

DG Kelly invites you to Hawaiian Luau at 11-B1 Convention
Hana ho'omana'o (Making Memories)
April 29, 2023 Opens @ 9am

Greetings Lions!

The 2023 District 11-B1 Convention planning is well underway. There are many great things coming! We want to let you know we will again host a can raffle with fabulous gift baskets and have a great silent auction during the Convention. In order to make a difference, the district relies on the generous support of each Lions club.

Your support is critical to the success of this project and we would be most grateful if you or your club would provide \$30.00 to purchase raffle items for a gift basket or donate items.

Please submit your donation no later than **April 15, 2023**.

Checks can be mailed to PCC Barry Allen, Cabinet Treasurer at 19230 Sharon Valley Rd, Manchester, MI 48158. Please put "raffle" in the check memo field.

In order to properly display and represent each of these items we ask you to provide a description of the item(s), approximate value, and name of individual or club donating the item(s). Please contact **Louvenia Shack-Seals at (517) 914-9600 to arrange for pick of your item(s).**

We encourage you to support this activity as well as attending this fun-filled Convention, which will be held at Commonwealth Commerce Center at 209 East Washington Avenue, Jackson, Michigan 49201.

Please contact Louvenia Shack-Seals at (517) 914-9600 or Cheryl Bradshaw at (517) 414-1468 with any questions about the raffle.

Sincerely,

District Governor Kelly Lubbe
