Editor: Lion Robert Tetzlaff PDG

April 2021

From the desk of the Governor

Well time is flying by and it is that time of the year for all clubs to report the officers for the upcoming 2021-2022 Lions year. You will need to use the PU-101 form which can be found online at Lions International. I am happy to announce that most clubs have turned the lights back on and are meeting and serving their communities. Now that clubs are meeting it is important that

all clubs are reporting their meetings and activities. If you need assistance on how to file the report, the district team is available to help.

As you probably heard by now, International has waived the \$35 initiation fee until June 30th 2021. So please use the two famous words "Just ask" to your family, friends, co-workers and anyone you meet to tell them what a wonderful organization the Lions Club is and what we do for our communities. Please also see the Club Excellence application in the newsletter, I would love for lots of clubs to qualify.

Watch for information on our District Convention, the Multiple District Convention and the International Convention coming soon. If I have not had the opportunity to visit your club, I will be emailing and calling to set a date up. If there is anything I can do to assist your club, please reach out to me anytime. We are looking forward to seeing you at the District Convention on June 12th at Bear Lake Camp. There is more information on the convention in this newsletter. In closing, our family wishes your family a Happy Easter!

Adopt-a-Highway

Chairman Gerry Goffin says that "just like the Robins, the Adopt-a-Highway event says Spring is here" and the great outdoors is calling, it's time to "take a hike" along Michigan's roadways.

Lion Gerry has dates for the three scheduled clean-ups on Highway M-43 this year. He has sent out messages to his regular team members from previous trips, but is also interested in having additional thrill seekers to come along, searching for the unknowns presented to us through the long cold months.

Youth Exchange

We would like to congratulate Thaina Minela for her awards she received from Michigan State University.

Thaina came to Michigan originally for Lions of Michigan Youth Exchange Camp 2017. Thaina was a LEO in Brazil. She extended her stay and did an internship at MSU in the Animal Science department working with dairy cattle. She made such a good impression that MSU invited her back to continue her education after going back to Brazil to attend her graduation from Veterinary School. She returned and got another degree and another scholarship. In February she received an award for:

Outstanding Masters student and Outstanding Teaching in the Animal Science department.

Congratulations to our Brazilian daughter!!

Yes, we hosted her, and she still lives with us. Probably will for three more years till she gets her Masters. I forgot to put in there that Steve & I went to Brazil for her graduation from Veterinary School.

Bridge Trivia:

Last month's trivia question: How many bridges are there from lower Michigan to Canada?

Answer: Three

I hope everyone enjoyed this year's trivia contest, thank you for playing. Due to there being no Friday night fun night before the convention there will be nothing awarded for playing, but we hope you enjoyed it.

Lions of Michigan Foundation Dr. Robert Mathog Lions Hearing Centers

Cookbook Fundraiser

Lions Clubs are well known throughout the world for the services we provide to help people with hearing and vision loss. Nearly a century ago, Helen Keller challenged Lions Clubs to be "Knights of the Blind," and she declared that "the problems of deafness are deeper and more complex, if not more important, than those of blindness. Deafness is a much worse misfortune, for it means the loss of the most vital stimulus — the sound of the voice that brings language, sets thoughts astir and keeps us in the intellectual company of man."

Our new Lions Hearing Centers Cookbook was developed to create awareness for the treatment of hearing loss and to provide funding for our Michigan Lions Affordable Hearing Aid and Hearing Screening Programs, which offer affordable hearing care options for Michigan residents.

With your help, we can continue to change the lives of thousands of Michigan residents who need and depend on the Lions Clubs of Michigan and our partners, sponsors and friends for the treatment of the their hearing loss. As a Public Charity, all contributions to the Lions of Michigan Foundation are tax deductible to the full extent allowed by law. We appreciate your support!

Why report service

How do clubs and districts individually benefit from reporting service?

- » Reporting service helps transfer knowledge and best practices to your club's future leaders. Club officers can review past service activity reports, learn from the successes of the club's previous activities and better plan for their future activities.
- » Reporting service is a matter of local pride. Reporting puts your club on the map as leaders in your local community, and it's an important way to share success with other clubs in your district and around the world.
- » A high percentage of clubs reporting service is a sign of a healthy district.
- » Reporting service allows you to become eligible for service awards.

How do clubs and districts collectively benefit from reporting service?

- » Reporting shines a light on how and where local clubs are making a difference. This elevates the profile of Lions Clubs International as a global service club organization.
- » Service reports provide tangible evidence of our global engagement and impact to prospective partners of Lions Clubs International. These relationships strengthen the organization and yield benefits at the local level.
- » People want to participate in real, visible change. Service reporting allows clubs to continually engage communities, tell stories more effectively and ultimately grow their member base.

How does reporting service benefit the people we serve?

- » Service data helps everyone understand the needs of communities around the world and how our Lions and Leos are serving those needs.
- » Because service activities are scalable, one small service project can become the next global initiative of the organization. But Lions Clubs International is not aware of such projects unless they are reported.
- » Service data enables Lions Clubs International to identify best practices that can be shared globally.
- » Measurement leads to insight. Setting higher goals each year mobilizes the organization toward growth.
- » Service reports show how Lions and Leos around the world are using funds from Lions Clubs International Foundation grants to serve their communities. This visibility encourages Lions and Leos to think creatively about their own projects and apply for LCIF grants themselves.

Additional benefits

- » Reporting is the final step in completing a service project. If it's not reported, it's not done!
- » Reporting service is a lot like voting. You may think your report doesn't make a big difference, but the only way we'll be successful is if everyone does their small part.
- » Reporting is considered service in itself. The time clubs and districts spend reporting their service are considered volunteer hours, and can be reported in MyLion.
