Editor: Lion Robert Tetzlaff PDG

## August 2020

### From the desk of the Governor

Hello Lions, Lioness and Leos of 11-C2

I am Lion Kurt Stromlund your new District Governor. I have been a Lion for over 11 years. I have never seen you Lions so quiet!

My fellow MI Governors and I are looking forward to **turning the lights back on**. We think it will be an individual Lion by Lion, club by club process, but we stand prepared and ready to help whatever you need us to do.

I recently read an interesting article about having 3 types of Lions.  
**Red Light Lions:** Sheltering in place until the virus eradicated. **Yellow Light Lions:** Meeting and serving if safe practices are in place and **Green Light Lions:** Who are ready to serve, meet and lead as we always have done. I liked the concept.

Personally I am probably a yellow light Lion right now. Whatever color Lion you are is OK. These are not bad or good categories. All Lions are GREAT. Everyone should maintain their level of comfort in the era of COVID-19. In any case there are ways to meet and serve regardless of the glow of your light.

We are hoping your lights have not faded nor your enthusiasm been dampened with inactivity. We have good ideas on how to safely start (Be it after a summer recess or COVID-19) and live up to our "we serve" motto again.

Thank you to everyone that attended our first cabinet meeting. Thank you to everyone that helped make this meeting happen during these trying times.

My cabinet and I are more than happy to assist your clubs anyway we possibly can. Please reach out to us, anytime you need.

*Lion Kurt Stromlund DG*

## Peace Poster Contest

Hello Lions Club President's and Secretary's

My name is Gail Robins and I have been asked to take over the Peace Poster Contest on behalf of Marion Ramer who is experiencing serious health issues.

As we are all aware this has been an incredibly challenging year in many, many respects. The uncertainty over whether or not students will return to the physical classroom has played a huge role in the delay in determining if we should attempt to hold the contest in our district. Governor Kurt met with the other governors yesterday and the decision was made to go forward.

Therefore, if your club has not ordered the kit, I urge you to do so as soon as possible. They are available at [shop.lionsclubs.org](http://shop.lionsclubs.org). Please forward completed projects to me at:

Gail Robins  
1851 Persimmon Path  
Holt, Michigan 48842

The deadline for receipt is October 25, 2020 so that the district winner may be selected by the committee at the next cabinet meeting October 28, 2020.

Sincerely,  
Lion Gail Robins

## Trivia Contest

Hello fellow Lions, each month you will find a trivia question hidden someplace in the newsletter. The next month we will publish the answer to the previous months question. Once you have the answer to the question submit it to DG Stromlund at [stromlund@sbcglobal.net](mailto:stromlund@sbcglobal.net). At the District convention there will be a drawing on Friday night of all the people that have submitted the correct answers each month. Three people from the drawing will get Saturday morning breakfast for free if their name is drawn Friday night.

**Trivia Question this month:**

**What year was the Mackinaw Bridge completed?**

"The American Diabetes Association identifies this  
program as meeting the Diabetes Support Initiative  
criteria for support programming."

**Diabetes PATH** is a self-management workshop where  
you learn tools to manage diabetes. Over the course of six  
weeks, you will learn strategies to help you:

- deal with difficult emotions,
- develop a healthy eating and exercise plan,
- set goals,
- problem solve, and
- a variety of other tools to manage diabetes.

Adults of all ages interested in diabetes and residents of  
Michigan may attend, including adults with prediabetes,  
type 2 diabetes, their family members and caregivers.

***This workshop series is for Michigan residents and funded  
by a generous grant from Lions Club International.***

# Why report service

## How do clubs and districts individually benefit from reporting service?

- » Reporting service helps transfer knowledge and best practices to your club's future leaders. Club officers can review past service activity reports, learn from the successes of the club's previous activities and better plan for their future activities.
- » Reporting service is a matter of local pride. Reporting puts your club on the map as leaders in your local community, and it's an important way to share success with other clubs in your district and around the world.
- » A high percentage of clubs reporting service is a sign of a healthy district.
- » Reporting service allows you to become eligible for service awards.

## How do clubs and districts collectively benefit from reporting service?

- » Reporting shines a light on how and where local clubs are making a difference. This elevates the profile of Lions Clubs International as a global service club organization.
- » Service reports provide tangible evidence of our global engagement and impact to prospective partners of Lions Clubs International. These relationships strengthen the organization and yield benefits at the local level.
- » People want to participate in real, visible change. Service reporting allows clubs to continually engage communities, tell stories more effectively and ultimately grow their member base.

## How does reporting service benefit the people we serve?

- » Service data helps everyone understand the needs of communities around the world and how our Lions and Leos are serving those needs.
- » Because service activities are scalable, one small service project can become the next global initiative of the organization. But Lions Clubs International is not aware of such projects unless they are reported.
- » Service data enables Lions Clubs International to identify best practices that can be shared globally.
- » Measurement leads to insight. Setting higher goals each year mobilizes the organization toward growth.
- » Service reports show how Lions and Leos around the world are using funds from Lions Clubs International Foundation grants to serve their communities. This visibility encourages Lions and Leos to think creatively about their own projects and apply for LCIF grants themselves.

## Additional benefits

- » Reporting is the final step in completing a service project. If it's not reported, it's not done!
- » Reporting service is a lot like voting. You may think your report doesn't make a big difference, but the only way we'll be successful is if everyone does their small part.
- » Reporting is considered service in itself. The time clubs and districts spend reporting their service are considered volunteer hours, and can be reported in MyLion.

## **Lions Clubs of Michigan**

My fellow Lions,

SD10 and MD11, Lions International

Meeting safe and the safety of all our Lions members and guests is all of our responsibility. From the State Office to the District Governors all the way down to the club level. To help us all I'd like to provide you with this safety meeting outline. Where ever you might gather these guidelines could save many should the COVID virus come calling. This can be applied to indoor meetings as well as outside meetings. This outline was designed by PID Jenny Ware and I feel it is very well done.

1. Outside have simple entry area set up. All Lions are asked to use the front door for a single point of entry.
2. Masks are to be worn upon entry where they will sign in and provide a contact number.
3. Masks are to be worn upon entry and at all times during the meeting if able. Masks will be provided if needed.
  - a. For those that are not able to wear masks due to medical conditions, you will not be asked about your health. We honor your privacy.
4. COVID screenings will be completed at the door. Please fill out the screening with either your own pen or a sanitized pen will be available.
  - a. These forms will be placed into an envelope and sealed for protection of confidentiality. The envelope will be given to the Cabinet Secretary.
5. Your temperature will be taken with a Touchless Thermometer. If your temperature is 100.4 or greater, you will be asked to leave the building and contact your doctor's office for further direction.
6. Physical distancing of 6 feet will be expected. Seating will be arranged to reflect this standard.
7. If food and beverages are being served, contact your local Health Department for guidelines to be followed.

Our State of Michigan Governor has established Regions within our state. The guidelines may differ depending on where you are located. Be sure to research the criteria for your Region, especially right before the event as guidelines can change quickly. For instance here in southwest Michigan, Region 3, we are limited to an indoor meeting of 10 people or less and outdoors of 100 people, with all meetings practicing the things we have outlined and the need to follow social distancing.

Thanks and stay safe!

# Lions and Lioness, We Need You!!

Please join us to build a vision for District 11-C2 and set our course for the future!

On behalf of District Governor Stromlund, I am pleased to invite you to participate in our Build a Vision summit.

As a valued member of our district, you will join District Governor Stromlund and other district leaders in the development of a vision for our district that attracts more members, serves more people and assists each of us in our quest to be the best we can be.

**The summit will be on Saturday August 15th from 10am to Noonish by ZOOM**

When faced with a challenge, Lions charge toward success. The Lions of district 11-C2 are ready for a new challenge. Our communities need us and we need your ideas. With your active participation, we can wake the sleeping Lions inside of us and begin to serve like no other organization.

Sincerely,  
Lion Brent
