# 90 DAYS To Protect the EyeSight and Vision Health of our Kids

A Planning Tool for Organizing Your First Children's Vision Screening under the Michigan Lions KidSight Initiative

According to educational experts, 80% of learning is visual. If children can't see well, they will have more difficulty learning.

Project SEE CLEARLY '21 is a national vision screening and correction campaign to help clear the national backlog of the 25 MILLION children – aged 6 mos and through early grade school—who have gone for nearly 2 years without a basic vision screening due to pandemic interruption. This volunteer initiative is brought to you by the Lions KidSight USA- a nation-wide program that brings Lions clubs across the country together to ensure our children receive eye screenings and follow-up care when needed.

1-in-3 young children have poor but correctable vision - often just needing eyeglasses.

## Support Lions KidSight USA

- **We're 6 to 6** – we provide vision screening to children as young as 6 months to grade 12.
- **We're national** – we've created a coordinated national coalition of active and experienced Lions vision screeners.
- **We're needed** – vision problems undetected by the age of 7 can become permanent.
- How many millions of kids now have worsening eyesight from prolonged “screen” time?

## Take These 3 Steps To Conduct KidSight Vision Screenings in YOUR town:

1

Send an info pack to either all public elementaries, or any early child care centers, to get their permission to host a vision screening.

2

Identify 3-6 people to be certified as a children's vision screener.

3

Secure a screening instrument from your Lions District KidSight Team.

## FIRST 30 DAYS

**SEND** permission approval letter packet to schools and/or early child centers and nursery schools. Identify 3 or more club members willing to become a Certified Vision Screener as well as commit to one half day, or ideally a few half days, to conduct the vision screenings.

## SECOND 30 DAYS

**FOLLOW-UP** with the area's schools and/or early child care centers to set a day and time for the screening; provide any assistance needed in securing parental/guardian permission (assuming the facility does not already have a 'global permission' in place).

**SECURE** a screening device from your Lions District KidSight Team.

**CREATE** an "Upcoming Service Project" posting in MyLion for the vision screening initiative, which will help generate excitement plus help with coordination.

## FINAL 30 DAY STRETCH

**ASSIGN** a responsible person or party to ensure that all KidSight screening data for your event was collected and forwarded to your Lions District KidSight Coordinator(s) or the Lions of Michigan Foundation office.

**ENSURE** that referral information was provided to each family with a child requiring follow-up eye care with an optometrist or ophthalmologist. Families without insurance or who need help with obtaining follow-up eye care for their child or children should be referred to the Lions of Michigan Foundation office - [www.lmsf.net](http://www.lmsf.net) - [info@lmsf.net](mailto:info@lmsf.net) - 517-887-6640.

**PLAN** to Celebrate your Success for organizing and conducting an event to identify and help children suffering from vision loss in your community.

Rinse, repeat again...till every child is given the chance to **SEE CLEARLY.**

## 17th Annual Lions of Michigan Candy Days September 24 & 25, 2021

### WHAT IS "CANDY DAYS" ?

*A Candy Day is an all-out 1-day street promotion held in the Fall of the year. The concept is simple and easy to execute. Lion Club members stand in areas of high traffic, much like during White Cane Week, and give away rolls of Lion Mints in exchange for donations. Most clubs that participate in Candy Days earn an average profit of \$1 per roll on the mints they distribute during Candy Days. Clubs that have countertop sales usually notice increased sales after a Candy Day.*

# Plan for Success!

Prior Planning will increase a club's potential for a successful Candy Days fundraiser.

1. Determine sales locations and assign work schedules for your members. It is suggested that members work in teams of two for two hours.
2. Have county/city leaders pass a Candy Days Resolution.
3. Check local solicitation laws and obtain permits as necessary.
4. Do local advertising at least one week prior to your sale and indicate what your proceeds will be used for — use the radio, newspaper, and public broadcasting network to advertise your sale.
5. Make collection containers.  
A container that you can see through with a starter dollar works effectively.

6. On the day of the event, proudly wear your Lions apparel and some type of apron to hold the candy and any information to be distributed. Nail aprons work well.

✱ Proper wrap-up procedures will insure future success.

1. Count and deposit all money collected and make a complete report to the club at the next scheduled meeting.
2. Thank each member who helped and the local merchants that provided space for the solicitation.
3. Thank the community for their support in a follow-up article in the local paper.

## Cookbook Fundraiser

Lions Clubs are well known throughout the world for the services we provide to help people with hearing and vision loss. Nearly a century ago, Helen Keller challenged Lions Clubs to be "Knights of the Blind," and she declared that "the problems of deafness are deeper and more complex, if not more important, than those of blindness. Deafness is a much worse misfortune, for it means the loss of the most vital stimulus — the sound of the voice that brings language, sets thoughts astir and keeps us in the intellectual company of man."

Our new Lions Hearing Centers Cookbook was developed to create awareness for the treatment of hearing loss and to provide funding for our Michigan Lions Affordable Hearing Aid and Hearing Screening Programs, which offer affordable hearing care options for Michigan residents.

With your help, we can continue to change the lives of thousands of Michigan residents who need and depend on the Lions Clubs of Michigan and our partners, sponsors and friends for the treatment of the their hearing loss. As a Public Charity, all contributions to the Lions of Michigan Foundation are tax deductible to the full extent allowed by law. We appreciate your support!

## > WHY ATTEND A LEADERSHIP INSTITUTE FOR LIONS?

Training equips Lions with the motivation, knowledge and skills to ensure that a high level of service is provided. It develops more leaders, and more leaders translates into greater service. Training makes Lions more effective.

Attending the Leadership Institute gives participants the tools and confidence to become more effective leaders. The skills learned can be applied to their job, their Lions Club and their everyday lives.

Participants learn key components of team building. By sharing ideas, success stories and humanitarian endeavors, Lions learn how to influence membership and become more open-minded and receptive to change.

## How will the institute improve Michigan Lionism?

The Leadership Institute provides each district with a pool of trained leaders. Lionism is also improved by creating more responsive and dynamic Lions Clubs throughout Michigan.

## How can all of this be accomplished?

The Institute is partially funded through a grant from LCI's Leadership Division. Lions Clubs and Districts also provide a portion of the cost of the Institute. In addition, a registration fee is paid by participants.

## > > > PARTICIPANT QUALIFICATIONS & SELECTION PROCESS

The Michigan Lions Leadership Institute focuses on building the skills of emerging Lion leaders at the club, zone, region and district levels.

All Lions in good standing who wish to develop or improve their leadership skills are eligible to apply. Club and district officers are encouraged to take advantage of this opportunity to learn life-long skills.

Applicants should demonstrate a desire to improve their leadership skills.

Applicants must be willing to commit to the entire program (Friday morning through Sunday noon), followed by life-long personal growth.

Because of space limitations and the anticipated high number of applications to be received, acceptance into the institute is not guaranteed. After screening the applications, the Institute Planning Committee will notify you of your acceptance.

The Michigan Lions Institute Planning Committee maintains the quality of all aspects of the institute, including program, faculty, and the selection of participants.

# Why report service

## How do clubs and districts individually benefit from reporting service?

- » Reporting service helps transfer knowledge and best practices to your club's future leaders. Club officers can review past service activity reports, learn from the successes of the club's previous activities and better plan for their future activities.
- » Reporting service is a matter of local pride. Reporting puts your club on the map as leaders in your local community, and it's an important way to share success with other clubs in your district and around the world.
- » A high percentage of clubs reporting service is a sign of a healthy district.
- » Reporting service allows you to become eligible for service awards.

## How do clubs and districts collectively benefit from reporting service?

- » Reporting shines a light on how and where local clubs are making a difference. This elevates the profile of Lions Clubs International as a global service club organization.
- » Service reports provide tangible evidence of our global engagement and impact to prospective partners of Lions Clubs International. These relationships strengthen the organization and yield benefits at the local level.
- » People want to participate in real, visible change. Service reporting allows clubs to continually engage communities, tell stories more effectively and ultimately grow their member base.

## How does reporting service benefit the people we serve?

- » Service data helps everyone understand the needs of communities around the world and how our Lions and Leos are serving those needs.
- » Because service activities are scalable, one small service project can become the next global initiative of the organization. But Lions Clubs International is not aware of such projects unless they are reported.
- » Service data enables Lions Clubs International to identify best practices that can be shared globally.
- » Measurement leads to insight. Setting higher goals each year mobilizes the organization toward growth.
- » Service reports show how Lions and Leos around the world are using funds from Lions Clubs International Foundation grants to serve their communities. This visibility encourages Lions and Leos to think creatively about their own projects and apply for LCIF grants themselves.

## Additional benefits

- » Reporting is the final step in completing a service project. If it's not reported, it's not done!
- » Reporting service is a lot like voting. You may think your report doesn't make a big difference, but the only way we'll be successful is if everyone does their small part.
- » Reporting is considered service in itself. The time clubs and districts spend reporting their service are considered volunteer hours, and can be reported in MyLion.
