Hello my fellow lions! Well the Holidays are in our rear view and spring is not far away! MICHIGAN LIONS FORUM BREAKING NEWS On Friday Jan. 21, Executive Director Wendy Burns was advised that the hotel where the Forum was to be held has new ownership. They have cancelled all upcoming events. That means, of course, that we won't have an in-person Forum this year.

If you've already registered, your check will be returned to you. Additional administrative details will be communicated as they are resolved in the next few days.

In the meantime, your Forum Committee will scramble to create a terrific virtual alternative. Stay tuned for more information!

I am still visiting clubs and so far the weather has been cooperating. Please keep working at reporting your service as it is very important to our organization. If you are struggling with this and need help, please let me know and I will connect you with some help. This reporting continues to be one of my goals for this year and it's great to let everyone know what great work you are doing!! Lion Robert Tetzlaff, the District Newsletter Editor, would absolutely love to receive pictures and articles for the newsletter. We are still without a 2nd Vice District Governor and the last day to send in a nomination is March 15, 2022, after that a nomination would have to come from the floor at convention.

Lion Lloyd Kilbreath will be holding a Project Kidsight training session on February 12, 2022 at 10:00am at the Lions State Office. Please try to RSVP to Lion Lloyd at 989-413-2054.

Stocking Stuffer

The Stocking Stuffer was a great success. This Zone 1 activity yielded 60 stockings, delivered to 3 local shelters for victims of domestic abuse. Our club donated to EVE: Ending Violent Encounters in Lansing. Other donations went to Sirens in Eaton County and the Safe Center in Clinton/Shiawassee County. Participating Clubs are all former Lioness Clubs so this project has special significance to all of us.

He has “thrown his hat in the ring” to run for the new US congressional district that includes Clinton County. He’s planning to retire as a National Guard helicopter pilot.

Lions and Leos Collect Eye Glasses

The Mason Lions Club and Mason Middle School Leo Club are recycling eyeglasses and hearing aids in a special drive running through February. Giving the gift of sight to people around the world by collecting used eyeglasses has been a mission of Lions Clubs for many years. The Mason clubs have just doubled the number of locations with collection drop boxes in the community.

The existing locations where used eyeglasses and hearing aids can be donated include Professional Eye Care, Mason Family Eye Care, Wares Pharmacy, Jones Vision Center, Sam’s Club, and Vickers Leslie Funeral Home. Just this past month, the Lions have added new drop box locations at St. James Catholic Church, Mason Middle School, Mason City Hall, Mason First United Methodist Church, Modern Woodmen Fraternal Financial, and the Mason Library.

The box maintenance and used eyeglasses collection responsibilities are handled by Lions, Leos, and volunteers headed by Mason Lion Lynne Mark. Club members pick up donated used eyeglasses and hearing aids from these boxes all year.

“Donate glasses and change someone’s life,” suggests Doug Klein, secretary of the Mason Lions Club. “You are helping a child learn to read, helping an adult succeed in their job, or helping a senior maintain independence.”

Globally, 2.2 billion people live with vision impairment one billion of those impairments are preventable and correctable, according to the World Health Organization. That’s why Dr. Chad Linsley of Mason Family Eye Care has been on several mission trips helping people improve their eye health in other countries.

As an optometrist, Dr. Linsley has an acute interest in third-world eye care and has participated in short-term humanitarian trips to Haiti, Guatemala, Peru, Kenya, and Costa Rica. “We rely on donated glasses from Lions Clubs and are grateful for their important work,” he added.

Lions of Michigan Forum Canceled

Fellow Lions,

The Lions Michigan Forum committee is disappointed to announce that we will not be able to hold an in-person Forum this year due to the cancellation of all events at the Holiday Inn Gateway Centre, Flint.

We will move forward with a virtual Lions Michigan Forum, to be held on February 26. **Please watch for notification and registration for this free event!** The Forum committee had great success with a virtual event last year and we will continue the tradition of the Lions Michigan Forum excellence offered to our membership for over 20 years.

Attached, please find a White Cane Order form to share with your clubs along with this information. Orders will be shipped from the Lions State office as they are received. White Cane Week is April 23-May 1, 2022.

LCIF Update

As of today clubs world wide have joined together to bring our total to **\$252,854,086 million Dollars as of January 28, 2022.**

The gap to \$300 million is growing smaller each week! I keep saying we do not have to raise \$300 million right here is our area, but with everyone's help world wide, I do believe we will **Finish Strong** and achieve our goal.

Lions Learning Opportunities in District 11-C2

Things are going slowly in the land of learning, but they ARE going! So far this year we've held training sessions for Zone Chairs and Guiding Lions.

We desperately need to have in-person training for our club officers. However, with event venues opening and closing on short notice because of staff shortages, it's iffy to plan for in-person. As a substitute, I offer is this: If you would like either a Club President training session or Lion's orientation for yourself or a group of persons, I am willing to provide that in person. You just have to find a place to do it. I'll do the same for Lion's orientation.

In the meantime, there are some outstanding e-Books on the LCI website for club presidents/vice presidents, secretaries, treasurers, and membership chairs. To get a copy,

go to the LCI website (www.LionsClubs.org)

click on the magnifying glass on the right side

Type "e-Book" into the search box that comes up

Your search results will list LOTS of e-Books! Choose any or all that you'd like to explore and download them.

They are in .pdf format.

A nice feature of these e-Books is that they contain live links to the LCI website for the topics they cover. That cuts way down on the search effort on the web!

For more learning opportunities, sign in to MyLCI/MyLion and check out the Lions Learning Center. There's lots to explore there!

If you have specialized topics for which you'd like a training session, please let me know. Your Zone Chair also likely has some good ideas to share.

Happy learning!

October 2021

Dear Fellow Lions:

After the disappointment of not being able to travel to Singapore and Beijing, the Lions of Michigan All State Band is ready for our tour to Montreal!! LMASB is preparing for its 42nd year of representing Michigan Lions at the International Convention. As Lions, we can be very proud of these young men and women who represent our state and our association with pride!

The Board of Directors and the students who have participated in this previous tours want to thank you for your support and for making the All State Band one of the most acclaimed youth programs in the state and in our International Association.

Our 2022 Tour to Montreal will once again provide students with exposure to the Lions' motto, "We Serve," as well as opportunities for new and exciting travel experiences.

Tryouts will be online this year and we will only be accepting electronic auditions (CDs, DVDs, .wmv, .wav or .mp3 files via email and can be sent to Jason Russell, LMASB Director, at trumpetfan_01@yahoo.com.

I am enclosing the poster that was shared with over 1800 band directors and we are asking you to share these with your clubs. Online application will be the only way to register, and details can be found on the Lions of Michigan website at www.lionsofmi.com.

This year's tour cost of \$2,795.00 is an all-inclusive price for a 6-day tour including the cost of transportation, hotel rooms, meals, admissions, travel uniform, and a 3-day band camp.

If your club has recently made a donation to the LMASB, thank you for your generosity and your support. If your club has not yet contributed, or if you would consider increasing your donation by \$5, \$10 or \$25 to help us cover the operating expenses of the band, your support would be greatly appreciated.

Please consider making a donation. We understand that this year has been a very difficult and financially strained year however, now, more than ever, it is imperative that we support our young people as they strive for normalcy. Individuals can also make tax-deductible contributions. Each donation helps the band continue to represent the Lions of Michigan at Lions International Conventions throughout the world.

Please send all donations to the Lions of Michigan State Office.

On behalf of the 2022 Lions of Michigan All State Band, thank you for your continued support!

Cookbook Fundraiser

Lions Clubs are well known throughout the world for the services we provide to help people with hearing and vision loss. Nearly a century ago, Helen Keller challenged Lions Clubs to be "Knights of the Blind," and she declared that "the problems of deafness are deeper and more complex, if not more important, than those of blindness. Deafness is a much worse misfortune, for it means the loss of the most vital stimulus — the sound of the voice that brings language, sets thoughts astir and keeps us in the intellectual company of man."

Our new Lions Hearing Centers Cookbook was developed to create awareness for the treatment of hearing loss and to provide funding for our Michigan Lions Affordable Hearing Aid and Hearing Screening Programs, which offer affordable hearing care options for Michigan residents.

With your help, we can continue to change the lives of thousands of Michigan residents who need and depend on the Lions Clubs of Michigan and our partners, sponsors and friends for the treatment of the their hearing loss. As a Public Charity, all contributions to the Lions of Michigan Foundation are tax deductible to the full extent allowed by law. We appreciate your support!

Why report service

How do clubs and districts individually benefit from reporting service?

- » Reporting service helps transfer knowledge and best practices to your club's future leaders. Club officers can review past service activity reports, learn from the successes of the club's previous activities and better plan for their future activities.
- » Reporting service is a matter of local pride. Reporting puts your club on the map as leaders in your local community, and it's an important way to share success with other clubs in your district and around the world.
- » A high percentage of clubs reporting service is a sign of a healthy district.
- » Reporting service allows you to become eligible for service awards.

How do clubs and districts collectively benefit from reporting service?

- » Reporting shines a light on how and where local clubs are making a difference. This elevates the profile of Lions Clubs International as a global service club organization.
- » Service reports provide tangible evidence of our global engagement and impact to prospective partners of Lions Clubs International. These relationships strengthen the organization and yield benefits at the local level.
- » People want to participate in real, visible change. Service reporting allows clubs to continually engage communities, tell stories more effectively and ultimately grow their member base.

How does reporting service benefit the people we serve?

- » Service data helps everyone understand the needs of communities around the world and how our Lions and Leos are serving those needs.
- » Because service activities are scalable, one small service project can become the next global initiative of the organization. But Lions Clubs International is not aware of such projects unless they are reported.
- » Service data enables Lions Clubs International to identify best practices that can be shared globally.
- » Measurement leads to insight. Setting higher goals each year mobilizes the organization toward growth.
- » Service reports show how Lions and Leos around the world are using funds from Lions Clubs International Foundation grants to serve their communities. This visibility encourages Lions and Leos to think creatively about their own projects and apply for LCIF grants themselves.

Additional benefits

- » Reporting is the final step in completing a service project. If it's not reported, it's not done!
- » Reporting service is a lot like voting. You may think your report doesn't make a big difference, but the only way we'll be successful is if everyone does their small part.
- » Reporting is considered service in itself. The time clubs and districts spend reporting their service are considered volunteer hours, and can be reported in MyLion.
