District Governor Message

Bridging the Gap

The world has faced many challenges this year. My question to you is “What can our District do to overcome these challenges our Lions Clubs are facing? When I picked my theme for this year, I had no idea what obstacles the Lions all over the world would be facing in the future.

So, this will be the year we truly bridge the gap and cross over the bridge by working together to continue to be the great District we are. I look forward to working with all of you as we continue to serve our communities as Lions, Lioness and Leos.
