Fellow Lions of District 11-C2, it is an honor to be able to welcome you all to the 2022-2023 Lions Year! I am looking forward to serving our district this year as your Governor. My theme for this year is "Rooted in Service and is symbolized by the Tree of Life. Sometimes we tend to forget that we are all connected, we may all have our own limbs, and they may branch off in other directions, but in the end we all belong to the same roots. It is the roots of our district that make us strong. Through the friendships and bonds we share, we all learn and grow from one another and become

stronger lions. I am grateful to be able to call all of you family. One thing I have learned is you never know what tomorrow will bring, so do good, serve others, love your family and friends, laugh, and have fun. I am looking forward to working with the great team we have in place this year, serving our communities, and having fun while doing it.

Bretton Woods Lions Club

Lions Bob Thorburn, President Bernie Schneider, Waverly Animal Hospital's Ms. Kelly Clark, Will Raphael (General Manager) and Dr. Jennifer Stuhler-Raphael (Owner).

Lions Bob Thorburn, President Bernie Schneider and Ms. Nikki (Soldan's Business Development Manager).

On June 8th four members of the Bretton Woods Lions Club presented six Certificates of Appreciation to two well-deserving businesses in Lansing for their dedicated participation in the Leader Dog Dollar Tag Donation Program in 2021-2022. Lion David Grimes introduced this project to the club in early 2021. Another Lion member chaired this project from start to finish and was in attendance. The amazing team of Waverly Animal Hospital and their generous pet owners donated \$197. to Leader Dog. Every dollar donated is used in the care, feeding and extensive training of the puppies until they become successfully adopted by clients requiring their guidance at home and in the community.

Five Certificates were presented to Ms. Nikki Soldan, Business Development Manager of Soldan's Pet Supplies (stores) in Charlotte, Dewitt, Okemos, South Lansing and West Lansing locations.. The awesome Soldan's team raised an outstanding \$2021. in donations from their pet customers. For every \$500. in donations, Soldan's was able to select and sponsor four puppies starting at one year of age to be raised and trained in the Leader Dog program until they advanced to adoption.

Bretton Woods Lions Club is extremely grateful for the hard work and success demonstrated by these two businnes.

St Johns Lions Club

Lions of Michigan Foundation Dr. Robert Mathog Lions Hearing Centers

Cookbook Fundraiser

Lions Clubs are well known throughout the world for the services we provide to help people with hearing and vision loss. Nearly a century ago, Helen Keller challenged Lions Clubs to be "Knights of the Blind," and she declared that "the problems of deafness are deeper and more complex, if not more important, than those of blindness. Deafness is a much worse misfortune, for it means the loss of the most vital stimulus — the sound of the voice that brings language, sets thoughts astir and keeps us in the intellectual company of man."

Our new Lions Hearing Centers Cookbook was developed to create awareness for the treatment of hearing loss and to provide funding for our Michigan Lions Affordable Hearing Aid and Hearing Screening Programs, which offer affordable hearing care options for Michigan residents.

With your help, we can continue to change the lives of thousands of Michigan residents who need and depend on the Lions Clubs of Michigan and our partners, sponsors and friends for the treatment of the their hearing loss. As a Public Charity, all contributions to the Lions of Michigan Foundation are tax deductible to the full extent allowed by law. We appreciate your support!

Adding a Club Administrator

(Must be done by Club Secretary or President)

In order to support some club officers who are in need of additional assistance with membership and service reporting, Lions Clubs International created the role of “club administrator” to aid a club president or secretary with administrative tasks that are completed through MyLCI/MyLion. This role can be assigned to a member of your club who will then have access to the same information in MyLCI and MyLion as the club president and secretary.

To add an administrator:

- Go to lionsclubs.org
- Click “Member Login”
- Log into your account
- Select the MyLCI Icon
- Click “My Lions Club” dropdown menu
- Choose “Officers”
- Click “Select Term” and select the appropriate term
- Click “Officer Type” dropdown menu
- Choose “Lions Club Admins”
- Click “Add Officer” on the right-hand side of the screen
- Click “Select Member”
- Select name of Lion who will be your Club Administrator
- Click Save

Why report service

How do clubs and districts individually benefit from reporting service?

- » Reporting service helps transfer knowledge and best practices to your club's future leaders. Club officers can review past service activity reports, learn from the successes of the club's previous activities and better plan for their future activities.
- » Reporting service is a matter of local pride. Reporting puts your club on the map as leaders in your local community, and it's an important way to share success with other clubs in your district and around the world.
- » A high percentage of clubs reporting service is a sign of a healthy district.
- » Reporting service allows you to become eligible for service awards.

How do clubs and districts collectively benefit from reporting service?

- » Reporting shines a light on how and where local clubs are making a difference. This elevates the profile of Lions Clubs International as a global service club organization.
- » Service reports provide tangible evidence of our global engagement and impact to prospective partners of Lions Clubs International. These relationships strengthen the organization and yield benefits at the local level.
- » People want to participate in real, visible change. Service reporting allows clubs to continually engage communities, tell stories more effectively and ultimately grow their member base.

How does reporting service benefit the people we serve?

- » Service data helps everyone understand the needs of communities around the world and how our Lions and Leos are serving those needs.
- » Because service activities are scalable, one small service project can become the next global initiative of the organization. But Lions Clubs International is not aware of such projects unless they are reported.
- » Service data enables Lions Clubs International to identify best practices that can be shared globally.
- » Measurement leads to insight. Setting higher goals each year mobilizes the organization toward growth.
- » Service reports show how Lions and Leos around the world are using funds from Lions Clubs International Foundation grants to serve their communities. This visibility encourages Lions and Leos to think creatively about their own projects and apply for LCIF grants themselves.

Additional benefits

- » Reporting is the final step in completing a service project. If it's not reported, it's not done!
- » Reporting service is a lot like voting. You may think your report doesn't make a big difference, but the only way we'll be successful is if everyone does their small part.
- » Reporting is considered service in itself. The time clubs and districts spend reporting their service are considered volunteer hours, and can be reported in MyLion.
