Holt Lions Club Annual Picnic

One of the fun things that our club does is the Annual Club Picnic. Following are some pictures from the picnic.

As you can see our cooks were busy cooking the hot dogs and hamburgers. The cooks were Lions John Elsinga and Denver Harless.

Lots of good conversation.

As you can see there was a lot of good home cooking.

KidSight

On July 15, 2017 the hold Lions Club sponsored the KidSight trailer at Community Cookout by Men Making a Difference. This is a free event for everyone including all the free food (hotdogs and hamburgers) you can eat. There were lots of venders and local live music.

The KidSight screening was very successful. We screened 29 children with 6 referral's. Thanks to Lions Ruth Hinkle, Ray Robins, and Lloyd Kilbreath.

Men Making a Difference will be our program on Thursday 3rd.

Lions Ruth Hinkle and Ray Robins ready for signup for the screening.

Lions Ray Robins and Lloyd Kilbreath. Lion Lloyd was a lift saver for everyone there. Everyone lost power Lion Lloyd found the main switch and turned it back on. If not for that we would have had to wait for someone from the city to fix it.

You will notice in the upper right hand corner of the picture is a pop up tent. These are supplied with every trailer now. They are very nice and easy to put up.
