We have a lot of exciting things happening this month. Would love to see a big crowd on hand on June 5th as we welcome three charter Lioness/Lions clubs along with a branch club to our district. The Charter will be June 5th at Beracy Park in Ashley MI. We will have two special guest present, the guest speaker will be Past International Director Jenny Ware and also taking part at this great event will be International Director Justin Faber.

The other big event is our District Convention at Bear Lake Camp in Lapeer. This will be the last Lioness/Lions combined convention. It will be a one-day event on June 12th. Our guest speaker will be Past International Director Mark Hintzmann and his wife Lion Jayne. They are from Wisconsin and we are excited they will be able to come and celebrate with us. It will be a fun filled event with two years' worth of door prizes and we will have a beautiful two-year memorial service to honor the Lions and Lioness that have gone before us. We would love everyone to stop by the hospitality room at the Holiday Inn Express that evening. In fact, there are hotel rooms still available Saturday night.

I still have some clubs that I have not visited. Feel free to contact me and we will get it scheduled. I would also like to remind clubs to contact any team member if you need anything at all. As my year runs down, it is almost time to pass the torch to my good friend DGE Tracy Temple. It has been an honor to be your District Governor this past year. Hope to see everyone at the special events this month.

Mason Lions Club

Lions Stan Jordan, Lynne Mark, Cyndi Mark, Karen Routson, Jeff Routson, Lorraine Sparks, and Dave Scutt.

Members of the Mason Lions Club recently planted red and white geraniums in flower boxes refurbished this year by Lion Jim Hayes. The plantings is on the State Street bridge in Mason. Scutt. Providing colorful flowers for the east side of the bridge near Mason's downtown is a yearly service project for the club.

Olivet Lions Club

Lions President Mike Judd and new member Gareth Fisher

President Mike Judd welcomes new member Gareth Fisher. Garry is the new pastor at the Olivet Congregational church.

We also had our best ever White Cane collection the first weekend in May. We received a whopping \$502. For this small community in the midst of a pandemic, that is admirable.

President Spagnuolo introduced Chief Mike Gute of the DeWitt Township Police Department. He has been the chief for 2½ years and has spent 28 years in Safety [police work] mostly in Shiawassee County. He informed the den on the department structure; cooperation with the surrounding Safety agencies including city, county and MSP who covered for them when they had to close for a week due to COVID. He explained the past and current crime trends which amount to 18,000 to 20,000 per year. Felony arrest have increased from 18% in 2017; 25% in 2018 and 40% in 2020 with most coming from the southern boarder with Lansing and East Lansing. Training and professionalism are his priorities. He hopes to have two new officers this summer.

Faced with the challenges of pandemic restrictions, White Cane Chairman Gary Franck and Co-Chair Denny Davis knew they had to prepare differently this year.

Adapting to conditions, Lion Gary brought an idea to Lions Duke Love and Lysle Finney about a new collection approach for social distancing.

The collection stand shown here is one of eight built by Lions Duke and Lysle and the red buckets that fit into a large hole in the top of the stand were donated by Ace Hardware of Grand Ledge.

Lansing, May 15, 2021
Lions of Michigan State Office

The Holt Lions Club joined the Lions of Michigan Foundation in the dedication of a recently planted tree and plaque in front of the Lions of Michigan State Office on Saturday, May 15, 2021. Approximately 35 Lions and Bennett family members were present.

In attendance were many members of the Holt Lions Club where Lion Dave had been a member for 53 years. He achieved 100% attendance and was the Club Secretary for over 20 years.

Lion Dave's accomplishments were many and varied. He held almost every office in the Holt Lions Club, and was a Past District Governor. He was a recipient of the S.A. Dodge Award and a member of the Lions of Michigan Foundation Hall of Fame. He received almost every award available to a Lion.

He was a Lions of Michigan Foundation Director several times and President for two years. He was also the Building Superintendent and handled the planning and updates to the building and grounds. He was involved in many Lions projects, the most recent being the MD11 Committee Chair for the Lions of Michigan All State Band. In the last couple of years he worked successfully in helping them achieve Lions State Project status.

Lion Stuart Goodrich was the speaker for the event and spoke fondly of their years as Lions and friends. He recalled Lion Dave's opportunity to sing with the Mormon Tabernacle Choir during an International Convention as one of Lion Dave's most cherished memories. In true Lion Dave fashion he kept his involvement a secret surprising his close friend at the concert.

Others were asked to speak if they wanted to. There were several who got up and spoke about Lion Dave. What was clear from the many stories was that Lion Dave was a mentor to many with his encouragement and quiet guidance.

PDG Lion Tom Doyle recalled Lion Dave's many Eyeglass Missions which included five to Latvia. Lion Dave was always a "fitter" which earned him hugs and kisses from the patients who were able to see clearly for the first time in their life.

One of Lion Dave's final acts was to contact other Lions to insure that the many things he personally handled would continue on in his absence.

Lion Dave's dedication to his family, his service in the US Navy, 35 years at General Motors and his many activities within his church and other charitable organizations

insure he will be remembered. He leaves wife Linda, son Kurt and daughter Amy and many grandchildren who were his pride and joy.

If you have a chance to stop by the Lions of Michigan Foundation office please take a moment to glance at the tree and plaque and remember Lion Dave Bennett.

The Bennett Family, with Linda Bennett in the middle.

PDG Stuart Goodrich speaking to the group at Lion Dave's Memorial Service. The Dave's plaque and young tree are just to the left.

Lion Dave wasn't shy about his dislike for wearing a tie around his neck, so he came up with an alternative way to use the ties he had or was given.

PDG Tom Doyle remembering Lion Dave during the five Eyeglass Missions to Latvia. Shown here is Lion Dave doing the fitting of eyeglasses to a recipient during the 2012 Eyeglass Mission to Latvia.

C2 Membership Team

As we reach the end of this Lions year, I think it's helpful to pause and reflect on the last year's challenges, successes and failures. As a district, we are one of only four in our state that have kept positive membership numbers for the year. Congratulations to all of the clubs who have contributed to this success!

Our work is not done though. As we reflect, have we paid homage to our past service activities and community accomplishments? Are we as a club still capable of continuing these same projects? Is it time to re-evaluate our service? **The most important activity of a club is to meet the needs of the community.** Download and review the new Club and Community Needs Assessment to reconnect with your community.

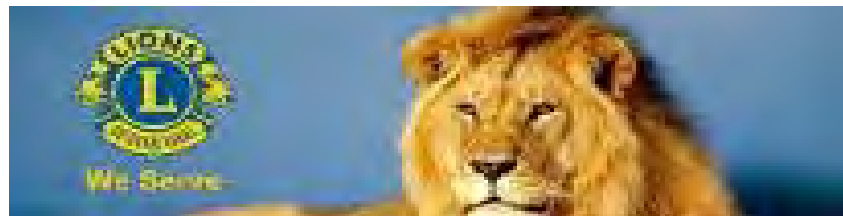

<https://www.lionsclubs.org/en/v2/resource/download/108886686%20>

The second most important thing we can do is to keep the members we have. Are your club meetings as fun as they were in the past? Has Zoom turned our members into digital zombies? Is there any hope that we can continue our club's legacy? Maybe it's time to take a moment with your club members and re-imagine your ideas of service and "Build a Vision" for your club's future. <https://www.lionsclubs.org/en/v2/resource/download/110059154%20>

As you should know, you are not alone in these endeavors. Reach out to the District Governor, any of the district GAT team or your Zone Chair. We are here to help and can facilitate both the CCNA and the "Build a Vision" programs for your club. All of us, each and every Lion, are the source of energy that propels our club's and our district's service for the greater good of our communities.

Where There's a Need, There's a Lion!

Cookbook Fundraiser

Lions Clubs are well known throughout the world for the services we provide to help people with hearing and vision loss. Nearly a century ago, Helen Keller challenged Lions Clubs to be "Knights of the Blind," and she declared that "the problems of deafness are deeper and more complex, if not more important, than those of blindness. Deafness is a much worse misfortune, for it means the loss of the most vital stimulus — the sound of the voice that brings language, sets thoughts astir and keeps us in the intellectual company of man."

Our new Lions Hearing Centers Cookbook was developed to create awareness for the treatment of hearing loss and to provide funding for our Michigan Lions Affordable Hearing Aid and Hearing Screening Programs, which offer affordable hearing care options for Michigan residents.

With your help, we can continue to change the lives of thousands of Michigan residents who need and depend on the Lions Clubs of Michigan and our partners, sponsors and friends for the treatment of the their hearing loss. As a Public Charity, all contributions to the Lions of Michigan Foundation are tax deductible to the full extent allowed by law. We appreciate your support!

Why report service

How do clubs and districts individually benefit from reporting service?

- » Reporting service helps transfer knowledge and best practices to your club's future leaders. Club officers can review past service activity reports, learn from the successes of the club's previous activities and better plan for their future activities.
- » Reporting service is a matter of local pride. Reporting puts your club on the map as leaders in your local community, and it's an important way to share success with other clubs in your district and around the world.
- » A high percentage of clubs reporting service is a sign of a healthy district.
- » Reporting service allows you to become eligible for service awards.

How do clubs and districts collectively benefit from reporting service?

- » Reporting shines a light on how and where local clubs are making a difference. This elevates the profile of Lions Clubs International as a global service club organization.
- » Service reports provide tangible evidence of our global engagement and impact to prospective partners of Lions Clubs International. These relationships strengthen the organization and yield benefits at the local level.
- » People want to participate in real, visible change. Service reporting allows clubs to continually engage communities, tell stories more effectively and ultimately grow their member base.

How does reporting service benefit the people we serve?

- » Service data helps everyone understand the needs of communities around the world and how our Lions and Leos are serving those needs.
- » Because service activities are scalable, one small service project can become the next global initiative of the organization. But Lions Clubs International is not aware of such projects unless they are reported.
- » Service data enables Lions Clubs International to identify best practices that can be shared globally.
- » Measurement leads to insight. Setting higher goals each year mobilizes the organization toward growth.
- » Service reports show how Lions and Leos around the world are using funds from Lions Clubs International Foundation grants to serve their communities. This visibility encourages Lions and Leos to think creatively about their own projects and apply for LCIF grants themselves.

Additional benefits

- » Reporting is the final step in completing a service project. If it's not reported, it's not done!
- » Reporting service is a lot like voting. You may think your report doesn't make a big difference, but the only way we'll be successful is if everyone does their small part.
- » Reporting is considered service in itself. The time clubs and districts spend reporting their service are considered volunteer hours, and can be reported in MyLion.
