District 11C-2 Lions & Lioness!  
DID YOU HAVE A FUN TIME?  
2014-15 CONVENTION RECAP

This recap of the convention is my opinion and might not be a true picture of what everyone thought.

Even though Lioness Tracy and I had troubles with our room registration being lost, the hotel did a nice job with trying to make sure our Convention was a good one. The staff were all very courteous and friendly, and seemed to cater to everyone's needs. The food, although a little repetitive, was very tasty and plentiful. It's not always easy to serve a large amount of people at one time and have everything be edible. The DJ did a great job playing music that the majority of the crowd enjoyed dancing to. I liked his light show and only wish that more Lions and Lioness were in attendance. The snack food that they served Friday night was better than I remember ever having. Our Lioness Awards breakfast was real nice. Our District President handed out gifts to all that worked on a committee or on her cabinet. Included in her gifts, were some hand painted items that had to have taken Lioness Jean Stahl quite a long time, they are beautiful! We had a small glitch at our business meetings with the PA system, but the Hotel staff fixed it and our meetings went well. The Lion's luncheon was well organized. It's always nice to see good people be recognized for being a great Lion or Lioness! Lion/Lioness Tracy Temple PDP and Lion Russ Amidon 1VDG put on a very heartwarming tribute to our Military. I wasn't able to attend any of the breakout opportunities, but I heard that they all went well. It's always fun to get dressed up for the formal dinner on Saturday night. Everyone looked marvelous! I thought that Lion Jack Epperson ID did a great job speaking to us, he and his wife seemed very friendly and truly happy to be with us. As always, Lion Mike Golden did a great job with the raffles. It is very difficult to gather prizes that everyone will be interested in winning, at a good price. We had our joint hospitality rooms in the main reception area, but I think that went well too. We had way too much food and drink, it didn't seem like we had very many that came for refreshments. We used the shotski a few times, but some of our regulars (Wendy, Stan and Jen) were MIA! Everyone did a great job of pitching in to clean up the hospitality room at the end of the night. The Memorial Brunch was beautiful as always! Lion/Lioness Dave Bennett PDG did a great job along with Lion Bob Tetzlaff PDG. I really wish that more Lions and Lioness would attend our annual convention. This is the one time to be together and see firsthand what can be done with all of our hard work. It is also fun to hang out with Lions and Lioness that are from other clubs. Tracy and I have made so many friends through Lionism and you are all very important to us. Next year we will be in Grand Rapids for our convention! Lion Jim, Lioness Karen and your convention committee – GREAT JOB!
