

# Lioness District 11-C2 Newsletter

May 2013

Newsletter Editor Lioness Denise Temple

Edition 9

**"The world's favorite season is the spring.  
All things seem possible in May."**

**~Edwin Way Teale~**

Happy spring fellow lionesses! Just as spring is a rebirth and a fresh start, our clubs are also in planning stages for next year. Thank you to everyone who attended my last cabinet meeting. We had a wonderful breakfast and enjoyable meeting while wrapping things up for the year.

Lioness Tracy Temple IPDP is in full gear of planning for next year. He has all of his committees assigned except Youth Opportunities. If you are interested in helping the District out by serving on the Youth Opportunities committee, please call Lioness Tracy soon. Club officer and District officer training is also scheduled, look for more information in the newsletter.

Thanks to all of YOU for making this a wonderful year of new friendships, strengthened friendships and amazing memories!

## HAPPY MOTHER'S DAY

**Happiness, like most things, comes  
from mothers.**

**An amniotic universe is rare.**

**Paradises aren't found with others.**

**Perhaps because we must breathe our  
own air.**

**Yet even after paradise, we find**

**Mothers are a bath of warm affection.**

**Only Mothers' love is truly blind**

**To guarantee all errant souls  
protection.**

**However we find love, it can be only**

**Evanescence of memories**

**Retained from when we never could be  
lonely,**

**'Ere we left our mother's outsized  
knees.**

**So good it is to have that happiness**

**Designed to grace each subsequent**

**caress, all future love and joy to**

**underlie, yearning backwards towards  
a mother's sigh.**
