travel, lodging, and food expenses.

How do I register?

Send your name, organization, address, email, and telephone number to Sandy Hudak, MS, RN, Health Information Technology Specialist, at shudak@hsag.com, and she will send you the registration form.

Questions? Contact Sandy Hudak at 602.801.6698.
