## March 2020

### From the desk of the Governor

Hello Lions, Lioness and Leos of 11-C2

I was told last June by several people, PDG's in particular, that the coming year would go by very quickly. They were right, and here we are in March already. A Lion recently asked me if I was accomplishing my goals, and what I needed to do to meet those goals. I thought about it for a minute, and I didn't have an immediate answer. One goal I have is for all of our clubs and more individual members to contribute to LCIF. It is surprising to me

the number of Lions who aren't aware of our International Foundation. I encourage everyone to do some research into LCIF, and when it is your club's time to make it's annual donations, please make sure LCIF is on your list of recipients. You'll likely see me again in the next Lions' year, spreading the news about LCIF and other matters.

I am happy to report that the Michigan Forum in Grand Blanc had a fantastic turnout this year. The session that PID Jenny Ware, PDG Fran Grabowski, and I did on the Lioness to Lions bridge program was well attended and informative. I am prepared to assist any Lioness Club or individual Lioness that wants to bridge into Lions membership.

If you haven't registered for District Convention yet, there is still time. More details are in a separate article in this newsletter.

Lastly, the final Cabinet Meeting of the year will be held April 29, 2020 at Prairie Creek Golf Course in DeWitt. This one will be an evening meeting, and all of the details will follow in the April newsletter.

See you at Convention!!

Yours in Service,

*Lion Becky Hamilton DG*

## Bretton Woods Lions Club

Lions pictured with Shaun holding one of the larger tires are L-R Brett Grimes, Mike Bokovoy, Shaun, Dave Grimes, Bernie Schneider, Phil Scozzafave, Gary Armitage and Bob Thorburn.

The Lions heard of a need and were able to help an individual. Lion Mike Bokovoy heard about a 35 year old named Shaun who had used the same wheelchair for the past 16 years, and it had worn out. Lion Mike and Shaun worked through Medicare and Medicaid and also made required referrals with a physical therapist and a medical doctor. The chair was ordered with 2 sets of tires and wheels. The larger tires are important to Shaun as he likes to hunt squirrels, turkeys and deer from his chair. The total cost was over \$5500. The club contributed \$800. toward the cost so it was completely paid for. Lion Mike worked with National Seating and Mobility in Lansing to order the chair. Call him (517 420-5335) if any Lions Clubs would like more information.

Lion Patrick Donlon & Mrs. Liz Heinz

President Patrick Donlon introduced Mrs Liz Heinz - Board member of Niemann Disease Foundation. Niemann-Pick disease is a rare, inherited disease that causes the body unable to metabolize fat (cholesterol and lipids) within cells. These cells malfunction and, over time, die. Niemann-Pick disease can have an impact on your nerves, brain, spleen, liver, bone marrow and, in severe cases, lungs. There are three types of this disease, type A and B, and Type C. There are about 500 cases in the United States. She spoke of how it effected her family and the loss of their children.

### St. Johns Easter Egg Hunt

The St. Johns Lioness Club is pleased to announce the Easter Egg Hunt on Saturday, April 11 at the City Park. The club sponsors the event annually with support from the City of St. Johns and local businesses and groups. These activities will take place in the pavilion starting at 12:30 p.m.

A city police car siren will sound at 1:00 p.m. to start the "organized mayhem". Age groups this year are 3-4, 5-6, 7-8 and 9-10; children under age 3 may pick up eggs and toys at the pavilion. You can help the Lioness Club by inviting family and friends to the event, and by spreading the word in other ways. Both with volunteer hours and financial means, the Mason Lions Club strongly supports area youth and is devoted to its civic duties as a service organization. The Club is active in community beautification projects, support of the Mason Promise and other scholarship programs, providing food assistance, and giving needed support to other local organizations.
