## 11-B1 Leos Attend “Leo Day” at the USA/Canada Forum!

Information provided by PDG Terry Walters, District Leo Chair, Dexter Lions Club

District 11-B1 was well represented at the “Leo Day” held at the USA/Canada Forum. The Forum was held in Grand Rapids, and Leo Day was Saturday, the 19<sup>th</sup> of September. There were a total of 83 participants. This was the first Leo Day conference ever held at a USA/Canada Forum.

District 11-B1 had 14 Leos, 3 advisors, 2 Lions and 1 parent at the full day Leo Leadership conference. It was an excellent format that provided information to the advisors and Leos attending.

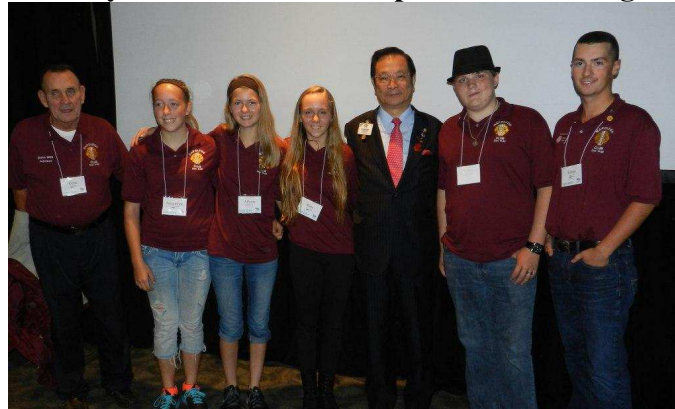

The presenters of the four sessions were from South Carolina, Georgia, Tennessee, Minnesota, and California. The Leos and Advisors had a special guest at the third session. Dr. Jitsuhiro Yamada, International President of LCI.

IP Dr. Yamada came and spoke and spent 20-30 minutes at the Leo Day. He also had his picture taken with each Leo Club. Our Leos were great participants and enjoyed meeting other Leos and learning about other Leo clubs.

Attending from District 11-B1 were: Hanover-Horton Leos ( 7 Leos, 1 advisor, 1 Lion, 1 parent); W.I.S.D. Leos (1 Leo, 1 advisor) and Napoleon Leos (6 Leos, 1 advisor). District Leo Chair, Terry Walters, was also in attendance. He was a moderator and the key individual responsible for getting many Leos and advisors from Michigan to attend.

Everyone enjoyed the various sessions and came away with an enthusiasm for what Leos can do and how much fun it is to be a Leo providing service to their communities. Again, this was the first ever Leo Day ever held at a USA/Canada Forum - and it is hoped that it will now be a permanent part of Forums to come.

**Thank you to the clubs who provided such a great opportunity to their Leos!**

DG Peggy Allen, Manchester Lions

**In Memory of Lion Shirley Jean Davis 1926-2015**

**Shirley “Jean” Davis 1/28/1926 – 9/26/2015**

Born as Shirley Jean Stuckman in Saginaw, MI to Frank & Lucille (Light) Stuckman; first of four children.

Jean married James Alford Demerest on 5/12/43; this marriage produced one son - James Alan Demerest. Both have preceded her in death.

S. Jean Demerest married Bernard LaVern Davis on 9/12/46. This union produced a daughter - Peggy Lynn Allen (Barry) of Manchester, MI - and a son - Richard Michael Davis (Maryann) of Addison, MI.

Jean leaves behind two brothers; Dick (Betty-deceased) of Lansing, MI, and David (Grace) Stuckman of Milan, MI. Jean’s middle brother Jerry preceded her in death; as did one of her grandchildren. Bernard Davis passed away in 2002.

S. Jean Davis leaves behind fourteen grandchildren, fifteen great grandchildren (with one on the way), and one great, great grandchild (with a second one born the day of her death). She also leaves ten nieces and nephews, and many great nieces and nephews.

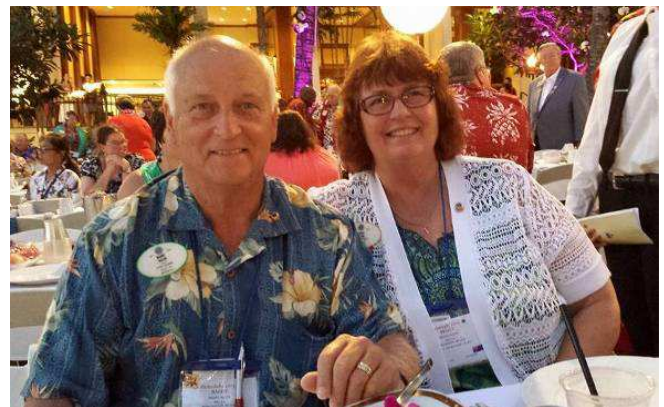

In her final years she was a Charter member of the Manchester Lions Club with four generations of her family serving the community and District.

She wishes - in place of flowers – that we make donations in her name to one of her favorite projects: Leader Dog for the Blind in Rochester, MI, or the Penrickton Center for Blind Children in Taylor, MI.

Please join the Family for the Memorial of her Life and luncheon, taking place at the Napoleon Lions Clubhouse, 7935 Napoleon Road, Jackson, MI 49201 on October 18<sup>th</sup>; starting around 12:30pm.

Thanks to all of you, for your support.

**Jackson Eyeopeners Donate Backpacks, School Supplies & Clothing**

Lions Tom Hutton & Barb Ray

The Jackson Eyeopeners participated in Children's Dignity Week by starting a clothes closet at

McCullough School and filling it with clothing and underwear. We plan to add additional items during the year. We also donated 15 back packs to them, and 15 to the Aware Shelter. The back packs were filled with school supplies.

On September 10<sup>th</sup>, Lions Tom Hutton, Jackie Hunter, Carolyn Verbecken, Karen Hutton and John Verbecken went to McCullough School to deliver the clothing, backpacks, and paper items for their clothes closet. McCullough Principal Julie Blake was very grateful for their generosity.

**Lions Join With the Daffodil Society to Tie Their Bulb-Planting Record!**

From Lion Bob Oberst of the Jackson Host Lions: "Report on the daffodil planting project in Sharp Park last Saturday: We were represented by 19 individuals from our club who were joined with Lions from 3 or 4 other clubs, the Daffodil society members, some youth, other unidentified people and one barking dog. The weather was a little nippy but 2,000 bulbs were planted in 20 minutes tying a previous record. This is just one of several community projects in which we participate, the next being probably the "hanging of the greens" on the Cascades bridge. I was at the planting on Saturday, not able to work, but to cheer and enjoy a cup of cider and a donut."

**Napoleon Lion Gary Morrill Presented with a Melvin Jones Fellow Award**

PDG Dan Shepherd

## Jackson Clubs Help Interfaith Shelter by Serving Lunch, Dinner.

As many times as we see it in the Club Doin's section, it's always awesome to be acknowledged or recognized by an agency for your support and contributions. The Hanover Horton Leos held their first meeting of this school year. Immediate Past President Bailey Allison called the meeting to order, she then presented Leo President Sydnee Gifford her new gavel so she could conduct the balance of the meeting. During the meeting Sydnee asked Caleb Sherman whom had become a member during the summer to come forward and be recognized. She also introduced her officers for the year as Vice President Katey Anderson, Secretary Alaina Ignatoski and Treasurer Autumn Summers.

Hanover Horton Leo President Sydnee Gifford welcomes new member Caleb Sherman to the Club with a presentation of a Leo Shirt, Leo Pin, Leo Name Badge and a Certificate on Membership.

**Fast Forward:** The Hanover Horton Leos held their second meeting of this year and accepted three applicants for membership to the Leo Club. Their special guest was District Zone Chair Dave Hill who did the honor of inducting the three new members who were Ed Nichols, Zenzi Peter and Trinity Torres. The Zone Chair introduced himself to the Leos and discussed the upcoming Fall Conference and took question from the Leo members. Several Leos who attended the USA-Canada forum spoke as to their experience and classes that they attended and the good time that they

had. A big thanks to Mrs Allison who served as a driver to enable the seven Leos to attend the event in Grand Rapids, Michigan. There was discussion about the Leos participation in the Hanover Horton Stuff the Bus for the Hanover Community Food Pantry. They are still collecting recipes for their cookbook. Six Leos will be attending the District's Fall Conference to present their check at the Parade of Checks on October 17th. Six Leos will be helping with the fundraiser volleyball event at the Hanover Horton Schools on October 20th

## Insights: The Hanover Horton Leos Attend "Leo Day" at the USA/Canada Forum

It was Saturday, a day that students do not have to go to school and they can sleep in until late morning. But that wasn't the case for seven of the Hanover Horton Leos of Hanover Horton Schools. They chose to get up at 6:00 am and make their way to their school and leave for the USA/Canada Forum in Grand Rapids,

## The Council of Governors needs each club's support!

By District Governor Peggy Allen

At the August 1<sup>st</sup> Council of Governor's meeting in Lansing, MI, it was voted on that we would take on a State Project. This project has to do with our International President Dr. Jitsuhiro Yamada's Challenge of **Dignity-Harmony-Humanity**.

We are looking at a humanitarian service project in a less fortunate country to positively impact children. LCIF offers a Matching Grant up to \$30,000 known as the International Assistance Grant Program.

The grant criteria is:

- Address an important humanitarian need;
- Involve at least two Clubs or District from different countries;
- Provide long term benefit;
- Serves a large or particularly needy population;
- Project is identified as a Lions Project;

The grant application raises at least 50% of the funding through Lions or other sources.

This is where the clubs come into play. We need every club in the State of Michigan to donate \$100.00 in order to acquire the \$30,000.00 in order to apply for the matching grant from LCIF.

Please send your donation to: CT Walt Treichel

### Environmental Committee Posts Warning of Black Walnut Scam Lion Cathy Koning

On behalf of the environmental committee, I'd like to share a blurb in the Washtenaw Conservation District's newsletter on a black walnut tree scam:

#### **CONSUMER ADVISORY: SCAMMERS ON THE PROWL FOR BLACK WALNUT TREES**

Consumers are being warned to be on the lookout for scam artists looking to buy black walnut trees using the detection of an invasive species as the hook. There are reports of log buyers pressuring Michigan woodlot owners and others to sell their black walnut telling them that Thousand Cankers Disease has been detected in Michigan.

Thousand Cankers Disease has not been detected in Michigan. The Michigan departments of Agriculture and Rural Development and Natural Resources continue to have a disease surveillance program in place to look for invasive diseases and exotic pests and protect the state's natural resources from things like TCD. Although TCD does present a real threat to black walnut, to date it hasn't rapidly spread and impacted walnut on a large scale. It is nothing like the Emerald Ash Borer or Dutch Elm Disease.

If TCD is eventually detected, it would be announced by the state identifying the affected areas, outlining the response plan and quarantine restrictions would apply to the affected area. This is often only a small portion of one county.

Hiroshima - A busy, prosperous, attractive city, Hiroshima will be remembered for that terrible instant on 6 August 1945 when it became the world's first atomic-bomb target. Hiroshima's Peace Memorial Park is a constant reminder of that tragic day and it attracts visitors from all over the world. Yet Hiroshima is a far from depressing place; on the contrary, its citizens have recovered from nuclear holocaust to build a thriving and internationally minded community (source: Lonely Planet)

Fukuoko host of 99th annual Lions International Convention. This youthful, user-friendly metropolis has a cosmopolitan charm, particularly after dark, peppered with the flavors of its Asian neighbors. Hakata traces its trading history back some 2000 years, which continues today with visitors from Seoul and Shanghai. Among Japanese, the city is famed for its 'Hakata bijin' (beautiful women), SoftBank Hawks baseball team and hearty Hakata rāmen (source: Lonely Planet)

#### **THIS MONTH’S “CLUB DOINGS”** *Clubs Doing What They Do!*

**The Ann Arbor Host Lions** sent two members to the USA/Canada Forum, and worked on a variety of community service projects. They provided towels, hand towels & wash clothes for children with disabilities thru the Bay Cliff Health Camp. They provided fresh fruit, veggies & met for 2 very low income families in Ypsilanti. They also provided help to two seniors who are legally blind to obtain talking books, access to local low vision support groups, low vision book clubs and access to public transportation.

**The Bedford Area Lions** held their Chicken Bar-B-Que fundraiser and the regular Cherry Juice Sales. Their Soup & Salad Supper will be on Thursday, Oct 15, 5P-7P, at the Bedford Clubhouse.

**The Chelsea Lions** installed about 140 American flags throughout the community from Labor Day thru 9/11 as part of their ongoing flag service fundraiser. They collected eyeglasses and donated funds to the Senior Center.

**The Clinton Lions** raised money selling mints and worked on their ongoing projects; Care Packages for the Troops, the Clinton Food Pantry, and the Miles of Pennies program. They collected eyeglasses & hearing aids and participated in the Clinton Fall Festival Sep 25-27.

**The Hanover Horton Lions** conducted a “Stuff the Bus” food drive for the food pantry. They not only stuffed it, but they also unloaded it and stocked the pantry shelves! They also donated funds to help the Girl Scouts and support a project to improve the Meridian Baseline State Park. The project is managed by Ella Sharp Park and implemented by a group called ‘1815 Surveying Michigan.’

**The Inter-Lake Lions** participated in the Candy Days fundraiser

**The Jackson Cascades Lions** conducted their Annual Mint Sale (Candy Days), their President, Lion Dave Robinson, attended the annual Michigan Braille Transcribing Fund Dinner, and they provided local residents with eye exams and glasses.

**The Jackson Eyeopeners Lions** held a very successful Gas Card/Bicycle raffle, netting \$2k with all tickets sold! However, neither their M&A nor Newsletter disclosed the winner...must be top secret stuff!?! Hmmm... Well, anyways, they kept busy with a Candy Days fundraiser, serving lunch at the Interfaith Shelter, and donating back packs and collected clothes to McCullough School and back packs to the Aware Shelter (the back packs were filled with school supplies). They did have one member attend the USA/Canada Forum and they funded a hearing aid fitting and eye exams/glasses for residents. They donated to the Food Pantry (Brad’s Lunch Bunch) and the LMF (in honor of IPDG Vicki Lautzenheiser). They continue to raise the bar with members active in so many community events and organizations the list barely fits on their M&A – too many to list here. Keep up the fantastic work, Eyeopeners!

**The Jackson Host Lions** began their Holiday Nuts & Candy Sale, which they'll run into November and distribute in December. They served a meal and provided music for the Interfaith Shelter, they transported & assisted members of the Jackson Blind Club, and they provided \$320 to help 4 residents get eye exams and glasses. They also collected an estimated 300 pairs of eyeglasses from 26 collection sites! On October 4<sup>th</sup>, they joined members of other clubs and the Daffodil Society for the annual planting, this year at Sharp Park. They plan to have a booth where members will serve as "Lion Ambassadors" (and sell those nuts and candies, of course!) at the JAXPO event on October 15<sup>th</sup> (at All-Skate).

**The Manchester Lions** held a charity poker fundraiser and donated funds to the LOMF Walk/Run, the Ladies Society for Baby Baskets and the MI Council of Governor's International Project.

They also held their annual Pancake Brunch on October 4<sup>th</sup>, with assistance from the MYCA Cadets.

**The North Jackson Lions** participated in the Candy Days fundraiser, raising \$855 with a super effort on their part! They also sent three members to the USA/Canada Forum and donated to the LFM Walk/Run Event by sponsoring a Race Mile Marker.

**The Parma-Spring Arbor Lions** worked on their Community Birthday Calendar fundraiser, and also raised funds by holding a day-long volleyball tournament. They collected eyeglasses and donated funds to get eyeglasses for a resident.

**The Saline Lions** participated in the Saline Community Fair and the Saline Oktoberfest, both in September. They also took part in the "Harvest Day at Rentschler Farm" – a festival held at the Rentschler Farm Museum, hosted by the Saline Area Historical Society.

**The Tekonsha Lions** supported the Council of Governor's request for donations and held a 'We Serve' essay contest, the winner – Alexis Cole - getting a \$200 prize for her entry. They continue to sell their community/birthday calendars and participate in events benefitting local organizations like collecting clothes, recycling, tree planting, blood drives and more.

**The Vandercook Lake Lions** held their monthly pancake breakfast fundraiser, and enjoyed a grilled steak/potluck dinner with members of the North Jackson Lions Club. They also participated with a float in the VCL HS Homecoming Parade.

**Fake Virus Pop-Ups Continue to Get Folks Corralled into Big \$\$ Support!**

Several months ago I ran an article about fake tech-support pop-ups that are fooling folks into thinking they've got a big problem – and telling them to call an 800 (or 888, 887, etc) number for help. This is still on-going and if you didn't catch the article you should be aware that no legitimate antivirus, and no Microsoft operating system has pop-up alerts that tell you to call a phone number. If you do it, you'll be asked to let them take control of your computer to show you what problem you have. PLEASE do not let them do this!!! Simply tell them you'll take care of it locally and hang up. If they call you back – and they probably will – you may have to threaten FBI notification to get them to back off.

These companies are using a trick called “browser hijacking” to get their pop-up onto your screen when you are on the Internet. So, right away they're using illicit means to get their software onto your computer and tell you that you have a problem – when you many not have any problems at all. The tricks and tactics they will use to get you to buy their clean-up & support contract (at ~\$300 for one year!) are unbelievable. Please don't fall for this scam.

The easy way to get rid of the pop-ups: reboot your computer then reset your browser. Don't know how to reset your browser? Google it! A simple “how to reset Internet Explorer” (or Google Chrome or Mozilla Firefox) in your search engine will yield a step-by-step tutorial on how to reset that puppy and get rid of those hijackers!

We're still hearing a lot about the cold-callers saying they're from “Windows” and they've detected virus activity on your computer. A number of people are still falling for that trick, too. And, there's still a lot of activity on the bogus tech support links and phone numbers when you try to “Google” them. If you search for “HP tech support”, for instance, you'll see there's a LOT of sites (that have nothing to do with HP) that show up in the search. Choose carefully and make sure the web address is going to get you to the real HP.

Good Luck! It's a minefield out there on the Internet!

**Be Sure to Get Your Club's Info into the Newsletter!**

Be sure to send your M&A Reports and articles w/photos to [steve@protechcomputers.biz](mailto:steve@protechcomputers.biz)! Be sure to expand on those one-liners in the M&A in the text section at the end! Tell us more about your events there.

**NOTE ON PHOTOS:** If you send photos, be sure to provide names of those in the photo using the L-R (by row if nec) convention. A little back-story on the photo is great, too. Thank you!

**REMEMBER:** What you are going to do (upcoming events) are just as important as what you did! The Newsletter is a great way to get your events publicized! Be sure to put them on page 2 of your M&A! (toss in the who, what, when and where – ok?)

This is a simple "New" Member survey that should be given to ALL new members asking why they joined, what interests they have, what type of projects would they like to see the club work towards, basically how would they like to help and serve their community.

By using such a survey we hope it gives the clubs insight into the expectations of their new members, maybe give the club a few new ideas and show the new member the club cares about what they think and just maybe give us enough of an edge to keep that member so they don't get disillusioned in 6 months because their interests are not being met.

Remember bringing in a new member is only half the battle, keeping them and the ones we already have is our only sure way to grow!

---

### Welcome New Lion!

Please take a moment to answer the following 5 questions below and by doing so allowing us the chance to get to know you better.

1. Why did you join Lions?

---

2. What are your interests?

---

4. How would you like to see this Lions Club help our community?

---

5. Do you have any ideas or suggestions that might help us expand our Service, our Membership or do you have any fun or interesting Fundraiser ideas?

---

LIONS are the largest community based service organization in the world and together we can make a difference and help fill a need within our community "We Serve" is the Lions motto and how we give back to those in need. Welcome!
