## From the desk of the Governor

Happy New Year! As we go in to 2022 Full Steam Ahead, we still have a lot of work to do helping our communities and supporting our projects. Help me with one of my goals by remembering the importance of reporting all of the wonderful services that you are performing. Part of having an effective Lions district is having great people in leadership positions. We are currently in need of a 2nd vice district governor. If you have ever thought of stepping in to a leadership role, now is the time. Please reach out to me if you are interested, you would have a lot of support and training. Although being Governor has been busy, it has been my pleasure to work with an amazing group of friends, I highly recommend it and we need your help.

## Bit of Wisdom

Don't mix bad words with your bad mood. You will have many opportunities to change a mood, but you will never get the opportunity to replace the words you spoke.

## Ovid Lions Club

This year, thanks to a grant from Modern Woodmen of America, every dollar we raise on our cheese sale is matched. Our purpose is to raise money to develop Veterans Memorial Park. The photo above is a concept of what we could do to develop the area near the flagpole and cannon.

What started with the purchase of a bench, has sparked ideas for a great way for our Club to make a lasting contribution to our community.

Don't be bashful - ask a friend or family to join the Lions Club.

## East Lansing/Meridian Lions Club

Chris Gliniecki

Another helpful person the East Lansing Meridian Lions Club is thanking for his support. He is the son of Lion Carrie Agnew. His name is Chris Gliniecki. He lives in Cincinnati, OH. The home of Matthew 25 Ministries. Chris delivers Empty Pill Bottles and Cleaned Hard Case Eyeglass containers to the ministries at least 2 times a month when he visits his Mother here in Michigan. Chris estimates he has delivered over 1000 pill bottles and 1000 eyeglass cases. Sometimes he has to make more than 2 trips to keep up. Thank you supportive Lions in the District! Chris is 35 and enjoys serving. Our club has provided him with a gift card as payment for his work for the past 2 years!. Pictured are Chris and one of his many deliveries.

### **LCIF Update**

So far, LCIF has approved \$120,000 in grants for community recovery efforts in the hardest hit area of Kentucky, and multi-state relief efforts. Lions are currently working with local Emergency Management Services to determine a plan of action once rescue and recovery efforts are completed by first responders. Follow the instructions below to guarantee you received the MJF credit and credit towards the Campaign 100.

Here are key points for donations to Midwest Tornadoes:

- All donations are MJF credit eligible and applied to Campaign 100 for personal or club goals.
- General Disaster is a restricted fund so although donations receive MJF credits, they are not eligible for District Club Community Grants.

Make a credit card donation at this link: <https://www.lionsclubs.org/en/donate> check the General Disaster option, then e-mail a copy of the receipt to [donorassistance@lionsclubs.org](mailto:donorassistance@lionsclubs.org) and indicate for Midwest Tornadoes.

- To make a donation by check – Make checks payable to LCIF, indicate General Disaster/Midwest Tornadoes in the memo field. Mail to: LCIF, Department 4547, Carol Stream, IL 60122-4547.

- Be sure to include donor information and an allocation by donor list, if individual donors are expecting to receive donation and MJF credits for their donations, but the club is consolidating the funds into one overall check.

Note processing time for new donations will be a bit slower due to the upcoming holiday and office closures.

## LIONS MICHIGAN FORUM SERVICE PROJECT-FRIDAY, FEBRUARY 25

Recycling clothes can have significant benefits overall. Did you realize that: Clothes or textiles are one of the fastest-growing waste streams? Most clothes contain plastic. They can take hundreds of years to break down in landfill, just like water bottles, and can contaminate the environment with dyes and chemicals.

A quick internet search reveals that current levels of textile and clothing recycling have the highest impact on reducing greenhouse gases. The EPA reports that “clothing recycling today has an equivalent impact of removing one million cars from the roads of the United States.” Pretty incredible.

Lions have done a great job with recycling plastics, cans and bottles and now -clothing and household goods have been added to the recycling list. Many clubs operate resale, or thrift shops. We'd like to showcase this in a fun way on Friday, February 25<sup>th</sup> during our Forum Service Project by hosting a fashion show with models wearing their thrift store treasures.

Come dressed for the occasion! Participants in the fashion show are restricted to a \$25.00 budget. Bring your clean, winter gear donations to benefit clubs operating resale stores. Donations will be divided equally and clubs that operate a resale shop will be given first choice. Any leftover items will be donated to a local resale shop in the Flint area.

### **SUGGESTED DONATIONS – PLEASE BRING ITEMS IN CLEAN, GOOD CONDITION WITH MINIMAL WEAR:**

**WINTER COATS (Men, Women, Children, Infant)**

**WINTER HATS**

**GLOVES, SCARVES, MITTENS**

# LIONS OF MICHIGAN FOUNDATION

## 36th Annual Sight & Hearing Sweepstakes

Your Lions Club can earn easy money for your local projects and help the Lions of Michigan Foundation by selling tickets for the Sight and Hearing Sweepstakes. The more tickets you sell, the more money your club earns - up to more than 1/2 of your total ticket sales. The Oscoda and Alpena Lions Clubs earn more than \$2,500 annually from their participation in the Sight and Hearing Sweepstakes. **YOUR CLUB CAN DO THE SAME!**

Each year, our foundation partners with Lions Clubs throughout Michigan to help people with sight and hearing disorders, and the Sight and Hearing Sweepstakes provides the bulk of the necessary funding for that help. There are no risks for your club to participate in the Sight and Hearing Sweepstakes – only benefits. And, **REMEMBER**, you might also win one of the many cash prizes available, including the \$5,000 Grand Prize!

**30 - 99 TICKETS SOLD = \$3.50 PER TICKET FOR PARTICIPATING CLUB**  
**100 - 249 TICKETS SOLD = \$5.00 PER TICKET FOR PARTICIPATING CLUB**  
**250+ TICKETS SOLD = \$5.50 PER TICKET FOR PARTICIPATING CLUB**

Try these marketing ideas, and you will be surprised at how easy it is to sell tickets for the Sight & Hearing Sweepstakes. **YOUR CLUB CAN'T LOSE.**

1. Ask all of your members to buy and sell one ticket each. This will double ticket sales statewide, and it would provide tens of thousands of dollars for eye care and hearing aids in Michigan.
2. Obtain Board approval to buy Sight & Hearing Sweepstakes tickets in the club's name, or encourage each club member to donate \$10 to buy tickets in the club's name. Every year, some of the top prizes are won by Lions and Lioness Clubs.
3. Encourage your club members to buy tickets for their friends and family members. The tickets make great gifts for Christmas (stocking stuffers), birthdays, anniversaries or any special occasion, especially for that person who seems to have everything. Wouldn't it be great if a family member won the \$5,000 Grand Prize? Send the tickets to friends and family members with a letter that explains what Lions are doing to help people in need and why we are doing it.
4. Invite community groups (band boosters, scout troops, etcetera) that your club supports to help sell tickets. Give the group their share of the proceeds.
5. Plan to sell Sight & Hearing Sweepstakes tickets for a weekend or two at a local super market or other high volume location or event. Set up a table to display Lions information and your Sight and Hearing Sweepstakes tickets. Make up posters and signs, and pass out pamphlets that explain what Lions do and how the money collected helps people in your community.
6. Nearly all Lions and Lioness Clubs hold 50/50 raffles for our administrative fund. Try changing the format during the months of the Sight & Hearing Sweepstakes, December-April. Give the 50/50 raffle winner a \$10 Sight & Hearing Sweepstakes ticket for each \$10 of 50/50 raffle winnings.
7. Consider organizing a spaghetti dinner, auction or another special fundraiser to raise money to purchase tickets for the Sight & Hearing Sweepstakes in your club's name - that is a winning idea for your club and our foundation.

# Lions of Michigan Foundation Dr. Robert Mathog Lions Hearing Centers

## Cookbook Fundraiser

Lions Clubs are well known throughout the world for the services we provide to help people with hearing and vision loss. Nearly a century ago, Helen Keller challenged Lions Clubs to be "Knights of the Blind," and she declared that "the problems of deafness are deeper and more complex, if not more important, than those of blindness. Deafness is a much worse misfortune, for it means the loss of the most vital stimulus — the sound of the voice that brings language, sets thoughts astir and keeps us in the intellectual company of man."

Our new Lions Hearing Centers Cookbook was developed to create awareness for the treatment of hearing loss and to provide funding for our Michigan Lions Affordable Hearing Aid and Hearing Screening Programs, which offer affordable hearing care options for Michigan residents.

With your help, we can continue to change the lives of thousands of Michigan residents who need and depend on the Lions Clubs of Michigan and our partners, sponsors and friends for the treatment of the their hearing loss. As a Public Charity, all contributions to the Lions of Michigan Foundation are tax deductible to the full extent allowed by law. We appreciate your support!

Lions Bear Lake Camp is in need of your club's help!

If your club is looking for a community service project, look no farther than camp!!!! We are in the process of getting our camp ready for the 2022 season. We have many renovations that are needed, and we need Lions assistance in getting the work done prior to April 2022.

We have 10 cabins that we are renovating, which includes removing beds, repainting, and installing new carpeting squares. The campers will really appreciate the refresh of the cabins.

To meet the schedule, we have set up workdays every Saturday, starting January 15th through March 19th from 8:00 am. to 2:00 pm. (EXCLUDING THE WEEKEND OF MARCH 5th)

To sign up, you just need to click on the below link and sign up you and your fellow Lions members.

Due to the limited space in the cabins, we are limiting our workers to 8 per day. If possible like if each club could send 1-2 members to help one day.

Please sign-up ASAP to lock in your date.

If you have any questions, please feel free to contact me 810-837-0119.

Thank you for your support

# District Hunger Committee

## Volunteer Opportunity

The District Hunger Committee is pleased to announce another opportunity for Lions to give back to our community. The Bath Township Lions Club has a strategic partnership with the Greater Lansing Food Bank (GLFB). They are excited to invite fellow Lions to come help out on Saturday March 5th, 2022, from 9-11 am for a District Event.

The GLFB has their corporate office and main distribution center in Southeast Clinton County just off I-69, exit 92. This convenient location will make it easy for all Lions to volunteer.

The GLFB serves all of mid-Michigan including Clinton, Ingham, Eaton, Shiawassee, Gratiot, Isabella, and Clare Counties. They provide much needed supplies to community members in need. They are a member of Feeding America and can purchase food at low prices and are able to provide to local agencies.

Typically volunteers sort food, pack boxes, process produce, etc. This is usually done in an assembly line procedure where it will require you to be able to stand for the entire 2 hours. There will be one 15 min break available.

Please RSVP to Hunger Committee Member, Lion Larry Fewins-Bliss at [mail@larrybliss.com](mailto:mail@larrybliss.com). Further instructions will be given at that time.

# Why report service

## How do clubs and districts individually benefit from reporting service?

- » Reporting service helps transfer knowledge and best practices to your club's future leaders. Club officers can review past service activity reports, learn from the successes of the club's previous activities and better plan for their future activities.
- » Reporting service is a matter of local pride. Reporting puts your club on the map as leaders in your local community, and it's an important way to share success with other clubs in your district and around the world.
- » A high percentage of clubs reporting service is a sign of a healthy district.
- » Reporting service allows you to become eligible for service awards.

## How do clubs and districts collectively benefit from reporting service?

- » Reporting shines a light on how and where local clubs are making a difference. This elevates the profile of Lions Clubs International as a global service club organization.
- » Service reports provide tangible evidence of our global engagement and impact to prospective partners of Lions Clubs International. These relationships strengthen the organization and yield benefits at the local level.
- » People want to participate in real, visible change. Service reporting allows clubs to continually engage communities, tell stories more effectively and ultimately grow their member base.

## How does reporting service benefit the people we serve?

- » Service data helps everyone understand the needs of communities around the world and how our Lions and Leos are serving those needs.
- » Because service activities are scalable, one small service project can become the next global initiative of the organization. But Lions Clubs International is not aware of such projects unless they are reported.
- » Service data enables Lions Clubs International to identify best practices that can be shared globally.
- » Measurement leads to insight. Setting higher goals each year mobilizes the organization toward growth.
- » Service reports show how Lions and Leos around the world are using funds from Lions Clubs International Foundation grants to serve their communities. This visibility encourages Lions and Leos to think creatively about their own projects and apply for LCIF grants themselves.

## Additional benefits

- » Reporting is the final step in completing a service project. If it's not reported, it's not done!
- » Reporting service is a lot like voting. You may think your report doesn't make a big difference, but the only way we'll be successful is if everyone does their small part.
- » Reporting is considered service in itself. The time clubs and districts spend reporting their service are considered volunteer hours, and can be reported in MyLion.
