In 1973, having moved to the McFarlane Lake area, where Lion Harold helped charter the McFarlane & District Lions Club, and was Charter President in 1973-74.

In 1976, the club gave back their charter because there was not enough interest in Lions in the community. Due to an addition to the family, new job, and a mortgage on a new home, Lion Harold left Lionism to pursue a career for himself and support his family. Lion Harold joined the Sudbury Suomi Lions Club as charter member. Due to conflicting meetings, Lion Harold transferred to the Lions Club of Sudbury in 1999. Lion Harold has sat on the Board of Directors for many years and was President in 2002. In 2005, the Lions Club of Sudbury awarded him the Judge Brian Stephenson Award for his efforts. In February 2012, Lion Harold became a Melvin Jones Fellow, again sponsored by the Lions Club of Sudbury.

He has served on Cabinet as Zone Chair in 2003-04 and Region Chair 2008-2010, and has attended four Canada/USA leadership forums, and attended the Advanced (Senior) Lions Leadership Institute in Chicago. Lion Harold has been married for 46 years to Martha; they have 2 adult children, Carla and Gary.

DISTRICT A-5 GOVERNOR'S MESSAGE

Lions, Lionesses, Leos:

The theme for 2014-2015 is "**Strengthen your Pride**".

This year, Lions International President Joe Preston asks that **all** Lions, Lionesses and Leos, ask "One Person" to join your Lions Club.

Lions International is growing and we, in Canada, are starting to show positive gains in membership.

The Reading Action Program was such a success last year that the Board has extended it for at least 10 more years.

Our International President Lion Joe Preston challenges us to increase our women membership for the coming year.

The "ASK 1" program is a perfect way to increase membership. It is very rewarding not only to the sponsors, but Zone and Region Chairs and the District Governors Team, who also receive recognition. Are we up to the challenge? I know I am.

There are so many projects that Lions can be involved with within our District. Peace Poster Contest, Blind Essay Contest, Effective Speaking Contest and the Memorial Forest in Iron Bridge. In MDA, there are the Lions Foundation of Canada, Lions Quest Canada, Lions Home for the Deaf, Lions Camp Kirk, Lake Joseph Centre and Camp Dorsett. Please remember all these great Lions projects when looking to donate some funds.

We must remember that our own communities, where we derive our funds, are also very important and should be supported first and foremost.

I would like to remind each club about the Club Excellence Award. This prestigious excellence award is for clubs that excel in community service, membership growth, communication and organizational management.

Hope to see as many as possible at our District Convention in North Bay on April 10-12, 2015.

Strengthen the Pride through **Service.**

Strengthen the Pride through **Membership Development.**

Strengthen the Pride through **Leadership.**

Strengthen the Pride by **Strengthening your Club.**

Strengthen the Pride through **Partnerships.**

Strengthen the Pride through **Rededication.**

Strengthen the Pride through **Giving**

Strengthen the Pride through **Creativity.**

Strengthen the Pride through **Courage and Conviction**

I look forward to working with you as your Team Leader.
Let's show the World what we can do together.

Yours in service

Lion Harold Huhtanen - District Governor A5 2014-2015

District Governor Project

This year's the Governors Project will be the District A-5 Memorial Forest located in Iron Bridge Ontario.

The Memorial Forest was started in 2008.

The land is now maintained by the Iron Bridge Lions Club along with the Memorial forest Committee.

It has trees planted in the memory of loved ones or to honour members of our clubs.

I hope that every club will consider making a donation of a tree, or a monetary donation, to the Memorial Forest project.

Plans are in place for a gazebo, walking paths and park benches.

We are grateful for the countless that volunteers from the various clubs contribute in planting trees, and the upkeep of the property.

The gazebo, for example, could be built on a weekend with volunteers wishing to come for the day or two. The materials along with a 'knowledgeable boss' and the Lions Clubs could make this happen.

Let's get behind this worthwhile project and make it a truly beautiful place to visit for the day. A lot of hard work has gone into it, so now is the time to give it a kick-start for phase 2.

Thank you for considering this project.

Yours truly,
Lion Harold Huhtanen
A5 District Governor

Code of Ethics

To Show my faith in the worthiness of my vocation by industrious application to the end that I may merit a reputation for quality of service.

To Seek success and to demand all fair remuneration or profit as my just due, but, to accept no profit or success at the price of my own self-respect lost because of unfair advantage taken or because of questionable acts on my part.

To Remember that in building up my business it is not necessary to tear down another's; to be loyal to my clients or customers and true to myself.

Whenever a doubt arises, as to the right or ethics of my position or action towards others, to resolve such doubt against myself.

To Hold friendship as an end and not a means. To hold that true friendship exists, not on account of the service performed by one another, but that true friendship demands nothing but accepts service in the spirit in which it is given.

Always to bear in mind my obligations as a citizen to my nation, my state, and my community, as to give them any unswerving loyalty in work, act and deed. To give them freely of my time, labour and means.

To Aid others by giving my sympathy to those in distress, my aid to the weak and my substance to the needy.

To Be careful with my criticism and liberal with my praise; to build up and not destroy.
